The reporting person may discuss ideas that, if effected, may result in changes in the Board of Trustees or management of the Issuer and/or other strategic alternatives.

Although the reporting person does not have any specific plan or proposal to acquire additional Shares or dispose of the Shares he holds (other than as described above), he may, at any time and from time to time, acquire additional Shares or dispose of any or all of the Shares he holds, depending upon a number of factors, including his ongoing evaluation of the merits of the investment in Shares, prevailing market conditions, other investment opportunities, and liquidity needs.

Except as set forth above, the reporting person does not have any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D.

The reporting person may, at any time and from time to time, review or reconsider his position and/or change his purpose and/or formulate plans or proposals with respect thereto.
