Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In connection with the transaction previously disclosed in the Current Report on Form 8-K filed by Kansas City Southern (the "Company") on October 3, 2007 (the "Original 8-K"), on November 19, 2007, The Kansas City Southern Railway Company ("KCSR"), a wholly-owned subsidiary of Kansas City Southern (the "Company"), completed the second and final closing under the Participation Agreement (the "Participation Agreement") between KCSR, KCSR 2007-1 Statutory Trust (acting through U.S. Bank Trust National Association as Owner Trustee) (the "Trust"), GS Leasing (KCSR 2007-1) LLC (the "Owner Participant"), Wilmington Trust Company (the "Indenture Trustee"), and KfW (the "Loan Participant") with respect to ten (10) Electro-Motive Diesel, Inc. SD70ACe locomotives (collectively, the "Locomotives").

Pursuant to the terms of the Participation Agreement, KCSR sold the Locomotives to the Trust for an aggregate purchase price of \$20.7 million (the "Purchase Price"). The Owner Participant contributed a portion of the aggregate Purchase Price to the Trust in exchange for one hundred percent (100%) ownership of the beneficial interest in the Trust.

KCSR will lease the Locomotives from the Trust pursuant to the Equipment Lease Agreement dated as of September 27, 2007 (the "Lease") described in the Original 8-K, for an initial term of approximately twenty years. KCSR is obligated to pay rent on the Locomotives bi-annually with the first rent payment due and payable on July 1, 2008, and the remaining rent payments due and payable on January 1 and July 1 of each year during the term of the Lease with the final rent payment due on November 19, 2027. Subject to certain adjustments provided in the Participation Agreement and the Lease, the aggregate of the rent payments for these ten (10) Locomotives leased to KCSR by the Trust is approximately \$25.5 million.
