Item 2.02 Results of Operations and Financial Condition.

Enterprise Bank & Trust (the Bank), the primary subsidiary of Enterprise Financial Services Corp (the Company), is subject to supervision and examination by the Federal Deposit Insurance Corporation (the FDIC). The Bank is required to submit to the FDIC certain reports entitled Consolidated Reports of Condition and Income (each, a Call Report and collectively, the Call Reports). The Bank's Call Reports are prepared in accordance with regulatory instructions issued by the Federal Financial Institutions Examination Council and consist of a balance sheet, income statement, changes in equity capital and other supporting schedules as of the end of the period to which each such Call Report relates. The publicly available portions of the Bank's Call Reports are on file with, and publicly available at, the Federal Deposit Insurance Corporation (the FDIC), 550 17th Street, N.W., Washington, D.C. 20429 and on the FDIC's website www.fdic.gov. The contents of the FDIC's Internet website are not incorporated by reference into, and are not otherwise a part of, this Report.

On March 2, 2012, the Bank's Call Report for the fiscal year ended December 31, 2011 and amended Call Report for fiscal year 2010 were filed on the FDIC's website.

The information presented in the Call Reports is preliminary and unaudited, filed solely for bank regulatory purposes, and relates only to the Bank, and not to the Company on a consolidated basis.

As previously reported in a Current Report on Form 8-K filed on January 25, 2012, the Company has announced that the Company's financial statements, report on internal controls and the reports thereon of Deloitte & Touche LLP, the Company's independent registered public accounting firm, included in its Annual Report on Form 10-K as of and for the year ended December 31, 2010 and the interim financial statements included in its Quarterly Reports on Form 10-Q as of and for each of the periods ended March 31, June 30, and September 30, for 2010 and 2011, respectively, should no longer be relied upon and the financial statements for such periods must be restated (the Restatement).

Due to the pending Restatement, all measures of results of operations and financial condition contained in the Call Reports are preliminary and reflect only management's expected results of operations and financial condition as of and for the period covered by the respective Call Report. Therefore, the results filed in the Call Reports are not necessarily indicative of the results of the Company.
