#### Agreement and Plan of Merger

On June 9, 2009, SonoSite, Inc., a Washington corporation (“SonoSite”), CardioDynamics International Corporation, a California corporation (“CDIC”) and Canada Acquisition Corp., a California corporation and a direct, wholly-owned subsidiary of SonoSite (“Merger Sub”) entered into an Agreement and Plan of Merger (the “Merger Agreement”). The Merger Agreement provides for the acquisition of CDIC by SonoSite by means of a merger of Merger Sub with and into CDIC (the “Merger”), with CDIC as the surviving corporation. As a result of the Merger, CDIC would become a wholly-owned subsidiary of SonoSite.

Pursuant to the Merger Agreement, at the effective time of the Merger, each issued and outstanding share of CDIC common stock, no par value (the “CDIC Shares”), other than any CDIC Shares owned by CDIC, SonoSite or Merger Sub, or by any shareholders of CDIC who are entitled to and who properly exercise dissenters’ rights under California law, will be cancelled and will be automatically converted into the right to receive \$1.35 in cash, without interest.

Completion of the Merger is subject to customary closing conditions, including among others, (i) approval by CDIC shareholders and (ii) the absence of any order or injunction prohibiting the consummation of the Merger.

Certain directors, officers and affiliated shareholders of CDIC, holding in the aggregate approximately 9% of outstanding voting CDIC Shares, have executed a voting agreement to vote their shares in favor of approval of the Merger and adoption of the Merger Agreement, and against any proposal made in opposition to the Merger, and an irrevocable proxy appointing SonoSite’s Chief Financial Officer and General Counsel as proxies to vote such shareholders’ shares in favor of approval of the Merger and adoption of the Merger Agreement, and against any proposal made in opposition to the Merger.

The Merger Agreement contains customary representations, warranties and covenants, including covenants relating to obtaining the requisite approvals of CDIC’s shareholders, restricting the solicitation of competing acquisition proposals by CDIC and CDIC’s conduct of its business between the date of the signing of the Merger Agreement and the closing of the Merger. The Merger Agreement provides that, upon termination under specified circumstances, CDIC may be required to pay SonoSite a termination fee of \$750,000, depending on the conditions relating to the termination and, in addition, to reimburse SonoSite for an amount not to exceed \$750,000 for expenses incurred by either SonoSite or Merger Sub.
