Cleveland-Cliffs Inc published a news release dated May 24, 2007 as follows:

Cleveland-Cliffs Announces Adjustment to Preferred Stock Conversion Rate

Cleveland, OH—May 24, 2007—Cleveland-Cliffs Inc (NYSE: CLF) today announced the conversion rate of its 3.25% redeemable cumulative convertible perpetual preferred stock has been adjusted to 66.1881 common shares per share of preferred stock, effective May 21, 2007. The new conversion rate equates to a conversion price of \$15.11 per common share.

The preferred stock's conversion rate is subject to adjustment in certain circumstances, including payment of cash dividends to holders of Cliffs' common stock. As a result of the \$0.125 per share common dividend being paid on June 1, 2007, the conversion rate adjustment being announced today was triggered.

As previously announced, due to the satisfaction of a condition to the conversion right of the holders of the preferred stock, it may be surrendered for conversion at any time during the fiscal quarter ending June 30, 2007.
