**ITEM 5.02(e): Material Compensatory Plan**

At a meeting of the board of directors of The Middlefield Banking Company held on January 14, 2019, the nonemployee directors took a number of actions affecting officer compensation, including determining the compensation of President and Chief Executive Officer Thomas G. Caldwell, Executive Vice President and Chief Operating Officer James R. Heslop, II, and Executive Vice President, Chief Financial Officer and Treasurer Donald L. Stacy. Base salary in 2019 for Mr. Caldwell will be \$381,600 (an increase of \$21,600), for Mr. Heslop \$252,800 (an increase of \$20,865), and for Mr. Stacy \$211,400 (an increase of \$15,700). None of these officers is a party to an employment agreement.

At the same meeting of the board of directors, the nonemployee directors ratified and adopted the recommendation of the Compensation Committee that the Company's Annual Incentive Plan be continued for 2019. Included in the action was the establishment of award levels under the Bank's Annual Incentive Plan for executive officers, including Chief Executive Officer Thomas G. Caldwell, Chief Operating Officer James R. Heslop, II, and Chief Financial Officer Donald L. Stacy.

The Annual Incentive Plan is a short-term cash incentive plan that rewards bank employees with additional cash compensation if specified objectives are achieved. For achievement of the 2019 plan performance goals, distributions under the plan would be made in cash to the executives in the first quarter of 2020. For 2019 the bank-wide performance measures have to do with net income, classified loans (that is, reduction of classified loans as a percentage of the sum of Tier 1 capital and the allowance for loan and lease losses), growth in total loans, growth in deposits, and a fifth goal having to do with the bank's regulatory status. For this purpose the bank's regulatory status means the bank's exposure to serious regulatory criticism of banking practices or vulnerability to other adverse regulatory conditions, such as formal or informal enforcement actions or inability to obtain approval of regulatory applications. Regulatory status is a subjective judgement made by the compensation committee. The Annual Incentive Plan may be terminated by the board of directors at any time.

The precise 2019 performance goals, which are considered confidential, have not yet been established for certain executive officers, including Messrs. Caldwell, Heslop, and Stacy.
