ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On July 27, 2005, Aaron Rents, Inc. (the "Company") issued a press release to announce its financial results for the second quarter of 2005. A copy of the press release is attached as Exhibit 99.1.

The press release presents certain revenue and earnings information excluding the Company's revenues and profit on the dispositions of its investments in Rainbow Rentals, Inc. stock in the second quarter of 2004 and in Rent-Way, Inc. stock in the second quarter of 2005.

Because the Company is not primarily engaged in the business of buying and selling securities for trading purposes, management believes that presentation of non-GAAP financial measures such as its revenues and earnings excluding the effect of these stock transactions is useful because it allows investors and management to evaluate and compare the core operations of the Company from period to period in a more meaningful manner than relying exclusively on GAAP financial measures. Non-GAAP financial measures, however, should not be considered in isolation or as an alternative to financial measures calculated and presented in accordance with GAAP.

As used herein, "GAAP" refers to accounting principles generally accepted in the United States.
