("Barrington"), as sales agent, under which the Company may issue and sell over time and from time to time, to or through Barrington, shares (the "Shares") of its common stock, \$0.01 par value per share ("Common Stock") having a gross sales price of up to \$6.0 million.

Sales of the Shares pursuant to the Distribution Agreement, if any, may be effected by any method permitted by law deemed to be an "at-the-market" offering as defined in Rule 415 of the Securities Act of 1933, as amended, including without limitation directly on the NYSE MKT LLC or any other existing trading market for the Common Stock or through a market maker, up to the amount specified, and otherwise to or through Barrington in accordance with the placement notices delivered by the Company to Barrington. Also, with the prior consent of the Company, some or all of the Common Stock issued pursuant to the Distribution Agreement may be sold in privately negotiated transactions. Under the Distribution Agreement, Barrington will be entitled to compensation of 2.0% of the gross proceeds from the sale of all of the Shares sold through Barrington, as sales agent, pursuant to the Distribution Agreement. Also, the Company will reimburse Barrington for certain expenses incurred in connection with the matters contemplated by the Distribution Agreement, up to an aggregate of \$50,000, plus up to an additional \$7,500 per calendar quarter related to ongoing maintenance; provided, however, that such reimbursement amount shall not exceed 8% of the aggregate gross proceeds received by the Company under the Distribution Agreement.
