Item 1.01 Entry into a Material Definitive Agreement.

On July 25, 2007, Enova Systems, Inc. entered into an agreement with Investec Bank (UK) Limited as placement agent to sell 2,218,000 shares of common stock. Investec presently serves as the Nominated Adviser in connection the listing of Enova's common shares on the Alternative Investment Market (AIM) of the London Stock Exchange.

On the closing date of August 1, 2007, pursuant to the placing agreement, Enova sold the 2,218,000 shares of common stock at 260 pence sterling per share (approximately US\$5.35 per share) to certain eligible offshore investors. Enova will receive 5,767,000 pounds sterling (US\$11,698,000) in gross proceeds from the offering. Investec received a 5% selling commission, resulting in proceeds to Enova before offering expenses of 5,478,650 pounds sterling (US\$11,073,000).

The offer and sale of the shares were made pursuant to Regulation S under the Securities Act. Among other things, each investor purchasing shares of Enova's common stock in the offering represented that the investor is not a United States person as defined in Regulation S. In addition, neither Enova nor the placement agent conducted any selling efforts directed at the United States in connection with the offering. All shares of common stock issued in the offering included a restrictive legend indicating that the shares are being issued pursuant to Regulation S under the Securities Act and are deemed to be "restricted securities." As a result, the purchasers of such shares will not be able to resell the shares unless in accordance with Regulation S, pursuant to a registration statement, or upon reliance of an applicable exemption from registration under the Securities Act.

Enova presently expects to prepare and file a resale registration statement with the Securities and Exchange Commission covering the placing shares within 60 days of their admission for trading on AIM, which occurred on August 1, 2007. There is no assurance the shares will be registered for resale or that the investors will choose to sell their shares pursuant to the registration statement.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained in Item 1.01 above is incorporated by reference.

Item 9.01 Financial Statements and Exhibits.

Exhibit 10 Placing Agreement

Cautionary Statements:

This report is not an offer to sell shares of common stock. The shares covered by the placing agreement have not been registered under the Securities Act of 1933, as amended, or any state securities laws, and may not be offered or sold in the United States or to US persons absent registration or an applicable exemption for the registration requirements.

This report includes statements which are, or may be deemed to be, "forward-looking statements." All statements

other than statements of historical facts included in this announcement, including, without limitation, those regarding Enova's financial position, business strategy, plans and objectives of management for future operations (including development plans and objectives relating to Enova's products and services) are forward-looking statements. By their nature, such forward-looking statements involve known and unknown risks, uncertainties and other important factors that could cause the actual results, performance or achievements of Enova to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements may and often do differ materially from actual results. Any forward-looking statements in this announcement speak only as at the date of this announcement and are subject to risks relating to future events and other risks, uncertainties and assumptions relation to Enova's operations, results of operations, growth strategy and liquidity.
