Information Concerning the Board of Directors

Board Leadership Structure and Risk Oversight

The Board does not have a policy requiring separation of the roles of Chief Executive Officer and Chairman of the Board. Nevertheless, Michael N. Taglich is Chairman of the Board and Daniel R. Godin is Chief Executive Officer of the Company.

The Board has determined that a non-employee director serving as Chairman is in the best interests of our stockholders at this time. This structure ensures a greater role of non-employee Directors in the active oversight of our business, including risk management oversight, and in setting agendas and establishing Board priorities and procedures. This structure also allows the Chief Executive Officer to focus to a greater extent on the management of our day-to-day operations.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Company, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including

reports on noteworthy risk-management issues. Members of the Company's senior management team regularly report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or one of its committees.

Board Independence

Our Board of Directors has determined that Robert Schroeder, Seymour G. Siegel, David Buonanno and Michael Brand are "independent directors" within the meaning of NYSE MKT Rule 803A(2).

Director Compensation

Non-employee Directors are entitled to receive compensation for serving as directors and may receive option grants from our company. Each Director also is entitled to be repaid or prepaid all traveling, hotel and incidental expenses reasonably incurred or expected to be incurred in attending meetings of our Board of Directors or committees of our Board of Directors or shareholder meetings or otherwise in connection with the discharge of his duties as a Director. The compensation committee will assist the directors in reviewing and approving the compensation structure for our directors.

The following table sets forth certain information regarding the compensation paid to our directors during the fiscal year ended December 31, 2015.

During fiscal 2015, each of the directors then in office attended more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings of all committees of the Board on which such director served.

We maintain the following committees of the Board of Directors: the Audit Committee, the Compensation Committee and the Nominating Committee. Each committee is comprised entirely of directors who are “independent” within the meaning of NYSE MKT Rule 803A(2). Each committee acts pursuant to a separate written charter, and each such charter has been adopted and approved by the Board of Directors. Copies of the committee charters are available on our website at airindustriesgroup.com under the heading “Investor Relations.”

Audit Committee. Messrs. Siegel, Schroeder and Buonanno are members of the Audit Committee. Mr. Siegel serves as Chairman of the Audit Committee and also qualifies as an "audit committee financial expert," as that term is defined in Item 407(d)(5)(ii) of Regulation S-K. The Board has determined that each member of our Audit Committee meets the financial literacy requirements under the Sarbanes-Oxley Act and SEC rules and the independence requirements under NYSE MKT Rule 803A(2). The Audit Committee held four meetings during fiscal 2015.

Our Audit Committee is responsible for preparing reports, statements and charters required by the federal securities laws, as well as:

- overseeing and monitoring our independent registered public accounting firm's qualifications, independence and performance;
- providing the Board with the results of its monitoring and its recommendations; and
- providing to the Board additional information and materials as it deems necessary to make the Board aware of significant financial matters that require the attention of the Board.

Compensation Committee. Our Compensation Committee is composed of Messrs. Siegel, Buonanno and Brand. The Compensation Committee is responsible for:

- establishing the Company's general compensation policy, in consultation with the Company's senior management, and overseeing the development and implementation of compensation programs.
- reviewing and approving corporate goals and objectives relevant to the compensation of the CEO, and evaluating the performance of the CEO at least annually in light of those goals and objectives and communicating the results of such evaluation to the CEO and the Board, and determining the CEO's compensation level based on this evaluation, subject to ratification by the independent directors on the Board. In determining the incentive component of CEO compensation, the Committee will consider, among other factors, the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies, the awards given to the CEO in past years, and such other factors as the Committee may determine to be appropriate.
- reviewing and approving the compensation of all other executive officers of the Company, such other managers as may be directed by the Board, and the directors of the Company.

- overseeing the Board's benefit and equity compensation plans, overseeing the activities of the individuals and committees responsible for administering these plans, and discharging any responsibilities imposed on the Committee by any of these plans.
- approving issuances under, or any material amendments to, any stock option or other similar plan pursuant to which a person not previously an employee or director of the Company, as an inducement material to the individual's entering into employment with the Company, will acquire stock or options.
- in consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing the Company's policies on structuring compensation programs to preserve related tax objectives.
- reviewing and approving any severance or similar termination payments proposed to be made to any current or former officer of the Company.
- preparing an annual report on executive compensation for inclusion in our proxy statement for the election of directors, if required under the applicable SEC rules.

The Compensation Committee held two meetings during fiscal 2015.

Nominating Committee. Our Nominating Committee is composed of Messrs. Schroeder, Siegel and Brand. The purpose of the Nominating Committee is to seek and nominate qualified candidates for election or appointment to our Board of Directors. The Nominating Committee will seek candidates for election and appointment that possess the integrity, leadership skills and competency required to direct and oversee the Company's management in the best interests of its stockholders, customers, employees, communities it serves and other affected parties. The Nominating Committee held one meeting during fiscal 2015.

A candidate must be willing to regularly attend Committee and Board of Directors meetings, to develop a strong understanding of the Company, its businesses and its requirements, to contribute his or her time and knowledge to the Company and to be prepared to exercise his or her duties with skill and care. In addition, each candidate should have an understanding of all corporate governance concepts and the legal duties of a director of a public company.

Stockholders may contact the Nominating Committee Chairman, the Chairman of the Board or the Corporate Secretary in writing when proposing a nominee. This correspondence should include a detailed description of the proposed nominee's qualifications and a method to contact that nominee if the Nominating Committee so chooses.

None of our executive officers or key employees named in the above table has an employment agreement providing for a fixed term of employment. All are employees at will terminable at any time without any severance, other than that payable to employees generally.

Terms of Daniel R. Godin's Employment

Daniel R. Godin, our President and Chief Executive Officer, is entitled to a base salary of \$250,000 per annum, plus a bonus for 2015 based upon performance criteria to be determined. We also paid Mr. Godin a signing bonus of \$50,000. In addition, Mr. Godin receives a car allowance of \$800 per month and is eligible to participate in such health and welfare plans as are made available to our executives generally. On December 1, 2014, we granted Mr. Godin options to purchase 120,000 shares at an exercise price of \$10.12 per share. The options vest in quarterly installments of 10,000 shares on the first day of March, June, September and December of each year commencing March 1, 2015 until fully vested as to 120,000 shares on December 1, 2017. The options expire on November 30, 2021.

Terms of James Sartori's Employment

James Sartori, was appointed Vice President, Chief Accounting Officer January 15, 2015, and resigned in April 2016. Pursuant to his employment agreement he was entitled to a base salary of \$175,000 and eligible for such cash bonuses and equity incentive awards as the Board from time to time determined to be appropriate. On March 19, 2015, we granted Mr. Sartori an option to purchase 11,000 shares of common stock at an exercise price of \$10.34 per share. The options were to vest in annual installments of 3,666 shares on the first two anniversaries of the date of grant, and as to 3,668 shares on the third anniversary of the date of grant. Because of Mr. Sartori's departure, the 3,666 shares which vested on March 19, 2016, will expire on July 21, 2016.

Executive Compensation Policies as They Relate to Risk Management

The Compensation Committee and management have considered whether our compensation policies might encourage inappropriate risk taking by the Company's executive officers and other employees. The Compensation Committee has determined that the current compensation structure aligns the interests of the executive officers with those of the Company without providing rewards for excessive risk taking by awarding a mix of fixed and performance based or discretionary bonuses with the performance based compensation focused on profits as opposed to revenue growth.

During the years ended December 31, 2015 and 2014, less than 1% of the total compensation paid to employees was paid in performance-based compensation, including commissions and bonuses.

Equity Awards – 2015

The following table shows the grant of equity awards in the form of options to James Sartori who was our only named Executive Officer to receive an equity award during 2015. We did not grant any equity awards in the form of shares to any of the named Executive Officers during 2015 and consequently have omitted those columns from the table which would have described such awards.

Equity Incentive Plans

We have two equity incentive plans, the 2015 Equity Incentive Plan (the “2015 Plan”), which our Board of Directors adopted in March 2015 and our stockholders approved in June 2015, and the 2013 Equity Incentive Plan (the “2013 Plan”), which our Board of Directors adopted in May 2013 and our stockholders approved in July 2013. The 2015 Plan is virtually identical to the 2013 Plan, except that the 2015 Plan authorized the issuance of 350,000 shares of Common Stock and the 2013 Plan authorized the issuance of 600,000 shares. As of March 31, 2016, options to purchase 564,342 shares remain outstanding and no shares remained available for issuance under the 2013 Plan. All of the 350,000 shares authorized under the 2015 Plan were available for issuance on March 31, 2016. On April 14, 2016, 120,000 shares were issued to employees under the 2015 Plan. The Plans permit the Company to grant stock awards and non-qualified and incentive stock options to employees, directors and consultants. The Plan is administered by the Compensation Committee of the Board and has a term of ten years from the date it was adopted by the Board.

We adopted the Plans to provide a means by which employees, directors, and consultants of our Company and those of our subsidiaries and other designated affiliates, which we refer to together as our affiliates, may be given an opportunity to purchase our Common Stock, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions, and to provide incentives for such persons to exert maximum efforts for our success and the success of our affiliates.

Item 13. Certain Relationships and Related Transactions, and Director Independence.

Our Policy Concerning Transactions with Related Persons

Under Item 404 of SEC Regulation S-K, a related person transaction is any actual or proposed transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities (a “significant shareholder”), or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

We recognize that transactions between us and any of our Directors or Executives or with a third party in which one of our officers, directors or significant shareholders has an interest can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our Company and stockholders.

The Audit Committee of the Board of Directors is charged with responsibility for reviewing, approving and overseeing any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K), including the propriety and ethical implications of any such transactions, as reported or disclosed to the Committee by the independent auditors, employees, officers, members of the Board of Directors or otherwise, and to determine whether the terms of the transaction are not less favorable to us than could be obtained from an unaffiliated party.

Transactions with Related Persons

The following includes a summary of transactions since January 1, 2014, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest.

On January 1, 2014, we entered into a Capital Market Advisory Agreement with Taglich Brothers pursuant to which Taglich Brothers provides us, on a non-exclusive basis, business advisory services for a monthly fee of \$7,000 and a warrant to purchase 10,000 shares of our common stock at an exercise price of \$8.72 per share. This agreement renews annually.

In connection with our public offering of 1,170,000 shares of common stock completed on June 3, 2014, we paid Taglich Brothers, which acted as placement agent for the offering, \$842,400, representing 8% of the gross proceeds of the offering as a sales commission, plus an additional \$75,000 in reimbursement of counsel fees. In addition, we granted Taglich Brothers placement agent warrants to purchase 46,800 shares of common stock, representing 4% of the shares sold in the offering as additional compensation. The warrants are exercisable for cash or on a cashless basis at a per share exercise price equal to \$11.25, commencing May 29, 2015 and expiring May 28, 2019.

We paid Taglich Brothers a total of \$18,000 (\$1,500 per month) during 2014 for posting its research reports on our company on its website pursuant to a research distribution agreement and \$6,000 to date during 2015.

On September 8, 2015, the Company borrowed \$350,000 from Michael Taglich, a director of the Company, and issued its promissory notes in the principal amount of \$350,000 to evidence its obligation to repay that indebtedness. The notes bear interest at the rate of 4% per annum and is payable on September 7, 2016.

On April 8, 2016, the Company borrowed \$350,000 from each of Michael N. Taglich and Robert F. Taglich, directors of the Company, and issued its promissory notes in the principal amount of \$350,000 to evidence its obligation to repay that indebtedness. The notes bear interest at the rate of 7% per annum and are payable on June 30, 2016, or earlier upon the Company's receipt of proceeds from the sale of its equity securities in the aggregate amount of \$1,000,000.

The foregoing transactions were reviewed and approved by the Audit Committee or our Board of Directors. We believe that the terms of each transaction were not less favorable to us than those terms that could be obtained from an unaffiliated third party.

The Audit Committee has considered the role of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. in providing tax and audit services and other permissible non-audit services to us and has concluded that the provision of such services, if any, was compatible with the maintenance of such firm's independence in the conduct of its auditing functions.
