The Proxy, and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited either at the office of the Registrar and Transfer Agent of the Company, Computershare Investor Services, Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or at the Corporate Headquarters of the Company at 2454 McMullen Booth Road, Building C, Clearwater, Florida 33759-1343 not less than 48 hours, Saturdays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment thereof.

The number of issued and outstanding Common Shares currently equals the number of issued and outstanding Voting Common Shares, since the Common Shares held by the Company's subsidiary are not considered to be outstanding. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a broker non-vote). Neither abstentions nor broker non-votes are counted in determining whether a proposal has been approved. The vote required for each proposal set forth herein, including the election of directors, is set forth under the discussion herein of such proposal.

Shareholders are urged to indicate their votes in the spaces provided on the Proxy. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Except as indicated below in connection with the election of directors, where no instructions are indicated signed Proxies will be voted FOR each proposal listed in the Notice of the Meeting as set forth more completely herein. Returning your completed Proxy will not prevent you from voting in person at the Meeting should you be present and wish to do so.

If your shares are registered directly in your name with our transfer agent, Computershare Investor Services, Inc., then you are a shareholder of record. This Proxy Statement and Information Circular and related materials have been provided directly to you by the Company. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by Internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in street name), then you are not a shareholder of record. Rather, the institution is the shareholder of record and you are the beneficial owner of the shares. The Proxy Statement and Information Circular and accompanying materials have been forwarded to you by that institution. If you complete and properly sign the accompanying Proxy and return it in the enclosed envelope, or follow the instructions on the Proxy for voting by Internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the

Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

If you are a shareholder of record and attend the Meeting, you may vote in person by ballot at the Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If your shares are held for you in a brokerage, bank or other institutional account (that is, in street name), you must obtain a proxy, executed in your favor, from that institution (the holder of record) to vote your beneficially-owned shares by ballot at the Meeting. If you are a shareholder of record, then you may opt to deliver your completed Proxy in person at the Meeting.

You will receive separate Proxies when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each Proxy you receive or follow the Internet instructions on each card. The instructions on each Proxy may differ. Be sure to follow the instructions on each card.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors recommends each of the nominees set forth below for election as a director and urges each shareholder to vote FOR each of the nominees. Proxies in the accompanying form will be voted at the Meeting, unless authority to do so is withheld, in favor of the election as a director of each of the nominees named below. Brokers or other nominees who hold shares for street name holders do not have discretionary authority to vote uninstructed shares in the election of directors.

The Company's Board of Directors currently consists of five members divided into three classes, with the members of each class serving three-year terms expiring at the third Annual General Meeting of Shareholders after their election. On July 13, 2017, Todd B. Pfister informed the Board that he will not be standing for re-election at the 2017 Annual General Meeting. Effective July 26, 2017, Ralph T. Finkenbrink resigned as a member of the Board of Directors of the Company, and the Board elected Adam K. Peterson as a director of the Company and appointed Robin Hastings as the Chairman of the Board.

The Company's Board of Directors, upon the recommendation of the Nominating/Corporate Governance Committee, has nominated (1) Adam K. Peterson to stand for re-election as a director at the Meeting, to hold office for a term of two years expiring at the 2019 Annual General Meeting of Shareholders, and until his successor has been duly elected and qualified and (2) Jeremy Q. Zhu to stand for election as a director at the Meeting, to hold office for a term of three years expiring at the 2020 Annual General Meeting of Shareholders, and until his successor has been duly elected and qualified. No other person has been nominated by the Board to stand for election as a director at the Meeting.

Vote Required

Assuming a quorum is present, the election of each of Messrs. Peterson and Zhu as a director requires that a plurality of the total votes cast with respect to Voting Common Shares present, or represented by proxy, vote in favor of his election. (Please note that brokers or other nominees who hold shares for you do not have the discretionary authority to vote your uninstructed shares in the election of directors.) In the event Mr. Peterson or Mr. Zhu is unable to serve, the persons designated as proxies will cast votes for such other person in their discretion as a substitute nominee. The Board of Directors has no reason to believe that either of the foregoing nominees will be unavailable, or if elected, will decline to serve.

Messrs. Peterson and Zhu are residents of the United States. Certain information is set forth below for each of the nominees for director, as well as for each director whose term of office will continue after the Meeting.

No representative of Dixon Hughes Goodman LLP will be present at the Meeting or available at the Meeting to answer any questions or make any statements with respect to the Company.

Vote Required

Assuming a quorum is present, approval of the ratification of the appointment of Dixon Hughes Goodman LLP as Independent Auditors of the Company for the fiscal year ending March 31, 2018 requires that a simple majority of the total votes cast with respect to Voting Common Shares present, or represented by proxy, vote in favor of such proposal.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the Company's independent auditors in order to assure that the provision of such services does not impair the auditor's independence. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Management is required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. During each of the fiscal years ended March 31, 2017 and 2016, respectively, all services were pre-approved by the Audit Committee in accordance with this policy.

**PROPOSAL 3: ADVISORY VOTE ON COMPENSATION
OF NAMED EXECUTIVE OFFICERS**

The Board of Directors recommends a vote FOR the approval of the compensation of our named executive officers as disclosed in the Executive Compensation Discussion and Analysis section and the accompanying compensation tables and narrative discussion contained in this Proxy Statement and Information Circular. Abstentions and broker nonvotes will not be counted for purposes of determining whether a majority of votes has been cast in favor of this proposal. Proxies solicited by the Board will be voted FOR approval of the compensation, unless a shareholder specifies otherwise.

Under legislation that Congress enacted in 2010, our shareholders may approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in accordance with the executive compensation disclosure rules contained in Item 402 of the U.S. Securities and Exchange Commission's Regulation S-K. Accordingly, we are seeking input from shareholders with this advisory vote on the compensation of our named executive officers. The vote on this proposal is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers as disclosed in the Executive Compensation Discussion and Analysis section and the accompanying executive compensation tables and narrative discussion contained in this Proxy Statement and Information Circular. The Company asks that you support the compensation of our named executive officers as so disclosed. Because your vote is advisory, it will not be binding on the Compensation Committee, the Nominating/Corporate Governance Committee, the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

The Company's compensation philosophy emphasizes pay for performance. The goal is to provide an opportunity for total compensation that is competitive and sufficient to attract and retain executives and is reflective of our overall executive compensation philosophy which is designed to:

help attract and retain the most qualified individuals by being competitive with compensation paid to persons having similar responsibilities and duties in other companies in the same and closely related businesses;

relate to the value created for shareholders by being directly tied to the financial performance of the Company and the particular executive officer's contribution to such performance;

motivate and reward individuals who help the Company achieve its short-term and long-term objectives and thereby contribute significantly to the success of the Company; and

reflect the qualifications, skills, experience, and responsibilities of the particular executive officer.

We describe the individual elements that make up our total compensation more fully in the Executive Compensation Discussion and Analysis section of this Proxy Statement and Information Circular. We believe our executive compensation programs are structured to support the Company and its business objectives.

Accordingly, for the reasons discussed above, the Board recommends that shareholders vote in favor of the approval of the compensation of our named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Executive Compensation Discussion and Analysis section, compensation tables and narrative discussion.

Vote Required

Assuming a quorum is present, approval of the compensation of our named executive officers requires that a simple majority of the total votes cast with respect to Voting Common Shares present, or represented by proxy, vote in favor of such proposal.

**PROPOSAL 4: ADVISORY VOTE ON THE FREQUENCY OF THE
ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS**

The Board of Directors recommends a vote for submitting the advisory vote on the compensation of our named executive officers to shareholders every year. Abstentions and broker nonvotes will have no impact on the vote regarding this proposal. Proxies solicited by the Board will be voted for approval of a frequency of EVERY YEAR, unless a shareholder specifies otherwise.

Under legislation that Congress enacted in 2010, our shareholders may approve, on a nonbinding, advisory basis, the frequency of the advisory vote on the compensation of our named executive officers as disclosed in accordance with the executive compensation disclosure rules contained in Item 402 of the U.S. Securities and Exchange Commission's Regulation S-K. Shareholders may choose to approve holding an advisory vote on the compensation of our named executive officers annually, biennially or triennially. Accordingly, we are asking shareholders whether the advisory vote should occur every year, once every two years or once every three years.

The Board has considered the frequency of the advisory vote on the compensation of our named executive officers that it should recommend. After considering the benefits and consequences of each option for the frequency of submitting the advisory vote on the compensation of our named executive officers to shareholders, the Board recommends submitting the advisory vote on the compensation of our named executive officers to our shareholders annually.

We believe an annual advisory vote on the compensation of our named executive officers will allow us to obtain information on shareholders' views of the compensation of our named executive officers on a more consistent basis. In addition, we believe an annual advisory vote on the compensation of our named executive officers will provide our Board and the Compensation Committee with frequent input from shareholders on our compensation programs for our named executive officers. Finally, we believe an annual advisory vote on the compensation of our named executive officers aligns more closely with our objective to engage in regular dialogue with our shareholders on corporate governance matters, including our executive compensation philosophy, policies and programs, and our commitment to good corporate governance.

For the reasons discussed above, the Board recommends that shareholders vote in favor of holding an advisory vote on the compensation of our named executive officers at an annual meeting of shareholders every year. In voting on this advisory vote on the frequency of the advisory vote on the compensation of our named executive officers, shareholders should be aware that they are not voting for or against the Board's recommendation to vote for a frequency of every year for holding future advisory votes on the compensation of our named executive officers. Rather, shareholders will be casting votes to recommend an advisory vote on the compensation of our named executive officers which may be every year, once every two years or once every three years, or they may abstain entirely from voting on the proposal.

We recognize that shareholders may have different views as to the best approach for the Company, and therefore, we look forward to hearing from our shareholders as to their preferences on the frequency of the advisory vote on the compensation of our named executive officers. The option on the frequency of the advisory vote on the compensation of our named executive officers that receives the most votes from shareholders will be considered by the Board and Compensation Committee as the shareholders' recommendation as to the frequency of future advisory votes on the compensation of our named executive officers. However, the outcome of this advisory vote on the frequency of the advisory vote on the compensation of our named executive officers is not binding on the Company or the Board. Nevertheless, the Board will review and consider the outcome of this vote when making determinations as to when the advisory vote on the compensation of our named executive officers will again be submitted to shareholders for approval at an annual general meeting of shareholders within the next three years.

Vote Required

The frequency of the advisory vote on compensation of the Company's named executive officers receiving the greatest number of votes every year, once every two years or once every three years will be the frequency that shareholders approve.

BOARD OF DIRECTORS

Committees of the Board of Directors and Meeting Attendance

The Company has not adopted a formal policy that each director must attend each annual general meeting of shareholders, although directors are encouraged to do so. The Company expects all members of the Board to attend the Meeting barring other significant commitments or special circumstances. All of the Company's Board members attended the Company's 2016 Annual General Meeting of Shareholders. During the Company's fiscal year ended March 31, 2017, there were six meetings of the Board, and each incumbent director attended at least 75% of the aggregate number of Board meetings and meetings of all committees of the Board on which he served.

The Board of Directors of the Company has the standing committees listed below.

Audit Committee

On April 1, 2004, the Board of Directors established an Audit Committee, which was comprised of three members during the fiscal year ended March 31, 2017. Until July 1, 2016, the committee consisted of Messrs. Hastings (Chair), Bragin and Fink, and effective July 1, 2016, Mr. Pfister succeeded Mr. Bragin. If elected as a director, Jeremy Zhu will replace Mr. Pfister on the Audit Committee. The Audit Committee held five meetings during the fiscal year ended March 31, 2017. The Board has determined that Messrs. Hastings, Fink and Pfister, the current members of the Audit Committee, as well as Mr. Zhu, who if elected as a director will replace Mr. Pfister, satisfy the independence requirements of current Securities and Exchange Commission rules and NASDAQ listing standards. The Board also has determined that Mr. Hastings qualifies as an audit committee financial expert as defined under these rules and listing standards.

The Audit Committee assists the Board of Directors with its responsibilities by (A) overseeing the Company's accounting and financial reporting processes and the audits of the Company's consolidated financial statements and (B) monitoring (i) the Company's compliance with legal, risk management and regulatory requirements, (ii) the Company's independent auditors' qualifications and independence, (iii) the performance of the Company's audit function and independent auditors, and (iv) the Company's systems of internal control with respect to the integrity of financial records, adherence to its policies and compliance with legal requirements. The Audit Committee: has sole responsibility to retain and terminate the Company's independent auditors, subject to shareholder ratification; has sole authority to pre-approve all audit and non-audit services performed by the Company's independent auditors and the fees and terms of each engagement; reviews the scope and results of each annual internal audit; and reviews the Company's audited consolidated financial statements and related public disclosures, earnings press releases and other financial information and earnings guidance provided to analysts or rating agencies. The Audit Committee is governed by a written charter, which sets forth the specific functions and responsibilities of the Audit Committee. A copy of the current Audit Committee charter is available on the Company's web site.

Compensation Committee

On June 30, 2005, the Board of Directors established a Compensation Committee, which was comprised of three members during the fiscal year ended March 31, 2017. Until July 1, 2016, the committee consisted of Messrs. Fink (Chair), Bragin and Hastings, and effective July 1, 2016, Mr. Pfister succeeded Mr. Bragin. The Board has determined that Messrs. Fink, Hastings and Pfister, the current members of the Compensation Committee, satisfy the independence requirements of current Securities and Exchange Commission rules and NASDAQ listing standards, and that they are non-employee directors pursuant to Rule 16b-3 under the Securities Exchange Act of 1934, as amended.

The Compensation Committee held four meetings during the fiscal year ended March 31, 2017. The principal responsibilities of the Compensation Committee are to evaluate the performance and approve the compensation of the Company's Chief Executive Officer and other executive officers; prepare an annual report on executive compensation for inclusion in proxy statements of the Company; and oversee the Company's compensation and benefit plans for key employees and non-employee directors.

The Compensation Committee reviews and approves corporate goals and objectives relevant to the Company's Chief Executive Officer's compensation, evaluates the Chief Executive Officer's performance in light of these goals and objectives and establishes his compensation levels based on its evaluation. This committee is also responsible for administration of the Nicholas Financial, Inc. Equity Incentive Plan and the Nicholas Financial, Inc. 2015 Omnibus Incentive Plan. The specific functions and responsibilities of the Compensation Committee are set forth in its written charter. A copy of the current Compensation Committee charter is available on the Company's web site.

The Compensation Committee may designate one or more subcommittees, each of which must consist of two or more members of the Compensation Committee. Each subcommittee will have and may exercise all the powers and authority of the Compensation Committee, to the extent provided in the committee's resolutions and to the extent not limited by applicable law or listing standard. The Compensation Committee has designated a subcommittee consisting of Messrs. Fink and Hastings and delegated to it the responsibilities of the Board and the Compensation Committee with respect to any compensation that is intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, and to perform other duties delegated from time to time by the Board or the Compensation Committee. Each current member of the Compensation Committee and Mr. Zhu meet the requirements to be considered an outside director within the meaning of Section 162(m).

Nominating/Corporate Governance Committee

On June 30, 2005, the Board of Directors established a Nominating/Corporate Governance Committee, which increased from two to three members during the fiscal year ended March 31, 2017. Until July 1, 2016, the committee consisted of Messrs. Fink (Chair) and Hastings, and effective July 1, 2016, Mr. Pfister joined the Nominating/Corporate Governance Committee and thereafter assumed the role of Chairperson. Effective at the date of the Meeting, Mr. Pfister will resign from the Board, and Mr. Fink will serve as Chair of the committee.

The Nominating/Corporate Governance Committee held four meetings during the fiscal year ended March 31, 2017. The Board has determined that Messrs. Fink, Hastings and Pfister, the current members of the Nominating/Corporate Governance Committee, satisfy the independence requirements of current NASDAQ listing standards.

The principal functions of the Nominating/Corporate Governance Committee are to: identify, consider and recommend to the Board qualified director nominees for election at the Company's annual meeting; review and make recommendations on matters involving the general operation of the Board and its committees and recommend to the Board nominees for each committee of the Board; and develop and recommend to the Board the adoption and appropriate revision of the Company's corporate governance practices. The Nominating/Corporate Governance Committee is governed by a written charter, which is reviewed on an annual basis. A copy of the current Nominating/Corporate Governance Committee charter is available on the Company's web site.

Nominations of Directors

The entire Board by majority vote selects the director nominees to stand for election at the Company's annual general meetings of shareholders and to fill vacancies occurring on the Board, based on the recommendations of the Nominating/Corporate Governance Committee. In selecting nominees to recommend to the Board to stand for election as directors, the Nominating/Corporate Governance Committee will examine each director nominee on a case-by-case basis

regardless of who recommended the nominee and take into account all factors it considers appropriate. While the Nominating/Corporate Governance Committee does not have a formal policy relating specifically to the consideration of diversity in its process to select and evaluate director nominees, the Committee does consider diversity as part of its overall evaluation of candidates for director nominees. Specifically, the Company's Corporate Governance Policies provide that the selection of potential directors should be based on all factors the Nominating/Corporate Governance Committee and the Board consider appropriate, which include issues of diversity, age, background and training, business or administrative experience or skills, dedication and commitment, business judgment, analytical skills, problem-solving abilities and familiarity with regulatory environment. To this end, the Nominating/Corporate Governance Committee believes that the following minimum qualifications must be met by a director nominee to be recommended to stand for election as director:

Each director must display high personal and professional ethics, integrity and values.

Each director must have the ability to exercise sound business judgment.

Each director must be highly accomplished in his or her respective field, with broad experience at the executive or policy-making level in business, government, education, technology or public interest.

Each director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.

Each director must be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.

Each director must have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

The Nominating/Corporate Governance Committee may use various sources for identifying and evaluating nominees for directors, including referrals from the Company's current directors, management and shareholders. The Nominating/Corporate Governance Committee will review the resume and qualifications of each candidate identified through any of the sources referenced above, and determine whether the candidate would add value to the Board. With respect to candidates that are determined by the Nominating/Corporate Governance Committee to be potential nominees, one or more members of the committee will contact such candidates to determine the candidate's general availability and interest in serving. Once it is determined that a candidate is a good prospect, the candidate will be invited to meet with the full Nominating/Corporate Governance Committee, which will conduct a personal interview with the candidate. During the interview, the committee will evaluate whether the candidate meets the guidelines and criteria adopted by the Board as well as exploring any special or unique qualifications, expertise and experience offered by the candidate and how such qualifications, expertise and/or experience may complement that of existing Board members. If the candidate is approved by the Nominating/Corporate Governance Committee as a result of the committee's determination that the candidate will be able to add value to the Board and the candidate expresses his or her interest in serving on the Board, the committee will then review its conclusions with the Board and recommend that the candidate be selected by the Board to stand for election by the shareholders or fill a vacancy or newly created position on the Board.

Pursuant to the Nominating/Corporate Governance Committee charter as currently in effect, the committee will investigate and consider shareholder recommendations for director nominations submitted in writing by a shareholder (or group of shareholders) owning 5% or more of the Company's outstanding Common Shares for at least one year. Recommendations for director nominees to be considered by the Nominating/Corporate Governance Committee, including recommendations from shareholders of the Company, should be sent in writing, together with a description of each proposed nominee's qualifications and other relevant biographical information concerning such proposed nominee, to the

Nominating/Corporate Governance Committee of the Board of Directors, care of the Secretary of the Company, at the Company's headquarters, and must be received at least 120 days prior to the anniversary date of the release of the proxy statement relating to the prior year's Annual General Meeting of Shareholders.

Please refer to the section "Shareholder Proposals" for the deadlines by which shareholders must submit shareholder proposals under Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and outside of Rule 14a-8.

Leadership Structure and Role in Risk Oversight

Since July 1, 2014, Mr. Finkenbrink had served as both our Chief Executive Officer, or CEO, and Chairman of the Board. Mr. Finkenbrink has informed the Board that he will retire as President and Chief Executive Officer of the Company effective upon the appointment of his successor. Effective July 26, 2017, Mr. Finkenbrink resigned from the Board. The Board accepted such resignation and appointed Mr. Hastings to serve as Chairman of the Board.

Our Board does not have a policy on whether or not the roles of CEO and Chairman should be separate; indeed, the Board has the authority to choose its Chairman in any way it deems best for our Company at any given point in time. Accordingly, our Board reserves the right to vest the responsibilities of the CEO and Chairman in the same person or in two different individuals, depending upon what it believes is in the best interests of the Company at that time. During the time of CEO transition, the Board believes that it is most effective for the roles of CEO and Chairman to be separated in order to ensure continuity in leadership and sound oversight of the transition process.

Our Board, and, in particular, the Audit Committee are involved on an ongoing basis in the general oversight of our material identified enterprise-related risks. Each of our CEO and Chief Financial Officer, with input as appropriate from other appropriate management members, reports and provides relevant information directly to either our Board and/or the Audit Committee on various types of identified material financial, reputational, legal and business risks to which we are or may be subject, as well as mitigation strategies for certain key identified material risks. Our Board's and Audit Committee's roles in our risk oversight process have not affected our Board leadership structure.

Shareholders may communicate with the full Board or individual directors by submitting such communications in writing to Nicholas Financial, Inc., Attention: Board of Directors (or the individual director(s)), 2454 McMullen Booth Road, Building C, Clearwater, Florida 33759. Report of the Audit Committee⁽¹⁾

The Audit Committee (the Committee) oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the consolidated financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Committee reviewed with the Company's Independent Auditors, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Accounting Oversight Board. The Audit Committee also discussed with the Company's Independent Auditors matters related to the financial reporting process required to be discussed by Auditing Standard No. 16 as adopted by the Public Company Accounting Oversight Board. In addition, the Audit Committee has received the written disclosures and the letter from the Independent Auditors required by Rule 3526 of the Public Company Accounting Standards Board, as currently in effect, and the Audit Committee discussed with the Independent Auditors that firm's independence and considered the compatibility of nonaudit services with the Independent Auditors' independence.

The Committee discussed with the Company's Independent Auditors the overall scope and plans for their audit. The Committee meets with the Independent Auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited consolidated financial statements be included in the Annual Report for filing with the Commission. The Committee also appointed Dixon Hughes Goodman LLP as the Company's Independent Auditors for the fiscal year ending March 31, 2018.

Executive Compensation Discussion and Analysis

Overview of Executive Compensation Philosophy

The primary objectives of the Compensation Committee of the Company's Board of Directors with respect to executive compensation are to attract, motivate and retain the best executive talent available and to align the Company's executive compensation structure with shareholder value creation. More specifically, the Compensation Committee believes that executive compensation should:

help attract and retain the most qualified individuals by being competitive with compensation paid to persons having similar responsibilities and duties in other companies in the same and closely related businesses;

relate to the value created for shareholders by being directly tied to the financial performance of the Company and the particular executive officer's contribution to such performance;

motivate and reward individuals who help the Company achieve its short-term and long-term objectives and thereby contribute significantly to the success of the Company; and

reflect the qualifications, skills, experience, and responsibilities of the particular executive officer.

Role of the Compensation Committee

The Compensation Committee is responsible for:

evaluating the performance and determining and approving the compensation of the Company's executive officers, including the Chief Executive Officer (the "CEO"); and

overseeing the Company's compensation and benefit plans for key employees and non-employee directors, including the Company's equity plans.

Through this process, the Committee reviews and determines all aspects of compensation for the Named Executive Officers (as defined below) of the Company. The Named Executive Officers of the Company during the fiscal year ended March 31, 2017 were: Ralph T. Finkenbrink, President and CEO; Kevin D. Bates, Senior Vice President Branch Operations; and Katie L. MacGillivray, Vice President Finance, Chief Financial Officer and Corporate Secretary. As noted above, Mr. Finkenbrink will retire as President and Chief Executive Officer of the Company effective upon the appointment of his successor.

Process for Determining Executive Compensation

The Compensation Committee is responsible for establishing and monitoring adherence to the Company's compensation programs. When setting executive compensation, the Compensation Committee applies a consistent approach for all Named Executive Officers. It intends that the combination of elements of executive compensation closely align the executives' interest with those of the Company's shareholders. Target total compensation is generally comprised of base salary, annual cash bonus and incentive compensation in the form of equity grants. The Compensation Committee reviews and adjusts executive target total compensation levels annually, and approves the base salary, annual cash bonus and incentive equity awards for each Named Executive Officer.

The Compensation Committee currently initiates the compensation process, seeking input and information from the CEO and the full Board of Directors before finalizing any salary increases, employment contracts, bonus plans or long-term incentive equity awards for Named Executive Officers. In considering the appropriate compensation for each of the Named Executive Officers, the Compensation Committee takes into consideration, among other things, the CEO's recommendations, the executive pay for executive officers in comparable positions for companies in the Company's peer group, the level of inherent risk associated with the position, the specific circumstances of the executive, and the advisory votes of the Company's shareholders with respect to the compensation of the Named Executive Officer for prior fiscal years. In addition, in May 2016, the Compensation Committee directly retained Frederic W. Cook & Co., Inc. as an independent compensation consultant to, among other things, review the design of the Company's executive and director compensation programs and make recommendations on the basis of that review in order to achieve the following objectives:

provide incentives for management to think like shareholders and pursue strategies and investments that maximize long-term value;

tie long term incentive compensation opportunities to the achievement of long-term financial and strategic goals;

provide sufficient levels of wealth creation opportunity to attract and retain highly skilled executives; and
maximize the financial efficiency of the program from tax, accounting and cash flow perspectives.

The Compensation Committee has reviewed the aggregate amounts and mix of all components of the Named Executive Officers' compensation, including base salary, annual cash bonus, equity incentive compensation, accumulated (realized and unrealized) stock option and restricted stock gains, the value to the executive and cost to the Company of all perquisites and other personal benefits and the actual projected payout obligations for severance and change-in-control scenarios. A tally sheet setting forth all the above components was prepared affixing dollar amounts under the various payout scenarios for the Named Executive Officer and was reviewed by the Compensation Committee.

Compensation Components

The Company's executive compensation program currently consists of three key elements: base salary, annual incentive bonus and equity incentive compensation.

Base Salary

The Compensation Committee establishes base salaries for the Company's Named Executive Officers based on the scope of their responsibilities, taking into account competitive market compensation paid by other companies in the Company's peer group for similar positions. Generally, the Compensation Committee believes that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions and with similar responsibilities at comparable companies in line with our compensation philosophy.

Base salaries are reviewed annually, and may be adjusted to realign salaries with market levels after taking into account individual responsibilities, performance and experience.

The annual base salaries for Mr. Finkenbrink, the Company's current CEO, Mr. Bates, the Company's current Senior Vice President - Branch Operations, and Ms. MacGillivray, the Company's current Chief Financial Officer, for the fiscal year ended March 31, 2017 (Fiscal 2017) were \$385,000, \$260,000 and \$195,000, respectively.

The Compensation Committee has determined to maintain annual base salaries for Mr. Bates and Ms. MacGillivray at the same level for the fiscal year ending March 31, 2018 (Fiscal 2018), while Mr. Finkenbrink's base salary will be maintained at the same level through the date of his retirement on September 30, 2017. The Compensation Committee believes that the current base salaries of the Company's Named Executive Officers are generally competitive at the median salary ranges observed at comparable companies.

Annual Incentive Bonus

In addition to his or her annual base salary, each of the Named Executive Officers was entitled to receive cash bonuses for Fiscal 2017.

Performance-Based Bonus

The amount of non-discretionary, or performance-based, cash bonus earned by a Named Executive Officer for Fiscal 2017 was based on (i) the cash target allocation for such Named Executive Officer (the Cash Target Allocation) multiplied by (ii) the overall payout factor (the Overall Payout Factor).

The Cash Target Allocation for Fiscal 2017 was as follows: Mr. Finkenbrink: 17.5% of annual base salary; Mr. Bates: 12.5% of annual base salary; and Ms. MacGillivray: 12.5% of annual base salary. The Overall Payout Factor, the performance metrics, and the threshold, target, and maximum levels of performance for the performance-based bonus are as described below under *Fiscal 2017 Equity Awards - Performance-Based Award*.

For Fiscal 2017, non-discretionary, performance-based cash bonuses of \$28,971, \$13,975 and \$10,481 were earned by Mr. Finkenbrink, Mr. Bates and Ms. MacGillivray, respectively.

Discretionary Bonus

For Fiscal 2017, the Named Executive Officers were not awarded discretionary cash bonuses.

For Fiscal 2018, the Compensation Committee has not established a non-discretionary, or performance-based, bonus program. In light of various factors including competitive conditions, the Company's recent performance and the pending retirement of the Company's CEO, the Committee determined that discretionary bonuses not to exceed 50% of base salary provide the desired flexibility. As a result, each of Mr. Bates and Ms. MacGillivray is eligible to receive a discretionary cash bonus up to 50% of their base salary, which will be determined at the discretion of the Compensation Committee in light of factors that may include profitability, portfolio growth, branch expansion, and competitive circumstances, among others.

Equity Incentive Compensation

The Compensation Committee believes that stock-based awards promote the long-term growth and profitability of the Company by providing executive officers of the Company with incentives to improve shareholder value and contribute to the success of the Company and by enabling the Company to attract, retain and reward the best available persons for executive officer positions.

Prior to August 13, 2015, the Company maintained the Nicholas Financial, Inc. Equity Incentive Plan (the "Equity Plan"). The Equity Plan was terminated on August 13, 2015. While no new awards have been granted under the Equity Plan since that date, awards previously granted under such plan, including awards granted to the Named Executive Officers, remain outstanding. Effective August 13, 2015, the Company adopted the Nicholas Financial, Inc. 2015 Omnibus Incentive Plan (the "Omnibus Incentive Plan" or "Plan"). The Omnibus Incentive Plan allows for the grant of equity awards and cash incentive awards to eligible individuals, with up to 750,000 Common Shares reserved for the grant of equity awards under the Plan. The administrator of the Omnibus Incentive Plan (currently the Compensation Committee of our Board of Directors) (the "Administrator") may designate any of the following as a participant from time to time, to the extent of the Administrator's authority: any officer or other employee of the Company or its affiliates (including the Named Executive Officers); any individual who the Company or one of its affiliates has engaged to become an officer or employee; any consultant or advisor who provides services to the Company or its affiliates; or any director, including a non-employee director. Currently, the persons eligible to participate in the Plan consist of approximately 307 employees and three non-employee directors. A more detailed description of the Equity Plan can be found below under the heading "Summary of Equity Plan" beginning on page 41. A more detailed description of the Omnibus Incentive Plan can be found below under the heading "Summary of Omnibus Incentive Plan" beginning on page 41.

Fiscal 2017 Equity Awards

The equity awards granted to the Named Executive Officers under the Omnibus Incentive Plan for Fiscal 2017 consisted of two distinct components: a performance-based award and an award of time-vested stock.

Performance-Based Award

On July 12, 2016, the Compensation Committee awarded the Named Executive Officers performance units under the Omnibus Incentive Plan (the "2017 Performance Unit Program"), with each performance unit representing the right to receive a number of shares of restricted stock, together with dividend equivalents, if applicable, based on (i) the equity target allocation (the "2017 Equity Target Allocation") multiplied by (ii) the Overall Payout Factor, both as described

below. The earned shares of restricted stock, together with dividend equivalents, if applicable, underlying the performance units will vest on the second anniversary of the last day of the performance period (on March 31, 2019 for the Fiscal 2017 grant), and will be settled in Common Shares as soon as administratively feasible following the vesting date. The payout of the Common Shares does not affect any programs dependent on earned compensation. Earned awards are subject to the Company's clawback policy.

The 2017 Equity Target Allocation for the Named Executive Officers was as follows: Mr. Finkenbrink: 11,704 shares of restricted stock; Mr. Bates: 6,367 shares of restricted stock; and Ms. MacGillivray: 4,682 shares of restricted stock.

There were two performance metrics under the 2017 Performance Unit Program: (i) the Company's operating expenses as a percentage of the Company's average finance receivables and (ii) the write-off to liquidation ratio. In calculating the Company's operating expenses as a percentage of average finance receivables for purposes of the 2017 Performance Unit Program, the Company's operating expenses did not include any costs relating to the implementation of a new loan servicing system. The write-off to liquidation ratio is defined as net charge-offs divided by liquidation. Liquidation is defined as beginning receivable balance plus current period purchases minus voids and refinances minus ending receivable balance.

For each performance metric, a threshold, target and maximum level of performance was determined at grant. If performance is below the threshold level, the payout factor for that metric is 0% and no shares of restricted stock are earned. If performance is at the target level, the payout factor for that metric is 100%. If performance is at the maximum level, the payout factor for that metric is 150%. The payout factor for each metric is adjusted proportionally for performance that falls between the threshold and the maximum levels. Because each of the two performance metrics is weighted 50%, the Overall Payout Factor is calculated as a simple average of the payout factors for each metric.

The following table sets forth the payout factors for the specified levels of performance with respect to each metric:

Operating Expenses as % of

Average Finance

Receivables (Weighted 50%)	Write-Off to Liquidation Ratio (Weighted 50%)	Performance Level	Payout Factor
Greater than 10.25%	Greater than 9.50%	Below Threshold	0%
10.25%	9.50%	Threshold	50%
10.00%	9.00%	Target	100%
9.75%	8.50%	Maximum	150%

On the basis of the above, the Named Executive Officers earned the following shares of restricted stock under the 2017 Performance Unit Program: Mr. Finkenbrink: 5,194 shares, Mr. Bates: 2,825 shares and Ms. MacGillivray: 2,077 shares. These shares will vest on March 31, 2019.

Award of Time-Vested Stock

On July 12, 2016, the Compensation Committee awarded to the Named Executive Officers the following number of shares of restricted stock together with dividend equivalents, if applicable, under the Omnibus Incentive Plan: Mr. Finkenbrink: 11,704; Mr. Bates: 6,367; and Ms. MacGillivray: 4,682. The shares of restricted stock will vest on March 31, 2019.

Fiscal 2018 Equity Awards

The equity awards granted to the Named Executive Officers under the Omnibus Incentive Plan for Fiscal 2018 consist solely of awards of time-vested stock.

On June 22, 2017, the Compensation Committee awarded to the Named Executive Officers the following number of shares of restricted stock together with dividend equivalents, if applicable, under the Omnibus Incentive Plan: Mr. Bates: 8,344 and Ms. MacGillivray: 6,135. The shares of restricted stock will vest on March 31, 2020.

Change of Control

The Company has change of control provisions in its employment agreements with its three current Named Executive Officers (Messrs. Finkenbrink and Bates and Ms. MacGillivray), the Equity Plan and the Omnibus Incentive Plan (including under the Performance Unit Program). The Company has no additional change of control contracts or arrangements with any of the Named Executive Officers. The current employment agreements with Mr. Bates and Ms. MacGillivray were entered into in July 2017, and Mr. Finkenbrink's employment agreement was entered into in July 2015 and subsequently replaced by a separation and release of claims agreement through the date of his retirement. For further information regarding these employment agreements, see *Potential Payments Upon Termination or a Change of Control - Employment Agreements* beginning on page 34 and *Summary of Employment Agreements With Named Executive Officers* beginning on page 39.

The change of control provisions in the plans and the employment agreements are designed to make a change of control transaction neutral to the economic interests of employees that might be involved in considering such a transaction. The employees subject to these provisions would likely not be in a position to influence the Company's performance after a change of control or may not be in a position to earn their incentive awards or vest in their equity awards after a change of control. Thus, the provisions are meant to encourage employees that may be involved in considering a change of control transaction to act in the interests of the Company's shareholders rather than their own interests.

The change of control provisions in the employment agreements with Named Executive Officers and under the Performance Unit Program are described starting on page 34 under *Potential Payments Upon Termination or a Change of Control - Employment Agreements* and *Equity Incentive Plans*. Generally, the Company's equity compensation plans provide that restricted stock, restricted stock units and performance units will vest in full, and options to purchase Common Shares will become immediately exercisable, either upon a change of control if the successor company does not assume or replace the award, or upon termination of employment without cause within one year after a change of control.

The Compensation Committee believes that the provisions provided for under both our employment agreements and equity compensation plans are appropriate since an employee's position could be adversely affected by a change of control even if he is not terminated. Our equity compensation plans provide, however, that the Compensation Committee may determine in advance of the change of control event that the provisions would not apply and therefore no accelerated vesting would occur.

Other Compensation

Consistent with the Compensation Committee's pay-for-performance compensation philosophy, the Company intends to continue to maintain modest executive benefits and perquisites for executive officers; however, the Compensation Committee, in its discretion, may revise, amend or add to the officer's executive benefits and perquisites if it

deems it advisable. The Compensation Committee believes these benefits and perquisites are currently at or below median competitive levels for companies in the Company's peer group. The Company does not provide pension arrangements, post-retirement health coverage, or similar benefits for its executives or employees.

The following table generally illustrates the benefit plans and perquisites that the Company does and does not provide and identifies those employees who may be eligible to receive them. Perquisites for the Named Executive Officers are detailed in the footnotes to the Summary Compensation Table.

¹ Eligible employees, including the Company's executive officers, are able to participate in the Company's 401(k) Plan. The 401(k) Plan permits participants to make 401(k) contributions on a pretax and post-tax (Roth) basis. All employees of the Company and its subsidiaries who are at least age 21 are eligible to participate in the 401(k) Plan on the first day of the month following the completion of 60 days of service. Participants can contribute up to 60% of their pre-tax or post-tax compensation to the 401(k) Plan annually, subject to certain legal limitations. Neither the Company nor any of its subsidiaries made any matching contributions in Fiscal 2017; the Company has not yet determined whether it will make any matching contribution in Fiscal 2018.

² The Company provides medical insurance coverage for all of its full-time employees, including the Named Executive Officers. The Company pays 80% of the applicable premium and the employee pays the remaining 20% of the premium. Employees electing dependent coverage are responsible for 100% of the premium, less a \$200 Company contribution for their spouse, or a \$175 Company contribution for one or more children, or a \$375 Company contribution for family coverage. Dental coverage is offered to all full-time employees. The Company pays 52% of the applicable premium and the employee pays the remaining 48% of the premium. Vision insurance is also offered to all of its full-time employees, including the Named Executive Officers. The employee is responsible for 100% of the applicable premium.

³ The Company provides all full-time employees, including the Named Executive Officers, with a \$10,000 term life insurance policy. The premium for this coverage is paid entirely by the Company.

⁴ The Company provides all full-time employees, including the Named Executive Officers, long-term disability insurance with a monthly benefit in the amount of 60% of monthly salary up to a maximum of \$10,000 per month. The premium for this coverage is paid entirely by the Company after one year of employment with the Company.

⁵ The Company offers short-term disability insurance coverage to all of its full-time employees, including the Named Executive Officers. The employee is responsible for 100% of the applicable premium.

⁶

The Company maintains an annual sales contest that rewards certain employees with a trip at Company expense. All of the Named Executive Officers participate in this program.

7 The Company provides Company vehicles to its Named Executive Officers and its branch managers, regional managers and other key personnel.

8 The Company covers certain country club membership costs for the CEO.

9 The Company's employment agreements with the Named Executive Officers provide for certain change of control and severance benefits as described elsewhere in this Proxy Statement and Information Circular.

Policy Regarding Retroactive Adjustments

Section 304 of the Sarbanes-Oxley Act of 2002 authorizes a company to claw back certain incentive-based compensation and stock profits of the Chief Executive Officer and Chief Financial Officer if the company is required to prepare an accounting restatement due to the material noncompliance of the company, as a result of misconduct, with any financial reporting requirement under the securities laws. The Compensation Committee does not otherwise have a formal policy regarding whether the Committee will make retroactive adjustments to, or attempt to recover, cash or share-based incentive compensation granted or paid to executive officers in which the payment was predicated upon the achievement of certain financial results that are subsequently the subject of a restatement. The Committee may seek to recover any amount determined to have been inappropriately received by the individual executive to the extent permitted by applicable law.

Tax, Accounting and Other Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), limits the Company's deduction of annual compensation paid to the Named Executive Officers to \$1 million per employee, unless the compensation meets certain specific requirements to qualify as performance-based compensation. The Compensation Committee has considered the Company's ability to deduct from taxable income certain performance based compensation under Section 162(m) of the Code. At the current compensation levels in effect for the Named Executive Officers, tax deductibility under Section 162(m) was not a determinative factor in the design of the Company's compensation program.

Section 280G of the Code limits the Company's ability to take a tax deduction for certain excess parachute payments (as defined in Code Section 280G) paid in connection with a change in control transaction, and Section 4999 of the Code imposes excise taxes on certain executives who receive excess parachute payments. The Compensation Committee considers the adverse tax liabilities imposed by Code Sections 280G and 4999, as well as other competitive factors, when it designs and implements arrangements that may be triggered upon a change in control for all potentially affected employees, including the Company's Named Executive Officers.

Various rules under generally accepted accounting principles determine the extent to which and the manner in which the Company accounts for grants under its long term equity incentive plans in its financial statements. The Compensation Committee takes into consideration the accounting treatment under Financial Accounting Standards Board (FASB) Accounting Standards Classification (ASC) Topic 718, Stock Compensation (formerly, FAS 123(R) (ASC Topic 718)), when determining the types of and value of grants under its long term equity incentive plans for all employees, including the Company's Named Executive Officers. The accounting treatment of such grants, however, is not determinative of the type, timing, or amount of any particular grant of equity-based compensation to the Company's employees.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed the foregoing Executive Compensation Discussion and Analysis with management of the Company and, based upon such review and discussion, has recommended to the Board that the Executive Compensation Discussion and Analysis be included in this Proxy Statement and Information Circular for incorporation by reference into the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2018.

Grants of Plan-Based Awards

The following table sets forth information regarding all plan-based awards that were made to the Named Executive Officers during the fiscal year ended March 31, 2017 including incentive plan awards (equity-based and non-equity based) and other plan-based awards. Disclosure on a separate line item is provided for each grant of an award made to a Named Executive Officer during such fiscal year. Potential Payments Upon Termination or a Change of Control

Employment Agreements

The Company has separate employment agreements with all three of its current Named Executive Officers, namely Ralph T. Finkenbrink, Kevin D. Bates and Katie L. MacGillivray. Mr. Finkenbrink's and Mr. Bates' employment agreements were in effect during Fiscal 2017 and new employment agreements were entered into with Mr. Bates and Ms. MacGillivray on July 26, 2017 after the term of their prior employment agreements expired. On July 26, 2017, Mr. Finkenbrink's employment agreement was replaced by a Separation and Release of Claims Agreement entered into following Mr. Finkenbrink's announcement of his retirement. The payments to be made to these Named Executive Officers pursuant to such employment agreements in the event of disability or death, involuntary termination without cause and termination following a change of control are described below. These employment agreements are described in greater detail under *Summary of Employment Agreements with Named Executive Officers* beginning on page 39.

Payments Made Under the Employment Agreements Upon Death or Disability

In the event of the termination of employment due to his or her death or disability, a Named Executive Officer will receive only such compensation and other benefits to which he or she was entitled under his or her employment agreement, under the terms of his or her outstanding equity plan awards (as described further below), or otherwise as

an employee of the Company through the termination date, including payments of base salary through the calendar month in which such termination occurs.

Payments Made Under the Employment Agreements Upon Termination Without Cause, Constructive Termination or Change of Control

Ralph T. Finkenbrink

In the event of the termination of Mr. Finkenbrink's employment (i) by the Company other than for cause (as defined in his employment agreement) or (ii) by Mr. Finkenbrink upon (a) a good faith determination by Mr. Finkenbrink that there has been a material breach of his employment agreement by the Company, (b) a material adverse change in his working conditions or status, (c) a significant relocation of his principal office, or (d) upon or within the two-year period following a change of control, a good faith determination by him that there has been any of the following: a breach of his employment agreement by the Company, any adverse change in his or her working conditions, status, authority, duties, responsibilities (including reporting other than directly to the Board of Directors) or any requirement that he relocate his principal office to a location that is more than ten miles from the location of his or her principal office immediately prior to the change of control, then Mr. Finkenbrink will be paid (subject to the Section 280G cap described below), a one-time, lump-sum severance payment equal to two times the sum of (A) Mr. Finkenbrink's annual base salary in effect at the time of such termination (or, following a change of control, the annual base salary, if higher, in effect during the 180 days prior to the change of control) and (B) Mr. Finkenbrink's average annual bonus for the two full calendar years immediately preceding such termination (or, following a change of control, the average annual bonus, if higher, for the two full calendar years immediately preceding the change of control). If such termination of employment occurs during the two years following a change of control, then Mr. Finkenbrink will also receive the following benefits:

- (i) all restricted stock, restricted stock unit awards, stock options and stock appreciation rights will become fully and immediately vested;
- (ii) any performance shares, performance units or similar performance-based equity awards will be deemed earned on a pro rated basis according as if all performance requirements had been satisfied at the target level (or such higher level as would have been achieved if performance through the date of the termination of employment had continued through the end of the performance period);
- (iii) up to 18 months of benefits continuation;
- (iv) up to 2 years of outplacement services, capped at 10% of the Mr. Finkenbrink's annual base salary immediately prior to the date of the change of control (or, if higher, immediately prior to the Employee's termination of employment); and
- (v) up to \$15,000 of fees and expenses of consultants and/or legal or accounting advisors.

A change of control is defined in the Mr. Finkenbrink's employment agreement generally as the occurrence of any of the events that would constitute a change of control under the Plan or a determination by the Board of Directors of the Company, in view of the then current circumstances or impending events, that a change of control of the Company has occurred or is imminent, which determination shall be made for the specific purpose of triggering the operative provisions of the employment agreements.

If any severance payment, either alone or when added to any other payment or benefit to which Mr. Finkenbrink is entitled from the Company exceeds the amount that may be paid by the Company without a loss of deduction under Section 280G of the Code, then, under the terms of his employment agreement, the severance payment and any other such payment or benefit will be either cut back, to a level below the level that would trigger the loss of deduction, or paid in full and subjected to the loss of deduction and excise taxes, whichever results in the better after-tax result to the executive officer.

Kevin D. Bates and Katie L. MacGillivray

In the event of the termination of Mr. Bates or Ms. MacGillivray's employment (i) by the Company other than for cause (as defined in his or her employment agreement) or (ii) by Mr. Bates or Ms. MacGillivray upon (a) a good faith determination by such Named Executive Officer that there has been a material breach of his or her employment agreement by the Company, (b) a material adverse change in such Named Executive Officer's working conditions or status, (c) a significant relocation of such Named Executive Officer's principal office, or (d) upon or within the one-year period following a change of control, a good faith determination by him or her that there has been any of the following: a breach of his or her employment agreement by the Company, any adverse change in his or her working conditions, status, authority, duties, responsibilities (including reporting other than directly to the Board of Directors) or any requirement that he or she relocate his or her principal office to a location that is more than ten miles from the location of his or her principal office immediately prior to the change of control, then such Named Executive Officer will be paid (subject to the Section 280G cap described below), a one-time, lump-sum severance payment equal to his or her annual base salary in effect at the time of such termination (or, following a change of control, the annual base salary, if higher, in effect during the 180 days prior to the change of control). If such termination of employment occurs during the one-year period following a change of control, then such Named Executive Officer will also receive the following benefits:

- (i) all restricted stock, restricted stock unit awards, stock options and stock appreciation rights will become fully and immediately vested;
- (ii) any performance shares, performance units or similar performance-based equity awards will be deemed earned on a pro rated basis according as if all performance requirements had been satisfied at the target level (or such higher level as would have been achieved if performance through the date of the termination of employment had continued through the end of the performance period);
- (iii) up to 18 months of benefits continuation; and
- (iv) up to \$15,000 of fees and expenses of consultants and/or legal or accounting advisors.

A change of control is defined in the employment agreements with Mr. Bates or Ms. MacGillivray generally as the occurrence of any of the events that would constitute a change of control under the Plan or a determination by the Board of Directors of the Company, in view of the then current circumstances or impending events, that a change of control of the Company has occurred or is imminent, which determination shall be made for the specific purpose of triggering the operative provisions of the employment agreements.

If any severance payment, either alone or when added to any other payment or benefit to which Mr. Bates or Ms. MacGillivray is entitled from the Company exceeds the amount that may be paid by the Company without a loss of deduction under Section 280G of the Code, then, under the terms of his or her employment agreement, the severance payment and any other such payment or benefit will be either cut back, to a level below the level that would trigger the loss of deduction, or paid in full and subjected to the loss of deduction and excise taxes, whichever results in the better after-tax result to the executive officer.

Equity Incentive Plans

Payments Made Under the Equity Plan and Omnibus Incentive Plan Upon Death, Disability, Termination Without Cause or Constructive Termination

In the event of termination of a participant's employment due to death or disability or termination without cause by the Company, all shares of restricted stock granted to such participant under the Equity Plan and the Omnibus Incentive Plan will generally become fully vested and the restrictions on transferability under the terms of the award will lapse. In the event of termination of a participant's employment without cause by the Company, all shares of restricted stock underlying performance units awarded under the Performance Unit Program will become fully vested based on actual performance achieved and will be settled after the conclusion of the performance period. If such termination occurs following the end of the performance period, all earned shares of restricted stock vest immediately.

In the event of termination of a participant's employment due to death, disability or retirement, all options granted to such participant under the Equity Plan and Omnibus Incentive Plan will become fully vested on the date of such termination and will be exercisable thereafter for a period of thirty days.

In the event of termination of a participant's employment due to death or disability prior to the end of a performance period, performance share awards will generally be deemed earned immediately upon such termination in an amount equal to the amount that would have been earned had the target performance level for the performance period been met, and then prorated based on the number of days in the performance period that have elapsed to the date of termination of employment. In the event of termination of a participant's employment due to death or disability prior to the end of a performance period, shares of restricted stock underlying performance units awarded under the Performance Unit Program will be deemed earned and vested immediately upon such termination in an amount equal to the amount that would have been earned had the target performance level for the performance period been met. In the event of termination of a participant's employment due to death or disability following the end of a performance period, shares of restricted stock underlying performance units awarded under the Performance Unit Program will be deemed earned and vested immediately upon such termination in an amount equal to the amount that was earned based on actual performance achieved.

In all other cases of termination, non-vested equity awards under the Equity Plan and the Omnibus Incentive Plan will generally be forfeited.

A more detailed description of the Equity Plan can be found below under the heading *Summary of Equity Plan* beginning on page 41. A more detailed description of the Omnibus Incentive Plan can be found below under the heading *Summary of Omnibus Incentive Plan* beginning on page 41.

Payments Made Under the Equity Plan and Omnibus Incentive Plan Upon a Change of Control

Unless the Compensation Committee provides otherwise in any particular award agreement, and other than as stated below under *Performance Unit Program*, in the event of a change of control of the Company, awards may be assumed or substitute awards may be made by the Company or its successor that contain similar terms and conditions as the awards issued under an equity compensation plan, without participant consent. If awards are assumed or if substitute awards are made, and if the Company or its successor in the change of control transaction terminates a participant within one year following the change of control, then the award will immediately vest on the date of such termination of employment or service, as applicable.

If the Company or its successor does not assume the awards or grant substitute awards, then:

At least 15 days prior to the change of control transaction, all options held by employees of the Company or its affiliates will become fully vested, and the Company will provide a notice to all holders of options of their right to exercise their options up to the date of the change of control. On the change of control date, all options will be cancelled. If it is not feasible to give 15 days notice of cancellation of the options, then the Compensation Committee may determine prior to the change of control date that all options held by

employees of the Company or its affiliates will become vested on the date of the change of control, and all holders of options will receive a cash payment, in exchange for cancellation of the options, equal to the value of the option as determined by the Compensation Committee.

All shares of restricted stock will vest in full immediately prior to the date of a change of control.

Performance share awards will be deemed earned immediately prior to the date of the change of control in an amount equal to the amount that would be earned had the target performance goal for the performance period been met, and then prorated based on the number of days in the performance period that have elapsed to the date of the change of control.

For purposes of the equity compensation plans, a change of control generally includes any of the following events:

A person or group of persons becomes the beneficial owner of 25% or more of the outstanding Common Shares of the Company or the voting power of any of the Company's securities, not counting acquisitions approved in advance by the Board of Directors;

The members of the Board of Directors on April 1, 2007 for the Equity Plan and July 1, 2015 for the Omnibus Incentive Plan (and any new member appointed or elected to the Board whose appointment, nomination or election was approved by two-thirds of the Board, unless the election is in connection with an election contest) cease to constitute a majority of the Board;

The consummation or the sale or other disposition of all, or substantially all, of the Company's assets;

The consummation of a complete liquidation or dissolution of the Company; or

The consummation of a merger or consolidation of the Company with or into any other company in which the Company's shareholders immediately prior to the merger or consolidation will own less than 50% of the outstanding common shares or voting control of the surviving company.

Performance Unit Program

Under the Performance Unit Program, if the change of control occurs during a performance period, the awards are converted into time-vested restricted stock of the acquiring company based on the target performance level and, if the change of control occurs following a performance period, the awards are converted into time-vested restricted stock of the acquiring company based on the actual performance level achieved. In either case, the awards would accelerate in the event the Named Executive Officer is terminated without cause or voluntarily terminates with good reason within twenty-four months of the change of control. If awards under the Performance Unit Program are not assumed or converted by the acquiring company, then, if the change of control occurs during a performance period, the awards are subject to accelerated vesting based on the target performance level, and if the change of control occurs following a performance period, the awards are subject to accelerated vesting based on actual performance level achieved.

Quantification of Termination/Change of Control Payments

The table below reflects the amount of compensation that would have been paid to each of the Named Executive Officers of the Company holding office on March 31, 2017, in the event of his or her disability or death, involuntary termination without cause or constructive termination, or termination upon a change of control. The amounts assume that such termination was effective as of March 31, 2017 and thus include amounts earned through such time and are estimates

of the amounts that would have been paid out upon termination. Each of the Named Executive Officers was party to an employment agreement with the Company as of March 31, 2017. The amount of compensation that would have been payable to each of Mr. Finkenbrink, Mr. Bates and Ms. MacGillivray assuming the occurrence of any such events as of March 31, 2017 under their employment arrangements in effect at such time is reflected in the table below.

- (1) Consists of the value of the accelerated vesting of outstanding unvested restricted stock (includes shares that were earned as of March 31, 2017 even though the number of shares earned was not determined until after such date) and stock options. The value of the accelerated vesting of unvested restricted stock was determined by multiplying the closing price per Common Share on March 31, 2017 by the number of shares of restricted stock that are currently subject to accelerated vesting. The value of the accelerated vesting of unvested stock options was determined by calculating the sum of the differences between the closing price per Common Share on March 31, 2017 and the exercise price for each in-the-money option that is currently subject to accelerated vesting.
- (2) Consists of the value of the accelerated vesting of outstanding unvested restricted stock (includes shares that were earned as of March 31, 2017 even though the number of shares earned was not determined until after such date). The value of the accelerated vesting of unvested restricted stock was determined by multiplying the closing price per Common Share on March 31, 2017 by the number of shares of restricted stock that are currently subject to accelerated vesting.

Summary of Employment Agreements with Named Executive Officers

The following section provides information on our employment agreements with the three current Named Executive Officers noted in the Executive Compensation Discussion and Analysis or in the tables. For the convenience of the reader, we are putting the descriptions of these employment agreements in one location.

On July 2, 2015, the Company entered into an amended and restated employment agreement with Ralph T. Finkenbrink, President and Chief Executive Officer. The agreement currently provides for a minimum base salary of \$375,000 and annual performance bonuses as determined by the Compensation Committee. The agreement has an initial term of two years. On June 12, 2017, Mr. Finkenbrink informed the Board that he will retire as President and Chief

Executive Officer of the Company. On July 26, 2017, Mr. Finkenbrink's employment agreement was replaced by a Separation and Release Agreement that extended his employment until the appointment of his successor, or until the Company terminates his extended employment prior to such event in its discretion. Mr. Finkenbrink's employment agreement provides that, if he is terminated by the Company without cause, or if he terminates his employment upon (a) a good faith determination by him that the Company has materially breached his employment agreement, (b) a material adverse change in his working conditions or status, (c) a significant relocation of his principal office or (d) upon or within the two-year period following a change of control of the Company, a good faith determination by him that there has been any of the following: a breach of his employment agreement by the Company, any adverse change in his working conditions, status, authority, duties, responsibilities (including reporting other than directly to the Board of Directors) or any requirement that he relocate his principal office to a location that is more than ten miles from the location of his principal office immediately prior to the change of control, then he shall be entitled to a severance payment equal to two times the sum of his annual base salary in effect at the time of such termination and his average annual bonus for the two full calendar years immediately preceding such termination. On and after a change of control, the agreement gives Mr. Finkenbrink the right to receive a bonus opportunity at a level comparable to his bonus prior to the change of control. Additional protections are provided following a change of control, as described above under Potential Payments Upon Termination or a Change of Control Employment Agreements Payments Made Upon Termination Without Cause or Constructive Termination. Mr. Finkenbrink's agreement further provides that, during the term of the agreement and for a period of two years thereafter, Mr. Finkenbrink will not, directly or indirectly, compete with the Company by engaging in certain proscribed activities.

On July 26, 2017, the Company entered into a new employment agreement with Kevin D. Bates, Senior Vice President Branch Operations, effective on July 2, 2017. The agreement currently provides for a minimum base salary of \$260,000. The agreement has an initial term of one year. Thereafter, the agreement automatically renews each year, unless the Company provides to Mr. Bates, at least sixty days prior to the expiration of the term written notification that it intends not to renew this agreement. Upon a change of control, the term of the agreement would be extended until the first anniversary of the change of control. The current term of Mr. Bates's employment agreement will expire in July 2018, unless automatically renewed as described above. Mr. Bates's employment agreement provides that, if he is terminated by the Company without cause, or if he terminates his employment upon (a) a good faith determination by him that the Company has materially breached his employment agreement, (b) a material adverse change in his working conditions or status, (c) a significant relocation of his principal office or (d) upon or within the one-year period following a change of control of the Company, a good faith determination by him that there has been any of the following: a breach of his employment agreement by the Company, any adverse change in his working conditions, status, authority, duties, responsibilities (including reporting other than directly to the Board of Directors) or any requirement that he relocate his principal office to a location that is more than ten miles from the location of his principal office immediately prior to the change of control, then he shall be entitled to a severance payment equal to his annual base salary in effect at the time of such termination. Certain protections are provided following a change of control, as described above under Potential Payments Upon Termination or a Change of Control Employment Agreements Payments Made Upon Termination Without Cause or Constructive Termination. Mr. Bates's agreement further provides that, during the term of the agreement and for a period of one year thereafter, Mr. Bates will not, directly or indirectly, compete with the Company by engaging in certain proscribed activities, except that, in the event his employment is terminated as a result of the Company not renewing his employment agreement at the end of its term, such non-compete would only apply for a period of six months after the term of his agreement, and Mr. Bates would receive a severance payment equal to six months of his base salary.

On July 26, 2017, the Company entered into a new employment agreement with Katie L. MacGillivray, Vice President Finance, Chief Financial Officer and Corporate Secretary, effective on July 2, 2017. The agreement currently provides for an initial base salary of \$195,000. The agreement has an initial term of one year. Thereafter, the agreement automatically renews each year, unless the Company provides to Ms. MacGillivray, at least sixty days prior to the expiration

of the term written notification that it intends not to renew this agreement. Upon a change of control, the term of the agreement would be extended until the first anniversary of the change of control. The current term of Ms. MacGillivray's employment agreement will expire in July 2018, unless automatically renewed as described above. Ms. MacGillivray's employment agreement provides that, if she is terminated by the Company without cause, or if she terminates her employment upon (a) a good faith determination by her that the Company has materially breached her employment agreement, (b) a material adverse change in her working conditions or status, (c) a significant relocation of her principal office or (d) upon or within the one-year period following a change of control of the Company, a good faith determination by her that there has been any of the following: a breach of her employment agreement by the Company, any adverse change in her working conditions, status, authority, duties, responsibilities (including reporting other than directly to the Board of Directors) or any requirement that she relocate her principal office to a location that is more than ten miles from the location of her principal office immediately prior to the change of control, then she shall be entitled to a severance payment equal to her annual base salary in effect at the time of such termination. Certain protections are provided following a change of control, as described above under *Potential Payments Upon Termination or a Change of Control*, *Employment Agreements*, *Payments Made Under the Employment Agreements Upon Termination Without Cause*, *Constructive Termination or Change of Control*. Ms. MacGillivray's agreement further provides that, during the term of the agreement and for a period of one year thereafter, Ms. MacGillivray will not, directly or indirectly, compete with the Company by engaging in certain proscribed activities, except that, in the event her employment is terminated as a result of the Company not renewing her employment agreement at the end of its term, such non-compete would only apply for a period of six months after the term of her agreement, and Ms. MacGillivray would receive a severance payment equal to six months of her base salary.

Summary of Equity Plan

The Equity Plan was adopted by the Board of Directors of the Company on June 15, 2006, and approved by the shareholders of the Company on August 9, 2006. The Equity Plan was terminated on August 13, 2015; no new awards have been granted under such plan since that date, but awards granted under such plan remain outstanding. The purposes of the Equity Plan were:

to attract, retain and reward individuals who serve as key employees and non-employee directors of the Board; and

to increase shareholder value by offering participants the opportunity to acquire Common Shares or receive monetary payments based on the value of such Common Shares. By providing stock-based awards to the Company's key employees and non-employee directors, the Board of Directors believes those individuals will be provided an incentive to increase shareholder value.

A more detailed summary of the Equity Plan was included in Proposal 2 of the Company's Proxy Statement for the 2006 Annual General Meeting and a copy of the Equity Plan was attached to such Proxy Statement as Appendix A, both of which are incorporated herein by reference.

Summary of Omnibus Incentive Plan

The Omnibus Incentive Plan was adopted by the Board of Directors and subsequently approved by the shareholders of the Company on August 13, 2015. The purpose of this Omnibus Incentive Plan is to promote the best interests of the Company and its shareholders by providing key employees and non-employee directors of the Company and its affiliates with an opportunity to acquire a proprietary interest in the Company or receive other incentive compensation on the potentially favorable terms that the Plan provides. It is intended that the Plan will promote continuity of

management and

increased incentive and personal interest in the welfare of the Company and its affiliates by those key employees and directors who are primarily responsible for shaping and carrying out the long-range plans of the Company and securing its continued growth and financial success, all of which benefits the shareholders.

The Omnibus Incentive Plan:

is administered by the Compensation Committee with respect to key employee participants and the Board of Directors with respect to non-employee director participants;

permits the grant of options (including incentive stock options), stock appreciation rights, restricted stock, restricted stock units, performance shares, performance units, annual cash incentives, long-term cash incentives, dividend equivalent units and other types of stock-based awards;

limits the number of awards that the Compensation Committee may grant to any one key employee participant; and

reserves 750,000 Common Shares for awards.

A more detailed summary of the Omnibus Incentive Plan was included in Proposal 3 of the Company's Proxy Statement for the 2015 Annual General Meeting and a copy of the Equity Plan was attached to such Proxy Statement as Appendix A, both of which are incorporated herein by reference.

Director Compensation

The following table sets forth information regarding the compensation received by each of the Company's non-employee directors during the fiscal year ended March 31, 2017:

Todd Pfister	\$ 41,250	\$ 24,045 ⁽³⁾		\$ 65,295

Each director who is not an executive officer of the Company (Non-Employee Director) receives an annual retainer of \$45,000, with the chair of each standing committee receiving an additional \$10,000. Non-Employee Directors do not receive a per meeting fee for ordinary-course Board meetings; however, they receive a meeting fee of \$1,000 per

non-ordinary course Board meeting (reduced to \$750 for telephonic meetings), calculated separately for the Board of Directors and each committee. In addition, each Non-Employee Director receives an annual award of restricted stock with a value of \$20,000, which award vests on the earlier of the first anniversary of the date of grant and the date of the following year's annual general meeting of shareholders. Directors joining the Board of Directors mid-year will receive a pro-rated equity award vesting on the date of the following annual general meeting of shareholders.

Upon a change of control of the Company, the awards granted to Non-Employee Directors are treated in the same manner as awards made to employees as described above under *Payments Made Under the Equity Plan and Omnibus Incentive Plan Upon a Change of Control*.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and more than 10% shareholders (collectively for purposes of this paragraph only, "Reporting Persons") to file reports of their beneficial ownership and changes in beneficial ownership of the Company's Common Shares with the SEC and furnish copies of such reports to the Company. Based upon a review of copies of the reports filed with the SEC, we believe that the following Reporting Person failed to file with the SEC on a timely basis during the fiscal year ended March 31, 2017 any required report relating to transactions involving equity securities of the Company beneficially owned by them: Mr. Finkenbrink filed two Forms 4 late, Mr. Bates filed three Forms 4 late, Ms. MacGillivray filed three Forms 4 late, and each of Messrs. Hastings, Fink and Pfister filed one Form 4 late.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director or executive officer of the Company, no nominee for election as a director of the Company, and no associate or affiliate of any of them, is or has been indebted to the Company or its subsidiaries at any time since the beginning of the Company's last completed fiscal year.

RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Related Persons

Other than as disclosed in the section *Compensation Committee Interlocks and Insider Participation* (which disclosure is incorporated herein by reference), since the beginning of the Company's fiscal year ended March 31, 2017, there have been no transactions with related persons, and there are no currently proposed transactions with related persons, required by applicable SEC rules and regulations to be disclosed hereunder.

Review, Approval, and/or Ratification of Transactions with Related Persons

The Company recognizes that transactions involving related persons can present potential or actual conflicts of interest and create the appearance that the Company's business decisions are based on considerations other than the best interests of its shareholders. Therefore, in accordance with the terms of its charter, the Audit Committee of the Board will review and approve transactions involving related persons. The policy covers any transaction involving the Company and a related person, and is not limited solely to those transactions involving related persons that meet the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (i.e., transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest).

General Policy

Transactions involving related persons must be approved, or ratified if pre-approval is not feasible, by the Audit Committee of the Board consisting solely of independent directors, who will approve or ratify the transaction only if they determine that it is in the best interests of the Company's shareholders. In considering the transaction, the Audit Committee will consider all relevant factors, including, as applicable: (i) the business rationale for entering into the transaction; (ii) available alternatives to the transaction; (iii) whether the transaction is on terms no less favorable than terms generally available to an unrelated third-party under the same or similar circumstances; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction. The Audit Committee will also periodically monitor ongoing transactions involving related persons to ensure that there are no changed circumstances that would render it advisable for the Company to amend or terminate the transaction.

Procedures

It is the responsibility of management or the affected director or executive officer to bring the matter to the attention of the Audit Committee.

Any transaction involving a related person should be presented to the Audit Committee at the next regularly scheduled meeting.

All transactions should be pre-approved by the Audit Committee, or if not feasible, ratified by the Audit Committee as promptly as practicable.

If a member of the Audit Committee is involved in the transaction, except for purposes of providing material information about the transaction to the Audit Committee, he must be recused from all discussions and decisions about the transaction.

Ongoing transactions involving related persons shall be reviewed by the Audit Committee on an annual basis at the first regularly scheduled meeting of the fiscal year.

Since the beginning of the Company's last fiscal year, there have been no transactions required to be reported under the applicable SEC rules where such policies and procedures did not require review, approval or ratification or where such policies and procedures were not followed.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, no nominee for election as a director of the Company, no person who has been a director or executive officer of the Company since the commencement of the Company's last completed fiscal year and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership or securities or otherwise, in any matter to be acted upon at the Meeting.

SHAREHOLDER PROPOSALS

The deadline for submission of shareholder proposals pursuant to Rule 14a-8 under the Exchange Act for inclusion in the Company's proxy statement for its 2018 Annual General Meeting of Shareholders is March 29, 2018. After

June 12, 2018, notice to the Company of a shareholder proposal submitted other than pursuant to Rule 14a-8 is considered untimely, and the persons named in proxies solicited by the Board of Directors of the Company for the 2018 Annual General Meeting may exercise discretionary voting power with respect to any such proposal.

OTHER MATTERS

MANAGEMENT KNOWS OF NO OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THOSE REFERRED TO IN THE NOTICE OF MEETING. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL, ON A POLL, BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.
