Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Approval of Amended and Restated Bylaws

On February 13, 2017, our board of directors adopted amended and restated bylaws to implement a majority voting standard in connection with the election of directors. The majority voting standard will be effective for purposes of our 2017 annual meeting of stockholders. As amended and restated, our bylaws now require that a nominee for election to our board in an uncontested election receive a majority of the votes cast in order to be elected, provided that our bylaws retain a plurality voting standard (the default standard under Delaware law) in contested director elections in which there are more candidates than available seats.

Under our amended and restated bylaws and corporate governance principles, our directors are expected to tender a contingent resignation upon their nomination for re-election to our board of directors. This contingent resignation only takes effect if (i) the director does not receive more “for” votes than “against” votes at our annual meeting of stockholders and (ii) our board of directors accepts the resignation. Prior to the board’s determination of whether to accept a resignation for a director who did not receive more “for” votes than “against” votes, our nominating and governance committee will recommend to the board whether to accept or reject the resignation, or take other action.

The foregoing description of the majority voting provisions of our amended and restated bylaws is qualified in its entirety by reference to our complete amended and restated bylaws, which are filed herewith as Exhibit 3.2 to this Current Report on Form 8-K.
