This General Meeting, was adjourned immediately after it was called to order upon request of the shareholder Telpart Participações S.A. ( Telpart ), and was recalled to order at 4:00 pm.

After recalling the meeting to order, the Chairman of the Meeting proposed that the Minutes of this Ordinary and Extraordinary General Meeting be drawn in summary form according to the provisions of Article 130, Paragraph One, of Law # 6,404/76, allowing opinions and counterparts to be presented, which was unanimously approved by the attending shareholders.

Subsequently, Telpart read the notice subscribed by its shareholder TPSA do Brasil Ltda., which is filed in the Company s headquarters, and in which it is claimed that the vote of Telpart s representatives would be impaired, once Telpart s Bylaws establishes that it is incumbent upon the General Meetings to instruct the vote of its representatives in its subsidiaries General Meetings and deliberate on the choice of its managers, which did not happen in this case. As a consequence, it was demanded that Telpart s representatives take all the necessary measures to suspend the current meeting, or remove all the items from the agenda.

In light of this, Telpart, responding to the notice received, proposed that the current meeting be adjourned until March 20, 2006, at 2:00 pm, the minimum deadline for Telpart to hold a General Meeting, to instruct the vote of their representatives to be announced in the next General Meeting.

The Company's management must publish the relevant notice to shareholders, indicating that this meeting will be recalled to order on the aforementioned date and time, in the Company's headquarters, listing items integrating the agenda.

**CLOSING STATEMENT:**

Having no further issues to address, the Chairman offered the floor to the attending members and there being no further resolutions, the meeting was adjourned and these minutes were drawn up, read, approved and signed by the Chairman, the secretary and all the attending shareholders,.
