Item 4. Purpose of Transaction

Item 4 of the Original Schedule 13D is hereby amended and supplemented by adding the following:

(a)-(j)

On October 28, 2016, SXC delivered a proposal (the Proposal) to the Board of Directors (the GP Board) of SunCoke Energy Partners GP LLC, the general partner of the Partnership, to acquire all of the Partnership's outstanding common units not already owned by SXC and its affiliates, in exchange for 1.65 shares of SXC's common stock for each issued and outstanding publicly-held common unit of the Partnership, in a transaction to be structured as a merger of the Partnership with a wholly-owned subsidiary of SXC. The Proposal is subject to the negotiation and execution of a mutually acceptable definitive agreement and approval of such definitive agreement and the transactions contemplated thereunder by SXC's Board of Directors and the Conflicts Committee of the GP Board (the GP Conflicts Committee). Attention: Mr. C. Scott Hobbs,
Presiding Director

Re: Proposal to acquire all publicly traded common units representing limited partner interests in SunCoke Energy Partners, L.P.

Ladies and Gentlemen:

SunCoke Energy, Inc. (**SXC**) is pleased to submit a proposal (the **Proposal**) pursuant to which SXC would acquire all of the outstanding common units of SunCoke Energy Partners, L.P. (**SXCP**) not already owned by SXC. Subject to the negotiation and execution of mutually acceptable definitive documentation containing terms and conditions customary for a transaction of this type, SXC hereby proposes to exchange 1.65 new shares of SXC common stock for each issued and outstanding publicly-held SXCP common unit. The consideration represents a five percent (5.0%) premium to SXCP's closing price of \$16.95 per common unit on the New York Stock Exchange on October 28, 2016.

The transaction is expected to be structured as a merger between SXCP and a wholly-owned subsidiary of SXC. We anticipate that the Board of Directors of SunCoke Energy Partners GP LLC (**SXCP GP**) will delegate the authority to review, evaluate and negotiate the Proposal to its conflicts committee, comprised entirely of independent directors (the **Conflicts Committee**). We welcome the opportunity to present the Proposal in more detail to the Conflicts Committee and its advisors as soon as possible, and we are prepared to dedicate such resources as may be necessary to complete negotiations, execute definitive agreements and close the transaction as expeditiously as possible. Please be aware, however, that SXC is interested only in acquiring all of the outstanding common units of SXCP. SXC has no interest

in selling any of its partnership interests in SXCP, selling assets to SXCP or pursuing other strategic alternatives involving SXCP.

We do not expect that regulatory approvals will be an impediment to closing, or that the transaction will be conditioned on the availability of any financing to SXC.

SunCoke Energy Partners GP LLC

October 28, 2016

This Proposal is non-binding, and no agreement, arrangement or understanding between the parties with respect to the Proposal or any other transaction will be created until such time as mutually satisfactory definitive agreements have been executed and delivered. The making of the Proposal has been authorized by the Board of Directors of SXC, but the definitive agreements and the transactions contemplated thereby will require approval by the Board of Directors of SXC and SXC's shareholders, as well as SXCP GP's Conflicts Committee and SXCP's unitholders.

SXC looks forward to completing this proposed transaction with SXCP, which we believe is attractive to SXCP's public unitholders.

SUNCOKE ENERGY, INC. PROPOSES TO ACQUIRE ALL

PUBLICLY TRADED COMMON UNITS OF SUNCOKE ENERGY PARTNERS, L.P.

Lisle, Ill. (October 31, 2016) SunCoke Energy, Inc. (NYSE: SXC) today announced that it has submitted a proposal to the Board of Directors of the general partner of SunCoke Energy Partners, L.P. (NYSE: SXCP) to acquire all of SXCP's common units not already owned by SXC. Under the terms of the proposal, SXCP common unitholders would receive approximately 1.65 new shares of SXC common stock for each SXCP common unit on the New York Stock Exchange, representing an implied purchase price of \$17.80 per SXCP common unit, or a 5% premium, based on the closing price as of October 28, 2016, which was the last day of trading for each of SXC and SXCP prior to this announcement.

Assuming the completion of the proposed transaction, SXCP will become a wholly-owned subsidiary of SXC, and SXCP's common units will cease to be publicly traded. SXCP's 7.375% Senior Notes due 2020 will remain outstanding.

We believe this proposed transaction enhances value for both SXC shareholders and SXCP unitholders. The merger of SXC and SXCP will result in significant cash flow accretion to SXC shareholders, generate meaningful cash flow synergies for the combined organization, and create greater financial flexibility to initiate a dividend, further de-lever the balance sheet and pursue a broader set of growth opportunities where we may have product or customer adjacencies, said Fritz Henderson, Chairman, President and CEO of SXC. The combination of these financial and strategic benefits will create a stronger combined company and will maximize value for both investor bases.

The proposal has been made to the Board of Directors of SXCP's general partner, which is an indirect wholly-owned subsidiary of SXC. SXC expects that the Board of Directors of SXCP's general partner will delegate the authority to review and evaluate the proposal to its Conflicts Committee. The Conflicts Committee, which is composed of only the independent directors of the Board of Directors of SXCP's general partner, will consider the proposal pursuant to applicable procedures established in SXCP's partnership agreement. The proposed transaction is subject to the negotiation and execution of mutually acceptable agreement and plan of merger, which would provide the definitive terms of the transaction. The closing of the proposed transaction also is conditioned upon customary regulatory approvals. If an agreement is reached and definitive terms ultimately are approved by each of the Boards of Directors of SXC and SXCP, the transaction also will require approval by a majority of votes cast by SXC shareholders at a meeting, and approval by a majority of SXCP's outstanding common units, including the common units held by affiliates of SXC. Through its affiliates, SXC owns approximately 53.9% of SXCP's outstanding common units which SXC intends to vote in favor of the proposed transaction.

CONFERENCE CALL AND WEBCAST INFORMATION

SXC and SXCP will jointly host a live conference call and webcast to discuss the proposed transaction at 9:00 a.m. Eastern Time (8:00 a.m. Central Time) today, October 31, 2016. A presentation outlining the transaction will be posted on the home page of the Investors section of SXC's website, at www.suncoke.com, prior to the call. Investors may participate in this call by dialing 1-877-201-0168 in the U.S. or 1-647-788-4901 if outside the U.S., confirmation code 10953956. The conference call will be archived for replay on a webcast link located in the Investors section of www.suncoke.com.
