**Report of Independent Auditors**

**The Board of Directors and Stockholders of CareTrust REIT, Inc.**

We have audited the accompanying statement of revenues and certain expenses ( the financial statement ) of the Texas Skilled Nursing Portfolio (the Portfolio ) for the year ended December 31, 2015, and the related notes to the financial statement.

**Management s Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of the financial statement in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that are free of material misstatement, whether due to fraud or error.

**Auditor s Responsibility**

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor s judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity s preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates, made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses as described in Note 1 of the Portfolio s financial statement for the year ended December 31, 2015, in conformity with U.S. generally accepted accounting principles.

**Basis of Accounting**

As described in Note 1 to the financial statement, the statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, and is not intended to be a complete presentation of the Portfolio s revenues and expenses. Our opinion is not modified with respect to this matter.

**TEXAS SKILLED NURSING PORTFOLIO**

**NOTES TO THE STATEMENTS OF REVENUES AND CERTAIN EXPENSES**

**1. BACKGROUND AND BASIS OF PRESENTATION**

On December 1, 2016, CareTrust REIT, Inc. (the Company) through its operating partnership, CTR Partnership, L.P., completed the acquisition of three skilled nursing facilities and one skilled nursing campus located in the greater Dallas-Fort Worth area of Texas (collectively, the Portfolio), consisting of 540 skilled nursing beds and 28 assisted living units. The Portfolio was acquired for \$95 million, exclusive of transaction costs.

The accompanying statements of revenues and certain expenses present the results of operations of the Portfolio for the nine months ended September 30, 2016 (unaudited) and the year ended December 31, 2015.

The accompanying statements of revenues and certain expenses have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual operations for the periods presented as revenues and certain operating expenses, which may not be directly attributable to the revenues and expenses expected to be incurred through the future operations of the Portfolio, have been excluded. Such items include depreciation, amortization, and interest expense.

**2. SIGNIFICANT ACCOUNTING POLICIES**

***Revenue Recognition***

The Portfolio recognizes rental revenue from tenants on a straight-line basis over the lease term when collectability is reasonably assured and the tenant has taken possession or controls the physical use of the leased asset.

Tenant reimbursements represent the reimbursement of real estate taxes. The reimbursements are recognized and presented gross, as the Portfolio is generally the primary obligor with respect to real estate taxes.

***Use of Estimates***

Certain estimates and assumptions have been made relating to the reporting and disclosure of revenues and certain expenses during the reporting period to prepare the statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

**3. MINIMUM FUTURE CASH RENTS**

Prior to the Company's acquisition of the Portfolio, there were four lease agreements in place with tenants to lease the four properties constituting the Portfolio. The four lease agreements were terminated upon completion of the acquisition of the Portfolio. The leases were accounted for as operating leases. As of December 31, 2015, the minimum future cash rents receivable under the leases in each of the next five years and thereafter are as follows (in thousands):

Year	Amount
2016	\$ 5,914
2017	5,914
2018	5,914
2019	3,806
2020	1,594
Thereafter	2,522
<b>Total</b>	<b>\$ 25,664</b>

#### **4. RELATED PARTY TRANSACTIONS**

Four affiliated property ownership entities each own one of the properties that make up the portfolio. Two affiliated operating entities each lease two of the properties under four separate leases.

#### **5. SUBSEQUENT EVENTS**

Subsequent events were evaluated through February 15, 2017, the date the financial statements were available to be issued.
