**MATERIAL FACT**

**BRASIL TELECOM S.A.** ( Brasil Telecom or Company ), in compliance with art. 157 of Law 6,404/76 and CVM Instruction 358/02, hereby informs to its Shareholders and to the market in general the following:

On April 28, 2005, still under the management appointed by the Opportunity Group, Brasil Telecom and its subsidiary, 14 Brasil Telecom Celular S.A. ( BTC ) celebrated with TIM International N.V. ( TIMI ) and TIM Brasil Serviços e Participações S.A. ( TIMB ) several agreements, including a contract entitled Merger Agreement ( *Acordo de Incorporação* ) and a Protocol associated to it.

According to material facts disclosed by the Company, the merger was forbidden by injunctions rendered by the Brazilian and American Courts of Law, in lawsuits filed by its controlling shareholders.

Brasil Telecom's understanding is that the Merger Agreement and its respective Protocol were celebrated, among other grounds, in conflict of interest, violation of the law and the Company's By-Laws and, still, in breach of shareholders agreements and lacking the necessary corporate approvals. Furthermore, the current management considers that such agreements are contrary to the Company's best interests, specifically regarding its mobile telephony business.

Thus, based on the Merger Agreement itself, Brasil Telecom and BTC began an arbitration process on March 15, 2006 against TIMI and TIMB to declare the nullity or to obtain the annulment of the referred agreement. Such arbitration

shall be governed by the rules of the International Chamber of Commerce (*Câmara de Comércio Internacional*).

Brasília/DF, March 16, 2006
