**Item 1.01. Entry into a Material Definitive Agreement.**

On April 11, 2005, Pegasystems Inc. (the "Company") filed a Current Report on Form 8-K to report, among other things, that it had entered into amendments to certain existing stock option agreements between the Company and each of the following directors: Alexander V. d'Arbeloff, Steven F. Kaplan, William H. Keough, Edward A. Maybury, James P. O'Halloran, Edward B. Roberts and William W. Wyman (each, a "Non-Employee Director"). The amendments provided that, if a Non-Employee Director has been a member of the Company's Board of Directors for five years or more as of the date that such Non-Employee Director ceases to be a Board member, such Non-Employee Director may exercise the applicable stock option at any time before the scheduled expiration date of the option agreement (which is typically ten years from the date of grant).

At a meeting held on June 2, 2005, the Company's Board of Directors determined that these amendments would apply to the existing stock option agreements between the Company and Richard H. Jones, even though Mr. Jones is employed by the Company. Such amendments apply to all stock options held by Mr. Jones with an exercise price equal to or greater than the fair market value of the Company's common stock on June 2, 2005. These amendments do not apply to any stock options held by Mr. Jones with an exercise price less than the fair market value of the Company's common stock on June 2, 2005.
