Information About the Annual Meeting and Proxy Voting

What Matters are to be Voted on at the Annual Meeting?

We intend to present the following proposals for stockholder consideration and voting at the Annual Meeting:

- (1) the election of seven (7) directors to serve until the next annual meeting of stockholders and until their respective successors are elected and qualified;
- (2) the ratification of the selection by the Audit Committee of our

Edgar Filing: Gales Industries Inc - Form DEF 14A

Board of Directors of Golub Goldstein & Kessler LLP as the independent registered public accounting firm for the year ending December 31, 2007;

- (3) amend our certificate of incorporation to change our corporate name to Air Industries Group, Inc.;
- (4) adjourn the Annual Meeting to solicit additional proxies in the event there are insufficient votes to approve any of the foregoing Proposals; and
- (5) such other business as may properly come before the Annual Meeting or any adjournment thereof.

What is the Board's Recommendation?

The Board of Directors recommends votes FOR items 1, 2, 3 and 4 on your proxy card.

Will Any Other Matters be Presented for a Vote at the Annual Meeting?

The Board of Directors did not receive any notice prior to the deadline for submission of additional business that any other matters might be presented for a vote at the Annual Meeting. However, if another matter were to be properly presented, the proxies would use their own judgment in deciding whether to vote for or against it.

Who is Entitled to Vote?

Our voting securities consist of our series B convertible preferred stock and our common stock. All stockholders of record of our series B convertible preferred stock or common stock at the close of business on May 17, 2007 are entitled to vote at the Annual Meeting. Holders of our series B convertible preferred stock and holders of our common stock on that date will vote together as a single class on all of the matters described above. Each share of common stock will be entitled to one vote and each share of series B convertible preferred stock will be entitled to 36 votes, representing that number of votes that the holder would have if that share had been converted into common stock on May 17, 2007.

As of the close of business on May 17, 2007, we had outstanding of record 57,780,604 shares of common stock and 802,300 shares of series B convertible preferred stock. The total number of votes that may be cast at the Annual Meeting is 86,786,374, representing the total number of shares of common stock that we would have outstanding on that date if all of those shares of series B convertible preferred stock had been converted into common stock on that date.

If you are the beneficial owner, but not the record owner, of our series B convertible preferred stock or common stock, you will receive instructions about voting from the bank, broker or other nominee that is the stockholder of record of your shares. Contact your bank, broker or other nominee directly if you have questions.

Who can Attend the Annual Meeting?

Only stockholders of record of our common stock or series B convertible preferred stock, or their duly appointed proxies, are entitled to attend the Annual Meeting.

If a bank, broker or other nominee is the record owner of your shares, you will need to have proof that you are the beneficial owner to be admitted to the Annual Meeting. A recent statement or letter from your bank or broker confirming your ownership, or presentation of a valid proxy from a bank,

Edgar Filing: Gales Industries Inc - Form DEF 14A

broker or other nominee that is the record owner of your shares, is acceptable proof of your beneficial ownership.

How do I Vote my Shares?

- o Stockholders of record may grant a proxy with respect to their shares by mail
- o Voting instructions appear on your proxy card.
- o If you are a stockholder of record or a duly appointed proxy of a stockholder of record, you may attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting to vote in person, you will have to contact your bank, broker or other nominee to obtain its proxy. Bring that document with you to the meeting.
- o Proxies submitted by mail will be voted in the manner you indicate by the individuals named on the proxy. If you do not specify how your shares are to be voted, the proxies will vote your shares FOR Proposals 1, 2, 3 and 4.

May I Change or Revoke my Proxy After it is Submitted?

Yes, you may change or revoke your proxy at any time before the Annual Meeting by:

- o returning a later-dated proxy card;
- o attending the Annual Meeting and voting in person; or
- o sending your written notice of revocation to Stephen M. Nagler, our corporate Secretary, at the address listed below..

Your changed proxy or revocation must be received before the polls close for voting.

What is a "Quorum?"

2

In order for business to be conducted at the Annual Meeting, a quorum must be present. A quorum will be present if stockholders of record holding a majority in voting power of the outstanding shares of our series B convertible preferred stock and common stock entitled to vote at the Annual Meeting are present in person or are represented by proxies.

What Vote is Necessary to Pass the Items of Business at the Annual Meeting?

Holder of our common stock and series B convertible preferred stock will vote as a single class on each matter to be presented at the Annual Meeting. Each share of common stock will be entitled to one vote and each share of series B convertible preferred stock will be entitled to 36 votes, representing that number of votes that the holder would have if that share had been converted into common stock on May 17, 2007. The seven (7) nominees for director receiving a plurality of the votes cast by holders of our series B convertible preferred stock and common stock at the Annual Meeting, in person or by proxy, will be elected to our Board. The favorable vote of a majority of our outstanding shares

Edgar Filing: Gales Industries Inc - Form DEF 14A

entitled to vote at the Annual Meeting, in person or by proxy, is required to approve the proposal to change our corporate name. The holders of a majority of shares voted at the Annual Meeting, in person or by proxy, is required for approval of all the remaining matters.

How are Abstentions and Broker Non-Votes Counted?

Abstentions and broker non-votes will be counted to determine whether a quorum is present. However, if a stockholder abstains from voting as to a particular matter, those shares will not be counted as voting for or against that matter. If a broker or other record holder of shares returns a proxy card indicating that it does not have discretionary authority to vote as to a particular matter ("broker non-votes"), those shares will not be counted as voting for or against that matter. Accordingly, abstentions and broker non-votes will have no effect on the outcome of a vote.

What is the Deadline for Submission of Stockholder Proposals for the 2008 Annual Meeting?

Proposals that our stockholders may wish to include in our proxy statement and form of proxy for presentation at our 2008 annual meeting of stockholders must be received by or delivered to us at our executive offices, 1479 North Clinton Avenue, Bay Shore, New York 11706 Attention: Secretary, no later than January 24, 2008. Any stockholder proposal must be made in accordance with the rules and regulations of the Securities and Exchange Commission and must constitute a proper matter for stockholder action.

Where can I Find the Voting Results of the Annual Meeting?

Transactions of Ashlin Prior to the Merger:

In connection with our Plan of Reorganization, in January 2005, we entered into an employment agreement with James A. Brown, who was then our Chief Executive Officer, and disposed of substantially all of our assets to an entity controlled by another person who had been our former Chief Executive Officer.

Mr. Brown received 100,000 shares, with a fair value of \$7,000, as of November 2005 in connection with the merger.

Transactions Relating to Original Gales Prior to the Merger:

In August 2005, Mr. Stephen Nagler, one of our directors and our Secretary, loaned \$10,000 to Gales Industries Incorporated, a privately-owned Delaware corporation ("Original Gales"). Co-investors of Mr. Nagler loaned an additional \$35,000 to Original Gales in the same financing. In connection with that financing, Original Gales issued to the investors its 12% convertible bridge notes in the aggregate principal amount of \$45,000. The bridge notes were repaid with a portion of the proceeds of the offering. In connection with the financing, Original Gales issued to the investors warrants to purchase 204,547 shares of its common stock at \$0.22 per share and, as a result of the merger, those warrants became warrants to purchase an equal number of shares of our common stock. The warrants allow for cashless exercise and have weighted-average anti-dilution protection with respect to the exercise price.

Transactions Relating to Air Industries Machining Corporation Prior to the Merger:

Prior to its acquisition by Original Gales, AIM leased manufacturing and office space from KPK Realty Corp. which, since October, 1974, has been owned 49% by Luis Peragallo, an officer, a director and the largest shareholder of AIM prior to its acquisition by Original Gales. The annual rent under the lease was approximately \$300,000, plus annual real estate taxes on the leased property. Between 1989 and 1990, AIM advanced \$208,233 to KPK Realty Corp. In partial repayment of the advances from AIM, rent in the amount of \$11,496 in 2005 was

14

offset by KPK Realty Corp. from the amounts due under the lease. In addition, from 1990 to 2005, AIM was a guarantor of the mortgage (with a balance of approximately \$677,000 as of September 30, 2005) on such leased property. This guaranty was terminated in connection with the real estate acquisition.

Prior to its acquisition by Original Gales, AIM leased manufacturing space at an annual rental of approximately \$82,800, plus annual real estate taxes on such property, from DPPR Realty Corp. which, since January 2003 has been 100% owned by Peter Rettaliata and Dario Peragallo. Prior to the acquisition, Messrs. Rettaliata and D. Peragallo owned an aggregate of 36.84% of AIM's outstanding capital stock. Messrs. Rettaliata and D. Peragallo were officers of AIM and are officers and directors of our company. From February 2003 to November 30, 2005, AIM was also a guarantor of the mortgage (with a balance of approximately \$567,000 as of September 30, 2005) on such leased property. This guaranty was terminated in connection with the real estate acquisition.

In June 1995, an individual who held 49% of the outstanding capital stock of AIM sold such interest to Jorge Peragallo and Peter Rettaliata for cash and a \$625,000 principal amount promissory note from each of Mr. J. Peragallo and Mr. Rettaliata (\$1,250,000 in the aggregate). AIM guaranteed the repayment of these promissory notes, which aggregated \$1,250,000 in principal amount. These

Edgar Filing: Gales Industries Inc - Form DEF 14A

promissory notes were repaid in full in June 2005.

Peter Rettaliata, who was an officer of AIM, advanced \$5,000 to AIM during 2003 and \$42,678 to AIM during 2004. Dario Peragallo, who was an officer of AIM, advanced \$5,000 to AIM during 2003 and \$39,334 to AIM during 2004. Luis Peragallo, who was an officer of AIM, advanced \$5,000 to AIM during 2003 and \$18,179 to AIM during 2004. Jorge Peragallo, who was an officer of AIM, advanced \$5,000 to AIM during 2003 and \$38,344 to AIM during 2004. As of September 30, 2005, AIM had received an aggregate of \$363,323 in loans from its officers and was obligated to repay such amount to its officers. Such amount was repaid in connection with our acquisition of AIM. In October 2005, AIM agreed to pay an aggregate of \$225,000 to its officers to enable them to pay income taxes accrued while operating AIM as a Subchapter S corporation. Such amount was paid in connection with our acquisition of AIM.

Transactions Relating to the Merger and Acquisition of AIM:

On November 30, 2005, Original Gales completed the acquisition from Messrs. Luis Peragallo, Jorge Peragallo, Peter Rettaliata and Dario Peragallo, of all of the outstanding capital stock of AIM. Original Gales had entered into a Stock Purchase Agreement with AIM and the shareholders of AIM as of July 25, 2005. The aggregate purchase price paid to the AIM shareholders consisted of (i) \$3,114,296 in cash, (ii) \$1,627,262 principal amount of promissory notes, payable over five years, of which \$962,000 were in the form of a secured subordinated promissory note payable to Mr. Luis Peragallo and \$665,262 were in the form of unsecured convertible promissory notes (\$332,631 payable to Mr. Peter Rettaliata and \$332,631 payable to Mr. Dario Peragallo), convertible into shares of our common stock at a price of \$0.40 per share, and (iii) 490,060 shares of newly issued common stock. The 490,060 shares of common stock issued to the AIM shareholders were allocated as follows: 253,214 shares to Luis Peragallo, 118,423 shares to Peter Rettaliata and 118,423 shares to Dario Peragallo. In addition to the purchase price, Original Gales paid an aggregate of \$1,053,862 in connection with the acquisition, a portion of which represented legal and accounting expenses (\$300,000) incurred by AIM and its shareholders and \$270,403 to enable AIM's shareholders to pay income taxes accrued prior to closing. The purchase price paid to AIM's shareholders was the result of arms' length negotiation between Original Gales and the AIM shareholders.

Our employment agreements with Messrs. Gales, Giusto, Rettaliata and D. Peragallo became effective on November 30, 2005 and we issued stock options to them as of that date. See "Executive Compensation - Employment Agreements".

As of November 30, 2005, Original Gales Acquisition Corp., Inc. completed the purchase from entities which are owned, in part, by affiliates of AIM (KPK Realty Corp. and DPPR Realty Corp.), for the aggregate purchase price \$4,190,000, of the properties, described above, which were being leased by AIM prior to November 30, 2005 from such entities. The purchase price paid to KPK Realty Corp. was \$2,690,000 and the purchase price paid to DPPR Realty Corp. was \$1,500,000. Gales Industries Acquisition Corp., Inc. contemporaneously merged into AIM, with AIM being the surviving entity, so that AIM became the owner of such properties.

Independent Registered Public Accounting Firm

We retained Goldstein Golub Kessler LLP as our independent registered public accounting firm to audit our consolidated financial statements for the years ended December 31, 2006 and 2005. Goldstein Golub Kessler LLP has been our principal accounting firm since December 15, 2005 and also performed certain services for Gales Industries Incorporated, a privately-owned Delaware corporation, prior to November 30, 2005. Daszkal Bolton LLP was our principal accounting firm in 2004 and from January 1, 2005 to December 15, 2005.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm.

As required by our Audit Committee charter, our Audit Committee pre-approved the engagement of Daszkal Bolton LLP and Goldstein Golub Kessler LLP for all audit and permissible non-audit services. The Audit Committee annually reviews the audit and permissible non-audit services performed by our principal accounting firm and reviews and approves the fees charged by our principal accounting firm. The Audit Committee has considered the role of Daszkal Bolton LLP and Goldstein Golub Kessler LLP in providing tax and audit services and other permissible non-audit services to us and has concluded that the provision of such services, if any, was compatible with the maintenance of such firm's independence in the conduct of its auditing functions

During fiscal year 2006 and fiscal year 2005, the aggregate fees which we paid to or were billed by Goldstein Golub Kessler LLP for professional services, which only included audit fees, were as follows:

	Fiscal Year Ended December 31,	
	2006	2005
	----	----
Audit Fees (1)	\$341,879	\$220,018
Audit-Related Fees (2)	\$-0-	\$-0-
Tax Fees (3)	\$-0-	\$-0-
All Other Fees	\$-0-	\$-0-

(2) Fees, if any, for assurance and related services that are traditionally performed by our independent registered public accounting firm, such as audit attest services not required by statute or regulation, and consultation concerning financial accounting and reporting standards.

(3) Fees for tax compliance. Tax compliance generally involves preparation of original and amended tax returns, claims for refunds and tax payment planning

services.

During fiscal year 2006 and fiscal year 2005, the aggregate fees which we paid to Daszkal Bolton LLP for professional services were as follows:

Changes and Disagreements with Accountants

On December 15, 2005, we appointed the firm of Goldstein Golub Kessler LLP as our independent auditor and, as of that date, we dismissed the firm of Daszkal Bolton LLP, which had been serving as our independent auditor until that date. The change in auditors was in connection with the merger which occurred on November 30, 2005 and the resulting change in control of our company. The dismissal of Daszkal Bolton LLP and the appointment of Goldstein Golub Kessler LLP as our independent auditor were approved by our Board of Directors on December 15, 2005.

During the period from January 1, 2005 to December 15, 2005, we did not have any disagreements within the meaning of Instruction 4 of Item 304 of Regulation S-K) with Daszkal Bolton LLP as to any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure and there have been no reportable events (as defined in Item 304 of Regulation S-K).

We have not consulted with Goldstein Golub Kessler LLP regarding the application of accounting principles to a specified transaction or the type of audit opinion that might be rendered on our financial statements during the two most recent fiscal years through the present.

Proposal 2:

Ratification of Selection of Independent Registered Public Accounting Firm

The Board and the Audit Committee have selected Goldstein Golub Kessler LLP as the independent registered public accounting firm to perform the audit of our consolidated financial statements for the year ending December 31, 2007. Goldstein Golub Kessler LLP was our independent registered public accounting firm for the year ended December 31, 2006. The firm is a registered public accounting firm with the Public Company Accounting Oversight Board (the "PCAOB"), as required by the Sarbanes-Oxley Act of 2002 and the Rules of the PCAOB.

Edgar Filing: Gales Industries Inc - Form DEF 14A

A representative of Goldstein Golub Kessler LLP is expected to attend the 2007 Annual Meeting. That representative will have an opportunity to make a statement at the Annual Meeting if he desires to do so and will be available to respond to appropriate stockholder questions.

We are asking our stockholders to ratify the selection of Goldstein Golub Kessler LLP as our independent registered public accounting firm. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Goldstein Golub Kessler LLP to our stockholders for ratification as a matter of good corporate practice. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our company and our stockholders.

18

Our Board of Directors recommends that stockholders vote for the ratification of the selection of Goldstein Golub Kessler LLP as our independent registered public accounting firm for the year ending December 31, 2007.

Proposal 3:

Amendment of the Certificate of Incorporation to
Change Our Corporate Name to Air Industries Group, Inc.

On April 13, 2007, our Board of Directors approved the submission to the stockholders of an amendment to our Certificate of Incorporation changing our corporate name from Gales Industries Incorporated to Air Industries Group, Inc.

Our Board believes that the name Air Industries Group, Inc. will provide us with greater name recognition within the defense contracting industry. The name of our principal operating subsidiary is Air Industries Machining Corp., referred to as "AIM". AIM enjoys a favorable standing in the industry and with customers within its target market. In addition, under the terms of our separation agreement with our former executive chairman and founder, Michael A. Gales, we agreed to remove his surname from our corporate name.

Our Board of Directors recommends that stockholders vote for the amendment to our Certificate of Incorporation changing our corporate name to Air Industries Group, Inc.

Proposal 4:

Adjournment of Annual Meeting

Our Board of Directors has approved the submission to the stockholders of a proposal to adjourn the Annual Meeting in the event that there are not a sufficient number of votes at the Annual Meeting to approve Proposals 1, 2 or 3. In order to permit proxies that have been timely received to be voted for an adjournment, we are submitting this proposal as a separate matter for your consideration. If it is necessary to adjourn the Annual Meeting and the adjournment is for a period of less than 30 days, no notice of the time or place of the reconvened meeting will be given to stockholders, other than an announcement made at the Annual Meeting.

The Board of Directors recommends that Stockholders Vote for
the Approval of the Adjournment of the Annual Meeting.

GALES INDUSTRIES INCORPORATED
BOARD OF DIRECTORS
AUDIT COMMITTEE CHARTER

Purpose

The Audit Committee (hereinafter, the "Committee") will provide assistance to the Board of Directors of Gales Industries Incorporated, a Delaware corporation (the "Company"), in fulfilling its oversight responsibility to the shareholders and others relating to the integrity of the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the annual independent audit of the Company's financial statements, the Company's compliance with legal and regulatory requirements, and its ethics programs as established by management and the Board of Directors. The Committee shall also oversee the independent auditors' qualifications and independence. The Committee will evaluate the performance of the Company's independent auditors, including a review and evaluation of the engagement partner and coordinating partner. In so doing, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent auditors, the internal auditors and management of the Company, so as to make the Board aware of significant financial matters which require the Board's attention.

Committee Membership

The Committee shall be comprised of three or more "independent" members of the Board, each of whom is able to read and understand fundamental financial statements and at least one of whom has past employment experience in finance or accounting, is a certified accountant, or has other comparable experience, including a current or past position as chief executive, financial officer or other senior officer with financial oversight responsibilities. A member of the Board is independent only if he or she satisfies the requirements for independence as established by the Securities and Exchange Commission ("SEC") and, in the event the Company's securities become listed on any securities exchange, as established by such exchange, and has no relationship to the Company that may interfere with the exercise of his or her independent judgment. The members of the Committee and its Chairman will be appointed by and serve at the discretion of the Board. Committee members may receive no compensation from the Company other than Director's fees, including appropriate compensation for committee service. The Board will designate at least one member of the Committee as the "audit committee financial expert" as defined by the SEC.

Committee Authority, Functions and Responsibilities

General responsibilities

The primary responsibility of the Committee is to oversee the Company's financial controls and reporting processes on behalf of the Board and report the results of its activities to the Board. Management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements.

Take the appropriate actions to set the overall corporate "tone" for quality financial reporting, consistent with the Company's commitment to sound business risk practices, and ethical behavior.

Edgar Filing: Gales Industries Inc - Form DEF 14A

The Committee shall be subject to the By-laws of the Company, as in effect from time to time and applicable corporation law of the State of Delaware. The Committee shall be obligated, and shall have the full power and authority, to carry out the following responsibilities:

Responsibilities for engaging independent accountants and appointing the internal auditor, if any.

1. The Committee shall select the Independent Auditors. The Committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the Board and the Committee,

as representatives of the Company's shareholders. The Committee shall have the sole authority and responsibility to hire, evaluate and, where appropriate, replace the independent auditors and, in its capacity as a committee of the Board, shall be directly responsible for the appointment, compensation and oversight of the work of the independent auditors. Annually, the Committee shall review the qualifications and performance of the Company's current independent auditors and select the Company's independent auditors for the next year. The Committee shall consider the auditors' independence from management and the Company, including whether the auditors' performance of permissible non-audit services is compatible with their independence, and the Committee shall approve, in advance, any engagement of the independent auditors to perform non-audit services for the Company. The Committee shall also review the independent auditors' internal control procedures, any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues.

2. The Committee shall receive a formal written statement from the Company's independent auditors describing all relationships between the auditors and the Company.

3. The Committee shall review the engagement of the independent auditors, including the scope, extent and procedures of the audit and the compensation to be paid therefore, and all other matters the Committee deems appropriate.

Responsibilities for reviewing internal audits, the annual external audit and the review of quarterly and annual financial statements

1. The Committee shall have familiarity, through the individual efforts of its members, with the accounting and reporting principles and practices applied by the Company in preparing its financial statements, including, without limitation, the policies for recognition of revenue in financial statements.

2. Inquire about the impact of and, if appropriate, review new and proposed releases and pronouncements by the Financial Accounting Standards Board (FASB), the American Institute of Certified Public Accountants (AICPA) and the SEC that may affect current or future financial statements or other disclosures in financial reports.

3. Meet separately with management and the independent auditors, upon completion of their audit, to review and discuss the Company's financial results for the year, as reported in the Company's financial statements, or other disclosures, and any other items required to be communicated by the independent auditors to the Audit Committee.

Edgar Filing: Gales Industries Inc - Form DEF 14A

4. Provide a report in the Company's annual meeting proxy statement describing how the Committee has complied with its responsibilities under the Charter, including without limitation, whether the Committee has reviewed and discussed the Company's audited financial statements with the Company's management, whether the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K (or Form 10-KSB), and whether any matters came to the attention of the Committee that caused the Committee to believe that the audited financial statements contain any materially misleading information or omit any material information.

5. Instruct the independent auditors to perform a quarterly review and discuss the Company's financial results with the Committee and the Company's management in accordance with the "Meetings" requirements set forth below, prior to the filing of a Form 10-Q (or Form 10-QSB).

6. Assist and interact with the independent auditors so that they may carry out their duties in the most efficient and cost effective manner.

A-2

7. Evaluate the cooperation received by the independent auditors during their audit examination, including their access to all requested records, data and information, and elicit the comments of management regarding the responsiveness of the independent auditors to the Company's needs.

8. Review the Company's balance sheet, profit and loss statements and statements of cash flow and stockholders' equity for each interim period, and any changes in accounting policy that have occurred during the interim period.

9. Consult with the independent auditors and discuss with Company management the scope and quality of internal accounting and financial reporting controls in effect.

10. Determine, as regards new transactions or events, the auditor's reasoning in concurring with the appropriateness of the accounting principles and disclosure practices adopted by management or changes thereto.

11. Provide open avenues of communication among the internal auditors, if any, the independent accountant and the board of directors.

Periodic responsibilities

1. Disclose in the Company's annual meeting proxy statement that the Committee has a written charter, and file the current Charter in the Company's annual meeting proxy statement as required by applicable rules of the SEC.

2. Review the Charter at least once annually and update as appropriate.

3. Establish procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by employees of the Company regarding questionable accounting or auditing matters.

4. Investigate, review and report to the Board the propriety and ethical implications of any transactions, as reported or disclosed to the Committee by the independent auditors, employees, officers, members of the Board or otherwise, between (a) the Company and (b) any employee, officer or member of the Board of the Company, or any affiliates of the foregoing.

Edgar Filing: Gales Industries Inc - Form DEF 14A

5. Review and discuss with management, the internal auditors, and the independent auditors the Company's policies with respect to risk assessment and risk management.
6. Engage independent counsel and other advisors as it deems necessary to carry out its duties.
7. Perform such other functions and have such power as may be necessary or convenient in the efficient and lawful discharge of the foregoing.

Meetings

The Committee will hold regular meetings as the Committee determines, and special meetings as the Chairman or the Committee deems appropriate.

The Committee shall meet with the independent auditor and the CFO at least quarterly to review the financial statements and audit for the fiscal year and to conduct each quarterly financial review.

Meetings may be held by conference telephone call as provided in the Bylaws. The chief executive officer, chief operating officer and/or chief accounting officer may attend any meeting of the Committee, except for executive sessions as determined by the Committee Chairman.
