Item 1.01 Entry into a Material Definitive Agreement

On December 31, 2018 (the Closing Date), Armstrong Flooring, Inc. (the Company) completed the previously announced sale of its wood flooring business (the Transaction) to AHF Holding, Inc. (formerly known as Tarzan Holdco, Inc.), a Delaware corporation and an affiliate of American Industrial Partners (the Purchaser). The Transaction was completed pursuant to the terms of the November 14, 2018 Stock Purchase Agreement (the Stock Purchase Agreement) between the Company and the Purchaser.

In connection with the consummation of the Transaction, on the Closing Date, the Company entered into the definitive material agreements described below.

Transition Services Agreement

The Company entered into a Transition Services Agreement (the Transition Services Agreement) between the Company and the Purchaser, pursuant to which the Company will provide transitional services in areas including human resources, customer service, operations, finance and IT. In addition, the Company and the Purchaser may mutually agree on additional services to be provided. In consideration for the services, the Purchaser will pay the Company monthly fees that vary based on the scope of services provided and a \$3,000,000 administrative fee to the Company. The Purchaser will reimburse the Company for the Company's out-of-pocket costs and expenses in connection with providing the services. The IT services provided to the Purchaser will be for a maximum of fourteen (14) months, with the option for the Purchaser to extend for an additional four (4) month period. Other services provided by the Company will last for periods between two (2) and nine (9) months. The Transition Services Agreement is subject to termination under certain circumstances, including (i) the Company may terminate the Transition Services Agreement or suspend performance of its obligations for the Purchaser's failure of payment, subject to a 30-day cure period; (ii) the Purchaser may terminate the TSA in its entirety or for any specific service for convenience upon 30-days' written notice to the Company, or as otherwise set forth on the schedule of services (attached to the Transition Services Agreement) provided that certain services, such as IT, may only be terminated in bundles; and (iii) either party may terminate the Transition Services Agreement for material breaches or defaults, subject to a 30-day cure period.

Intellectual Property Agreement

The Company entered into an Intellectual Property Agreement (the IP Agreement) among the Company, AFI Licensing LLC (together with the Company, AFI Licensing), the Purchaser and Armstrong Hardwood Flooring Company (AHFC), pursuant to which (i) AFI Licensing assigned to AHFC its right, title and interest in and to certain intellectual property used or held for use exclusively in the design, development, manufacture, advertising, sourcing, distribution and sale of solid hardwood and engineered wood flooring products by or for AHFC (the Company Field); (ii) AFI Licensing granted AHFC a perpetual, non-exclusive, royalty-free license in and to certain copyrights, know-how and patents used or held for use in the Company Field during the five (5) years prior to the effective date of the Transition Services Agreement; (iii) AFI Licensing granted AHFC a non-exclusive, royalty-free, non-sublicensable, non-assignable license in and to certain trademarks; and (iv) AHFC granted the Company a perpetual, non-exclusive, royalty-free license in and to certain copyrights, know-how and patents for activities conducted by AFI Licensing or its affiliates (other than the Company Field).

Sublease

The Company also entered into a Sublease (the Sublease) between the Company and AHFC, pursuant to which AHFC will lease certain premises located at the Company's office campus located at 2500 Columbia Avenue, Lancaster, Pennsylvania 17603. As consideration for use of the premises, AHFC will make monthly gross rent installments, inclusive of taxes and overhead costs. AHFC may sublease the premises through March 30, 2021 with the option to terminate the Sublease any time after six (6) months from the effective date of the Sublease with 30-days' prior notice.

Upon such termination, AHFC will pay a termination fee of \$2,500,000.

New Company Credit Facility

On December 31, 2018, the Company entered into a credit agreement (the Credit Agreement), by and among the Company, as borrower, the guarantors named therein, the lenders party thereto and Bank of America, N.A., as administrative agent for the lenders thereunder.

The Credit Agreement provides the Company with a \$150 million secured credit facility (the Credit Facility), consisting of a \$75 million revolving facility and a \$75 million term loan facility. The revolving facility includes a \$25 million sublimit for the issuance of letters of credit and a \$15 million sublimit for swing line loans. The Credit Facility is scheduled to mature on December 31, 2023. The Credit Agreement provides for an uncommitted accordion feature that allows the Company to request an increase in the revolving facility or the term loan facility in an aggregate amount not to exceed \$25 million.

Borrowings under the Credit Facility will bear interest at a rate per annum equal to, at the Company's option, a base rate or a Eurodollar rate equal to the London interbank offered rate (LIBOR) for the relevant interest period, plus, in each case, an applicable margin determined in accordance with the provisions of the Credit Agreement. The base rate will be the highest of (a) the federal funds rate plus 0.50%, (b) the prime rate of Bank of America, N.A., and (c) one month LIBOR plus 1.00%. The applicable margin for borrowings under the Credit Facility will be determined based on the Company's Consolidated Net Leverage Ratio (as defined in the Credit Agreement) and will range from 0.50% to 1.25% with respect to base rate borrowings and 1.50% to 2.25% with respect to Eurodollar rate borrowings. In addition to paying interest on outstanding principal under the Credit Agreement, the Company will pay a commitment fee to the lenders under the Credit Facility with respect to the unutilized revolving commitments thereunder at a rate ranging from 0.15% to 0.30% depending on the Company's Consolidated Net Leverage Ratio.

If at any time the aggregate amount of outstanding revolving loans under the Credit Facility exceeds the commitment amount, the Company will be required to repay such excess on demand. The Company must also use cash proceeds from certain dispositions, equity and debt issuances and extraordinary events to prepay outstanding loans under the Credit Facility, subject to specified exceptions. The Company may voluntarily prepay outstanding loans under the Credit Facility without premium or penalty other than customary breakage costs with respect to Eurodollar loans.

All obligations under the Credit Agreement are guaranteed by each of the Company's wholly owned domestic subsidiaries that individually, or together with its subsidiaries, has assets of more than \$1 million. All obligations under the Credit Agreement, and guarantees of those obligations, are secured by all of the present and future assets of the Company and the guarantors, subject to certain exceptions and exclusions as set forth in the Credit Agreement and other security and collateral documents.

The Credit Agreement contains a number of covenants that, among other things and subject to certain exceptions, restrict the Company's ability and the ability of its subsidiaries to create liens, to undertake fundamental changes, to incur debt, to sell or dispose of assets, to make investments, to make restricted payments such as dividends, distributions or equity repurchases, to change the nature of their businesses, to enter into transactions with affiliates and to enter into certain burdensome agreements.

In addition, the Credit Agreement requires the Company to comply with certain financial covenants calculated for the Company and its subsidiaries on a consolidated basis. Specifically, the Credit Agreement requires that the Company and its subsidiaries not:

Permit the Consolidated Net Leverage Ratio (as defined in the Credit Agreement) at any time to be greater than 3.00 to 1.00; and

Permit the Consolidated Fixed Charge Coverage Ratio (as defined in the Credit Agreement) at any time to be less than 1.25 to 1.00.

The Credit Agreement also contains customary affirmative covenants and events of default, including a cross-default provision in respect of any other indebtedness that has an aggregate principal amount exceeding \$15 million.

The foregoing summaries of the Transition Services Agreement, the IP Agreement, the Sublease and the Credit Agreement do not purport to be complete and are subject to and qualified in their entirety by reference to the Transition Services Agreement, the IP Agreement, the Sublease and the Credit Agreement, copies of which are filed as Exhibits 10.1, 10.2, 10.3 and 10.4 hereto and are incorporated herein by reference.
