EXHIBIT 1

**STEALTHGAS INC. ANNOUNCES AGREEMENT TO ACQUIRE FOUR LPG CARRIERS AND TIME CHARTER EXTENSIONS FOR SIX EXISTING VESSELS**

**ATHENS, GREECE, April 3, 2007.** STEALTHGAS INC. (NASDAQ: GASS), a ship-owning company serving the liquefied petroleum gas (LPG) sector of the international shipping industry, announced today that it has entered into agreements to acquire three second-hand and one new building LPG carriers for an aggregate purchase price of \$51 million. Upon completion of these acquisitions and the delivery of a previously announced newbuilding, the *Gas Haralambos*, STEALTHGAS fleet will consist of 34 vessels in total with a carrying capacity of 150,769 cbm.

The *Gas Icon*, is a 1994 built, 5,000 cbm Fully Pressurized ( F.P. ) LPG carrier. Upon its expected delivery to STEALTHGAS in July 2007, it will be deployed under a 12 month time charter to an oil major.

The *Gas Sikousis*, is a 2006 built, 3,500 cbm Fully Pressurized ( F.P. ) LPG carrier. Upon its expected delivery to STEALTHGAS in July 2007, it will be deployed under a time charter for 22 months to an oil major. The charter for this vessel also includes, at the charter's option, two one-year extensions, the first to be negotiated in May 2009 upon the expiration of the initial term of the charter.

The *Gas Kalogeros*, is a 5,000 cbm Fully Pressurized ( F.P. ) new building LPG carrier was delivered ex-yard to her original owners in March 2007 and is expected to be delivered to STEALTHGAS around July 2007. The vessel will

be delivered with a ten-month time-charter to an oil major.

The Gas Sophie , is a 1995 built 3,500 cbm, Fully Pressurized ( F.P. ) LPG carrier and is expected to be delivered to STEALTHGAS around October 2007.

The Gas Kalogeros and the Gas Sikousis will be purchased from affiliated parties whereas the Gas Icon and the Gas Sophie will be purchased from non-affiliated parties.

#### **New Time Charter Agreements:**

STEALTHGAS INC. also announced that it has extended its time charters for 6 vessels, the Gas Zael , the Gas Nemesis , the Gas Spirit , the Gas Sincerity , the Gas Legacy and the Gas Shanghai each to an oil major as described below.

The Gas Zael has extended its time charter for an additional 12 months which commenced in March 2007 to an oil major.

Both the Gas Nemesis and the Gas Spirit have extended their time charters for 12 months, commencing from June 2007 to an oil major.

The Gas Legacy and the Gas Sincerity have extended their time charters for 12 months, commencing in April and July 2007, respectively, each to an oil major.

The Gas Shanghai has extended its time charter for 12 months commencing in September 2007 to an oil major.

The aggregate revenue per calendar month for the above six time charters is \$1,413,250. In addition, the aggregate revenue per calendar month of the time charters for three of the new LPG carriers that STEALTHGAS has agreed to acquire is \$713,250 per calendar month.

CEO Harry Vafias commented, "We are very pleased to announce both the new acquisitions to our fleet later in this year along with the previously announced Gas Haralambos. With these acquisitions, we will bring our fleet to 34 ships in total, thus giving us approximately 13% market share of the handysize LPG sector of 3,000 to 8,000 cbm vessels while lowering the average age of our fleet to 10.3 years against the industry average of 17 years. We have also continued our policy of having the majority of our fleet on period employment and are pleased to announce the extensions of six charters plus three out of the four new vessels we are acquiring already have fixed employment arranged for them. As of today, we have 96% period coverage on our fleet and in excess of 85% of our fleet days for 2007 are now covered by fixed employment."

### **Forward-Looking Statement**

Matters discussed in this release may constitute forward-looking statements. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. The forward-looking statements in this release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in our records and other data available from third parties. Although STEALTHGAS INC. believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, STEALTHGAS INC. cannot assure you that it will achieve or accomplish these expectations, beliefs or projections. Important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including changes in charterhire rates and vessel values, changes in demand that may affect attitudes of time charterers to scheduled and unscheduled drydocking, changes in STEALTHGAS INC.'s operating expenses, including bunker prices, dry-docking and insurance costs, or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists.

Risks and uncertainties are further described in reports filed by STEALTHGAS INC. with the US Securities and Exchange Commission.
