Item 7.01 Regulation FD Disclosure.

On June 13, 2006, The Williams Companies, Inc. ("Williams") announced that it had reached an agreement in principle to settle class-action shareholder litigation filed on behalf of purchasers of Williams securities between July 24, 2000, and July 22, 2002. Under the terms of the agreement, Williams will pay \$290 million to plaintiffs, subject to court approval. The settlement will be funded through a combination of insurance proceeds and cash on hand. Of the total settlement, Williams expects to pay approximately \$145 million to \$220 million in cash to fund the settlement, while it expects the balance to be funded by its insurers. Williams plans to record a second-quarter, pre-tax charge in the same dollar range as its expected cash outlay. Williams and the plaintiffs plan to file definitive settlement agreements in early August with the U.S. District Court for the Northern District of Oklahoma. The settlement would be funded within 30 days of the court's preliminary approval of the agreement, which could occur as soon as mid-August. Williams and various other parties to the agreements do not admit to any liability by the company, its directors or officers. In addition, there were no findings of any violation of federal securities laws. The agreement discussed above is exclusive of Williams' litigation with plaintiffs representing a class of Williams Communications securities purchasers. That suit is pending in U.S. District Court for the Northern District of Oklahoma.

A copy of Williams' press release publicly reporting the settlement is furnished herewith as Exhibit 99.1 and is incorporated herein.

The press release is being furnished pursuant to Item 7.01, Regulation FD Disclosure.
