Our common shares are quoted for trading on the Nasdaq Global Market under the symbol WPRT. Nasdaq Rule 5615(a)(3) permits a foreign private issuer to follow its home country practice in lieu of the Nasdaq corporate governance requirements if such issuer, amongst other requirements, makes appropriate disclosure in its annual report filed with the SEC relating to each requirement of Rule 5600 that it does not follow including a brief statement of the home country practice it follows in lieu of such Nasdaq corporate governance requirements.

A description of the significant ways in which our governance practices differ from those followed by domestic companies pursuant to Rule 5600 of the Nasdaq Rules is as follows:

Rule 5605(e)(1) requires that a listed company have director nominees selected or recommended by a majority of the company's independent directors or by a nominations committee comprised solely of independent directors. The Company's Nominating and Corporate Governance Committee Charter provides that a minimum of a majority of directors on the Nominating and Corporate Governance Committee shall be outside (non-management) and independent directors.

Rule 5615(e) requires that each listed company provide for a quorum for any meeting of the holders of the company's common stock that is not less than 33 % of the listed company's outstanding shares of common stock. The Company's bylaws provide for a quorum of at least two persons present in person, being shareholders entitled to vote at the meeting, and representing in the aggregate not less than 5% of the outstanding shares of common stock entitled to vote at the meeting.

The foregoing is consistent with the laws, customs and practices in Canada and the rules of The Toronto Stock Exchange.
