Item 1.01 Entry into a Material Definitive Agreement

On June 21, 2012, Linn Energy, LLC (the “Company”) entered into, through one of its wholly-owned subsidiaries, a definitive purchase agreement (the “Agreement”) to acquire certain oil and gas properties in the Jonah Field located in the Green River Basin of southwest Wyoming, from BP America Production Company (“Seller”) for a contract price of \$1.025 billion, subject to closing conditions and a preferential right of purchase (the “Jonah Acquisition”). Pursuant to the terms of the Agreement, the Company made a deposit with the Seller of \$307.5 million. The Seller is permitted to retain all or a portion of this deposit if the agreement is terminated under certain circumstances. The Company anticipates the Jonah Acquisition will close on or before July 31, 2012, and will be financed with proceeds from borrowings under the Company's revolving credit facility. In addition to customary closing conditions, the Jonah Acquisition is subject to a preferential right of purchase that encompasses substantially all of the properties to be acquired by the Company. The expiry period for waiver or acceptance of the preferential right to purchase is anticipated during the first week of July 2012. There can be no assurance that the preferential right of purchase will be waived, nor that that all of the conditions to closing the Jonah Acquisition will be satisfied. A copy of the press release announcing the Jonah Acquisition is attached hereto as Exhibit 99.1.
