**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.  
Severance and Change in Control Benefit Plan**

On August 28, 2017, the Compensation Committee of the Board of Directors of Calithera Biosciences, Inc. approved a Severance Benefit Plan, or the Severance Plan, for certain of our officers, including our named executive officers (as defined in Item 402(a)(3) of Regulation S-K promulgated by the Securities and Exchange Commission). Upon acceptance by a participant, the Severance Plan supersedes the participant's existing severance agreements that would otherwise apply upon qualifying terminations of employment.

Under the Severance Plan, upon a termination of a participant's employment by us without cause or the resignation by a participant for good reason (each of the terms cause and good reason as defined in the Severance Plan) (each, a Qualifying Termination), participants in the Severance Plan will be entitled to receive the following severance benefits:

a cash payment equal to the sum of (a) either 9, 12 or 18 months of the participant's monthly base salary (each, a Severance Term), and (b)<sub>2</sub> of the participant's target annual bonus in the year of termination multiplied by the applicable Severance Term;

company-paid COBRA premiums for continued health insurance for the number of months equal to the applicable Severance Term; and

if the Qualifying Termination is immediately prior to the closing of, or 12 months following, a change in control (as defined in the Severance Plan), accelerated vesting of all of the participant's then-outstanding equity awards.

Receipt of the foregoing benefits is subject to the participant's execution and non-revocation of a release of claims against us and continued compliance with certain restrictive covenants.

The applicable Severance Term is set forth in the table below.

<b>Title</b>	<b>Without Change in Control</b>	<b>With Change in Control</b>
Chief Executive Officer	12 months	18 months
Senior Vice Presidents	12 months	12 months
Vice Presidents	9 months	9 months

In addition, if any payments or benefits that a participant would receive in connection with a change in control would constitute a parachute payment within the meaning of Section 280G of the Internal Revenue Code, and such payments would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then such payments will either be (a) provided to the participant in full or (b) reduced to such lesser amount that would result in no portion of such payments being subject to the excise tax, whichever amount after taking into account all applicable taxes, including the excise tax, would result in the participant's receipt, on an after-tax basis, of the greatest amount of such payments.

Edgar Filing: Calithera Biosciences, Inc. - Form 8-K

The foregoing description is qualified in its entirety by reference to the Severance Plan, which will be filed as an exhibit to our Quarterly Report on Form 10-Q for the period ending September 30, 2017.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
