(d) Election of Directors

On January 15, 2019, the Board of Directors (the Board) of Benefitfocus, Inc. (the Company) appointed Ana White as a Class III director to hold office until the Company's 2019 annual meeting of stockholders or until her successor is duly elected and qualified.

The Nominating and Governance Committee of the Board conducted the search for director candidates. It has not formulated any specific minimum qualifications for director candidates, but has determined certain desirable characteristics including strength of character, mature judgment, career specialization, relevant technical skills and independence. The Nominating and Governance Committee Charter calls for it to consider diversity to be an additional desirable characteristic in potential nominees. After reviewing several director candidates, the Nominating and Governance Committee recommended Ms. White for appointment to the Board. Ms. White also was appointed to serve on the Compensation Committee of the Board (along with directors Stephen M. Swad (Chair), Douglas A. Dennerline, and Francis J. Pelzer V) and the Nominating and Governance Committee of the Board (along with directors A. Lanham Napier (Chair) and Douglas A. Dennerline). There are no related party transactions with respect to Ms. White and the Company, and the Company believes that Ms. White satisfies the independence requirements of Rule 5605(a)(2) and 5605(d)(2) of the NASDAQ Stock Market listing rules.

On January 15, 2019, Ms. White entered into an Independent Director Compensation Agreement in substantially the form filed by the Company with the Securities and Exchange Commission (the SEC) as Exhibit 10.21 to its Form 8-K on June 23, 2014. Ms. White will be compensated in accordance with the Company's compensation program for independent directors set forth in its definitive proxy statement for the 2018 annual meeting of stockholders, filed with the SEC on April 20, 2018.

Ms. White is currently Executive Vice President and Chief Human Resources Officer at global technology firm, F5 Networks (NASDAQ: FFIV). F5 delivers multi-cloud application services and enterprise-grade application security solutions for the world's largest organizations. Prior to that, she had a nearly 20-year career at Microsoft Corporation (NASDAQ: MSFT), growing into a senior leadership position for Human Resources at Microsoft. Ms. White holds a B.S. in Mathematics from Seattle University and serves on the taskforce for the Seattle University Center for Science and Innovation and the board of Childhaven.

A copy of the press release regarding the appointment of Ms. White to the Board is attached hereto as Exhibit 99.1 and incorporate herein by reference.
