PROPOSAL 1

ELECTION OF TRUSTEES

EXECUTIVE SUMMARY

Our Board has nominated nine trustees for election at this year's annual meeting to hold office until the next annual meeting.

All of the nominees are currently trustees and were elected to the Board by our shareholders at our 2017 annual meeting. Each of the nine nominees has agreed to be named in this proxy statement and to serve if elected. We expect all of the nominees to attend our 2018 annual meeting.

If any of our nominees become unavailable to stand for election, the proxies named on the proxy card intend to vote your Common Stock for the election of any substitute nominee proposed by the Board of Trustees.

We believe that each nominee has the skills, experience and personal qualities the Board seeks in its trustees and that the combination of these nominees creates an effective Board that functions well and serves the best interests of Public Storage and our shareholders.

The Board is responsible for overseeing management and providing sound governance on behalf of our shareholders. Risk management oversight is a key priority.

The Board carries out its responsibilities through highly capable trustees, including our Lead Independent Trustee, a strong committee structure and adherence to our corporate governance principles.

BOARD EVALUATIONS

AND NOMINATIONS

In our annual Board evaluation and nomination process, the Nominating/Corporate Governance Committee (Governance Committee) evaluates our trustees in light of current needs of the Board and the company. In addition, during the course of the year, the committee discusses Board succession and reviews potential candidates. The Governance Committee has not retained a third party to assist in identifying potential nominees, but it has the discretion to do so.

Our annual process involves assessments at the Board, Board Committee, and individual trustee levels under the direction of the Governance Committee Chair. This process assists the Board on who it should nominate to stand for

election based on current company and Board needs. In addition, the Governance Committee's Board candidate nomination process includes the continual evaluation of potential new candidates for Board membership, which it takes into consideration when recommending to the Board a slate of nominees for election at each annual meeting of shareholders.

To facilitate Board refreshment, our governance guidelines further provide that trustees will not be nominated or appointed to the Board if they are 73 years or older on the first day of their term of service. Term limits on trustees service have not been instituted.

BOARD QUALIFICATIONS

The Governance Committee has developed a matrix of skills to assess the qualifications of trustee candidates, including:

(a) diversity enhancing qualities age, remaining time until mandatory retirement age, gender and diverse background;

Table of Contents

(b) core trustee attributes independence, high integrity and ethical standards, public company service, risk management experience, understanding or experience with complex public companies or like organizations, and ability to work collegially and collaboratively with other trustees and management; and

(c) skills such as financial literacy, industry experience, operational management experience, capital markets/banking expertise, corporate governance, real estate, tax, senior executive experience, and other expertise that may be important for the company's strategies.

The Governance Committee considers all these relevant attributes of each Board candidate, including their professional skills, experience and knowledge, and gender, race, ethnicity, nationality and background, with the goal of putting forth a diverse slate of candidates with a combination of skills, experience, and personal qualities that will serve the Board and its committees, our company, and our shareholders well.

BOARD FOCUS ON DIVERSITY

Board succession and an appropriate balance of refreshment and experience, including diversity, is a focus of the Governance Committee and the Board. Our Board reflects diverse perspectives, including a complementary mix of skills, experience and backgrounds, which we believe is paramount to our ability to represent the interests of all shareholders.

Our trustees, two-thirds of whom are independent, have a broad range of experience

in varying fields, including finance, real estate, financial reporting, banking, international affairs, and governance. A majority of our trustees hold or have held directorships at other U.S. public companies. Four of our trustees, in addition to our CEO, have served as chief executive officers, and all have demonstrated superb leadership and intellectual and analytical skills gained from deep experience in management, finance and corporate governance. Two of our current trustees are women, including our most recently elected trustee, Leslie S. Heisz, a retired Managing Director of Lazard Frères & Co. Further, 45% of our current trustees are age 60 or younger. Additionally, our Chairman and CEO has also provided meaningful in-person opportunities for the Board to interact with key members of management beyond our executive officers on a quarterly basis.

Fifty percent of our current executive officers are diverse based on gender or ethnicity (which includes our Chief Financial Officer and Chief Legal Officer). Similarly, over 50% percent of our 5,600 employees are diverse based on ethnicity and over 70% of our employees are female.

Our Board recognizes the importance of diversity across the company including on the Board, and supports management's efforts to enhance all aspects of diversity throughout the company.

BOARD LEADERSHIP STRUCTURE

Our Board recognizes that one of its key responsibilities is to determine the optimal leadership structure to provide effective oversight of management. As a result, the Board does not have a policy as to whether the roles of Chairman and CEO are separated and believes that Public Storage shareholders are best served when the Board has flexibility to consider the relevant facts and circumstances when a Chairman is elected, to ensure that the Board leadership structure best reflects the needs of the company at that time.

As such, when B. Wayne Hughes, the company's former Chairman and co-founder, retired as a result of having reached the mandatory retirement age for Board members, the Board determined to combine the roles of Chairman

and CEO when it elected Ronald L. Havner, Jr. as Chairman in August 2011. The Board considered that many advantages of separating the roles of Chairman and CEO could be met in significant part by the appointment of a Lead Independent Trustee.

Mr. Havner will step down from his position as CEO effective January 1, 2019. The Board has determined that Mr. Havner shall remain as Chairman of the Board and thus as of January 1, 2019 the roles of Chairman and CEO will be separate.

Our Board established the position of Lead Independent Trustee in 2011 to provide for an independent leadership role on the Board when the roles of Chairman and CEO were combined.

We describe more fully the role of the Lead Independent Trustee in our Corporate Governance Guidelines. Among other things, the Lead Independent Trustee presides at all executive sessions of the non-management

trustees and the independent trustees. Our Lead Independent Trustee is Gary Pruitt, who was re-appointed in 2017 to serve in that capacity for a three-year term expiring in November 2020. Mr. Pruitt will continue to serve as Lead Independent Trustee after the roles of Chairman and CEO are separated as of January 1, 2019.

CHAIRMAN EMERITUS

Following his retirement as Chairman, B. Wayne Hughes has continued to serve as Chairman Emeritus and Co-Founder, which enables the Board to continue to benefit from his wisdom, judgment, and experience. Pursuant to a consulting arrangement approved by the Compensation Committee and the disinterested trustees in March 2004, Mr. Hughes (1) agreed to be available for up to 50 partial days a year for consulting services, (2) receives compensation of \$60,000 per year and the use of a company car and (3) is provided with the services of an executive assistant at the company's headquarters. This consulting arrangement was extended in 2017 through December 31, 2018.

BOARD'S ROLE IN RISK OVERSIGHT

Our Board is responsible for overseeing our company-wide approach to major risks and our policies for assessing and managing these risks. Oversight for certain specific risks falls under the responsibilities of our Board committees.

- **The Audit Committee** focuses on financial and other risks, including reputational, legal and IT risks relating to the company.
- **The Compensation Committee** focuses on risks related to our compensation program, including evaluating appropriate compensation incentives relating to compensation of our executives and employees.
- **Oversight of Compensation Risks.** The Compensation Committee annually considers a report from management concerning its review of potential risks related to compensation policies and practices applicable to all employees. Most recently, in February 2018, the Compensation Committee considered the annual report and also considered and discussed with management management's conclusion that the company's compensation policies and practices are not reasonably likely to have a material adverse effect on our company.
- In connection with preparing the report for the Compensation Committee's consideration, members of our senior management team, including our Chief Executive Officer and Senior Vice President Human Resources, reviewed the target metrics for all of our employee incentive compensation plans. At the completion of the review, management and the Compensation Committee concluded that our incentive compensation plans did not create undue risks for the company. As such, we believe there is little motivation or opportunity for employees to take undue risks to earn incentive compensation awards.

- **The Governance Committee** focuses on risks associated with succession planning, corporate governance and Board effectiveness.

The committees regularly advise the full Board of their oversight activities. Critical components of our risk oversight framework include regular communication among the Board and our executive management team, and our management and operations teams to identify, assess and manage risk.

Our Board and Board committees regularly receive presentations from management on potential and perceived risks to the business. Additionally, all trustees have access to members of management if a trustee wishes to follow up on items discussed outside of the Board or committee meeting.

BOARD ORIENTATION AND EDUCATION

Each new trustee participates in an orientation program and receives materials and briefings concerning our business, industry, management and corporate governance policies and practices. We provide continuing education for all trustees through board materials and presentations, discussions with management and the opportunity to attend external board education programs. In addition, all Board members have access to resources of the National Association of Corporate Directors through a company membership.

TRUSTEE INDEPENDENCE

We require that a majority of the Board be independent in accordance with NYSE rules. To determine whether a trustee is independent, the Board must affirmatively determine that there is no direct or indirect material relationship between the company and the trustee.

- **Two-thirds of the Board is independent.** The Board has determined that all of our trustees, other than our chairman, Mr. Havner, and Ms. Hughes Gustavson and Mr. Hughes, are independent. The Board reached this determination after considering all relevant facts and circumstances, responses to trustee questionnaires and considering transactions and relationships, if any, between us, our affiliates, our executive officers and their affiliates, and each of the trustee and applicable affiliates.
- **Audit, Governance and Compensation Committees are 100% independent.** The Board also determined that all members of the Audit, Governance, and Compensation Committees of the Board are independent in accordance with NYSE and Securities and Exchange Commission (SEC) rules.
- **Compensation Committee Interlocks and Insider Participation.** No member of the Compensation Committee: (i) was, during the year ended December 31, 2017, or had previously been, an officer or employee of the company or (ii) had any material interest in a transaction with the company or a business relationship with, or any indebtedness, to the company. No interlocking relationships existed during the year ended December 31, 2017, between any member of the Board or the Compensation Committee and an executive officer of the company.

COMMUNICATIONS WITH THE BOARD

We appreciate your input. Shareholders and interested parties can communicate with any of the trustees, individually or as a group, by writing to them in care of Corporate Secretary, Public Storage, 701 Western Avenue, Glendale, California 91201-2349. We will forward each communication intended for the Board and received by the Corporate Secretary related to the operation of the company and not otherwise commercial in nature to the specified party following its clearance through normal security procedures.

TRUSTEE ATTENDANCE

The Board held five meetings in 2017, including telephonic meetings, and all of the trustees attended 75% or more of the aggregate number of Board and applicable committee meetings on which he or she served during 2017 (held during the periods they served). We do not have a policy regarding trustees' attendance at the annual meeting of shareholders, but trustees are encouraged to attend. All of our trustees attended the annual meeting last year.

Table of Contents**COMPENSATION OF TRUSTEES**

Members of the Board who are not also Public Storage employees (non-management trustees) receive compensation for their service. The Board determines the form and amount of compensation for non-management trustees after consideration of the recommendation of either the Compensation Committee or the Governance Committee. The Board has approved the mix of cash and equity compensation described below.

Cash Retainers. Retainers are paid quarterly in cash and are pro-rated when a trustee joins the Board (or in the case of the Lead Independent Trustee, when an appointment is made) other than at the beginning of a calendar year. Below are the annual retainers that non-management trustees were entitled to receive during 2017 for Board service:

Compensation	Amount
Board member	\$ 120,000
Lead Independent Trustee supplemental retainer	\$ 20,000
Audit Committee Chair's supplemental retainer	\$ 10,000
Other standing Committee Chairs' supplemental retainer	\$ 5,000

Committee Member

\$ 7,500

Equity Awards. Each new non-management trustee is, upon the date of his or her initial election by the Board or the shareholders to serve as a trustee, granted a non-qualified stock option to purchase 15,000 shares of Common Stock at an exercise price equal to the closing price for the Common Stock on the NYSE on such date, which vests in three equal annual installments based on continued service.

Annually, each non-management trustee receives a non-qualified stock option to acquire 5,000 shares of Common Stock, which vests in three equal annual installments based on continued service. The annual grants are made immediately following the annual meeting of shareholders at an exercise price equal to the closing price for the Common Stock on the NYSE on such date.

TRUSTEE STOCK OWNERSHIP GUIDELINES

The Board implemented stock ownership guidelines effective March 17, 2015. We expect each trustee to beneficially own Common Stock equal in market value to a specified multiple of his or her annual base salary or annual cash retainer, as applicable. The guideline for each non-management trustee is three times the annual cash retainer, or \$360,000. Each non-management trustee has five years from the date of election to attain his or her ownership target. Only shares of Common Stock owned by the non-management trustee, shares of Common Stock owned jointly by him/her and his/her spouse, shares owned by his/her spouse or beneficially for his/her children or in a 401(k) Plan are counted for determining compliance with these guidelines. We do not count unvested time-based restricted stock units (RSUs) and in-the-money value of vested options for determining compliance with these

guidelines. The Governance Committee administers these stock ownership guidelines and may modify their terms and grant hardship exceptions in its discretion. As of the date of this proxy statement, all of our non-management trustees who have served for five years or more exceeded his/her stock ownership requirement.

For a more detailed discussion of the assumptions used in the calculation of these amounts, refer to Note 10 to the company's audited financial statements for the fiscal year ended December 31, 2017 included in the company's Annual Report on Form 10-K.

Advisory vote to approve executive compensation

ADVISORY VOTE

We provide our shareholders the opportunity to vote on the compensation program for our named executive officers (our NEOs) through a non-binding annual advisory vote (known as the "Say-on-Pay" proposal).

At our 2017 Annual Meeting, almost 95% of the shares voting approved our executive compensation. Our Compensation Committee believes these votes affirm shareholder support of the company's executive compensation program and accordingly made no significant changes for 2017.

We believe our compensation program for NEOs helped drive strong performance in our business in 2017. Our total shareholder return (TSR) beat the NAREIT Equity Index for the five-year, 10-year and 15-year periods, and the S&P 500 indices for the 10-year and 15-year periods, ending December 31, 2017, averaging 14.4% in total annual return since 1997.

Although the Say-on-Pay vote is advisory and nonbinding, the Compensation Committee values the opinions of the company's shareholders and will continue to consider the outcome of the vote when making future compensation decisions.

**The Board recommends a vote FOR approval
of our executive compensation as described in this proxy statement.**

COMPENSATION DISCUSSION AND ANALYSIS (CD&A)

This CD&A provides a detailed description of our executive compensation philosophy and objectives, the compensation decisions made, and the performance metrics and other relevant factors the Compensation Committee used in making those decisions.

COMPENSATION PHILOSOPHY

Our compensation philosophy is designed to promote a well-governed approach to compensation, including pay practices that attract and retain exceptional executives and align the interests of management with the interests of our shareholders to create long-term shareholder value. The following key features of our compensation program reflect our philosophy:

What We Do	What We <u>Don't</u> Do
<p>Align pay with performance by putting a substantial portion of our NEOs compensation at risk. Over 85% of 2017 NEO compensation was tied to achievement of performance goals that are key drivers of our success.</p>	<p>No employment, golden parachute or severance agreements with our NEOs.</p>
<p>Promote retention and increase long-term shareholder value. Equity award grants to NEOs vest over eight years.</p>	<p>No change to base salary or bonus in general, unless NEO is promoted or responsibilities change.</p>
<p>Mitigate undue risk in our executive compensation program. Financial targets for bonuses are based on multiple metrics to avoid inordinate focus on any particular metric. We do not establish any earnings targets for cash</p>	<p>No guaranteed bonus arrangements with our NEOs except in connection with new hires as inducement to attract the best candidates.</p>

bonus awards and do not give earnings guidance to analysts. Bonus payments are capped at a maximum payout level.

Stock ownership guidelines for executive officers. Our CEO exceeds the company's minimum stock ownership guidelines of 5X annual base salary, and all of our other NEOs who have been with the company at least five years exceed his/her stock ownership requirement of 3X annual base salary. Unvested time-based RSUs and in-the-money value of vested options are NOT counted for determining compliance with these guidelines.

Pay a high percentage of executive compensation in equity. Our NEOs receive a high percentage of their total compensation in equity, thus aligning their interests closely with our shareholders.

Clawback of equity awards. Awards granted pursuant to our 2016 Plan are subject to mandatory repayment if the grantee is subject to any clawback requirement under applicable laws.

No excessive perquisites. Except for perquisites that are available to employees generally such as contributions to the 401(k) Plan, the company does not offer perquisites to our NEOs.

No repricing of stock options.

No tax gross ups. The company does not provide gross-ups or other reimbursements of golden parachute or other taxes nor does it provide change in control benefits to its NEOs that are not available to other employees generally.

No supplemental retirement plans. The company does not provide any nonqualified deferred compensation or supplemental retirement benefits to our NEOs, other than providing the opportunity to defer receipt of shares that otherwise would be paid on vesting of certain RSUs.

No hedging against price fluctuations in the company's securities is permitted.

Table of Contents

ELEMENTS OF EXECUTIVE COMPENSATION

Our executive compensation design is simple, effective and links pay to performance. We create shareholder value by driving financial performance and aligning the interests of our executive team with the interests of our shareholders. Main elements of our executive compensation program are as follows:

	Elements of Pay	Form	Links to Business and Talent Strategies
Fixed Pay	Base Salary	Cash	Customary, fixed element of compensation intended to attract and retain exceptional executives.
	Annual Incentives	Cash	<p>The Compensation Committee considers market data of comparable REITs and/or competitive conditions in the market, the individual's performance and responsibilities, and its business judgment.</p> <p>Aligns pay with the achievement of short-term objectives.</p> <p>Payouts based on achievement of annual financial and operational goals, with potential for upward or downward adjustment by the Committee to align pay with performance.</p> <p>Actual bonus amounts are subject to the discretion of the Committee based on the collective business judgment of its members. The Committee has the discretion to award bonuses even if the performance targets are not met.</p>
At-Risk Pay	Long-Term Incentives	RSUs	<p>See 2017 Tax and Accounting Considerations Section 162(m) below for discussion on new legislation impacting the design of short-term bonus awards.</p> <p>We emphasize long-term shareholder value creation with equity awards, giving NEOs an ongoing stake in the success of the business through RSUs, stock options, or a mix. Awards of equity motivate the NEOs and other</p>

employees to advance the interests of Public Storage and its shareholders.

Equity awards also help retain and motivate our NEOs because they vest in installments over multiple years, and thus the recipient may only realize the full potential value of the award to the extent he or she remains employed over that period.

Equity awards are generally granted only after annual performance reviews and after the Compensation Committee has determined that the applicable performance goals have been achieved, and subject to the discretion of the Committee.

Unlike stock options, RSUs retain some value even in declining markets, and may be particularly important to the company during difficult market conditions because of their value in retaining executive talent at times when we may need it most.

Long-Term Incentives	Stock Options	Stock options have value only if the price of our Common Stock is greater than the exercise price of the option at the time of exercise.
-----------------------------	---------------	--

Options help with retention because they vest over a multi-year period and achieve their maximum value only if the NEO remains in the company's employ for a period of years.

Stock options are granted with an exercise price of not less than 100% of the fair market value of our Common Stock on the date of grant, which ensures that the executive does not profit from the option unless the price of our Common Stock increases after the grant date.

Table of Contents**COMPENSATION PROCESS**

The Compensation Committee, which consists entirely of independent trustees, makes all final compensation decisions for our NEOs. The factors considered by the Compensation Committee include:

Shareholder Advisory Votes to Approve Executive Compensation. Our shareholders vote annually on our advisory Say-on-Pay proposal. At our 2017 Annual Meeting, almost 95% of the shares voting approved our executive compensation. The Compensation Committee believes this support demonstrates a strong alignment between our shareholders, our performance, and our executive compensation program and accordingly made no significant changes for 2017.

Compensation Surveys. Each component of compensation we pay to our NEOs salary, cash bonuses and equity is based on the Compensation Committee's (and, for Mr. Havner, the independent trustees', and for each NEO other than himself, Mr. Havner's) subjective assessment of each individual's role and responsibilities and consideration of market compensation.

The Compensation Committee considers market rates by reviewing public disclosures of compensation paid to senior executive officers by other companies (especially REITs) of comparable size and market capitalization. The Compensation Committee retained an independent compensation consultant, FW Cook, to prepare a market compensation survey in 2015, updated in 2016, for our NEOs. The study included compensation information from two peer groups of companies, one consisting of 15 REITs and the other consisting of 12 retail companies, as follows:

REIT Peers

American Tower	Welltower
AvalonBay Communities	Host Hotels & Resorts
Boston Properties	Prologis
Crown Castle	Simon Property Group
Equity Residential	Ventas
Essex Property Trust	Vornado Realty Trust
GGP	Weyerhaeuser
HCP	

Retail Peers

AutoNation	Dollar Tree
AutoZone	Domino's

Big Lots
CarMax
Chipotle
Dollar General

Kohl's
O'Reilly Auto
Penske Auto
YUM! Brands

While market rates are considered, the Compensation Committee does not benchmark or specifically target certain levels of compensation.

Role of Board and Management. The Compensation Committee solicits the views of the Board on compensation of all NEOs, particularly for Mr. Havner.

Mr. Havner attends all meetings of the Compensation Committee at which (1) compensation of the other NEOs is discussed or (2) company-wide compensation matters, such as consideration of a new equity plan, are discussed. Mr. Havner does not vote on items before the Compensation Committee and is not present during the Committee's discussion and determination of his compensation although his input is considered. For NEOs other than Mr. Havner, the Compensation Committee sets their base salaries, bonus and equity compensation after consideration of the recommendations from Mr. Havner.

Table of Contents

2016 Plan. The Compensation Committee grants equity awards pursuant to the 2016 Plan approved by our Board and by the affirmative vote of more than 96% of votes cast by our shareholders at our 2016 Annual Meeting, with an effective date of April 25, 2016. All equity awards and incentive compensation granted on and subsequent to that date were made under the 2016 Plan and are subject to its terms and conditions.

2017 EXECUTIVE COMPENSATION PERFORMANCE HIGHLIGHTS

Public Storage continued to deliver strong financial performance over a sustained period of time, increasing Core FFO per share and free cash flow per share over the last eight years and U.S. same store revenue growth over the last five years.

Successful Execution of Strategy. The company achieved solid results in 2017 with focus on (i) growing U.S. same store revenues, funds from operations and free cash flow, (ii) increasing our share of the market and improving the quality of our product by acquiring and developing new and existing properties at attractive valuations, (iii) driving the volumes and penetration of our ancillary businesses and (iv) maintaining a conservative capital structure with a focus on cost control.

Our U.S. self-storage business generated strong organic growth for the sixth consecutive year. Same store revenue and self-storage net operating income (NOI) growth were 3.0% and 2.8%, respectively. In addition, our newer facilities that we acquired or developed over the past several years continued to generate strong revenue growth and occupancy gains;

Our ancillary businesses, which complement our U.S. self-storage business, continued to produce solid results due to increased tenant reinsurance premiums, customer volumes and solid execution;

We strengthened our market position by acquiring and developing 38 properties and redeveloping and expanding 12 properties in 2017 while maintaining an acquisition and development pipeline for future growth of approximately \$600 million at the end of 2017;

We continue to maintain a fortress balance sheet. Even after issuing \$1 billion in new unsecured senior notes, our debt to EBITDA ratio is still one of the lowest in our industry and in our history at 0.72 to 1; and

Dividends increased by 9.6% over 2016 levels, from \$7.30 to \$8.00 per share.

Superior Long-Term Total Shareholder Return. Our TSR consistently beat the NAREIT and S&P indices over the long term. We beat the NAREIT Equity Index for the five-year, 10-year and 15-year periods, and the S&P 500 indices for the 10-year and 15-year periods, ending December 31, 2017, averaging 14.6% in total annual return since 1997. The chart below illustrates that \$100 invested in Public Storage on December 31, 2012 would be valued at \$170.38 as of December 31, 2017.

2017 COMPENSATION TARGETS

Framework for CEO Compensation. The Compensation Committee approved a new compensation package in 2012 for Mr. Havner in his role as Chairman, Chief Executive Officer and President after considering the company's performance, a compensation survey by FW Cook, and other publicly available information:

Annual base salary continued to be set at \$1 million (unchanged from base salary set in 2008);

Annual incentive award, assuming achievement of performance criteria set by the Compensation Committee, ranges from a threshold award of \$1 million in cash plus 25,000 RSUs to a maximum award of \$2 million paid in cash plus 50,000 RSUs; and

Annual option grant set at 100,000 shares of Common Stock.

The Compensation Committee re-assessed Mr. Havner's compensation in 2015 and considered the company's performance, the 2015 updated FW Cook survey and other publicly available peer compensation information. The Committee left the features of Mr. Havner's compensation program approved in 2012 unchanged, except that the maximum annual cash incentive award payable to

Table of Contents

Mr. Havner was increased from \$2 million to \$3 million. In early 2017, the Compensation Committee set the achievement of at least 3.0% year-over-year increases in 2017 same store revenues as the minimum threshold for Mr. Havner's annual incentive awards. The Committee also approved a RSU grant award program for all NEOs for achievement of at least 4% year-over-year increases in 2017 same store revenues (see chart below). The Committee otherwise left the compensation features approved in 2015 unchanged.

Framework for NEO Compensation other than our CEO. The Compensation Committee designed its incentive compensation programs for 2017 to focus management on growing our business, as follows:

Base Salaries. Consistent with the Compensation Committee's philosophy that executive officer compensation should be more heavily weighted towards performance-based, at-risk compensation, the Committee did not change base salaries for 2017.

2017 Annual Cash Incentive Targets. In early 2017, the Compensation Committee set the following performance targets: (i) 3% year-over-year increase in same store revenues, (ii) 3% increase in free cash flow per share, and (iii) 5% increase in Core FFO per share, as the basis for payment of 2017 bonuses for the NEOs. The Committee agreed that for 2017, achievement of any one of these metrics would be deemed achievement of threshold targets. Bonus target amounts for the NEOs remained the same or lower than 2016. The Compensation Committee considered that these goals might be challenging in light of uncertain conditions in the self-storage industry.

Core FFO is a non-GAAP measure that represents net income before depreciation expense, gains and losses on real estate assets, foreign currency gains and losses, the application of EITF D-42 to the redemption of securities and certain other items. Free cash flow is a non-GAAP measure that represents Core FFO with non-cash share-based compensation expense added back, less capital expenditures for the maintenance of our facilities. ***Refer to Appendix A to this proxy statement for reconciliations and other information regarding Core FFO.***

The Compensation Committee did not assign any specific formulas or weights that must be used to determine the bonuses for the performance goals described above. Upon achievement of the annual cash incentive target, the Compensation Committee is required to approve a bonus award but has the discretion to reduce the amount payable below the maximum amount set for purposes of Section 162(m), under which all NEO bonus amounts were capped at 15 times base salary, with the exception of Mr. Havner and Mr. Reyes, who were capped at \$15 million. The actual bonus amounts are subject to the discretion of the Compensation Committee based on the collective business judgment of its members. The Compensation Committee has the discretion to award bonuses even if the performance targets are not met.

The Compensation Committee historically has considered the potential impact of Section 162(m) when designing its short-term performance-based bonus awards for NEOs, and retains discretion to reduce awards even if threshold targets are achieved. See 2017 Tax and Accounting Considerations Section 162(m) for discussion of the potential tax impact of the amendment of Section 162(m) in recent legislation.

2017 Performance-Based RSU Targets. Also in early 2017, the Compensation Committee established the 2017 performance-based RSU award program for NEOs other than our CEO. The program has two components. The first component sets the minimum performance level for awards of RSUs at the achievement of at least 4.0% growth in same store revenues, and established the following potential award levels:

2017 Same Store Revenue Growth	Grant Award Levels
5.5% and above	200% of Target
5.0% and below 5.5%	150% of Target
4.5% and below 5.0%	100% of Target
4.0% and below 4.5%	50% of Target
Below 4.0%	No Award

Table of Contents

The second component provides for minimum awards of RSUs at the achievement of at least 3% growth in Core FFO per share.

2017 COMPENSATION DECISIONS

Satisfaction of Performance Targets. In early 2018, the Compensation Committee determined that with respect to the 2017 annual incentive bonuses performance targets, the company had achieved a 3.0%, 2.2% and 4.5% year-over-year increase in same store revenues, free cash flow per share and Core FFO per share, respectively. Since same store revenue growth in 2017 satisfied the 3% threshold approved by the Committee for annual cash incentive bonuses for our CEO and all other NEOs, annual cash bonuses were awarded to all of our NEOs. This metric also satisfied the minimum threshold for RSUs awarded to Mr. Havner. Since the company achieved 4.5% in Core FFO per share growth, exceeding the minimum award level for RSU awards to NEOs reporting to Mr. Havner, RSUs were awarded to those NEOs as described below.

2017 CEO Compensation. In recognition of Mr. Havner's success in achieving our corporate goals and driving shareholder value during 2017 despite a challenging operating year, the Compensation Committee approved a cash bonus of \$1,500,000 (75% of target), an award of 25,000 RSUs and options to acquire 100,000 shares of Common Stock. Mr. Havner's 2017 base salary remained unchanged at \$1,000,000.

2017 Compensation for NEOs other than our CEO

Base Salaries. Base salaries for 2017 for Mr. Reyes, Mr. Russell, and Ms. Hughes remained unchanged at \$600,000, \$600,000, and \$350,000, respectively.

Annual Cash Incentives. Since the company achieved the threshold performance target of 3% same store revenue growth in 2017 for the annual incentive bonus, and after consideration of individual executive performance as assessed by Mr. Havner, the Committee awarded the following annual incentive bonuses to the NEOs reporting to Mr. Havner: Mr. Reyes, \$1,500,000 (188% of target); Mr. Russell, \$480,000 (80% of target); Ms. Hughes, \$200,000 (100% of target).

Table of Contents

2017 Performance-Based RSUs. The 2017 performance-based RSU award program for NEOs other than Mr. Havner has two components.

- The first component was based on achieving a threshold of 4% growth in year-over-year same store revenues.
- The second component provides for a minimum award level subject to achievement of at least 3% growth in Core FFO per share.
- The Compensation Committee determined in early 2018 that although the same store revenue growth targeted levels of the first component were not met in 2017, the minimum Core FFO growth target of the second component was exceeded.

Actual 2017 Core FFO growth per common share was 4.5%, which qualified eligible NEOs for RSU awards at the minimum award set for greater than 3.0% Core FFO growth. Mr. Reyes was awarded 12,000 RSUs; Mr. Russell was awarded 5,000 RSUs, and Ms. Hughes was awarded 2,000 RSUs. These RSUs will vest in equal installments over eight years starting on the first through eighth anniversaries of the grant date.

2017 Options. The Compensation Committee also awarded to Mr. Reyes options to acquire 60,000 shares of Common Stock.

All stock option awards vest in equal annual installments over five years beginning one year from the date of grant, and expire ten years from the date of grant. Stock options have value solely to the extent that the price of our Common Stock at the time of exercise is greater than the exercise price of the option. All stock options were granted with an exercise price at the fair market value of our Common Stock on the date of grant.

2017 AT-RISK COMPENSATION FOR ALL NEOs

The following charts depict for Mr. Havner, our CEO, and for our three other NEOs, the split between (i) compensation tied to the achievement of performance goals, consisting of RSUs, options and cash incentive bonuses, and (ii) compensation not tied to performance goals, consisting of base salary and all other compensation. We believe that paying a significantly larger percentage of total compensation to our NEOs in performance-based compensation properly aligns with our compensation objectives.

2018 COMPENSATION OUTLOOK

2018 Compensation Design and Performance Measures. The Compensation Committee continues to design bonus and equity awards tied to the achievement of quantitative performance targets established at the beginning of each year. Our 2018 compensation program consists of the following elements:

Public Storage 2018 Proxy Statement 39

Table of Contents

	Elements of Pay	Form	2018 Executive Compensation Design
Fixed Pay	Base Salary	Cash	Consistent with the Compensation Committee's philosophy that executive officer compensation should be more heavily weighted towards performance-based, at-risk compensation; base salaries of our NEOs were unchanged as follows: Mr. Havner: \$1,000,000; Mr. Russell: \$600,000; Mr. Reyes: \$600,000; and Ms. Hughes: \$350,000.
	Annual Incentives	Cash	Mr. Havner's bonus target amounts remain unchanged as follows: threshold of \$1,000,000 cash plus an award of 25,000 RSUs; target of \$2,000,000 cash plus an award of 25,000 RSUs; and maximum of \$3,000,000 cash plus an award of 50,000 RSUs. Bonus target amounts for Mr. Russell and Mr. Reyes remain unchanged at \$600,000, and \$800,000, respectively. Ms. Hughes' bonus target increased from \$200,000 to \$350,000.
At-Risk Pay	Long-Term Incentives	RSUs	Our compensation program will continue to rely heavily on performance-based RSUs with long-term time-vesting requirements. In February 2018, the Compensation Committee approved metrics and target award levels of performance-based RSUs as follows: Mr. Russell, 5,000 RSUs; Mr. Reyes, 12,000 RSUs; and Ms. Hughes, 2,000 RSUs. If awarded in early 2019, all performance-based RSUs will vest in equal installments over eight years starting on the first through the eighth anniversaries of the grant date.

Long-Term Incentives Stock Options We will continue to award stock options, as the Compensation Committee deems appropriate for individual and company performance.

Mr. Havner is eligible to receive 100,000 options, depending on performance results.

2019 SUCCESSION PLAN

As previously disclosed, Mr. Havner will step down from his position as CEO, effective January 1, 2019. He will remain Chairman of the Board. As of the same date, Joseph D. Russell, Jr. will be appointed CEO, in addition to his role as President. He will also join the Board as a trustee.

Also effective January 1, 2019, H. Thomas Boyle III will be appointed CFO of the Company, at which time John Reyes, our current CFO, will step down as CFO and will join the Board as a trustee. Mr. Boyle, age 35, has been Vice President and Chief Financial Officer, Operations of the Company since November 2016. Prior to joining the Company, Mr. Boyle served in roles of increasing responsibilities with Morgan Stanley since 2005, from analyst to his last role as Executive Director, Equity and Debt Capital Markets.

The Compensation Committee will consider and approve compensation relating to Messrs. Russell and Boyle's new roles effective January 1, 2019 in the future.

2017 TAX AND ACCOUNTING CONSIDERATIONS SECTION 162(m)

In evaluating compensation program alternatives in 2017, the Compensation Committee considered the potential impact of Section 162(m). Section 162(m) imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid to the company's chief executive officer and certain other NEOs. At the time the Compensation Committee made its compensation decisions on program design for 2017, Section 162(m) excluded certain performance-based compensation from the deduction limit if certain requirements were met. The company's awards of stock options and annual cash incentive awards were designed in general to qualify for a deduction as performance-based compensation.

However, the exception for performance-based compensation was repealed by the tax reform legislation signed into law on December 22, 2017, generally referred to as the Tax Cuts and Jobs Act. As a result, it is uncertain whether compensation that the Compensation Committee originally intended to structure as performance-based compensation under Section 162(m) will be deductible.

In addition, the Tax Cuts and Jobs Act also generally expands the number of persons subject to the limits of Section 162(m), which expansion now includes compensation paid to the chief financial officer, among others. As a result, it is also uncertain whether compensation payable to the chief financial officer that the Compensation Committee originally believed to be exempt from Section 162(m) will be deductible.

While the Compensation Committee considers the tax deductibility of compensation, the Compensation Committee has approved and may approve compensation that does not qualify for deductibility in circumstances it deems appropriate to promote varying corporate goals.

As a result of the company's REIT status under federal tax law, the inability to deduct compensation, such as stock option compensation that arises upon exercise of a stock option and annual cash incentive award compensation, paid to the company's chief executive officer and certain other NEOs may require a corresponding future increased distribution to shareholders to avoid taxable income for the company and to help maintain the company's REIT status.

While the Compensation Committee considers the accounting impact of various forms of incentive compensation and compensation elements on the company's financial statements, accounting treatment is generally not the basis underlying the decision to award a particular form of compensation if the Compensation Committee deems the award the most appropriate incentive to achieve the company's compensation goals.

Under the 2016 Plan, the limit on the aggregate value of cash and non-cash awards, other than stock options and SARs, which may be granted to any individual in any calendar year, is \$15 million.

- (1) Mr. Russell's annualized salary for 2016 was \$600,000 and Ms. Hughes' annualized salary for 2015 was \$350,000.
- (2) The amounts shown in this column reflect the bonuses awarded to Mr. Russell in connection with his appointment as President in July 2016 and to Ms. Hughes in connection with her appointment as Senior Vice President, Chief Legal Officer and Corporate Secretary in January 2015.
- (3) The values reflected in this column relate to awards subject to performance conditions. For Mr. Reyes, Mr. Russell, Mr. Doll (retired April 2017) and Ms. Hughes, the amounts shown in 2017 relate to RSU awards that were subject to satisfaction of performance conditions assuming achievement of such conditions at the minimum level, and reflect the fair value of such RSU awards as of the respective grant dates in February 2017. For Mr. Havner, the amount shown in 2017 relates to an RSU award pursuant to his annual incentive plan (which is paid part in cash and part in RSUs) that was subject to performance criteria assuming achievement at the minimum level. In February 2018, the Compensation Committee determined that 2017 performance did in fact qualify eligible NEOs to the minimum level. The number of RSUs actually awarded in early 2018, their grant date fair values and percentages of target are as follows: Mr. Havner, 25,000 RSUs (\$5,656,000 or minimum); Mr. Reyes, 12,000 RSUs (\$2,714,880 or minimum); Mr. Russell, 5,000 RSUs (\$1,131,200 or minimum); Ms. Hughes, 2,000 RSUs (\$452,480 or minimum). The amount shown for Mr. Russell in 2016 represents the grant date fair value of the 10,000 RSUs awarded in connection with his appointment as President in July 2016. The stock awards for Mr. Doll were cancelled upon his retirement in April 2017. The amount shown for Ms. Hughes in 2015 represents (i) the grant date fair value of the 3,000 RSUs (\$593,700) pre-established as part of her compensation package in connection with her hiring in January 2015 and (ii) the grant date fair value of performance-based RSUs awarded in 2016 for 2015 performance (\$1,511,820). These performance-based RSUs were awarded to Ms. Hughes at the 200% of Target Award level and pursuant to the applicable accounting rules, the grant date of such RSUs was in February 2016. All holders of RSUs receive payments equal to any dividends paid on the Common Stock.
- (4) The amounts shown in this column reflect the grant date fair value of stock option awards. For further discussion concerning the assumptions used in this valuation, refer to Note 10 to the company's audited financial statements for the fiscal year ended December 31, 2017 included in the company's Annual Report on Form 10-K.
- (5) The amounts shown in this column reflect annual cash incentive awards for NEOs that are based on pre-established performance targets set early in the year and, therefore, under SEC rules are classified as non-equity incentive plan compensation. See the Compensation Discussion and Analysis section of this proxy statement for further discussion of the 2017 performance targets.
- (6) The amounts shown in this column for all NEOs reflect contributions to each officer's 401(k) Plan account (3% of the annual cash compensation up to a maximum of \$10,600 for 2015 and 2016 and \$10,800 for 2017). Mr. Russell was not eligible for company match on his 401(k) Plan account in 2016. For Mr. Russell, the amount shown in 2017 includes a \$5,000 payment for attending in person a meeting of the board of directors of the company's insurance subsidiary. Ms. Hughes was not eligible for company match on her 401(k) Plan account in 2015, and the amount shown represents Ms. Hughes' reimbursed relocation costs, which includes a gross-up for taxes (a benefit available to other employees) in the amount of \$25,031.
- (7) Mr. Doll retired from the company on April 28, 2017.

- (4) Amounts shown in this column reflect the fair value of stock and option awards computed as of the grant dates noted on this table. The fair value of stock awards is calculated by multiplying the fair market value of our Common Stock on the grant date by the probable number of shares awarded, which for Mr. Reyes, Mr. Russell, Mr. Doll and Ms. Hughes was assumed to be at the threshold level and for Mr. Havner was assumed to be 25,000 RSUs. Stock awards receive dividends as and when and at the same rate paid to all common shareholders of Public Storage. See footnotes to the Summary Compensation Table for information on the fair value of the performance-based RSU awards for Mr. Havner if the maximum value had been assumed.
- (5) Stock options granted to each of Messrs. Havner, Reyes and Russell vest in five equal annual installments beginning on the first anniversary after the grant date. The options granted to Mr. Doll were cancelled upon his retirement on April 28, 2017.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Payments Upon Termination. We do not have employment agreements with any NEO that provide for future payments upon termination of employment with the company.

We do not have a formal severance or retirement program for payments on termination of employment, whether through voluntary or involuntary termination, other than as specifically set forth in our Performance-Based Compensation Plan, 2001 Plan, 2007 Plan, 401(k) Plan or as required by law. The following indicate our general practices:

any vested stock options following a voluntary termination of employment must be exercised within 30 days following the individual's last date of employment;

all unvested stock options, restricted shares and/or RSUs are forfeited (except in the case of death or disability); and

accrued and unused vacation pay is paid in a lump sum.

Payments Upon Death Or Disability. In the event of the death or permanent and total disability of a NEO:

all outstanding unvested stock options and unvested RSUs accelerate and vest upon the officer's death or permanent and total disability;

all such stock options may be exercised during the one-year period following the date of death or permanent and total disability (but before the termination date of the option); and

the officer or his/her estate will receive payments under Public Storage's life insurance program or disability plan, as applicable.

Payments Upon Change In Control. Our applicable equity plans provide that upon the occurrence of a change of control of Public Storage, all outstanding RSUs and restricted share grants vest immediately and all outstanding stock options vest 15 days before the effective date of a change of control and are exercisable during such 15-day period.

A change of control is defined in the plans to include generally the following:

the dissolution or liquidation of Public Storage or merger in which Public Storage does not survive;

the sale of substantially all Public Storage assets; or

merger in which the company is the surviving corporation but after which the company's shareholders immediately prior to such merger cease to own their shares or other equity interest in the company; or

any transaction that results in any person or entity owning 30% or more of the combined voting power of all classes of our shares.

These accelerated payments do not apply if provision is made for continuation of the equity plan or substitution of new options, restricted shares and RSUs or a majority of our Board determines that the change of control will not trigger application of these acceleration provisions.

The following table shows the estimated value of the acceleration of vesting of unvested equity awards pursuant to the termination events described above assuming the event occurred as of December 31, 2017 and using the value of our Common Stock on December 29, 2017 of \$209.00 per share.

Name	Value of all outstanding unvested options (1)	Value of all outstanding unvested RSUs (2)	Total (3)

(2) Represents the number of unvested RSUs multiplied by the closing price of our Common Stock on the NYSE on December 29, 2017. Includes unvested portion of performance-based RSU awards. The amount shown for Mr. Havner does not include the 10,000 shares of Common Stock that vested on April 1, 2016 which Mr. Havner elected to defer receipt.

ADDITIONAL INFORMATION ABOUT TRUSTEES, EXECUTIVE OFFICERS AND MANAGEMENT

Anti-Hedging Policy. Our insider trading policy includes an anti-hedging provision that prohibits trustees, officers and employees from directly or indirectly engaging in hedging against future declines in the market value of any securities of the company. The objective of this policy is to enhance alignment between the interests of our trustees, officers and employees and those of our shareholders.

Policy Regarding Pledging of Shares. Our securities trading policy discourages (but does not prohibit) the pledging of shares of Common Stock by insiders. We have considered the pledges of shares of Common Stock by Mr. Hughes, Jr., Mr. Harkham and Ms. Gustavson in light of the company's securities trading policy and the position of ISS Corporate Solutions (ISS), which is that pledges of shares of Common Stock by insiders may adversely affect shareholders if the insiders are forced to sell their shares of Common Stock. Our belief is that the existing pledge arrangements do not present a significant risk of lender foreclosure or an unexpected sale of large volumes of Common Stock on the open market.

Our Board is of the view that these arrangements are unlikely to result in adverse effects to shareholders as Mr. Hughes, Jr. and Ms. Gustavson each owns a greater number of shares of Common Stock that are not pledged, and Mr. Harkham's pledges cover a relatively small number of shares. Additionally, Mr. Hughes, Jr.'s program of pledging shares of Common Stock generally predates the ISS anti-pledging policy, and none of Mr. Hughes, Jr.'s, Mr. Harkham's or Ms. Gustavson's pledges are part of a hedging strategy. Our Board also recognizes that maintaining these existing pledging arrangements allow Mr. Hughes, Jr. and Mr. Harkham to pursue their respective business interests without the need to sell company shares to raise additional capital.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Exchange Act requires our trustees and executive officers, and persons who own more than 10% of any registered class of our equity securities to file with the SEC initial reports of beneficial ownership of Public Storage's equity securities on Form 3 and reports of changes in beneficial ownership on Form 4 or Form 5. As a matter of practice, we typically assist our executive officers and trustees with these matters and file these reports on their behalf.

Based solely on a review of reports we filed on behalf of our trustees and executive officers, and written representations from these individuals that no other reports were required, all reports on behalf of our trustees and executive officers were filed on a timely basis under Section 16(a).

Related Party Transaction Approval Policies and Procedures. With respect to transactions involving our trustees, the Corporate Governance Guidelines provide for review by the Governance Committee of related party transactions that might present possible conflicts of interest. The Governance Committee reviews related party transactions involving Board members pursuant to the Corporate Governance Guidelines. Before undertaking a related party transaction, we request that trustees submit information to the Governance Committee, who will advise the company's Chief Legal Officer. The Governance Committee considers the matters submitted to it and makes a recommendation to the Board with respect to any action to be taken. The trustee with an actual, potential or apparent conflict of interest does not participate in the decision-making process related to the transaction.

Our executive officers who are not also trustees are subject to the Code of Conduct. Under the Code of Conduct, executive officers are required to disclose to our Chief Legal Officer any potential conflicts of interest, which include, among other interests, financial relationships, or associations where an executive's personal interest may conflict with ours. In addition, the Audit Committee reviews on an ongoing basis related party transactions involving our executive officers and trustees and PS Business Parks that may require Board pre-approval under applicable law or may be required to be disclosed in our financial statements or proxy statement.

Relationships and Transactions with the Hughes Family. B. Wayne Hughes, our Chairman Emeritus and the company's Co-Founder, and Tamara Hughes Gustavson, a trustee on our Board, own and control 57 self-storage facilities in Canada. These facilities operate under the Public Storage trade name, which we license to the owners of these facilities on a royalty-free, non-exclusive basis. Our subsidiaries reinsure risks relating to loss of goods stored by customers in these facilities, and have received approximately \$1.1 million for the year ended December 31, 2017. Our right to continue receiving these premiums may be qualified. We have a right of first refusal, subject to limitations, to acquire the stock or assets of the corporation engaged in the operation of these facilities if their owners agree to sell them.

Management Agreement with PS Business Parks. PS Business Parks manages certain of the commercial facilities that we own pursuant to management agreements for a management fee equal to 5% of revenues. Public Storage paid a total of \$506,000 in management fees with respect to PS Business Parks' property management services in 2017. In 2017, PS Business Parks allocated approximately \$537,000 in operating expenses to Public Storage related to the management of the properties, including payroll and other overhead expenses.

PS Business Parks owns certain commercial facilities that include self-storage space. We manage this self-storage space for PS Business Parks for a management fee equal to 6% of revenues generated by the self-storage space. We recorded management fees with respect to these facilities of approximately \$92,000 for the year ended December 31, 2017. In 2017, we allocated approximately \$61,000 in operating expenses to PS Business Parks related to the management of the properties, including payroll and overhead expenses.

Cost Sharing and Other Arrangements with PS Business Parks. Pursuant to a cost sharing and administrative services arrangement, we share certain administrative services, corporate office space and certain other third party costs with PS Business Parks which are allocated based upon time, effort and other methodologies. PS Business Parks

reimbursed us \$1.3 million for the year ended December 31, 2017 for costs paid on their behalf, and we reimbursed PS Business Parks \$31,000 in costs that PS Business Parks incurred on our behalf for the year ended December 31, 2017.

Table of Contents

At December 31, 2017, PS Business Parks owed us \$245,000 with respect to property management and shared costs.

Common Management/Board Members with PS Business Parks. Ronald L. Havner, Jr., Chairman and Chief Executive Officer of Public Storage, is also Chairman of the Board of Directors of PS Business Parks. Joseph D. Russell, Jr., President of Public Storage, is also a member of the Board of Directors of PS Business Parks. Gary E. Pruitt, a trustee of Public Storage, is a member of the Board of Directors of PS Business Parks.

Pay Ratio Disclosure. As of October 1, 2017, we had 5,519 talented and dedicated employees performing the following functions:

Approximately 83% of our employees work at one of our almost 2,400 self-storage facilities and assist our customers. We generally pay these on-site property managers on an hourly basis. The median annual total compensation for these employees in 2017 was \$22,881.

Approximately 7% of our employees manage on-site property managers and assist them in providing our customers superior service. The median annual total compensation for these employees in 2017 was \$104,921.

Approximately 4% of our employees work in our call centers and assist potential customers and existing customers. The median annual total compensation for these employees in 2017 was \$31,201.

Approximately 6% of our employees are corporate employees, including our executive management team and our finance, legal, information technology, and human resources personnel. The median annual total compensation for these employees in 2017 was \$115,646.

SEC rules require us to disclose the ratio of annual total compensation of our CEO, Ronald L. Havner, Jr., to the annual total compensation of our median employee (excluding Mr. Havner). The ratio presented below is a reasonable estimate calculated in a manner consistent with SEC rules. We selected the median employee based on the 5,519 full-time and part-time workers employed by the company and its consolidated subsidiaries as of October 1, 2017. In identifying our median employee, we used annual gross pay based on W-2 information. We did not apply any cost-of-living adjustments as part of the calculation.

Based on these calculations, our median employee is one of our 4,571 on-site property managers. This employee is paid on an hourly basis. The 2017 annual total compensation for our median employee as determined based on SEC rules was \$23,921. The 2017 annual total compensation for our CEO as determined based on SEC rules was

\$10,506,800. The ratio of our CEO's annual total compensation to our median employee's total compensation for fiscal year 2017 is 439 to 1.

PROPOSAL 3

AMENDMENT TO OUR DECLARATION OF TRUST

TO ALLOW SHAREHOLDERS TO AMEND OUR BYLAWS

Our Board has adopted a resolution setting forth, and declared advisable, and recommends for your approval, an amendment to Article X, Section 10.4 of our Declaration of Trust to provide that our bylaws may be amended by our Board or may be amended by our shareholders by the affirmative vote of the holders of not less than a majority of the shares entitled to vote on the matter. Currently, Article X, Section 10.4 of our Declaration of Trust provides that our Board has the exclusive power to adopt, alter, or repeal any provision of our bylaws and to make new bylaws.

Our Board is committed to strong and effective corporate governance and monitors regularly our corporate governance policies and practices as well as U.S. public company best practices. After careful consideration, as well as discussions with our investors, we believe that allowing our shareholders to amend our bylaws by the affirmative vote of the holders of not less than a majority of the shares entitled to vote on the matter is in our best interests and in the best interests of our shareholders. This amendment, if approved, will provide our shareholders a right enjoyed by a substantial majority of U.S. public companies. A copy of the proposed amendment to our Declaration of Trust is attached as **Appendix B** to this proxy statement and incorporated by reference into this proposal.

On February 20, 2018, our Board approved, subject to approval of this proposal, an amendment to Article XIV of our bylaws which will allow for the bylaws to be altered, amended or repealed by our Board or by the affirmative vote of the holders of not less than a majority of the shares entitled to vote on the matter. This bylaw amendment does not require approval by our shareholders and is conditioned upon the approval of this proposal and upon the effectiveness of the amendment to the Declaration of Trust.

If the shareholders approve this proposal, we will file the amendment to the Declaration of Trust with the Secretary of State of Maryland and it will become effective immediately upon filing. If the shareholders do not approve this proposal, the related bylaw amendment will not become effective.

VOTE REQUIRED AND RECOMMENDATION

The affirmative vote of the holders of not less than a majority of the shares then outstanding and entitled to vote on the matter is required to amend our Declaration of Trust to allow the holders of not less than a majority of our shares entitled to vote on the matter to amend our bylaws. For purposes of the vote on this proposal, abstentions and broker non-votes will have the effect of a vote against the amendment of our Declaration of Trust.

The Board recommends a vote FOR approval of an Amendment to

our Declaration of Trust to allow shareholders to amend our bylaws.

PROPOSAL 4

RATIFICATION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

EXECUTIVE SUMMARY

The Audit Committee is responsible for the appointment, compensation, retention and oversight of the company's independent registered public accounting firm. The Audit Committee has appointed EY as the independent registered public accounting firm for Public Storage for the fiscal year ending December 31, 2018. The Audit Committee believes that the selection of EY is in the best interests of the company and its shareholders and has recommended that the Board submit the appointment of EY to the company's shareholders for ratification.

Although we are not required to seek shareholder ratification of the appointment of EY as the independent registered public accounting firm, Public Storage is asking its shareholders to do so because it believes that shareholder ratification of the appointment is a matter of good corporate practice. Ratification of the appointment of EY requires approval by a majority of the votes cast at the meeting. For these purposes, abstentions and broker non-votes will not be counted. If the shareholders do not ratify the appointment of EY, the Audit Committee will reconsider whether or not to retain EY as the independent registered public accounting firm for Public Storage, but may determine to do so. Even if the shareholders ratify the appointment of EY, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of Public Storage and its shareholders.

A representative of EY will be present at our 2018 Annual Meeting, where the representative will be afforded an opportunity to make a statement and to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The Audit Committee's responsibilities include appointing the company's independent registered public accounting firm, pre-approving audit and non-audit services provided by the firm and assisting the Board in providing oversight to the company's financial reporting process. In fulfilling its oversight responsibilities, the Audit Committee meets with the company's independent registered public accounting firm, internal auditors and management to review accounting, auditing, internal controls and financial reporting matters.

In connection with its oversight responsibilities related to the company's consolidated financial statements included in the company's Annual Report on Form 10-K, the Audit Committee met with management and EY, the company's independent registered public accounting firm, and reviewed and discussed with them the audited consolidated financial statements. The Audit Committee discussed with EY matters required to be discussed by the Public Company Accounting Oversight Board (the PCAOB) Auditing Standard No. 16, Communications with Audit Committees, as modified or supplemented. The discussion included, but was not limited to, the overall scope and plans for the annual audit, the results of their audit, their evaluation of the company's internal controls and the overall quality of the company's financial reporting.

In addition to providing the required written disclosures and communications, EY also provided to the Audit Committee the letter confirming EY's independence of the company as required by the applicable rules of the PCAOB,

and the Audit Committee discussed with EY EY's independence. In addition, the Audit Committee has considered whether EY's provision of non-audit services to the company and its affiliates is compatible with EY's independence.

The Audit Committee met with representatives of management, the internal auditors, legal counsel and EY on a regular basis throughout the year to discuss the progress of management's testing and

evaluation of the company's system of internal control over financial reporting in response to the applicable requirements of the Sarbanes-Oxley Act of 2002 and related SEC regulations. At the conclusion of this process, the Audit Committee received from management its assessment and report on the effectiveness of the company's internal controls over financial reporting. In addition, the Audit Committee received from EY its assessment of and opinion on the company's internal control over financial reporting as of December 31, 2017. The Audit Committee reviewed and discussed the results of management's assessment and EY's audit.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Trustees, and the Board has approved, that the audited consolidated financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the SEC. The Audit Committee also approved the appointment of EY as the company's independent registered public accountants for the fiscal year ending December 31, 2018 and recommended that the Board submit this appointment to the company's shareholders for ratification at the 2018 Annual Meeting.

We have made these materials available to you on the Internet or, upon your request, delivered printed versions of these materials to you by mail, because you were a shareholder as of March 1, 2018, the record date (the record date) fixed by the Board, and are therefore entitled to receive Notice of the Annual Meeting and to vote on matters presented at the meeting.

Important Notice Regarding Delivery of Security Holder Documents

We are pleased to take advantage of the SEC rules that allow us to furnish proxy materials to you on the Internet. These rules allow us to provide our shareholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting.

Our Annual Report to Shareholders (the Annual Report) includes a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as filed with the SEC on March 1, 2018, excluding exhibits. On or about March 16, 2018, we mailed you a Notice containing instructions on how to access this proxy statement and our Annual Report and vote over the Internet. If you received the Notice by mail, you will not receive a printed copy of the proxy materials in the mail. The Notice instructs you on how you may submit your proxy over the Internet. Date, Time and Place of the Annual Meeting

The Annual Meeting will be held on Wednesday, April 25, 2018 at 2:30 p.m., Pacific Daylight Time, at the Hilton Los Angeles North/Glendale, 100 West Glenoaks Boulevard, Glendale, California 91201.

Who Can Vote

If you are a holder of Common Stock at the close of business on the record date, you may vote the shares of Common Stock that you hold on that date at the Annual Meeting. For all matters submitted for vote at the Annual Meeting, each share of Common Stock is entitled to one vote.

Table of Contents

Quorum for the Annual Meeting

If a majority of the shares of Common Stock outstanding on the record date is present in person or represented by proxy at the Annual Meeting, we will have a quorum, permitting business to be conducted at the Annual Meeting. As of the record date of March 1, 2018, we had 174,084,570 shares of Common Stock outstanding and entitled to vote.

We will count abstentions and shares held by brokers or nominees who have not received instructions from the beneficial owner (broker non-votes) as present for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

How Votes are Counted

For the election of trustees, trustee nominees receiving an affirmative majority of votes cast (*i.e.*, the number of shares cast for a trustee nominee must exceed the number of votes cast against that nominee) will be elected. Similarly, approval of Proposals 2 and 4 require an affirmative majority of the votes cast (*i.e.*, the number of shares cast for the proposal must exceed the number of votes cast against that proposal). We will not count shares that abstain from voting.

The affirmative vote of the holders of not less than a majority of the shares then outstanding and entitled to vote on the matter is required to amend our Declaration of Trust to allow the holders of not less than a majority of our shares entitled to vote on the matter to amend our bylaws. Thus for purposes of the vote on Proposal 3, abstentions and broker non-votes will have the effect of a vote against the amendment of our Declaration of Trust.

Although the advisory vote to approve executive compensation in Proposal 2 is non-binding, the Compensation Committee will consider and take into account the vote results in making future determinations to approve executive compensation and advisory vote frequency.

Trustee Nominees Who Do Not Receive a Majority of the Votes Cast

If a nominee who is currently serving as a trustee is not re-elected, Maryland law provides that the trustee would continue to serve on the Board as a holdover trustee.

Under our Corporate Governance Guidelines, each trustee nominee who does not receive the required majority vote for election must submit a resignation. The Governance Committee would then make a recommendation to the Board about whether to accept or reject the resignation or take other action. The Board would act on the Governance Committee's recommendation and publicly disclose its decision and rationale within 90 days from the date the election results were certified. If the Board accepts a trustee's resignation, it may fill the resulting vacancy or decrease the size of the Board as provided in our bylaws.

How Proxies Will Be Voted

Edgar Filing: Public Storage - Form PRE 14A

If you hold shares through a broker or nominee and do not provide the broker or nominee with specific voting instructions, under the rules that govern brokers or nominees in such circumstances, your broker or nominee will have the discretion to vote such shares on routine matters, but not on non-routine matters. As a result:

Your broker or nominee will not have the authority to exercise discretion to vote such shares with respect to Proposals 1, 2 and 3 because the NYSE rules treat these matters as non-routine.

Public Storage 2018 Proxy Statement 61

Table of Contents

Your broker or nominee will have the authority to exercise discretion to vote such shares with respect to Proposal 4 because that matter is treated as routine under the NYSE rules.

Broker non-votes will be counted as present for purposes of determining the presence or absence of a quorum. Broker non-votes will have no effect on the outcome of the vote on Proposals 1, 2 and 4. Broker non-votes will have the effect of a vote against Proposal 3.

If you are a registered shareholder and no instructions are indicated on a properly executed proxy card submitted by you, the shares represented by the proxy will be voted FOR (i) each of Proposals 1, 2, 3 and 4 and (ii) in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, or any adjournments or postponements thereof.

How to Cast a Vote

You may vote by any one of the following means:

- **BY INTERNET:** Shareholders who received a Notice about the Internet availability of our proxy materials may submit proxies over the Internet by following the instructions on the Notice. Shareholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.
- **BY TELEPHONE:** If provided on your proxy card or voting instruction card and if you live in the United States or Canada, you may submit proxies by telephone by calling the telephone number indicated on the card and following the instructions. Shareholders who are beneficial owners but not shareholders of record may vote in person at the Annual Meeting only with a legal proxy obtained from their broker, trustee or nominee, as applicable.

Properly completed and submitted proxy cards and voting instruction cards, and proxies properly completed and submitted over the Internet, if received in time for voting and not revoked, will be voted at the Annual Meeting in

accordance with the instructions contained therein.

How to Vote as a Participant in the Company's 401(K) Plan

If you hold your shares as a participant in the 401(k) Plan, your proxy will serve as a voting instruction for the trustee of the 401(k) Plan with respect to the amount of shares of Common Stock credited to your account as of the record date. If you provide voting instructions via your proxy card or voting instruction card with respect to your shares of Common Stock held in the 401(k) Plan, the trustee will vote those shares of Common Stock in the manner specified. The trustee will vote any shares of Common Stock for which it does not receive instructions in the same proportion as the shares of Common Stock for which voting instructions have been received by the trustee, unless the trustee is required by law to exercise its discretion in voting such shares.

To allow sufficient time for the trustee to vote your shares of Common Stock, the trustee must receive your voting instructions by 7:00 a.m., Pacific Daylight Time, on April 23, 2018.

Changing Your Vote

You can change your vote at any time before your proxy is voted at the Annual Meeting. To revoke your proxy, you must:

file an instrument of revocation with our Corporate Secretary at our principal executive offices, 701 Western Avenue, Glendale, California 91201-2349;

mail a new proxy card dated after the date of the proxy you wish to revoke to our Corporate Secretary at our principal executive offices;

submit a later dated proxy over the Internet in accordance with the instructions set forth on the Internet voting website; or

if you are a shareholder of record, or you obtain a legal proxy from your broker, trustee or nominee, as applicable, attend the Annual Meeting and vote in person.

If not revoked, we will vote the proxy at the Annual Meeting in accordance with your instructions indicated on the proxy card, voting instruction card or, if submitted over the Internet, as indicated on the submission.

Consideration of Candidates for Trustee

Shareholder Recommendations. The policy of the Governance Committee is to consider properly submitted shareholder recommendations of candidates for membership on the Board. Under this policy, only shareholders who would be entitled to submit shareholder proposals under the SEC rules may submit shareholder recommendations. In evaluating recommendations, the Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria described above. Any shareholder recommendations proposed for consideration by the Governance Committee should include the candidate's name and qualifications for Board membership, including the information required under Regulation 14A under the Exchange Act, and should be addressed to: Public Storage, 701 Western Avenue, Glendale, California 91201-2349, Attention: Corporate Secretary.

Deadline to Propose or Nominate Individuals to Serve as Trustees. A shareholder may send a proposed trustee candidate's name and information to the Board at any time. Generally, such proposed candidates are considered at the Governance Committee meeting prior to the annual meeting. To nominate an individual for election at the 2019 Annual Meeting, the shareholder must give timely notice to the Corporate Secretary in accordance with our bylaws, which, in general, require that the notice be received by the Corporate Secretary between the close of business on November 16, 2018 and the close of business on December 16, 2018, unless the date of the 2019 proxy statement for the 2019 Annual Meeting (the 2019 Proxy Statement) is moved by more than 30 days before or after the anniversary of the date of this proxy statement, in which case the nomination must be received no earlier than the 120th day and no later than the 90th day prior to the mailing of the notice for such meeting or the tenth day following the date we announce publicly the date for our 2019 Proxy Statement.

Proxy Access Nominees. The Company's bylaws also establish a proxy access provision for shareholders, which will first apply to proxy materials applicable to the 2019 Annual Meeting. The proxy access provision provides that a shareholder, or a group of up to 20 shareholders, owning at least 3% of the Company's outstanding common stock continuously for at least three years, may include in our proxy materials trustee nominees constituting up to the greater of two trustees or 20% of the number of trustees on the Board, provided that the shareholder and the nominees satisfy

the eligibility requirements in our bylaws. If you wish to nominate any person for election to our Board at the 2019 Annual Meeting under the proxy access provision of our bylaws, your nomination notice must be submitted to the Corporate Secretary between the close of business on October 17, 2018 and the close of business on November 16, 2018, unless the date of the 2019 proxy statement for the 2019 Annual Meeting (the 2019 Proxy Statement) is

moved by more than 30 days before or after the anniversary of the date of this proxy statement, in which case the nomination must be received no earlier than the 150th day and no later than the 120th day prior to the mailing of the notice for such meeting or the tenth day following the date we announce publicly the date for our 2019 Proxy Statement.

Deadlines for Receipt of Shareholder Proposals

Any proposal that a holder of our shares wishes to submit for inclusion in our 2019 Proxy Statement pursuant to SEC Rule 14a-8, including any notice by a shareholder of his, her or its intention to cumulate votes in the election of trustees at the 2019 Annual Meeting, must be received by Public Storage no later than November 16, 2018. Such proposals also must comply with SEC regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Under Rule 14a-8, we are not required to include shareholder proposals in our proxy materials unless certain conditions specified in the rule are met.

In addition, notice of any proposal that a holder of our shares wishes to propose for consideration at the 2019 Annual Meeting, but does not seek to include in the 2019 Proxy Statement pursuant to Rule 14a-8, must be delivered to Public Storage no earlier than November 16, 2018 and no later than December 16, 2018 if the proposing holder of our shares wishes for Public Storage to describe the nature of the proposal in its 2019 Proxy Statement as a condition to exercising its discretionary authority to vote proxies on the proposal. As with shareholder nominations of trustee candidates discussed above, if the date of the 2019 Proxy Statement is moved by more than 30 days before or after the anniversary of the date of this proxy statement, the shareholder proposal must be received no earlier than the 120th day and no later than the 90th day prior to the mailing of the notice for the meeting or the tenth day following the date we announce publicly the date for the 2019 Proxy Statement.

Any shareholder proposals or notices submitted to Public Storage in connection with the 2019 Annual Meeting should be addressed to: Public Storage, 701 Western Avenue, Glendale, California 91201-2349, Attention: Corporate Secretary.

Description of non-GAAP
measures and reconciliation
to GAAP measures

Table of Contents**Core FFO per Share and Free Cash Flow per Share**

We present Core FFO per share, a non-GAAP measure that represents diluted earnings per share excluding the impact of (i) depreciation expense, (ii) gains on the sale of real estate facilities, (iii) foreign currency exchange gains and losses, (iv) EITF D-42 charges related to the redemption of preferred securities, (v) general and administrative expenses associated with the acquisition of self-storage facilities and (vi) certain other non-cash and/or nonrecurring income or expense items. We review Core FFO per share to evaluate our ongoing operating performance, and we believe investors and REIT analysts use it in a similar manner. However, Core FFO per share is not a substitute for net income per share. Because other REITs may not compute Core FFO per share in the same manner as we do, may not use the same terminology or may not present such a measure, Core FFO per share may not be comparable among REITs.

We also present Free Cash Flow per share, another non-GAAP measure that represents Core FFO per share, deducting the impact of capital expenditures required to maintain our facilities, and eliminating the effect of certain non-cash expenses such as stock-based compensation. We believe Free Cash Flow per share is useful as a measure of our intrinsic business value and long-term management performance. However, it is not a substitute for net income per share.

The table below reconciles from diluted earnings per share to each of Core FFO per share and Free Cash Flow per share.

Public Storage 2018 Proxy Statement 67

Table of Contents**Return on Assets and Return on Equity**

We present Return on Assets and Return on Equity, which are non-GAAP measures. Return on Assets represents the ratio of (i) Net Operating Income (NOI, described below) to (ii) the average undepreciated cost of our real estate facilities. Return on Equity represents the ratio of (i) NOI, less preferred share dividends and interest expense, to (ii) the average undepreciated cost of our real estate facilities less total average debt and total preferred equity. We believe that these measures are useful in evaluating our earnings relative to the associated accumulated investment, on a levered and unlevered basis, over time.

NOI is a non-GAAP financial measure that represents operating income on our income statement, excluding depreciation and amortization expense and general and administrative (G&A) expense. Depreciation and amortization expense is excluded because it is based upon historical real estate costs and assumes that building values diminish ratably over time, while we believe that real estate values fluctuate due to market conditions. G&A is excluded because such expenses are not attributable to the operations of our real estate. We utilize NOI in determining our current property values, evaluating property performance, and in evaluating operating trends.

We believe that investors and analysts utilize NOI in a similar manner. NOI is not a substitute for net income, net operating cash flow, or other related GAAP financial measures, in evaluating our operating results.

The following table reconciles operating income on our income statement to NOI, and sets forth the calculations of Return on Assets and Return on Equity (amounts in thousands):
