Item 1.01 Entry into a Material Definitive Agreement.

RealNetworks, Inc. (the "Company") has amended its 1998 Employee Stock Purchase Plan (the "ESPP") in response to changes in the accounting rules that will become effective in 2006. Historically, the purchase price of shares purchased under the ESPP was equal to 85% of the lesser of either the fair market value of the Company's Common Stock at the beginning of each six-month offering period, or the fair market value of the Company's Common Stock at the end of each six-month offering period (commonly referred to as a "look-back").

The Company's ESPP has been amended to eliminate the look-back feature, effective upon the commencement of the offering period that begins on January 1, 2006. The purchase price of shares under the ESPP for offering periods beginning on or after January 1, 2006 will be equal to 85% of the fair market value of the Company's Common Stock on the last day of each six-month offering period.
