#### Amendment of Settlement Agreement with Competition Commission

Since the previously announced Settlement Agreement was concluded with the Competition Commission ("the Commission") in respect of competition law contraventions in the fertilizer and phosphoric acid businesses of Sasol Nitro, Sasol has continued its internal investigations. It is only now after intensive repeat interviews with employees and former employees that additional new information relevant to one of the previously announced contraventions in the fertilizer business has been uncovered. Sasol tendered the information to the Commission as soon as it was verified, in line with its commitment to co-operate with the

Commission.

In view of the new information Sasol tendered an amendment to the Settlement Agreement to expand the scope of the admissions that Sasol made in respect of the anti-competitive conduct in the fertilizer industry. The Commission agreed to the amendments, but indicated that the amendment would require an increase in the administrative fine that Sasol agrees to pay in terms of the settlement agreement from R188,01 million to R250,68 million. The information changed the Commission's view of the nature and seriousness of one of the matters covered by the settlement agreement. The Settlement Agreement was amended yesterday to reflect these changes and submitted to the Competition Tribunal for confirmation. The application for confirmation of the Settlement Agreement will be heard by the Competition Tribunal tomorrow, Wednesday 20 May 2009.
