São Paulo, October 20, 2008 Gafisa S.A. (Bovespa: GFSA3; NYSE: GFA), one of Brazil's leading diversified national homebuilders, today announced that Equity International (EI), the privately held investment company focused on real estate-related businesses operating outside of the United States co-founded by Sam Zell and Gary Garrabrant, recently acquired an additional 3,300,000 Gafisa ADRs (representing 6,600,000 Gafisa common shares), or 5.0% of Gafisa's capital. We are very pleased that Equity International, a key strategic shareholder, has decided to increase its holdings in Gafisa. We believe this is a strong vote of confidence in our performance to date as well as for the Company's prospects for the future, remarked Wilson Amaral, Chief Executive Officer of Gafisa.

Equity International continues to see Gafisa as an ideal way of participating in the future growth of the Brazilian economy. There is tremendous opportunity in the homebuilding sector for investors and we consider Gafisa, with its proven execution capabilities, as the market leader, said Gary Garrabrant, Equity International Chief Executive Officer.
