- (2) This option was previously reported as an option covering 12,000 shares at an exercise price of \$43.79 per share and has been adjusted with a lower exercise price and an increased number of options, in connection with the dividend referenced in note 1. The number of outstanding options was increased by a factor of 1.0763, and the option exercise price was reduced by dividing the price by that same factor. The adjustment was required under the governing plan documents.
