**Item 3.03 Material Modifications to Rights of Security Holders.**

Our board of directors has adopted and approved certain amendments to our Share Repurchase Plan. The primary purpose of the amendments is to provide stockholders with the opportunity to have their shares of our common stock redeemed, at the sole discretion of our board of directors, during the period we are engaged in a public offering at increasing prices based upon the period of time the shares of common stock have been continuously held. Under the amended Share Repurchase Plan, redemption prices range from \$9.25 per share, or 92.5% of the price paid per share, following a one year holding period to an amount equal to not less than 100% of the price paid per share following a four year holding period. Under the previous Share Repurchase Plan, stockholders could only request to have their shares of our common stock redeemed at \$9.00 per share during the period we are engaged in a public offering. Effective August 25, 2008, the amended Share Repurchase Plan, attached hereto as Exhibit 4.1, supersedes and replaces our Share Repurchase Plan as previously in effect.

The material terms of our Share Repurchase Plan are qualified in their entirety by the Share Repurchase Plan filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.
