ITEM 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On and effective October 25, 2017, the Board of Directors (the “Board”) of Bio-Rad Laboratories, Inc. (the “Company”) amended and restated the Company’s Bylaws dated March 25, 2014. The changes effected by the amendment and restatement of the Company’s Bylaws include, without limitation, the following:

Section 15(a): Nature of Business at Annual Meetings of Stockholders

This revision clarifies that a stockholder proposing business at the annual meeting of stockholders must be present in person at the meeting and defines what “present in person” means.

Section 15(c): Form of Stockholder Notice of Business to be brought before Annual Meeting

This section was amended to specify additional information required from a stockholder proposing business to come before an annual meeting of stockholders. The additional information is intended to ensure full disclosure about a proponent’s economic and voting position in the company, including any conflict of interest between the proposing party and the Company, and will help provide stockholders with the necessary information to review such proposals.

Section 15(e): Updates

This new language requires that a proposing stockholder update its notice so that information required to be provided under the Bylaws is as current as practicable at the time of the annual meeting.

Section 15(f): Improper Business (Definition of “qualified representative”)

This new language clarifies the definition of a “qualified representative” of a stockholder.

Section 16(a): Nomination of Directors

This revision clarifies that a stockholder nominating a person for election as a director at a meeting of stockholders must be present in person at the meeting.

Section 16(b): Timing of Notice (Nomination of Directors)

The new language conforms the “Timely Notice” to the provisions of Section 15(b).

Section 16(c): Form of Notice

The new language provides that, in addition to other information required to be provided, a nominating stockholder shall provide a description of any direct or indirect material interest in any material contract or agreement between the nominating stockholder and each candidate for nomination, and a completed nominee questionnaire.

---

Section 16(d): Questionnaire and Agreement

The new language specifies that to be eligible to be a candidate for election as a director, the candidate must have delivered (i) a completed written questionnaire (in a form provided by the Company) with respect to the background, qualifications, stock ownership and independence of such candidate for nomination and (ii) an acknowledgement and agreement (in a form provided by the Company) that such candidate for nomination (A) understands and agrees to comply with his/her fiduciary duties under applicable law, including but not limited to obligations of loyalty and care and that such person is not and, if elected as a director during his or her term of office, will not become a party to any agreement, arrangement or understanding with any person or entity as to how such candidate will act or vote on any issue or question, (B) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Company with respect to any direct or indirect compensation or reimbursement for service as a director of the Company that has not been disclosed therein, (C) if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, stock ownership and trading and other policies and guidelines of the Company applicable to directors and in effect during such person's term in office as a director, and (D) intends, if elected as a director of the Company, to serve the full term for which such director is elected.

Section 16(e): Other Information

This section provides that the Board may also require a proposed candidate to furnish such other information as may be reasonably requested in order for the Board to determine the eligibility of the candidate to be an independent director.

Section 16(f): Updates

This new language requires that a nominating stockholder update its notice so that information required to be provided under the Bylaws is as current as practicable at the time of the annual meeting.

Section 26: Special Meetings of the Board

This section has been revised such that a majority of the authorized number of directors (as opposed to only two directors as specified in Section 26 of the previous Bylaws) is necessary to call a special meeting. The new language also provides that the President (in addition to the Chairman) may call a special meeting of the Board.

Section 54: Forum for Adjudication of Disputes

New language provides that if a stockholder brings a covered action in a state other than Delaware, such stockholder shall be deemed to have consented to (a) the personal jurisdiction of the state and federal courts of Delaware to enforce the exclusive forum/venue provision, and (b) having service of process made upon such stockholder by service upon such stockholder's counsel as agent for the stockholder.

---

The amendments to the Bylaws also include clarifications, updates and other non-substantive changes to other provisions of the Bylaws.

The foregoing description of the amendments does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Bylaws, which are filed as an exhibit to this report and incorporated by reference herein.
