On April 1, 2019, Superior Industries International, Inc. (the Company) announced the appointment of Majdi B. Abulaban as its President and Chief Executive Officer, effective May 15, 2019 (the Start Date). The Company entered into an Executive Employment Agreement with Mr. Abulaban (the Employment Agreement), effective as of the Start Date, and Mr. Abulaban will be appointed to the Board of Directors of the Company (the Board), effective as of the Start Date.

Mr. Abulaban, 55, was previously employed by Aptiv PLC (formerly Delphi Automotive) (NYSE: APTV) (Aptiv), a technology company that develops safer, greener and more connected solutions for a diverse array of global customers, from 1985 to April 2019, most recently as Senior Vice President and Group President, Global Signal and Power Solutions Segment from January 2017 to April 2019. From February 2012 to January 2017, Mr. Abulaban served as the Senior Vice President and Group President, Global Electrical and Electronic Architecture Segment and President of Aptiv Asia Pacific. Prior to that, Mr. Abulaban held various business unit leadership positions with Delphi in China, Singapore and the United States. Mr. Abulaban is currently a member of the Board of Directors of SPX FLOW, Inc. (NYSE: FLOW), a global supplier of highly specialized, engineered solutions. Mr. Abulaban holds a bachelor's degree in mechanical engineering from the University of Pittsburgh and a Master of Business Administration from the Weatherhead School of Management at Case Western Reserve University.

There are no family relationships between Mr. Abulaban and any of the directors and executive officers of the Company, nor are there transactions in which Mr. Abulaban has an interest requiring disclosure under Item 404(a) of Regulation S-K. Except for the Employment Agreement, there are no arrangements or understandings between Mr. Abulaban and the Company, its officers or directors, or, to the Company's knowledge, any other person, pursuant to which Mr. Abulaban was appointed to the Board. As an officer of the Company, Mr. Abulaban has not been appointed to any standing committee of the Board.

The Employment Agreement is subject to an initial two-year term, with one-year automatic renewals thereafter. The Employment Agreement provides Mr. Abulaban with an initial annual base salary of \$800,000 and eligibility to receive annual cash performance bonuses with target and maximum opportunities of 125% and 250% of his annual base salary, respectively, subject to a minimum amount for the 2019 fiscal year of \$625,000. In addition, Mr. Abulaban is eligible to receive severance payments and benefits upon certain terminations of his employment with the Company pursuant to the terms of the Employment Agreement.

In connection with the commencement of Mr. Abulaban's employment with the Company, Mr. Abulaban will receive the following equity awards pursuant to the Superior Industries International, Inc. 2019 Inducement Grant Plan (the Inducement Plan): (i) an initial award (the Initial Stock Grant) consisting of (A) 666,667 performance-vested restricted stock units (PRSUs) at target, vesting in three approximately equal installments to the extent that the performance metrics are satisfied during each of three performance periods and (B) 333,333 time-vested restricted stock units (RSUs), vesting in approximately equal installments on February 28, 2020, 2021 and 2022; (ii) a regular 2019-2021 PRSU grant, with the target number of PRSUs to be equal to \$1,600,000 divided by the closing price per share of the Company's common stock on the Start Date, which will vest to the extent that the performance metrics are satisfied; and (iii) a regular 2019 RSU grant, with the number of RSUs to be equal to \$800,000 divided by the closing price per share of the Company's common stock on the Start Date, vesting in approximately equal installments on February 28, 2020, 2021 and 2022. The Initial Stock Grant is intended to replace certain equity awards that were forfeited by Mr. Abulaban upon his resignation from Aptiv. The PRSU awards may be earned at up to 200% of target depending on the level of achievement of the performance metrics.

Contemporaneously with the effectiveness of Mr. Abulaban's appointment as President and Chief Executive Officer of the Company, Timothy C. McQuay will cease serving as interim Executive Chairman of the Board but will remain

Chairman of the Board.

Mr. Abulaban will also receive indemnification to the fullest extent permitted under Delaware General Corporation Law and the Company's Bylaws, under which the Company indemnifies, defends and holds harmless its officers and directors from and against losses and expenses as a result of service as a director or officer of the Company, and concurrently with commencement of his employment with the Company, the Company and Mr. Abulaban will enter into an indemnification agreement (the "Indemnification Agreement").
