Official Letter 1690/2017-SAE

“Ref.: Request for clarification on news report

Dear Sirs,

Complementing our official letter 1689/2017-SAE below, in light of the news item published in InfoMoney on 10/30/2017, entitled "Braskem escapes Ibovespa "sell off" and jumps 12% with rumor about acquisition; steel companies sink 5%", mentioning, among others, that:

1. The shares of Braskem skyrocket during this session after rumors about the company's acquisition by LyondellBasell;
2. The movement occurs after LyondellBasell approached Braskem for a possible acquisition, which could value the company at over US\$ 10 billion."

In this regard, Braskem clarifies that:

(i) it was not approached by LyondellBasell with any proposal for acquisition of its shares and is unaware of any other fact that could have justified the unusual trading on the Company's shares between October 17, 2017 and October 30, 2017;

(ii) the suitability and timeliness of disposing of Braskem's shares is a decision that rests solely with its shareholders; and

(iii) in this regard, the management of Braskem requested clarifications to Odebrecht, its controlling shareholder, which informed that it keeps working on alternatives to add value to Braskem and for all shareholders, and reaffirmed its intention of keeping Braskem as part of the group investments.

For more information, contact Braskem's Investor Relations Department by calling +55 (11) 3576-9531 or sending an e-mail to braskem-ri@braskem.com.br

Sincerely,

Pedro Van Langendonck Teixeira de Freitas

Chief Financial and Investor Relations Officer

Braskem S.A.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition,

Edgar Filing: BRASKEM SA - Form 6-K

liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
