***Third Point Responds to Campbell's Latest Attempt to Mislead Shareholders
and Protect Insiders***

*We Believe Ill-Considered and Defensive Response to Our Plan Shows CPB Leadership's Main Interest is in
Keeping Their Jobs Rather Than Working with Shareholders to Improve Its Challenged Business*

NEW YORK (BUSINESS WIRE) Third Point LLC (LSE: TPOU) (Third Point), a New York-based investment firm managing approximately \$17 billion in assets and a holder of approximately 7% of the outstanding common shares of Campbell Soup Company (NYSE: CPB) (Campbell or the Company), today issued the following statement in response to Campbell's rash critique of their plan:

We believe Campbell's hastily-issued response to our plan released today insults the intelligence of its shareholders. Our 100 Day blueprint in no way endorses their plan, which was simply a limp promise to do better, find a CEO after nearly six months of searching, and sell two of its business, including one of its crown jewels.

Shareholders see through this floundering leadership team's attempts to hold on to their jobs and avoid accountability after twenty years of failing their shareholders. Our substantive operational, financial, and strategic approach is well-informed by five board nominees who have worked with Campbell in the past. We are confident that investors, unlike the Company, will take the time to understand our plan and vote the White Card for fresh ideas and a new path forward.

After reviewing our full plan here, we encourage shareholders to also review The Independents and Fiction vs. Fact to understand more about why the Independent Slate will respect Shareholder voices, end the Insider Board Members Reign of Error, and set Campbell on a new and profitable path. We urge all shareholders to VOTE the WHITE Proxy Card to elect the Independent Slate.

Your Vote Is Important, No Matter How Many or How Few Shares You Own!

PLEASE REMEMBER TO CAN THE COMPANY'S CARD! If you return a Campbell's proxy card even by simply indicating withhold on the Company's slate you will revoke any vote you had previously submitted for the Third Point nominees on the WHITE proxy card.

FICTION #6: \$CPB says it is in capable hands under interim-CEO Keith McLoughlin but Glassdoor says otherwise. Get the facts here <http://bit.ly/2O0DDHR> . It's time to #RefreshTheRecipe (SEC Legend: http://bit.ly/SEC_Legend)

Accountability? Not with the Current Board. \$CPB paid CEO Denise Morrison \$60M and then guided her to retirement. We say it's time to #CanTheCurrentBoard and #RefreshTheRecipe. (SEC Legend: http://bit.ly/SEC_Legend)

In an effort to protect insiders, \$CPB attempted to mislead shareholders by implying we are copying actions that \$CPB is already taking. In reality, we present a solid plan to #RefreshTheRecipe. Get the facts HERE: <http://bit.ly/2Q46IDT> (SEC Legend: http://bit.ly/SEC_Legend)

Third Point LLC confirmed a **Wall Street Journal report** that it has created a 100-day plan that it thinks will lead to growth at Campbell Soup Co. **CPB, +0.85%** Third Point believes that years of dismal leadership and massive value destruction reinforce that new perspectives are needed to put Campbell on a better path, the hedge-fund activists wrote in a release. The plan includes exploring a split of the company and revamping the soup business. Campbell shares have tumbled nearly 22% for the year to date while the S&P 500 index **SPX, +0.29%** has fallen 1.2% for the period.
