**Item 1.01  Entry into a Material Definitive Agreement**

Effective July 31, 2009, Vishay Intertechnology, Inc. (Vishay or the Company) entered into the second amendment to the Fourth Amended and Restated Credit Agreement (the Credit Agreement) with a consortium of banks led by Comerica Bank as administrative agent.

The Credit Agreement effectively consists of:

- a revolving credit commitment of up to \$250 million available through April 20, 2012, and
- an amortizing term loan maturing July 1, 2011 (principal amount outstanding of \$100 million as of June 27, 2009, the end of Vishay's second fiscal quarter).

## Edgar Filing: VISHAY INTERTECHNOLOGY INC - Form 8-K

The amendment makes the following modifications to the Credit Agreement:

- The Fixed Charges Coverage Ratio (FCCR) covenant has been revised to require a minimum FCCR of 1.75 to 1 for the fiscal quarter ending September 26, 2009 and the continuation of the minimum FCCR of 2.50 to 1 for successive fiscal quarters, as required under the Credit Agreement.
- The interest rates applicable to amounts outstanding under the revolving credit commitment have increased by 40 basis points (to LIBOR plus 1.40% at the current leverage ratio). The interest rates applicable to amounts outstanding under the term loan arrangement have not changed (LIBOR plus 2.5% at the current leverage ratio).
- If the FCCR for the fiscal quarter ending September 26, 2009 is less than 2.50 to 1 but greater than 2.15 to 1, the Company must pay an additional fee of 75 basis points on the revolving credit commitment and the outstanding principal amount of the term loan as of September 26, 2009. If the FCCR for the fiscal quarter ending September 26, 2009 is less than or equal to 2.15 to 1 but greater than 1.75 to 1, the Company must pay an additional fee of 100 basis points on the revolving credit commitment and the outstanding principal amount of the term loan as of September 26, 2009.
- Additional collateral, including (i) accounts receivable, inventory, machinery and equipment, and general intangibles (but excluding real estate and bank accounts) of the Company and subsidiaries located in the United States, (ii) accounts receivable of a German subsidiary, and (iii) certain intercompany loans owed to a significant German subsidiary, has been added. The borrowings also continue to be secured by pledges of stock in certain significant subsidiaries and certain guarantees of significant subsidiaries.
- Foreign subsidiaries of the Company continue to be eligible to become permitted borrowers (upon satisfaction of certain requirements), although these entities are now subject to a limit of \$125 million in borrowings.

Other significant terms and conditions of the Credit Agreement have not been changed. The Credit Agreement, as amended, will expire April 20, 2012.

The foregoing description is qualified in its entirety by reference to the second amendment to the Fourth Amended and Restated Credit Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
