GOVERNANCE

PROPOSAL ONE: ELECTION OF DIRECTORS

What Am I Voting On?

Stockholders are being asked to elect three director nominees for three-year terms. This section includes information about our Board, each director nominee, and each incumbent director whose term continues after the Annual Meeting.

Voting Recommendation:

FOR the election of each director nominee. We believe the combination of the various qualifications, skills and experiences of the 2017 director nominees will contribute to an effective and well-functioning Board as the director nominees possess the necessary qualifications to provide effective oversight of the business and quality advice and counsel to our management.

Board Composition

Our Board is currently composed of seven members, divided into three classes with staggered three-year terms. There are currently three directors in Class I, two directors in Class II and two directors in Class III. The current terms of office of the Class I directors, Mr. Alfred R. Berkeley, III, Mr. Peter Gyenes and Mr. Charles F. Kane, will expire at this Annual Meeting and Mr. Berkeley, Mr. Gyenes and Mr. Kane will stand for re-election to our Board at the Annual Meeting.

The terms of office of the Class II directors, Mr. Scott S. Ingraham and Mr. Jeffrey T. Leeds, will expire at the 2018 annual meeting. The terms of office of the Class III directors, Mr. Stephen T. Winn and Mr. Jason A. Wright, will expire at the 2019 annual meeting. Our certificate of incorporation and our bylaws provide that the number of directors will be fixed from time to time by a resolution of the majority of our Board. Nine directors are currently authorized.

Required Vote

Directors are elected by a plurality of the votes cast. The three nominees who receive the greatest number of votes cast will be elected directors for three-year terms, in each case until their successors are duly elected and qualified. Withheld votes and broker non-votes, if any, will not be counted either for or against the election of a director nominee. Cumulative voting is not permitted by our certificate of incorporation.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for our nominees named below. If any of our nominees is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the present Board to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director.

Recommendation of our Board for Proposal One

Our Board unanimously recommends that stockholders vote FOR the nominees listed below.

2017 DIRECTOR NOMINEES CLASS I DIRECTORS

The nominating and governance committee of our Board (Nominating and Governance Committee) recommended the three individuals set forth in the table below for nomination by our Board. Based on such recommendations, our Board nominated such directors for election at the Annual Meeting as Class I directors to serve for a term expiring at the 2020 annual meeting of stockholders, or until their successors have been duly elected and qualified or until their earlier death, resignation or removal.

Mr. Jason A. Wright serves as our lead independent director. Our lead independent director is responsible for coordinating activities of our other independent directors, presiding at all meetings of our Board at which the Chairman is not present, including executive sessions of the independent directors, serving as liaison between the Chairman and the independent directors, having the authority to call meetings of the independent directors, and performing various other duties as directed by our Board. Under our Corporate Governance Guidelines, the lead independent director is charged with relaying the discussions of the executive sessions to the Chief Executive Officer, as appropriate, participating in the discussion of Chief Executive Officer performance with our Compensation Committee, and ensuring that our Board annually conducts a self-assessment.

Director Qualifications

Our Board believes that maintaining a Board with a range of skills and experience meeting our needs is important, as is maintaining a size that facilitates group discussion and collegiality.

Our Nominating and Governance Committee, consisting solely of independent directors as determined under applicable NASDAQ listing standards, is responsible for reviewing with our Board, on an annual basis, the requisite skills and characteristics of potential new Board members as well as the composition of our Board as a whole. This assessment includes members' qualification as independent, as well as consideration of character, judgment, diversity, age, skills, including financial literacy, and experience in the context of the needs of our Board and our business. Nominees for directorship are selected by our Nominating and Governance Committee and approved by our Board in accordance with such policies and principles as our Board may promulgate after considering the recommendation of our Nominating and Governance Committee.

Our Corporate Governance Guidelines, which were adopted by our Board on January 20, 2015, provide that each director should be able and prepared to devote sufficient time and effort to his or her duties as a director. Directors are not permitted to sit on more than six publicly traded company boards or, if such director is a CEO of a public company, he or she is not permitted to sit on the board of more than two public companies besides the board of his or her own company.

Our Board does not have term limits. Directors who have served on our Board for an extended period of time are able to provide valuable insight into our operations and future based on their experience with and understanding of our industry, business operations, history, policy and objectives. Our Board believes that, as an alternative to term limits, it can ensure that the Board continues to evolve through the evaluation and nomination process required by our Corporate Governance Guidelines.

Our Corporate Governance Guidelines also provide that, as a general matter, a director should not stand for re-election as a non-employee director after his or her 75th birthday. Non-employee directors are required to tender their resignation no later than the expiration of their elected term following their 75th birthday. Retirement of a director who has reached the age of retirement may be postponed if our Board determines that it would be in the best interests of RealPage and its stockholders under the particular circumstances. In addition, our Board may nominate any person for election as a non-employee director regardless of his or her age if our Board determines that, due to his or her unique capabilities or special circumstances, the election of such person is in the best interest of RealPage.

Table of Contents**Director Independence**

In accordance with the listing requirements of the NASDAQ Stock Market and our Corporate Governance Guidelines, a majority of our Board must be composed of independent directors. Our Board has determined that each of Mr. Berkeley, Mr. Gyenes, Mr. Ingraham, Mr. Kane, Mr. Leeds and Mr. Wright is independent under applicable NASDAQ listing standards and Rule 10A-3 of the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Board and Committee Meetings and Attendance

Under our bylaws, regular meetings of our Board are held at such times as our Board may determine. Special meetings of our Board may be called by a majority of the authorized number of directors, the Chairman, the Chief Executive Officer, the President or the Secretary. Our Board held a total of six meetings during 2016. Each director attended 75% or more of the total number of meetings of our Board and the committees of our Board on which such director served during 2016.

The non-employee directors on our Board and Board committees generally meet quarterly in executive session. Executive sessions of our Board may include, among other things, a discussion of the performance of the Chairman and Chief Executive Officer, matters concerning the relationship of our Board with the management directors and other members of senior management, and such other matters as the non-employee directors deem appropriate. No formal action of our Board is taken during executive sessions of the non-employee directors, although the non-employee directors may subsequently recommend matters for consideration by the full Board. In addition, our Audit Committee holds an executive session at each of its meetings and our Compensation Committee holds an executive session at the meeting in which annual compensation is reviewed and determined. On occasion, our non-employee directors invite our Chief Legal Officer to attend executive sessions in the role as legal counsel, but members of management, including Mr. Winn, are otherwise not present at executive sessions of Board and committee meetings. Although all of our current non-employee directors are considered to be independent, if any non-employee directors were determined not to be independent, the independent directors would be required to meet alone in an executive session at least twice per year.

Our Board has three standing committees:

the Audit Committee;

Nominating and Governance Committee

Our Nominating and Governance Committee's responsibilities are specifically set forth in the committee's charter, which can be found at <http://investor.realpage.com/corporate-governance/governance-documents> or

Table of Contents

www.realpage.com by clicking on Company, Investor Relations and then Corporate Governance. Among other things, our Nominating and Governance Committee is responsible for:

assisting our Board in identifying prospective director nominees and recommending nominees for each annual meeting of stockholders to our Board;

reviewing developments in corporate governance practices and developing and recommending governance principles applicable to our Board;

overseeing the evaluation of our Board and management;

recommending members for each Board committee to our Board;

reviewing and monitoring our Code of Business Conduct and Ethics and actual and potential conflicts of interest of members of our Board and officers; and

reviewing and evaluating, at least annually, its own performance and that of its members, including compliance with the committee charter.

Our Nominating and Governance Committee will consider nominees recommended by stockholders provided such recommendations are made in accordance with procedures described in this proxy statement under [Deadline for Receipt of Stockholder Proposals for 2018 Annual Meeting](#). When considering a potential director candidate, our Nominating and Governance Committee looks for demonstrated character, judgment, relevant business, functional and industry experience, and a high degree of acumen. Our Nominating and Governance Committee also considers issues of diversity, such as education, professional experience and differences in viewpoints and skills. Our Nominating and Governance Committee does not have a formal policy with respect to diversity; however, our Board and Nominating and Governance Committee believe that it is important that the members of our Board represent diverse viewpoints. Our Nominating and Governance Committee's process for identifying and evaluating nominees typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. From time to time, we have also engaged one or more executive search consulting firms to assist in the identification and recruitment of potential director candidates. There are no differences in the manner in which our Nominating and Governance Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder.

Board Oversight of Risk

Our Board oversees risk management in a number of ways. Our Audit Committee oversees the management of financial and accounting related risks as an integral part of its duties. Similarly, our Compensation Committee considers risk management when setting the compensation policies and programs for our executive officers and other employees. Our full Board considers various risk-related items periodically, including risks related to intellectual property, taxes, products and employees. Our Board also considers our efforts to manage such risks through safety measures, insurance or self-insurance.

Communication with our Board

Stockholders may communicate with members of our Board by mail addressed to the Chairman, to any other individual member of our Board, to the full Board, or to a particular committee of our Board. In each case, such correspondence should be sent to the following address: 2201 Lakeside Boulevard, Richardson, Texas 75082, Attention: Corporate Secretary. DIRECTOR COMPENSATION

Determining Compensation for Non-Employee Directors in 2016

Our Compensation Committee reviews and makes recommendations to our Board regarding the form and amount of compensation for non-employee directors. Directors who are employees of RealPage receive no compensation for service on our Board. Our director compensation program is designed to enable continued attraction and retention of highly qualified directors by ensuring that director compensation is in line with peer companies competing for director talent, and is designed to address the time, effort, expertise and accountability required of active board membership. Our Compensation Committee and our Board believe that annual compensation for non-employee directors should consist of both a cash component, designed to compensate members for their service on our Board and its committees, and an equity component, designed to align the interests of directors and stockholders and, by vesting over time, to create an incentive for continued service on our Board.

Discussion of Director Compensation

In 2016, the annual compensation for our non-employee directors was composed of cash compensation in the form of an annual retainer and meeting and committee fees and equity compensation in the form of restricted stock awards. Each of these components is described below.

Independent Director Compensation Plan

Our independent director compensation plan provided for the following compensation to our independent directors during 2016:

Retainer	\$11,250 per quarter
Lead Independent Director retainer	\$3,750 per quarter
Audit Committee chair retainer	\$4,500 per quarter
Audit Committee member (excluding chair) retainer	\$3,000 per quarter
Other Board committee chair retainer	\$3,000 per quarter
Other Board committee member (excluding chair) retainer	\$1,500 per quarter
Annual restricted stock grant (each April 1)	\$160,000 restricted stock value (1)

(1) The restrictions related to each annual restricted stock grant lapse with respect to 25% of the restricted shares subject to the grant each quarter commencing on the first day of the calendar quarter immediately following the grant date for four consecutive quarters, subject to the continuous service of the director through each applicable date.

In February 2017, in connection with its regular review of independent director compensation and based in part on information and advice from its independent compensation consultants Pearl Meyer & Partners with respect to compensation elements, levels and trends in outside director compensation among our peer group of companies, our Compensation Committee amended our independent director compensation plan as follows. All other elements of director compensation described above and not amended remain the same in 2017 as in 2016.

Audit Committee chair retainer	\$5,000 per quarter
Compensation Committee chair retainer	\$3,750 per quarter
Annual restricted stock grant (each April 1)	\$200,000 restricted stock value (1)

(1)

Edgar Filing: REALPAGE INC - Form DEF 14A

The restrictions related to each initial and annual restricted stock grant lapse with respect to 25% of the restricted shares subject to the grant each quarter commencing on the first day of the calendar quarter immediately following the grant date for four consecutive quarters, subject to the continuous service of the director through each applicable date.

Table of Contents

The annual equity grants occur automatically on April 1 of each year, pursuant to the terms of the RealPage, Inc. 2010 Equity Incentive Plan (as amended and restated June 4, 2014), as further amended (the 2010 Equity Incentive Plan).

On April 1, 2016, pursuant to our amended independent director compensation plan and the automatic annual restricted stock grant provisions of our 2010 Equity Incentive Plan, we issued 7,969 shares of our restricted common stock to each of Alfred R. Berkeley, III, Peter Gyenes, Scott S. Ingraham, Charles F. Kane, Jeffrey T. Leeds, Jason A. Wright and former director, Kathryn V. Marinello.

employee of RealPage since May 2011, and in such capacity receives annual compensation in excess of \$120,000. Such employment terms were established by RealPage directly with Ms. Glover's sister in law and are based upon market terms and not based upon Ms. Glover's relationship with us.

Stock Options and Restricted Stock

Certain restricted stock grants to our non-employee directors are described in Director Compensation.

Certain stock option and restricted stock grants to our named executive officers (NEOs) are described in Executive Compensation Grants of Plan-Based Awards, Executive Compensation Compensation Tables Outstanding Equity Awards at December 31, 2016 and Executive Compensation Compensation Tables Supplemental Information Regarding Arrangements With Executive Officers Employment Agreements.

Employment Arrangements and Indemnification Agreements

We have entered into employment agreements with each of our executive officers that include, among other things, compensation terms, provisions regarding payments upon termination in certain circumstances and confidentiality, non-competition and indemnification provisions. The employment agreements with our NEOs are described under Executive Compensation Compensation Tables Supplemental Information Regarding Arrangements With Executive Officers Employment Agreements.

Other Relationships

There are no family relationships among any of our directors or executive officers.

Policies and Procedures for Related Party Transactions

Our Audit Committee is responsible for reviewing and approving in advance any related party transaction. Our Audit Committee has not adopted specific policies or guidelines relating to the approval of related party transactions. Our directors who are members of our Audit Committee determine whether to approve related party transactions in the exercise of their fiduciary duties as directors and members of our Audit Committee.

Limitations on Liability and Indemnification Matters

Our amended and restated certificate of incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or

any transaction from which the director derived an improper personal benefit.

Our amended and restated certificate of incorporation and amended and restated bylaws provide that we are required to indemnify our directors and officers, in each case to the fullest extent permitted by Delaware law. Our amended and restated bylaws also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on

Table of Contents

behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered into agreements to indemnify our directors, executive officers and other employees as determined by our Board. With specified exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions of our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. At present, there is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

each person or group of affiliated persons known by us to be the beneficial owner of more than 5% of our outstanding common stock;

each of our directors and nominees for director;

Under these rules, the number of shares of common stock deemed outstanding includes all shares of restricted stock and those shares issuable upon exercise of options held by the respective person or group that may be exercised within 60 days after April 10, 2017. For purposes of calculating each person's or group's percentage ownership, unvested stock options exercisable within 60 days and all shares of restricted stock are included for that person or group, but not for any other person or group. Percentage of beneficial ownership is based on the shares of common stock outstanding as of April 10, 2017. Beneficial ownership representing less than 1% is denoted with an asterisk (*).

Table of Contents**EXECUTIVE COMPENSATION****COMPENSATION DISCUSSION AND ANALYSIS**

The following Compensation Discussion and Analysis, or CD&A, describes our executive compensation program for 2016. In particular, this CD&A explains how the Compensation Committee of our Board made 2016 compensation decisions for the following named executive officers, or NEOs, for the fiscal year ended December 31, 2016, who include our principal executive officer, principal financial officer, each of the three most highly compensated executive officers other than our principal executive officer and principal financial officer, and one former executive officer. This CD&A also describes decisions made by our Compensation Committee related to compensation that applies to the NEOs for 2017.

Stephen T. Winn	Chairman, President and Chief Executive Officer	Principal executive officer; NEO
W. Bryan Hill	Executive Vice President, Chief Financial Officer and Treasurer	Principal financial officer; NEO

This CD&A should be read together with the compensation tables and related disclosures that follow this discussion.

Compensation Philosophy and Objectives

Our philosophy is to provide compensation to each of our NEOs that is commensurate with his or her position and experience, provide challenging but reasonably attainable incentives for the NEO to meet and exceed short-term and long-term corporate objectives as determined by our Board and align the NEOs' incentives with the long-term interests of our stockholders. Additionally, our executive compensation program is intended to provide significant motivation for each of our NEOs to remain employed by us unless and until we determine that retention of the NEO is no longer in accord with our corporate objectives. Our Compensation Committee has also reviewed with management the design and operation of our incentive compensation arrangements for all employees and concluded that our compensation plans, programs and policies, considered as a whole, including applicable risk-mitigation features, are appropriate and do not encourage inappropriate risk taking or risk taking that is likely to have a material adverse effect on us.

Based on this philosophy, the primary objectives of our Board and Compensation Committee with respect to executive compensation are to:

attract, retain and motivate skilled and knowledgeable executive talent;

ensure that executive compensation is aligned with our corporate strategies and business objectives; and

align the incentives of the NEOs with the creation of value for our stockholders.

To achieve these objectives, our Compensation Committee periodically evaluates our executive compensation program with the goal of establishing compensation at levels our Compensation Committee

Table of Contents

believes to be competitive with those of our designated peer group companies. Additionally, we design our executive compensation program to tie a portion of each NEO's overall cash compensation to key strategic, financial and operational goals set by our Board.

Compensation Decision-Making Process

Our Compensation Committee is responsible for overseeing and approving our executive compensation program. Our Compensation Committee currently consists of Alfred R. Berkeley, III, Peter Gyenes, Charles F. Kane, and Jason A. Wright. Mr. Gyenes has been appointed to serve as the Chairman of our Compensation Committee. Our Board has determined that each member of our Compensation Committee is independent under the applicable requirements of NASDAQ and SEC rules and regulations, is a non-employee director, as defined by Rule 16b-3 promulgated under the Exchange Act, and is an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended. For a discussion of the specific responsibilities of our Compensation Committee, see Governance Board and Committee Governance Board Committees.

Our Compensation Committee makes base salary, cash bonus and long-term incentive compensation recommendations for our Chief Executive Officer, based upon his performance and contributions to achieving overall corporate objectives. Our Chief Executive Officer is not present during deliberations or voting by the Compensation Committee regarding his performance goals, performance evaluation or compensation level, and he abstains from voting on matters where our Board acts on our Compensation Committee's recommendations regarding his compensation.

For purposes of determining compensation levels for our Chief Executive Officer, our Compensation Committee considers our overall achievement of corporate objectives, Company performance, the performance and individual contributions of our Chief Executive Officer, public company proxy data, survey group market data, advice from an independent executive compensation consultant, our Chief Executive Officer's equity ownership and our Compensation Committee members' own experience in compensation-related matters.

With respect to our other NEOs, our Chief Executive Officer makes base salary, cash bonus and long-term incentive compensation recommendations to the Compensation Committee based on the NEO's level of responsibility, performance and contribution to achieving our overall corporate objectives. Our Compensation Committee also considers Company performance, public company proxy data, survey group market data, advice from an independent executive compensation consultant, each NEO's equity ownership and our Compensation Committee members' own experience in compensation-related matters. Our Compensation Committee considers the Chief Executive Officer's input but retains complete authority to approve all compensation related decisions for our NEOs.

Our Compensation Committee also considers the results of the advisory say-on-pay vote by our stockholders. Our last say-on-pay vote was at our 2014 annual stockholders meeting, where approximately 96% of the votes cast were voted to approve the executive compensation program described in our 2014 proxy statement. Our Compensation Committee will review the results of our say-on-pay vote at our 2017 annual stockholder meeting and will continue to consider the outcome of stockholder advisory votes on executive compensation when making future decisions relating to the compensation of our NEOs and our executive compensation programs and policies. Our Compensation Committee also continues to consider the alignment of NEO incentives with the long-term interests of our stockholders. In its compensation decisions in 2016 and 2017, our Compensation Committee continued to place emphasis on performance-based components, including market-based restricted stock and performance-based cash compensation, as described in this Proxy Statement. Our Compensation Committee structures performance-based cash and equity incentives to align directly with Company performance. Market-based long-term incentive awards do not vest if their share price targets are not achieved, and cash-based performance incentives are not earned if certain targets are not achieved. On an ongoing basis we also engage with our stockholders regarding various matters including executive compensation and corporate governance.

Table of Contents

For purposes of evaluating compensation levels for 2016 and 2017, our Compensation Committee also considered competitive market benchmarking data as described in Executive Compensation Compensation Discussion and Analysis Competitive Positioning.

Competitive Positioning

Competitive market data is an important component in determining the amount of each element of compensation for each NEO. While actual compensation reflects our performance, our goal is for total target compensation, including each element of compensation, to be at or around the median target compensation for executives with similar positions in the 2016 Peer Group as described below. We incorporate flexibility into our compensation programs and into the assessment process to respond to changing business needs, and to take into consideration individual performance, including the relative complexity and strategic importance of specific roles.

Our Compensation Committee utilizes Pearl Meyer & Partners, or PM, an executive compensation consulting firm, to provide advice regarding the structure of executive compensation as well as competitive data on base salary, total cash compensation and long-term incentives. In addition, our Compensation Committee reviews the total compensation package for each NEO from the perspective of total direct compensation, which includes base salary, annual cash incentive plan and the value and structure of the long-term incentive award.

Pursuant to its charter, our Compensation Committee has the authority to select and retain independent advisors and counsel to assist it with carrying out its duties and responsibilities, and we have provided appropriate funding to our Compensation Committee to engage outside consultants from time to time, to conduct market reviews of our executive compensation program and philosophy in order to assess the competitiveness of our program.

Our Compensation Committee regularly reviews the services provided by its outside consultants and believes that PM is independent in providing executive compensation consulting services. Our Compensation Committee conducted a specific review of its relationship with PM in 2016 and determined that PM's work for the committee did not raise any conflicts of interest, consistent with the guidance provided under the Dodd-Frank Wall Street Reform and Consumer Protection Act, (the Dodd-Frank Act), and by the SEC and NASDAQ. PM reports directly to our Compensation Committee Chair, takes direction from our Compensation Committee, and does not provide RealPage with any services other than the services provided at the request of our Compensation Committee. Our Compensation Committee continues to monitor the independence of its compensation consultant on a periodic basis.

In the first quarter of 2016, our Compensation Committee engaged PM to conduct an independent market review of our executive compensation program. PM used public company proxy data and survey market data references to compare our total compensation practices for our executives to those in our market:

2016 Peer Group. Publicly available data for a competitive peer group of 19 publicly traded companies similar to us with respect to industry, revenue size and business model, with median revenue and market capitalization size equal to \$486 million and \$3.0 billion, respectively, as of December 31, 2015, and

Survey Group. Technology industry companies similar to us in revenue size included in published surveys (Radford Global Technology Survey).

Table of Contents

The 2016 Peer Group for this analysis was developed in consultation among our Compensation Committee, our management team and PM and consisted of the following organizations:

athenahealth, Inc.	LogMeIn, Inc.
Blackbaud Inc.	Medidata Solutions, Inc.
Bottomline Technologies Inc.	NetSuite Inc.
Constant Contact, Inc.	Qlik Technologies, Inc.
CoStar Group Inc.	SolarWinds Inc.
Ebix Inc.	SS&C Technologies Holding Inc.
Epiq Systems, Inc.	Synchronoss Technologies
Guidewire Software, Inc.	The Ultimate Software Group, Inc.
HomeAway, Inc.	Tyler Technologies, Inc.
Interactive Intelligence Group Inc.	

We periodically review our peer group to confirm that the roster of companies remains appropriate for external benchmarking in light of external merger and acquisition activity and our own business evolution. In the first quarter of 2017, we removed Constant Contact, Inc., Epiq Systems, Inc., HomeAway, Inc., Qlik Technologies, Inc. and SolarWinds Inc. from our peer group in recognition that these companies were no longer independently traded companies following merger and acquisition activity. We removed Ebix Inc. as we determined it was no longer an appropriate peer with respect to revenue size. We added Aspen Technology, Inc., Manhattan Associates, Inc., Splunk Inc. and TiVo Corporation to the 2017 peer group.

PM benchmarked our executive compensation levels, including base salaries, performance-based cash bonuses and long-term equity incentive awards, to those of other executives in the 2016 Peer Group. The PM report indicated that pay levels on average for target cash compensation (base salary plus target bonus) and target total direct compensation (total cash plus long-term incentive value), were within a 15% range of the market median for such pay levels, which varied by executive role among the peer group. Based upon the peer group data and the competitive analysis performed by PM, we believe our long-term incentive compensation is generally more performance-based than that of our peers, in particular the long-term incentive compensation for our Chief Executive Officer, which is based solely upon our performance.

In February 2016, PM also performed a CEO pay-for-performance assessment. Our Compensation Committee reviewed the pay structure for our Chief Executive Officer and determined that Mr. Winn’s compensation is structured to promote alignment with our stock performance and in particular long-term incentives are predicated upon achievement of stock price targets associated with stock price appreciation. In performing this assessment, PM evaluated our Chief Executive Officer’s compensation targets against the 2016 Peer Group.

The Compensation Committee continues to assess our stock performance and CEO compensation against peer group data. The table below provides a comparison of (i) peer company CEO target compensation for the past three years, as derived from information disclosed in the proxy statements for such peer companies, and Mr. Winn’s total compensation, including base salary, bonus paid and the value of the in-the-money long-term incentives awarded during 2014 through 2016 using the December 30, 2016 closing price of our common stock on the NASDAQ at target amounts for such three-year period and (ii) stock price appreciation (assuming dividend reinvestment where applicable) for each peer company and RealPage over such three-year period. As indicated in the table, our total shareholder return for the period trailed the median peer result, but was aligned with the realizable pay awarded to our Chief Executive Officer during that period. Mr. Winn’s realizable pay was significantly adversely impacted by our not attaining in that period the price hurdles associated with market-based restricted stock grants awarded on August 7, 2014, March 3, 2015 and February 26, 2016.

2016 Elements of Executive Compensation

During 2016, the compensation of our NEOs included the following components:

Base Salaries

Performance-Based Cash Bonuses

Long-Term Equity Incentive Awards (Market-Based Restricted Stock for all NEOs, and Time-Based Restricted Stock for NEOs other than Mr. Winn)

Benefits and Other Compensation

Base Salaries

Base salaries are used to recognize the experience, skills, knowledge and responsibilities required of all our NEOs. Base salaries for our NEOs typically have been negotiated as a part of the employment agreements with our NEOs at the outset of employment. From time to time, consistent with our executive compensation program objectives, base salaries for our NEOs, together with other components of compensation, are evaluated for adjustment by our Compensation Committee based on an assessment of the overall achievement of corporate objectives, each NEO's sustained performance and compensation trends in our industry. Each NEO's employment agreement requires that his or her base salary be reviewed no less frequently than annually; however, none of our NEOs has an employment agreement that provides for automatic or scheduled increases in base salary.

Table of Contents

In addition to the factors described above, the base salary for our Chief Executive Officer takes into account Mr. Winn's equity ownership in RealPage and his continuing contributions as the founder of RealPage.

In February 2016, our Compensation Committee conducted a review of our executive compensation program for purposes of evaluating compensation levels for our executives for 2016. Based on the considerations described above in Executive Compensation Compensation Discussion and Analysis Compensation Decision-Making Process, our Compensation Committee approved base salaries for Mr. Winn, Mr. Chaney, Mr. Hill, Mr. Monk and Mr. Rolley, each to be effective as of March 1, 2016, as outlined below.

Name	2015 Base Salary	2016 Base Salary	% Change	Rationale
Stephen T. Winn	\$ 500,000	\$ 550,000	10.0%	Merit and market adjustment
William P. Chaney	\$ 370,000	\$ 385,000	4.1%	Merit
W. Bryan Hill	\$ 370,000	\$ 400,000	8.1%	Merit and expanded responsibilities
David G. Monk	\$ 320,000	\$ 330,000	3.1%	Merit
Daryl T. Rolley	\$ 400,000	\$ 400,000		

In August 2016, our Compensation Committee approved a base salary of \$385,000 for Ms. Glover, who joined us at that time following Mr. Rolley's departure.

Performance-Based Cash Bonuses

Our Chief Executive Officer's performance-based cash bonus is provided under the terms of a separate plan approved by our stockholders that is designed to qualify payments as performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code (the 162(m) Qualified MIP). During 2016, Mr. Winn's financial performance targets under the 162(m) Qualified MIP were based on our achievement of financial performance objectives, including non-GAAP total revenue and adjusted EBITDA targets, and an assessment of our Chief Executive Officer's individual performance. The 162(m) Qualified MIP requires that the performance bonus, up to the maximum potential, is funded only if we achieve minimum target non-GAAP total revenue and adjusted EBITDA levels. The actual bonus for Mr. Winn is determined based on Compensation Committee evaluation of performance against the 162(m) Qualified MIP performance criteria. In February 2016, our Compensation Committee approved the continued participation by Mr. Winn in our 162(m) Qualified MIP for 2016, and Performance Goals (as defined in the 162(m) Qualified MIP) related to such plan for 2016. The target bonus for Mr. Winn for 2016 under the 162(m) Qualified MIP was 100% of Mr. Winn's base salary with a maximum bonus potential of 200% of Mr. Winn's target bonus for achieving financial and individual performance objectives in excess of the targets and a minimum bonus potential of 0% of Mr. Winn's target bonus.

In 2016, our NEOs other than Mr. Winn participated in our annual non-equity management incentive plans, which also apply to our other senior managers. Our annual management incentive plans are intended to provide cash compensation to our other NEOs and senior managers for their contribution to the achievement of our strategic, operational and financial objectives. Our other NEOs earn amounts under our management incentive plans based on our achievement of financial performance objectives, including non-GAAP total revenue and adjusted EBITDA targets and an assessment of the NEO's individual performance. In February 2016, our Compensation Committee approved the 2016 Management Incentive Plan (the 2016 MIP), which outlines overall corporate objectives for the fiscal year in addition to establishing guidelines for calculating management incentive plan bonuses in the event that performance objectives are partially achieved or exceeded. The financial performance objectives for the 2016 MIP were identical to those under the 162(m) Qualified Plan. In assessing an executive's individual performance, we consider the executive's level of job responsibilities, the prior performance of the executive, the executive's experience and tenure, the compensation of the other RealPage executive officers and the expected future contributions of the executive.

Participants in the 2016 MIP may receive a quarterly payout on a proportional basis based on progression towards the annual achievement of performance objectives for the 2016 MIP. The full-year annual cash bonuses paid to participants under our 2016 MIP with respect to a particular fiscal year are adjusted at year end based on actual achievement of both financial and individual performance objectives.

Table of Contents

The 2016 MIP target bonus for each of Mr. Hill, Mr. Chaney, Ms. Glover and Mr. Monk was 50% of such NEO's base salary with a maximum bonus potential of 200% of such NEO's target bonus for achieving financial and individual performance objectives in excess of the targets and a minimum bonus potential of 0% of such NEO's target bonus. The 2016 MIP target bonus for Mr. Rolley was 75% of his base salary with a maximum bonus potential of 200% of his target bonus for achieving financial and individual performance objectives in excess of the targets and a minimum bonus potential of 0% of his target bonus.

For each of Mr. Winn, Mr. Hill, Mr. Chaney and Mr. Monk, the 2016 performance targets for non-GAAP total revenue, adjusted EBITDA and individual performance ratings were weighted 30%, 45% and 25%, respectively. For Ms. Glover and Mr. Rolley, the achievement of 2016 bonus targets for non-GAAP total revenue, adjusted EBITDA, and individual performance ratings were weighted 45%, 30% and 25%, respectively.

The minimum targets for non-GAAP total revenue and adjusted EBITDA for 2016 were increased significantly from the actual results achieved on such measures in 2015, to reflect our growth strategy. The table below summarizes the minimum, target and maximum performance level and the actual results for each performance measure for 2016.

Measure	Minimum	Target	Maximum	Achievement
	(in millions)			
Non-GAAP Total Revenue	\$ 562.7	\$ 577.3	\$ 591.8	\$ 565.6
Adjusted EBITDA	\$ 118.4	\$ 123.0	\$ 127.6	\$ 126.9

Based upon these factors, the payouts under the 162(m) Qualified MIP and 2016 MIP for Mr. Winn and all other NEOs, except Ms. Glover, were calculated as follows:

	Weighting	Achievement	Payout Calculation
Revenue	30%	60%	18%
Adjusted EBITDA	45%	183%	82%
Individual performance	25%	150%	38%
Total	100%		138%

The Compensation Committee determined the individual performance for each NEO in accordance with the calculation above based upon our strong performance in 2016, especially with respect to achievement of the Adjusted EBITDA performance objective. With respect to Ms. Glover, revenue and Adjusted EBITDA were weighted 45% and 30%, respectively, as described above, resulting in a payout calculation at 119%.

The performance metrics employed in the 162(m) Qualified MIP and 2016 MIP are adjusted from total revenue and EBITDA metrics calculated in accordance with Generally Accepted Accounting Principles (GAAP) as follows:

Non-GAAP Total Revenue. We define this metric as total GAAP revenue plus acquisition-related and other deferred revenue adjustment.

Adjusted EBITDA. We define Adjusted EBITDA as net income (loss), plus (1) acquisition-related and other deferred revenue adjustments, (2) depreciation, asset impairment, and the loss on disposal of assets, (3) amortization of intangible assets, (4) acquisition-related expense (income), (5) interest expense, net, (6) income tax expense (benefit), (7) litigation-related expense, (8) headquarters relocation costs, and (9) stock-based expense. We believe that investors and financial analysts find this non-GAAP financial measure to be useful in analyzing our financial and operational performance, comparing this performance to our peers and competitors, and understanding our ability to generate income from ongoing business operations.

Table of Contents

As a result of the calculations described above, our Compensation Committee determined that 2016 performance objectives were achieved and directed payments of the following bonuses to our NEOs pursuant to the 162(m) Qualified Plan or the 2016 MIP. Ms. Glover's bonus represented a partial year prorated amount.

Executive	Target Bonus	Actual Bonus	Actual Bonus as a Percent of Target Bonus

W. Bryan Hill	50%	272,075	138%

Ashley Glover	50%	87,050	119%
David G. Monk	50%	226,155	138%
Daryl T. Rolley	75%		

Long-Term Equity Incentive Awards

Our equity award program is the primary vehicle for offering long-term incentives to our NEOs. Historically, our equity awards to our NEOs consisted of a combination of restricted stock awards and stock options. In 2016, the equity awards to our NEOs included only restricted stock awards. The Compensation Committee based this determination on an analysis of market compensation trends, a desire to reduce the number of shares of stock required to fund awards granted, and research and advice provided by PM.

We believe that equity-based compensation provides our NEOs with a direct interest in our long-term performance, creates an ownership culture and aligns the interests of our NEOs and our stockholders.

In providing long-term incentives for our Chief Executive Officer, our Compensation Committee granted to Mr. Winn 100% performance-based equity incentives in the form of market-based restricted stock awards that become eligible to vest only if the trading price of our common stock rises to specified levels and exceeds those levels for a sustained period of time. The stock price targets require significant stock price increases in order to vest, and thus are tied directly to Company market performance. In 2016, Mr. Winn's restricted stock award required market-based performance as follows: 50% of the shares became eligible to vest if the stock achieved a 38% increase to \$27.28 per share averaged over a period of 20 consecutive trading days, and 50% of the shares became eligible to vest if the stock achieved a 62% increase to \$32.15 per share averaged over a period of 20 consecutive trading days. We believe that a period of 20 consecutive trading days is appropriate because it is a significant and sustained period of time. Once shares become eligible to vest under such award, they also contain an additional retentive time-based component, whereby such shares vest in quarterly increments over a one-year period thereafter (subject to acceleration of vesting on July 1, 2019 for any then-unvested shares that became eligible to vest prior to that date). Our Compensation Committee views these market-based restricted stock awards as directly linking achievement of Company performance and stock price to our Chief Executive Officer's long-term incentive compensation, and thus they are pay for performance compensation having value only if the stock price increases to the target.

In February 2016, our Compensation Committee granted to the NEOs other than Mr. Winn a combination of market-based and time-based restricted stock awards. The market-based restricted stock awards had the same performance criteria as those for Mr. Winn described above, except that Ms. Glover's awards were based upon a different valuation price because they were granted upon her employment in August 2016. Ms. Glover's restricted stock award required market-based performance as follows: 50% of the shares became eligible to vest if the stock achieved a 26.78% increase to \$31.48 per share averaged over a period of 20 consecutive trading days, and 50% of the shares become eligible to vest if the stock achieves a 46.31% increase to \$36.33 per share averaged over a period of 20 consecutive trading days. Once shares become eligible to vest under such award, they also contain a retentive time-based component, whereby such shares vest in quarterly increments over a one-year period thereafter (subject to earlier vesting if the shares became eligible to vest prior to July 1, 2020).

Table of Contents

The time-based awards of restricted stock granted to our NEOs other than Mr. Winn in 2016 have a three-year vesting period. We believe that the three-year vesting period furthers our objective of executive retention as it provides an incentive to our executives to remain in our employ during the vesting period, and is consistent with competitive practice among our peers.

Our Compensation Committee typically grants equity awards to Mr. Winn and our other NEOs annually during the first quarter of the year, in connection with its annual review of our executive and employee compensation program, generally, and its assessment of achievement of prior-year performance targets for payments of cash bonuses under our management incentive plans as described under [Executive Compensation](#) [Compensation Discussion and Analysis](#) [2016 Elements of Executive Compensation](#) [Performance-Based Cash Bonuses](#).

In determining the value of the equity grants for our Chief Executive Officer in 2016, our Compensation Committee considered comparative data for both the size of annual equity awards and total equity ownership of Chief Executive Officers employed by companies in our 2016 Peer Group, our overall achievement of corporate objectives, the Chief Executive Officer's individual performance objectives, the achievement of certain strategic initiatives, the amount of equity previously awarded to the Chief Executive Officer, and the vesting of previous awards. In determining the value of equity grants to our NEOs other than our Chief Executive Officer in 2016, our Compensation Committee considered comparative data for both the size of annual equity awards and total equity ownership of executives employed by companies in our Select Peer Group, our overall achievement of corporate objectives, the applicable NEO's achievement of individual performance objectives, the achievement of certain strategic initiatives, the amount of equity previously awarded to the NEO, the vesting of previous awards, and the recommendations of our Chief Executive Officer.

The amount and terms of the stock options and restricted stock we granted to our NEOs in 2016 are more fully described under [Executive Compensation](#) [Compensation Tables](#) [Grants of Plan-Based Awards](#).

Table of Contents

Compensation Realized by our Chief Executive Officer in 2016

The table below shows 2016 target versus realized compensation for Mr. Winn in 2016. Target total direct compensation represents Mr. Winn's target compensation including salary, payout at 100% for the 162(m) Qualified Plan and his equity grants made by us in 2016. Realized compensation shows Mr. Winn's salary, actual payout under the 162(m) Qualified Plan and the value of equity grants for Mr. Winn that vested in 2016 (which included grants awarded in prior years), based upon our closing stock price on the date of vesting.

Mr. Winn's realized compensation significantly trailed target compensation in 2016, reflecting the rigorous goals set for the market-based restricted stock awards.

Amendment of Employment Agreement for Chief Executive Officer

On October 26, 2016, we entered into an amended and restated employment agreement with Mr. Winn to remove the ability for Mr. Winn to terminate his employment for any or no reason following a change in control (as defined in the agreement) and receive the benefits of having terminated his employment for "Good Reason" (as defined in such employment agreement). We believe this amendment reflects current market and peer group practices with respect to executive agreements for Chairman and CEO-level executives. See "Executive Compensation Compensation Tables Supplemental Information Regarding Arrangements with Executive Officers Employment Agreements Stephen T. Winn."

Benefits and Other Compensation

Our NEOs are eligible to participate in broad-based employee benefit plans, which are provided to all eligible U.S.-based employees. These plans include a group medical program, a group dental program, life insurance, disability insurance, flexible spending accounts and a 401(k) retirement savings plan. Additional benefit programs offered to our NEOs and all full-time U.S.-based employees include programs for job-related educational assistance, group term life insurance equivalent to 1.5 times an employee's annual base salary up to a \$600,000 maximum, and an employee assistance program. Our NEOs are also entitled to receive reimbursement

Table of Contents

for up to \$3,500 per year for medical benefits to be used toward preventative medical expenses, including annual physical examinations.

We believe these benefits are consistent with the benefits offered by companies with which we compete for employees, including executive officers, and are necessary to attract and retain qualified individuals for those roles.

Perquisites

We believe that cash and equity compensation are the two key components in attracting and retaining management talent and therefore do not provide any additional perquisites to our NEOs.

2017 Compensation Determinations

In February 2017, our Compensation Committee performed a competitive assessment and evaluated the elements of our executive compensation program and the performance of RealPage and each of the NEOs in 2016. Our Compensation Committee also reviewed a revised 2017 Peer Group of 17 companies, updated from the prior year in light of merger and acquisition activity within our sector. As in 2016, the peer group for 2017 compensation was used in combination with other survey data to analyze compensation trends. See Executive Compensation Discussion and Analysis Competitive Positioning. In February 2017, our Compensation Committee approved the following elements of compensation for each of the NEOs for 2017.

Base Salaries

In February 2017, our Compensation Committee conducted a review of our executive compensation program for purposes of evaluating compensation levels for our executives for 2017. Based on the considerations described above in Executive Compensation Discussion and Analysis Compensation Decision-Making Process, our Compensation Committee approved base salaries to be effective as of March 1, 2017. Based on our Compensation Committee’s assessment of the various consideration described above, including competitive and peer group considerations, our Compensation Committee determined the following base salary levels for 2017:

Name	2017 Salary
Stephen T. Winn	\$ 625,000
W. Bryan Hill	\$ 425,000
William P. Chaney	\$ 400,000
Ashley Glover	\$ 400,000
David G. Monk	\$ 340,000

Performance-Based Cash Bonuses

In February 2017, our Compensation Committee approved the continued participation of Mr. Winn in the 162(m) Qualified MIP and approved the management incentive plan for 2017 (the 2017 MIP), and participation by the other NEOs in the 2017 MIP. The 2017 target bonus under the 162(m) Qualified MIP for Mr. Winn is 100% of his base salary with a maximum bonus potential of 200% of target bonus for achieving financial and individual performance objectives in excess of the targets, and a minimum bonus potential of 0% of Mr. Winn’s target bonus. The 2017 MIP target bonus for each of Mr. Hill, Mr. Chaney, Ms. Glover and Mr. Monk is 50% of such NEO’s base salary with a maximum bonus potential of 200% of such NEO’s target bonus for achieving financial and individual performance objectives in excess of the targets, and a minimum bonus potential of 0% of such NEO’s target bonus.

Table of Contents

The performance metrics for our NEOs under the 162(m) Qualified MIP and 2017 MIP will be the same as the performance metrics for 2016, and consist of the following:

Non-GAAP total revenue;

Adjusted EBITDA; and

Individual performance ratings.

Long-Term Equity Incentive Awards

In February 2017, our Compensation Committee approved grants to Mr. Winn consisting of 100% performance-based equity incentives in the form of market-based restricted stock awards that become eligible to vest only if the trading price of our common stock rises to specified levels and exceeds those levels for a sustained period of time. Similar to the 2016 awards, the stock price targets require significant price increases in order to become eligible to vest, and thus are tied directly to our performance. The market-based awards have eligibility and vesting terms based upon a target performance level, with lower vesting possible at a threshold level, and maximum vesting possible at a higher performance level. Once the applicable performance levels are achieved, the associated portion of the award becomes eligible to vest in quarterly installments over a one-year period. The amounts reflected below are the maximum payout amounts that would be achieved upon reaching the maximum market achievement level. The target payout amounts are 66.7% of the maximum amounts set forth in the table, and the threshold, target and maximum achievement levels, require a 25%, 35% and 50% increase, respectively, in our stock price in order to achieve at each such performance level. In February 2017, our Compensation Committee also approved grants of a combination of market-based and time-based restricted stock awards to each of the NEOs other than Mr. Winn. The market-based awards granted to the other NEOs had the same three tier achievement requirements as those awarded to Mr. Winn. The time-based awards of restricted stock granted to our NEOs other than Mr. Winn in 2017 have a three-year vesting period. The total awards (based on maximum payout percentages with respect to the market-based awards) were as follows:

2017 GRANTS FOR PLAN BASED AWARDS

Name	Shares of Restricted Stock (Market Based)	Shares of Restricted Stock (Time Based)
Stephen T. Winn	275,955	
W. Bryan Hill	54,203	36,135
William P. Chaney	44,348	29,565
Ashley Glover	22,178	14,785
David G. Monk	17,250	11,500

Other Executive Compensation Considerations***Trading Controls and Hedging, Short Sale and Pledging Policies under our Insider Trading Policy***

All employees, including our NEOs, directors and agents of RealPage are required to receive permission from us and certify they are not in possession of any non-public material inside information prior to entering into any transactions in our securities, including, but not limited to, gifts, grants and transactions involving derivatives. Generally, trading is permitted only during announced trading periods. Employees who are subject to trading restrictions, including our NEOs, may enter into trading plans under Rule 10b5-1 of the Exchange Act. These trading plans may be entered into only during an open trading period and must be approved by us. Any employee, including any executive officer or affiliate bears full responsibility if he or she violates our policy by permitting shares to be bought or sold without preapproval or when trading is restricted. All of our employees, including our executive officers, directors and agents are prohibited from pledging our securities or from entering into hedging and short sale transactions with respect to our securities pursuant to our Insider Trading Policy.

Table of Contents

Clawback Provisions

Our equity awards granted to our NEOs under our 2010 Equity Incentive Plan contain provisions under which the executives may be required to forfeit equity awards or profits from equity awards if they engage in certain conduct including, but not limited to, violations of Company policies. Awards granted under the 2010 Equity Incentive Plan will be subject to recoupment in accordance with any clawback policy that we are required to adopt pursuant to the listing standards of any national securities exchange or association on which our securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the plan administrator may impose other clawback, recovery or recoupment provisions in an award agreement as the plan administrator determines necessary or appropriate, including a reacquisition right in respect of previously acquired shares of our common stock or other cash or property upon the occurrence of cause.

We intend to implement a Dodd-Frank Wall Street Reform and Consumer Protection Act compliant clawback policy as soon as the SEC adopts rules that set forth the requirements for such clawback policies and as such rules become effective for us.

Executive Stock Ownership

Our Chief Executive Officer held approximately 28.16% of our outstanding shares of common stock as of the Record Date. All other directors and executive officers also held shares as of the Record Date. See Security Ownership. Effective October 23, 2014, our Board adopted a Stock Ownership Guidelines Policy that suggests minimum stock ownership guidelines for our Chief Executive Officer. The minimum stock ownership target suggested by the guidelines is based on a multiple of five times the Chief Executive Officer's annual base salary. This policy also suggests that our Chief Executive Officer achieve the suggested minimum stock ownership target within three years of the adoption of such guidelines with respect to our current Chief Executive Officer or three years following appointment with respect to any successor. Our Chief Executive Officer's stock ownership exceeds the suggested minimum stock ownership threshold.

Severance and Change in Control Benefits

Our employment agreements with our NEOs provide for payments and other benefits in the event of termination of employment in certain circumstances. For a description of these payments and other benefits, see Executive Compensation Potential Payments on Termination or Change in Control and Executive Compensation Compensation Discussion and Analysis 2016 Elements of Executive Compensation Amendment of Employment Agreement for Chief Executive Officer.

We believe that these severance arrangements help us to attract and retain key management talent in an industry where there is significant competition for management talent. We believe that entering into these agreements helps the NEOs maintain continued focus and dedication to their assigned duties and helps maximize stockholder value. The terms of these agreements were determined after review by our Compensation Committee of our retention goals for each NEO, as well as analysis of market data, similar agreements established by our Select Peer Group and applicable law.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction for certain compensation in excess of \$1.0 million per year paid by a publicly held company to its chief executive officer or any of its three other most highly paid executive officers (other than the company's chief financial officer). Qualifying performance-based compensation is not subject to the deduction limitation if specified requirements are met. We generally intend to structure the performance-based portion of our executive compensation, when feasible, to comply with exemptions in Section 162(m) so that the compensation remains tax deductible to us. We believe that it is important to preserve flexibility in administering our compensation programs and have not adopted a policy that all compensation must qualify as deductible under Section 162(m). Amounts paid under our

Table of Contents

compensation programs may be determined not to so qualify. We have adopted the 162(m) Qualified MIP, which was approved by our stockholders at the 2014 annual meeting, to attempt to qualify payments made in future years under that plan as deductible performance-based compensation for purposes of Section 162(m). We also structured the performance-based restricted stock awards with market based vesting to our NEOs in 2016 to qualify as deductible performance-based compensation for purposes of Section 162(m). We do not guarantee that any executive compensation intended to qualify as deductible performance-based compensation under Section 162(m) so qualifies.

Table of Contents

- (1) Pursuant to the employment agreements with each of our NEOs, in the case of termination as a result of death or disability, the applicable NEO is entitled to receive 6 months of annual base salary (12 months in the case of Mr. Winn). In the case of termination without cause or for good reason during the 24-month period following a change in control (or before a change in control if such termination is proximate to or following our entering into an agreement to enter into a transaction that would constitute a change in control) and such termination or the event giving rise to the good reason claim is made at the direction of the third party effectuating such change in control (the "protected period"), the applicable NEO is entitled to 200% of his annual base salary. In the case of a termination without cause or for good reason outside the protected period, the applicable NEO is entitled to receive 100% of his annual base salary (150% in the case of Mr. Winn). The foregoing payments are conditional on the NEO executing a release of claims agreement with us.
- (2) Pursuant to each NEO's employment agreement, in the case of termination without cause or for good reason or as a result of death or disability, each NEO is entitled to receive a lump sum cash payment equal to any earned but unpaid bonus. For the purposes of this table, we assume the bonus is unearned as of December 31, 2016.
- (3) The value represents the aggregate value the applicable NEO would receive from the unvested shares subject to the NEO's options that would fully accelerate vesting in the event of (as applicable) (i) the NEO's death or disability or (ii) a change in control of RealPage (assuming satisfaction of any other applicable vesting conditions upon a change in control, including achievement of market-based performance criteria and/or the applicable option not being assumed or replaced with an equivalent award in the change in control) or (iii) a change in control of RealPage followed by a termination of the NEO's employment without cause or for good reason within 24 months following the change in control (or anytime following the change in control in the case of Mr. Hill and Mr. Monk). The value of such vesting acceleration for each applicable option is calculated as the product of the positive difference between our stock price on December 31, 2016, and the per share exercise price of the applicable option multiplied by the number of unvested shares of the applicable option that are subject to the vesting acceleration described immediately above (as applicable).
- (4) The value represents the aggregate gain the applicable NEO would receive from the unvested shares of restricted stock that would fully accelerate vesting in the event of (as applicable) (i) the NEO's death or disability or (ii) a change in control of RealPage (assuming satisfaction of any other applicable vesting conditions upon a change in control, including achievement of market-based performance criteria and/or the applicable restricted stock award not being assumed or replaced with an equivalent award in the change in control) or (iii) a change in control of RealPage followed by a termination of the NEO's employment without cause or for good reason within 24 months following the change in control (or anytime following the change in control in the case of Mr. Hill and Mr. Monk). The value of such vesting acceleration for each applicable restricted stock award is calculated as the product of our stock price on December 31, 2016, multiplied by the number of unvested shares subject to the applicable restricted stock award that are subject to the vesting acceleration described immediately above (as applicable).
- (5) Pursuant to the employment agreements with each of our NEOs, in case of termination without cause or for good reason during the protected period, the applicable NEO is entitled to payment equal to the product of the excess of the monthly Consolidated Omnibus Budget Reconciliation Act premium over the monthly premium the NEO would be required to pay for such coverage if still employed by us multiplied by 24, and in case of termination without cause or for good reason outside of the protected period or as a result of death or disability at any time, the applicable NEO is entitled to a payment equal to 50% of the payment described immediately above (as applicable).
- (6) On July 31, 2016, Daryl Rolley resigned his position as our Executive Vice President and Chief Revenue Officer of RealPage. Mr. Rolley entered into a consulting agreement with us effective as of August 1, 2016 pursuant to which he agreed to provide services to us as requested by us with respect to his transition, through July 31, 2017. In consideration for his performance of such services, we will pay Mr. Rolley a retainer of \$20,000 per month during the 12-month term of the consulting agreement. During the 2016 fiscal year, Mr. Rolley received \$100,000 in retainer fees. Pursuant to the general release and separation agreement dated July 31, 2016 with Mr. Rolley, he was paid a severance payment of \$160,000.

Certain Definitions

The benefits described in the preceding table are subject to conditions set forth in employment agreements and the applicable equity award agreements between us and each NEO. The terms "cause," "change in control," "disability," and "good reason" are defined in those agreements as follows:

"Cause" means the occurrence of any of the following events which (with respect to clauses (iv) through (vii) below) are not cured by the NEO within ten days (30 days in the case of Mr. Winn) after receipt of written notice of such alleged cause from us or, except in the case of Mr. Winn, if such event cannot be corrected within such ten-day period, if the NEO does not commence correction such default within said ten-day period and does not complete such correction within a reasonable time, up to 30 days: (i) the NEO's conviction for any acts of fraud or breach of trust or any felony criminal acts; (ii) the NEO's knowingly making a materially false written statement to RealPage's auditors or legal counsel; (iii) the NEO's willful and material falsification of any corporate document or form; (iv) any material breach by the NEO of any published policy of RealPage received and acknowledged by the NEO in writing; (v) any material breach by the NEO of a material provision of the employment agreement between RealPage and the NEO; (vi) the NEO's making a material misrepresentation of fact or omission to disclose material facts in relation to transactions occurring in the business and financial

matters of RealPage; or (vii) the NEO's repeated and material failure substantially to perform the NEO's duties. A termination of Mr. Winn for Cause shall require a finding by the Board that an event or events have occurred constituting Cause under Mr. Winn's employment agreement. Notwithstanding the foregoing and, in the case of Mr. Winn, in addition to the finding by the Board described in the previous sentence, during the two-year period following a Change in Control (as defined below), a termination for Cause (other than pursuant to clause (i)) shall require a showing by RealPage that the actions giving rise to such termination resulted in material and demonstrable harm to RealPage.

Change in Control has the meaning set forth in our 2010 Equity Incentive Plan. The definition covers the occurrence of any of the following events: (i) any one person, or more than one person acting as a group, acquires ownership of our stock that, together with the stock held by such person, constitutes more than fifty percent (50%) of the total voting power of our stock; provided, however, that for purposes of this subsection (i), the acquisition of additional stock by any one person who is considered to own more than fifty percent (50%) of the total voting power of our stock will not be considered a Change in Control; or (ii) a majority of members of our Board is replaced during any 12 month period by Directors whose appointment or election is not endorsed by a majority of the members of our Board prior to the date of the appointment or election (excluding a situation where a person was already in effective control of RealPage and is merely acquiring additional control); or (iii) any person acquires (or has acquired during the 12 month period ending on the date of the most recent acquisition by such person or persons) assets from us that have a total gross fair market value equal to or more than fifty percent (50%) of the total gross fair market value of all of our assets immediately prior to such acquisition or acquisitions; provided, however, that for purposes of this subsection (iii), the following will not constitute a change in the ownership of a substantial portion of our assets: (A) a transfer to an entity that is controlled by our stockholders immediately after the transfer, or (B) a transfer of assets by us to: (1) a stockholder of RealPage (immediately before the asset transfer) in exchange for or with respect to our stock, (2) an entity, fifty percent (50%) or more of the total value or voting power of which is owned, directly or indirectly, by us, (3) a person, that owns, directly or indirectly, fifty percent (50%) or more of the total value or voting power of all our outstanding stock of , or (4) an entity, at least fifty percent (50%) of the total value or voting power of which is owned, directly or indirectly, by a person described in this subsection. Gross fair market value means the value of our assets, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. Persons will be considered to be acting as a group for purposes of the definition of a Change in Control if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with us.

Disability means an NEO's incapacity due to physical or mental condition and, if reasonable accommodation is required by law, after providing such reasonable accommodation, the NEO shall have been absent from such NEO's duties on a full-time basis (i) for a period of six consecutive months or (ii) for shorter periods aggregating six months during any 12-month period, and in either case within 30 days after written notice of termination by Company is given the NEO shall not have returned to the performance of such NEO's duties on a full-time basis.

Good Reason means, without the NEO's written consent: (i) a material reduction in NEO's base salary or incentive compensation opportunity, (ii) a material reduction in the NEO's responsibilities or authority; (iii) a material breach by us of a material provision of the NEO's employment agreement with us, or (iv) a material change in the geographic location at which the NEO must perform their services; provided, that in no instance will the relocation of the NEO to a facility or a location that is either 25 miles or less from the NEO's then-current office or 25 miles or less from the NEO's then-current primary residence be deemed material for purposes of the NEO's employment agreement. Each NEO must provide us with written notice of the acts or omissions constituting the grounds for Good Reason within 90 days of the initial existence of the grounds for Good Reason and a reasonable opportunity for us to cure the conditions giving rise to such Good Reason, which shall not be less than 30 days following the date of notice from us. If we cure the conditions giving rise to such Good Reason within 30 days of the date of such notice, the NEO will not be entitled to severance payments and/or benefits contemplated by the NEO's employment agreement in connection with a termination of employment by the NEO for Good Reason if the NEO thereafter resigns from us based on such grounds. Any termination for Good Reason must be effectuated within 90 days of the expiration of such cure period.

AUDIT MATTERS

PROPOSAL TWO: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

What Am I Voting On?

Stockholders are being asked to ratify the appointment of Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Although our Audit Committee has the sole authority to appoint the independent registered public accounting firm, as a matter of good corporate governance, our Board submits its selection to our stockholders for ratification. If the stockholders should not ratify the appointment of Ernst & Young LLP, our Audit Committee will reconsider the appointment.

Voting Recommendation:

FOR the ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm for the fiscal year ended December 31, 2017.

Background

Our Audit Committee has the sole authority and responsibility to hire, evaluate and, where appropriate, replace our independent registered public accounting firm and, in its capacity as a committee of the Board, is directly responsible for the appointment, compensation and general oversight of the work of the independent registered public accounting firm. Our Audit Committee appointed the firm of Ernst & Young LLP (E&Y) as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Our Audit Committee is asking the stockholders to ratify this appointment. E&Y has served as our independent registered public accounting firm since December 2004.

Required Vote

The ratification of the appointment of our independent registered public accounting firm requires the favorable vote of a majority of our shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Abstentions from voting will have the same effect as voting against the ratification, and broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

In the event the stockholders fail to ratify the appointment, our Audit Committee will reconsider its selection. Even if the selection is ratified, our Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of us and our stockholders.

PROPOSAL THREE: ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

What Am I Voting On?

We are asking our stockholders to vote to approve, on an advisory (non-binding) basis, our executive compensation program.

Voting Recommendation:

FOR the approval of the RealPage executive compensation program, as described in the Compensation Discussion and Analysis and Executive Compensation sections of this proxy statement.

Section 14A of the Exchange Act enables our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our NEOs as disclosed in this proxy statement in accordance with the SEC's rules (commonly referred to as a Say-on-Pay).

As described under the heading Executive Compensation Compensation Discussion and Analysis, our executive compensation programs are designed to attract, retain and motivate our NEOs, who are critical to our success. We believe that the various elements of our executive compensation program work together to promote our goal of ensuring that total compensation should be related to both our performance and individual performance.

Stockholders are urged to read the Compensation Discussion and Analysis section of this proxy statement, which discusses how our executive compensation policies implement our compensation philosophy, and the Executive Compensation section of this proxy statement, which contains tabular information and narrative discussion about the compensation of our NEOs, for additional details about our executive compensation programs, including information about fiscal 2016 compensation of our NEOs. Our Compensation Committee and our Board believe that these policies are effective in implementing our compensation philosophy and in achieving its goals.

We are asking our stockholders to indicate their support for our executive compensation as described in this proxy statement. This Say-on-Pay proposal gives our stockholders the opportunity to express their views on our NEOs' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the philosophy, policies and practices described in this proxy statement. Accordingly, we are asking our stockholders to approve, on an advisory basis, the compensation of our NEOs, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.

The Say-on-Pay vote is advisory, and therefore not binding on us, our Compensation Committee or our Board. However, our Board and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against our NEO compensation as disclosed in this proxy statement, we will consider our stockholders' concerns and our Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Recommendation of our Board of Directors for Proposal Three

Our Board unanimously recommends voting FOR the approval of the RealPage executive compensation program, as described in the Compensation Discussion and Analysis and Executive Compensation sections of this proxy statement.

**PROPOSAL FOUR: APPROVAL OF FREQUENCY OF
STOCKHOLDER VOTE ON EXECUTIVE COMPENSATION**

What Am I Voting On?

We are asking our stockholders to vote, on an advisory (non-binding) basis, on how frequently we should seek a Say-on-Pay vote on our executive compensation program.

Voting Recommendation:

Our Board unanimously recommends that our stockholders vote to hold Say-on-Pay votes **EVERY THREE YEARS** (as opposed to every year or every two years).

In connection with Proposal Three, Section 14A of the Exchange Act also requires that we include in this proxy statement a separate advisory (non-binding) stockholder vote to advise on how frequently we should seek a Say-on-Pay vote. By voting on this Proposal Four, stockholders may indicate whether they would prefer an advisory vote on NEO compensation once every one, two, or three years.

The Board has determined that an advisory vote to approve executive compensation held every three years would be the best approach for us based on a number of considerations, including, among other things, the following:

a significant portion of the compensation of our NEOs is correlated with our long-term performance and stockholder returns;

we believe that a vote every three years will give our stockholders a better opportunity to assess the success or lack of success of our long-term compensation strategies and the related business outcomes with the hindsight of three years of corporate performance; and

a triennial vote allows time for our Board and its committees to review and respond to stockholders' views on executive compensation and to change, if necessary, our executive compensation program.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting. Under SEC rules, we will be required to permit our stockholders to vote on the frequency of the Say-on-Pay vote at least once every six years.

Recommendation of our Board of Directors for Proposal Four

*Our Board unanimously recommends that our stockholders vote to hold Say-on-Pay votes **EVERY THREE YEARS** (as opposed to every year or every two years).*

INFORMATION CONCERNING SOLICITATION AND VOTING

General

Our Board has delivered printed versions of proxy materials to you by mail, in connection with our Board's solicitation of proxies for use at the Annual Meeting to be held on June 1, 2017, at 10:00 a.m. local time or at any adjournments or postponements thereof, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting of Stockholders. Proxy materials are also available to you on the Internet at <http://investor.realpage.com>. The Annual Meeting will be held at our principal executive offices located at 2201 Lakeside Boulevard, Richardson, Texas 75082. Our telephone number is (972) 820-3000.

Householding of Annual Meeting Materials

Some brokers and other nominee record holders may be participating in the practice of householding proxy materials, proxy statements and annual reports. This means that only one copy of the proxy materials may have been sent to multiple stockholders in a stockholder's household. We will promptly deliver a separate copy of any of these documents to any stockholder who contacts our investor relations department at 2201 Lakeside Boulevard, Richardson, Texas 75082, (972) 820-3773, requesting such copies. If a stockholder is receiving multiple copies of the proxy materials or the printed versions of such other accounts at the stockholder's household and would like to receive a single copy of these documents for a stockholder's household in the future, stockholders should contact their broker, other nominee record holder, or our investor relations department to request mailing of a single copy of any of these documents.

Record Date; Outstanding Shares

Stockholders of record at the close of business on April 10, 2017, the Record Date, are entitled to receive notice of and vote at the Annual Meeting. On the Record Date, 82,679,778 shares of our common stock, \$0.001 par value, were issued, outstanding and entitled to vote at the Annual Meeting.

Voting and Solicitation

Every stockholder of record on the Record Date is entitled, for each share held, to one vote on each proposal that comes before the Annual Meeting. In the election of directors, each stockholder will be entitled to vote for three nominees and the three nominees with the greatest number of votes will be elected.

Whether you hold shares directly as the stockholder of record or beneficially in street name (as defined below), you may vote by completing, signing and mailing the proxy card enclosed herewith in the postage-prepaid envelope provided for that purpose. Voting by written proxy will ensure your representation at the Annual Meeting if you do not attend in person. For specific instructions on how to vote your shares, please review the instructions on the proxy card.

The cost of this solicitation will be borne by us. We have retained D.F. King & Co., Inc. (D.F. King) to aid in the solicitation of proxies and to verify records relating to the solicitation. D.F. King will receive a fee for its services of \$10,000, including fees per call to stockholders and expense reimbursement. We may reimburse expenses incurred by brokerage firms and other persons representing beneficial owners of shares in forwarding solicitation materials to beneficial owners. Proxies may be solicited by certain of our directors, officers and other employees, without additional compensation, personally, by telephone or by email.

Treatment of Abstentions and Broker Non-Votes

Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because, with respect to such other proposal, the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Table of Contents

If your shares are held by your broker, bank or other agent as your nominee (that is, in street name), your nominee will provide you with appropriate voting materials (such as a voting instruction form). Please follow the instructions included on those materials regarding how to instruct your broker, bank or other agent to vote your shares. If you do not give instructions to your broker, bank or other agent, they can vote your shares with respect to discretionary items but not with respect to non-discretionary items. Discretionary items are proposals that are considered routine under the rules of the New York Stock Exchange and on which your broker, bank or other agent may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give instructions to your broker, bank or other agent, the shares will be treated as broker non-votes. At the Annual Meeting, Proposal Two, the ratification of the appointment of our independent registered public accounting firm, will be a discretionary item. Proposal One, the election of directors, Proposal Three, the advisory (nonbinding) vote to approve the frequency of which our stockholders vote on named executive compensation, and Proposal Four, the advisory (nonbinding) vote to approve named executive compensation, will be non-discretionary items.

Quorum

A majority of our common stock issued and outstanding and entitled to vote, present in person or represented by proxy, constitutes a quorum for the transaction of business at the Annual Meeting.

Voting Requirements

The vote requirement for each matter is:

Proposal One (Election of Directors) Directors are elected by a plurality of the votes cast. The three nominees who receive the greatest number of votes cast will be elected directors for three-year terms, in each case until their successors are duly elected and qualified. Withheld votes and broker non-votes, if any, will not be counted either for or against the election of a director nominee.

Proposal Two (Ratification of Independent Registered Accounting Firm) The ratification of the appointment of our independent registered accounting firm requires the favorable vote of a majority of our shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Abstentions from voting will have the same effect as voting against the ratification, and broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

Proposal Three (Advisory (Non-binding) Vote to Approve Named Executive Compensation) The approval, on an advisory (non-binding) basis, of the compensation of our NEOs as disclosed in this proxy statement in accordance with the SEC rules (commonly referred to as a Say-on-Pay) requires the favorable vote of a majority of our shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Withheld votes and broker non-votes, if any, will not be counted either for or against this proposal.

Proposal Four (Advisory (Non-binding) Vote to Approve the Frequency of Stockholder Votes on Named Executive Compensation) The approval, on an advisory (non-binding) basis, of the frequency of Stockholder votes on compensation of our NEOs as disclosed in this proxy statement in accordance with the SEC rules (commonly referred to as a Say-on-Frequency) requires the favorable vote of a majority of our shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote on the proposal. Withheld votes and broker non-votes, if any, will not be counted either for or against this proposal.

Revocability of Proxies

Proxies given pursuant to this solicitation may be revoked at any time before they have been used. You may change or revoke your proxy by delivering a written notice of revocation to our Secretary or by completing a new proxy card bearing a later date (which automatically revokes the earlier proxy instructions). Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request by notifying the inspector of elections of your intention to revoke your proxy and voting in person at the Annual Meeting.
