More information about the Meeting and other business to be considered by Paramount stockholders is contained in this proxy statement. We encourage you to read this proxy statement carefully and in its entirety before voting.

Due to the change in NYSE rules, we would like to inform you that your broker will not be able to vote your shares with respect to the election of directors if you have not provided instructions to your broker. We strongly encourage you to submit your proxy card and exercise your right to vote.

Whether or not you plan to attend the Meeting, please complete, date, sign and return, as promptly as possible, the enclosed proxy card in the accompanying reply envelope. Stockholders who attend the Meeting may revoke their proxies and vote in person.

The Board unanimously recommends that you vote "FOR" the proposals described in the attached proxy statement.

Only shareholders of record at the close of business on November 11, 2010 are entitled to notice of, and to vote at, the Meeting.

We look forward to seeing you at the Meeting.

Notice of Annual Meeting of Stockholders

An annual meeting (the "Meeting") of Stockholders of Paramount Gold and Silver Corp., a Delaware corporation ("Paramount"), will be held on December 10, 2010, at 11 a.m., local time, at 2600 North Military Trail, Suite 270 Boca Raton, Florida 33431,, to consider and vote on the proposals listed below and to transact such other business as may properly come before the Meeting or any adjournment or postponement of the Meeting:

1. Election of Directors. To elect the following eight members of the Board of Directors of Paramount (the "Board") to serve until the 2011 annual meeting of stockholders or until their successors are elected and qualified or their earlier death, resignation or removal: Christopher Crupi, Michel Yvan Stinglhamber, John Carden, Robert Dinning, Christopher Reynolds, Rudi P. Fronk, Eliseo Gonzalez-Urien and Shawn Kennedy;
2. Ratification of Independent Auditors. To ratify the appointment of Meyers Norris Penny LLP as Paramount's independent certified public accountants for the fiscal year ending June 30, 2011; and
3. Other Business. To consider and act upon such other business and matters or proposals as may properly come before the Meeting or any adjournments or postponements thereof.

The close of business on November 11, 2010 has been fixed as the record date for determining those Paramount stockholders entitled to notice of, and to vote at, the Meeting. Accordingly, only stockholders of record at the close of business on that date will receive this notice of, and be eligible to vote at, the Meeting or any adjournments or postponements of the Meeting. Each of the items of business listed above is more fully described in the proxy statement that accompanies this notice.

The presence, in person or by proxy, of the holders of one-third of the voting power of the common stock of Paramount entitled to vote at the Meeting shall constitute a quorum for the transaction of business. Approval of the various proposals to be voted upon at the Meeting may require different votes:

- The eight directors identified in Proposal No. 1 will be elected upon a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.
- Approval of Proposal No. 2 relating to ratification of the appointment of Paramount's independent certified public accountants requires the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting and entitled to vote.

As of the close of business on the record date for the Meeting, the directors and executive officers of Paramount, collectively, beneficially owned approximately 7,354,189 shares of Paramount common stock, inclusive of shares subject to stock options that may be exercised within 60 days following that date. Such shares represented approximately 5.1% of the total Paramount voting power as of such date.

Your vote is very important. Please read the proxy statement and the instructions on the enclosed proxy card and then, whether or not you expect to attend the Meeting in person, and no matter how many shares you own, please vote your shares as promptly as possible in accordance with the instructions on the enclosed proxy card. Submitting a proxy now will help assure a quorum and avoid added proxy solicitation costs. It will not prevent you from voting in person at the Meeting.

The Board unanimously recommends that you vote "FOR" the election of each of the director nominees, and "FOR" ratification of the appointment of Paramount's independent certified public accountants.

WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, PLEASE SIGN AND DATE THE ENCLOSED PROXY AND RETURN IT IN THE ENVELOPE PROVIDED.

By order of the Board of Directors,

Christopher Crupi, CEO

• Required Vote of Paramount's Stockholders.

- The eight directors identified in Proposal No. 1 will be elected upon a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.
- Approval of Proposal No. 2 relating to ratification of the appointment of Paramount's independent certified public accountants requires the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting and entitled to vote.
- Paramount's Board Recommendation. Paramount's Board of Directors unanimously recommends that Paramount's stockholders vote "FOR" each of the Proposals.
- Record date for Paramount's Stockholders. You are entitled to vote at the meeting if you owned shares of Paramount common stock at the close of business on November 11, 2010 (the "Record Date").
- Paramount Voting Information. You will have one vote for each share of Paramount common stock that you owned at the close of business on the Record Date. If your shares are held in "street name" by a broker, you will need to provide your broker with instructions on how to vote your shares. Before voting your shares of Paramount common stock you should read this proxy statement in its entirety, including its annexes, and carefully consider how each Proposal may affect you. Then, mail your completed, dated and signed proxy card in the enclosed return envelope as soon as possible so that your shares can be voted at the Meeting. For more information on how to vote your shares, please refer to "The Meeting of Paramount Stockholders" beginning on page 13.

Questions and Answers about the Meeting

The following questions and answers are for your convenience only, and briefly address some commonly asked questions about the Proposals and the Meeting. You should still carefully read this entire proxy statement, including the attached Annexes.

The Meeting; Voting Your Shares

Q: Why am I receiving this proxy statement?

A: You are receiving this proxy statement and enclosed proxy card because, as of November 11, 2010, the Record Date for the Meeting, you owned shares of Paramount common stock. Only holders of record of shares of Paramount common stock as of the close of business on November 11, 2010 will be entitled to vote those shares at the Meeting. The Board is providing these proxy materials to give you information to determine how to vote in connection with the Meeting.

This proxy statement describes the issues on which Paramount would like you, as a stockholder, to vote. It also provides you with important information about these issues to enable you to make an informed decision as to whether to vote your shares of Paramount common stock for the matters described herein.

Paramount is holding the Meeting to obtain the stockholder approval necessary to approve the Proposals. We have included in this proxy statement important information about the Meeting. You should read this information carefully and in its entirety.

Your vote is very important and we encourage you to complete, sign, date and mail your proxy card, as soon as possible, whether or not you plan to attend the Meeting. Stockholders who attend the Meeting may revoke their proxies and vote in person. This proxy statement describes the issues on which we would like you, as a stockholder, to vote.

Q: When and where is the Meeting?

A: The Meeting will be held will be held on December 10, 2010, at 11 a.m., local time, at 2600 North Military Trail, Suite 270 Boca Raton, Florida 33431.

Q: Who is eligible to attend the Meeting and vote?

A: Stockholders of record at the close of business on November 11, 2010 are entitled to attend and vote at the Meeting.

Q: How many votes do I have?

A: Stockholders who own Paramount common stock at the close of business November 11, 2010 are entitled to one vote for each share of common stock they held on that date in all matters properly brought before the Meeting.

Q: How many shares are outstanding?

A: As of October 31, 2010 there were 132,077,034 of common stock issued and outstanding.

Q: What proposals will be addressed at the Meeting?

A: We will address the following proposals at the Meeting:

- a proposal to elect director nominees to the Board;
- a proposal to ratify the appointment of Meyers Norris Penny LLP as Paramount's independent certified public accountants for the fiscal year ending June 30, 2011; and
- any other business that may properly come before the Meeting.

Q: What vote is required to approve the proposals?

A: The following votes are required:

- The eight directors identified in Proposal No. 1 will be elected upon a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.
- Approval of Proposal No. 2 relating to ratification of the appointment of Paramount's independent certified public accountants requires the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting and entitled to vote.

Q: Why would the Meeting be adjourned or postponed?

A: The Meeting will be adjourned or postponed if a quorum is not present on the date of the Meeting. One-third of the votes entitled to be cast on the matter by a voting group, represented in person or by proxy, constitutes a quorum of that voting group for the action on the matter. If a quorum is not present, the Meeting may be postponed to a later date when a quorum is obtained. For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. If a stockholder's shares are held of record by a broker, bank or other nominee and the stockholder wishes to vote in person at the Meeting, the stockholder must contact his or her broker or bank and obtain from the record holder a "legal" proxy issued in the stockholder's name. Brokers who hold shares in "street name" for clients typically have the authority to vote on "routine" proposals when they have not received instructions from beneficial owners. Absent specific instructions from the beneficial owner of the shares, brokers are not allowed to exercise their voting discretion with respect to the approval of non-routine matters. (No such matters are being voted upon at this meeting.), Proxies submitted without a vote by brokers on these matters are referred to as "broker non-votes." Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Meeting.

Q: How do I vote in person?

A: If you plan to attend on the date of the Meeting, or at a later date if it is postponed or adjourned, and vote in person, Paramount will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit, authorizing you to vote the shares in person.

Q: How do I vote by proxy?

A: Returning the proxy card will not affect your right to attend the Meeting and vote in person. If you properly fill in your proxy card and send it to us in time to vote, your “proxy” (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board as follows:

- “FOR” the election of all director nominees; and
- “FOR” the ratification of the appointment of Meyers Norris Penny LLP as Paramount’s independent certified public accountants for the fiscal year ending June 30, 2011;

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time this proxy statement went to press, Paramount knew of no matters that needed to be acted on at the Meeting other than those discussed in this proxy statement.

Q: May I revoke my proxy?

A: If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

- You may send in another proxy with a later date.
- You may notify Paramount in writing (by you or your attorney authorized in writing, or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at its corporate offices before the Meeting, that you are revoking your proxy.
- You may vote in person at the Meeting.

Q: How are votes counted?

A: Votes will be counted by the inspector of election appointed for the Meeting, who will separately count “FOR” and “AGAINST” votes, abstentions and broker non-votes. A “broker non-vote” occurs when a nominee holding shares for a beneficial owner does not receive instructions with respect to the proposals from the beneficial owner.

Q: What happens if I do not vote?

A: The presence, in person or by proxy, of one-third of the votes entitled to be cast on the matter by a voting group is necessary to constitute a quorum at the Meeting. For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Meeting.

Q: What happens if I sell my shares of Paramount common stock before the Meeting?

A: The Record Date for stockholders entitled to vote at the Meeting is earlier than the meeting date. If you transfer your shares of Paramount common stock after the Record Date but before the Meeting you will, unless special arrangements are made, retain your right to vote at the Meeting.

Q: If my shares are held in “street name” by my broker, will my broker vote my shares for me?

A: If a stockholder’s shares are held of record by a broker, bank or other nominee and the stockholder wishes to vote in person at the Meeting, the stockholder must contact his or her broker or bank and obtain from the record holder a “legal” proxy issued in the stockholder’s name. Absent specific instructions from the beneficial owners of the shares, brokers who hold shares in “street name” for clients no longer have the authority to vote on proposals when they have not received instructions from beneficial owners. Proxies submitted without a vote by brokers on these matters are referred to as “broker non-votes.” Broker non-votes are counted for purposes of determining whether a quorum exists at the Meeting.

Q: Will my shares held in “street name” or another form of record ownership be combined for voting purposes with shares I hold of record?

A: No. Because any shares you may hold in “street name” will be deemed to be held by a different stockholder than any shares you hold of record, any shares so held will not be combined for voting purposes with shares you hold of record. Similarly, if you own shares in various registered forms, such as jointly with your spouse, as trustee of a trust or as custodian for a minor, you will receive, and will need to sign and return, a separate proxy card for those shares because they are held in a different form of record ownership. Shares held by a corporation or business entity must be voted by an authorized officer of the entity. Shares held in an IRA must be voted under the rules governing the account.

Q: What does it mean if I receive more than one set of materials?

A: This means you own shares of Paramount common stock that are registered under different names. For example, you may own some shares directly as a stockholder of record and other shares through a broker or you may own shares through more than one broker. In these situations, you will receive multiple sets of proxy materials. You must vote, sign and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the proxy cards that you receive in order to vote all of the shares you own. Each proxy card you receive comes with its own prepaid return envelope. If you vote by mail, make sure you return each proxy card in the return envelope that accompanies that proxy card.

Q: What if I fail to instruct my broker?

A: As described above, absent specific instructions from the beneficial owner of the shares, brokers are not allowed to exercise voting discretion with respect to the approval of any of the Proposals. Proxies submitted without a vote by brokers are referred to as “broker non-votes.” Broker non-votes are counted for purposes of determining whether a quorum exists at the Meeting.

Q: Who bears the cost of soliciting proxies?

A: Paramount will bear the cost of soliciting proxies and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. Paramount estimates that the costs associated with solicitations of the proxies requested by this proxy statement will be approximately \$25,000.

Q: Where can I find more information about Paramount?

A: Paramount filed its 2010 annual report on Form 10-K with the SEC on September 28, 2010. That report, along with the Form 10-K and Form 10-K/A, together with other corporate filings are available for your review on the Internet by visiting the SEC’s website located at www.sec.gov. A: Our head office is located at 665 Anderson Street, Winnemucca, Nevada, 89445. Our telephone number is (775) 625-3600.

Q: Who can help answer my questions?

A: If you have questions about and the Meeting, including the procedures for voting your shares, you should contact Paramount Gold and Silver Corp., 665 Anderson Street, Winnemucca, Nevada, 89445, (775) 625-3600, Attn: Christopher Crupi.

The Meeting of Paramount Stockholders

The enclosed proxy is solicited on behalf of the Board for use at the Meeting to be held on December 10, 2010, at 11a.m., local time, at 2600 North Military Trail, Suite 270 Boca Raton, Florida 33431, or at any adjournments or postponements thereof, for the purposes set forth in this proxy statement and in the accompanying notice of the Meeting. Paramount intends to commence mailing of this proxy statement and the accompanying proxy card to Paramount's stockholders on or about November 15, 2010.

At the Meeting, Paramount's stockholders are being asked to consider and vote on:

1. a proposal to elect director nominees to the Board; and
2. a proposal to ratify the appointment of Myers Norris Penny LLP as Paramount's independent certified public accountants for the fiscal year ending June 30, 2011;

Paramount does not expect a vote to be taken on any other matters at the Meeting. If any other matters are properly presented at the Meeting for consideration, however, the holders of the proxies, if properly authorized, will have discretion to vote on any additional matters in accordance with their best judgment.

The Board has unanimously approved the nomination of the eight director nominees and the appointment of the independent certified public accountants. Accordingly, the Board of Directors unanimously recommends that Paramount stockholders vote "FOR" each of the Proposals.

Record Date and Voting Information

Only holders of record of Paramount common stock at the close of business on November 11, 2010 are entitled to notice of, and to vote at, the Meeting. At the close of business on November 11, 2010, 132,077,034 shares of Paramount common stock were outstanding and entitled to vote. A list of Paramount's stockholders will be available for review at Paramount's offices during regular business hours after the date of this proxy statement and through the date of the Meeting. Each holder of record of Paramount common stock on the record date will be entitled to one vote for each share held. The presence, in person or by proxy, of the holders of one-third of the voting power of the common stock of Paramount entitled to vote at the Meeting shall constitute a quorum for the transaction of business.

All votes will be tabulated by the inspector of election appointed for the Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. If a stockholder's shares are held of record by a broker, bank or other nominee and the stockholder wishes to vote in person at the Meeting, the stockholder must contact his or her broker or bank and obtain from the record holder a "legal" proxy issued in the stockholder's name. Brokers who hold shares in "street name" for clients do not have authority to vote on any matters unless the broker receives instructions from beneficial owners. Proxies submitted without a vote by brokers on these matters are referred to as "broker non-votes." Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Meeting.

Proxies received at any time before the Meeting and not revoked or superseded before being voted will be voted at the Meeting. If the proxy specifies how it should be voted, it will be voted in accordance with such specification. If no specification is indicated, the proxy will be voted "FOR" the approval of election of the directors and, "FOR" the ratification of the independent certified public accountants and in the discretion of the persons named in the proxy with respect to any other business that may properly come before the Meeting or any adjournment of the Meeting. You may also vote in person by ballot at the Meeting.

The directors named in Proposal No.1 and the approval of the Company's independent auditors must be approved by a plurality of the votes of the shares present in person or by proxy at the Meeting.

How You Can Vote

Each share of Paramount common stock outstanding on November 11, 2010, the Record Date for stockholders entitled to vote at the Meeting, is entitled to vote at the Meeting.

- You may send in another proxy with a later date.

Expenses of Proxy Solicitation

Paramount will pay the costs of soliciting proxies for the Meeting. Officers, directors and employees of Paramount may solicit proxies by telephone, mail, the Internet or in person. However, they will not be paid for soliciting proxies. Paramount will also request that individuals and entities holding shares in their names, or in the names of their nominees, that are beneficially owned by others, send proxy materials to and obtain proxies from, those beneficial owners, and will reimburse those holders for their reasonable expenses in performing those services. To the extent necessary, Paramount intends to use Mellon Investor Services to assist it in the solicitation of proxies, using the means referred to above.

Adjournments

Although it is not expected, the Meeting may be adjourned for any reason by either the Chairman of the Meeting or the holders of a majority of the voting power of the stock present, in person or by proxy, and entitled to vote at the Meeting. Notice of an adjourned meeting need not be given if the time and place, if any, or the means of remote communications to be used rather than holding the meeting at any place are announced at the meeting so adjourned. If, however, the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, then a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. Such notice will be mailed to you or transmitted electronically to you and will be provided not less than 10 days nor more than 60 days before the date of the adjourned meeting and will set forth the purpose of the meeting.

Other Matters

The Board is not aware of any business to be brought before the Meeting other than that described in this proxy statement.

Proposal No. 1 – Election of Directors

At the Meeting, eight directors will be elected to serve a one year term or until the next annual stockholders meeting or until such director's successor shall have been elected and qualified following such director's earlier death, resignation or removal.

Corporate Governance

The directors believe that one of their primary responsibilities is to promote a culture of ethical behavior throughout Paramount by setting examples and by displaying a sustained commitment to instilling and maintaining deeply ingrained principles of honesty and decency. Consistent with these principles Paramount has, among other things, adopted:

- written charters for our Audit Committee, Compensation Committee and Nominating Committee; and
- a Code of Ethics for our officers, directors and employees.

The committee charters and Code of Ethics is available on Paramount’s website located at www.paramountgold.com. Copies of these documents are also available upon written request to Paramount’s Secretary. Paramount will post information regarding any amendment to, or waiver from, its Code of Ethics on its website.

The Board periodically reviews its corporate governance policies and practices. Based on these reviews, the Board will adopt changes to policies and practices that are in the best interests of Paramount and as appropriate to comply with any new requirements of the Commission or any Exchange listing requirements.

During the year the Company established a Corporate Governance Committee comprising all the independent members of the Board of Directors. The Corporate Governance Committee has not yet met and will do so only if matters arise that require consideration.

Director Independence

As part of Paramount’s Corporate Governance Guidelines and in accordance with the NYSE Amex rules, the Board has established a policy requiring a majority of the members of the Board to be independent. The Board has determined that Dr. Carden and Messrs. Fronk and Gonzalez-Urien, Reynolds, Stinglhamber, Dinning and Kennedy satisfy any listing standards as well as Paramount’s independence standards.

Communications with the Board

Stockholders and other interested parties may communicate with the Board or specific directors by mail addressed to: Board of Directors, c/o Paramount Gold and Silver Corp., 665 Anderson Street, Winnemucca, Nevada, 89445. The Board has also determined that each member of the audit committee is financially literate and experienced in financial matters and has not participated in the preparation of Paramount’s financial statements at any time during the past three years. The Board has also determined that both Mr. Dinning and Mr. Reynolds are “audit committee financial experts” within the meaning of applicable SEC regulations.

The Audit Committee assists the Board in its oversight of Paramount's financial reporting, focusing on the integrity of Paramount's financial statements, Paramount's compliance with legal and regulatory requirements, the qualifications of Paramount's independent auditor and the performance of Paramount's internal audit function. The Audit Committee's primary responsibilities include:

- acting in respect of all other matters as to which Audit Committee action is required by law or applicable listing standards.

The Audit Committee's responsibilities and key practices are more fully described in its written charter. In accordance with the NYSE Amex rules, the Audit Committee reviews and reassesses the adequacy of its written charter on an annual basis.

Following is a report of our Audit Committee for the fiscal year ended June 30, 2010.

Audit Committee Report

The Audit Committee is currently composed of three directors who are neither officers nor employees of Paramount. All members of the Committee are independent for purposes of Audit Committee service.

In connection with its review of the audited financial statements appearing in Paramount's annual report on Form 10-K for the fiscal year ended June 30, 2010, the Audit Committee:

- reviewed and discussed the audited financial statements with Paramount's management and Paramount's independent auditors, Meyers Norris Penny LLP;

- received and reviewed the written disclosures and the letter from our independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with Meyers Norris Penny LLP their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in Paramount's annual report on Form 10-K for the fiscal year ended June 30, 2010, as filed with the SEC on September 28, 2010.

The Audit Committee has selected and engaged Meyers Norris Penny LLP as our independent auditor to audit and report to Paramount's stockholders on Paramount's financial statements for the fiscal year ending June 30, 2011.

Compensation Committee

The Compensation Committee currently consists of Dr. Carden and Messrs. Dinning and Fronk, with Mr. Dinning serving as chairman. The Compensation Committee met once during the fiscal year ended June 30, 2010.

The Compensation Committee assists the Board in overseeing executive compensation and administers Paramount's executive bonus and equity compensation plan. The Compensation Committee's primary responsibilities include:

- evaluating the performance of and establishing compensation for Paramount's Chief Executive Officer;
- establishing compensation levels for Paramount's directors and executive officers and reviewing executive compensation matters generally;
- making recommendations to the Board with respect to approval and adoption of all cash and equity-based incentive plans; and
- approving awards of options, restricted shares, restricted share units and other equity rights to executive officers.

The Compensation Committee's responsibilities include recommending to the Board a compensation package for the Company's chief executive officer. The Compensation Committee's further responsibilities are discussed more fully in its charter.

Nominating Committee

The Nominating Committee currently consists of Messrs. Stinghamber, Fronk and Gonzalez-Urien, with Mr. Fronk serving as chairman. All members of the Nominating Committee are independent directors.

During the fiscal year ended June 30, 2010, the Nominating Committee met once.

The Nominating Committee's primary responsibilities include considering and making recommendations to the Board with respect to nominees for election to the Board consistent with criteria approved by the Board or the Nominating Committee, including director candidates submitted by Paramount's stockholders.

The Nominating Committee's responsibilities and key practices are more fully described in its charter.

Director Nominees

The Nominating Committee utilizes a variety of methods for identifying and evaluating director nominees. The Committee may consider candidates recommended by Paramount's directors, members of management, professional search firms or stockholders. These candidates may be considered at any point during the year. The members of the Nominating Committee evaluate potential nominees, whether proposed by stockholders or otherwise, by reviewing their qualifications, reviewing results of personal and reference interviews and reviewing other relevant information. Candidates whose evaluations are favorable are then chosen by a majority of the members of the Nominating Committee to be recommended for nomination by the full Board. The full Board then selects and nominates candidates for election as directors by the stockholders at the annual meeting.

To date, our Nominating Committee has not paid a fee to any third party to identify or evaluate prospective nominees.

Qualifications

In evaluating nominees for election as a director, the Nominating Committee considers a number of factors, including the following:

- personal and professional qualities, characteristics, attributes, accomplishments and reputation in the business community and otherwise;
 - reputation in a particular field or area of expertise;
- current knowledge and contacts in the markets in which Paramount does business and in Paramount's industry and other industries relevant to Paramount's business;
- the ability and willingness to participate fully in board activities, including attendance at, and active participation in, meetings of the Board and its committees;
- the skills and personality of the nominee and how the Nominating Committee perceives the nominee will fit with the existing directors and other nominees in maintaining a Board that is collegial and responsive to the needs of Paramount and its stockholders;
- the willingness to represent the best interests of all of Paramount's stockholders and not just one particular constituency; and
- diversity of viewpoints, background and experience, compared to those of existing directors and other nominees.

Compensation of Officers and Directors Overview of Compensation Program

Our compensation philosophy is based on our belief that our compensation programs should: be aligned with stockholder's interests and business objectives; reward performance; and be externally competitive and internally equitable. In order to attract quality board members in a manner commensurate with our status as an exploratory stage mining company, with no revenues, our Compensation Committee, examined studies conducted by independent industry sources in both the United States and Canada as to the level of compensation received by officers and directors. Their primary focus was with respect to compensation paid to officers and directors of public mining companies in Canada and USA.

Our Compensation Committee studied the compensation level paid to officers and directors of more than a two dozen different resource companies. Overall compensation varied considerably. Companies paying their executive officers and directors on the high end include:

- ECU Silver Mining Corp.
 - Victoria Gold Corp.
- Sabina Silver Corporation
- Silver Corp. Metals Inc.
- Crystallex International

As a group, salaries and bonuses paid to the company's chief executive officer ranged from \$320,000 to \$500,000. With respect to option grants to each company's chief executive officer, the market value for options ranged from \$136,000 to \$862,000. Compensation levels for other resource companies varied significantly in scope and range:

In establishing the compensation level paid to our officers and directors, the Compensation Committee attempted to achieve a balance between compensation paid to the officers and directors as compared to the compensation package offered our employees and consultants. Recognizing the need to preserve working capital for drilling operations, employees and consultants have been offered cash and equity compensation packages which has permitted us to retain skilled personnel with little employee turnover.

In making compensation decisions, we seek to achieve three objectives:

- Providing a total compensation package which is competitive and therefore, enables us to attract and retain, high-caliber executive personnel;
- Integrating compensation programs with our short-term and long-term strategic plan and business objectives; and
- Encouraging achievement of business objectives and enhancement of stockholder value by providing executive management long-term incentive through equity ownership.

Our Compensation Committee, determines compensation for our executive officers and directors is decided by this Committee. The Compensation Committee reviews recommendations submitted to the Committee as well as industry averages for similarly situated companies. The Committee reviews these recommendations and reports and makes recommendations.

In determining the appropriate compensation level as compared to other similarly situated mining companies, the Compensation Committee has determined that the primary goal will be to preserve its cash situation. Except for nominal consideration paid to one director, directors do not receive cash compensation for serving on the Board of Directors or for serving on any committee of the Board of Directors. Rather, the Compensation Committee's primary objective with respect to equity compensation is to establish equity based compensation within industry guidelines. Since the Company's objective is to retain cash, the Compensation Committee recommended to the entire Board that equity based compensation be the primary form of compensation utilized and should be within the higher range of equity based compensation.

Other Factors Considered in Establishing Compensation for Executive Officers

We are an exploratory stage mining company. We will not be generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not believed to be appropriate in the evaluation of our performance or our individual executives. The compensation of our executive officers is based, in substantial part, on industry compensation practices, trends in the mining industry as well as the achievement of our business and the individual executive officers' objectives. Such objectives are established and modified as necessary to reflect changes in market conditions and other factors. Individual performance is measured by reviewing whether these objectives have been achieved.

It is the responsibility of our Compensation Committee to make recommendations to our Board of Directors with respect to appropriate levels of compensation.

Annual Salary

We pay an annual salary to our employees and the executive officers as consideration for fulfillment of certain roles and responsibilities.

Determining Annual Salary

Increases to annual salary reflect a reward and recognition for successfully fulfilling the position's role and responsibilities, the incremental value of the experience, knowledge, expertise and skills the individual acquires and develops during employment with us and adjustments as appropriate based on external competitiveness and internal equity.

Equity-Based Compensation

We grant equity-based compensation to consultants, employees, including the executive officers, to attract, motivate, engage and retain highly qualified and highly sought-after employees. We grant stock options on a broad basis to encourage all employees to work with a long-term view. Stock options are inherently performance-based because they deliver value to the option holder only if the value of our stock increases. Thus, stock options are a potential reward for long-term value creation and serve as an incentive for employees who remain with us to contribute to the overall long-term success of the business.

Retirement Benefits

We currently do not offer any type of retirement savings plan for our executive officers, directors or employees.

Perquisites

None of our executive officers have perquisites in excess of \$10,000 in annual value.

Compensation of Paramount Officers

The Company has a formal employment agreement with its CEO. The agreement specifies the terms and conditions of employment, the duties and responsibilities during term as CEO, the compensation and benefits to be provided by the Company in exchange for services and the compensation to be provided by the Company in the event employment is terminated due to a change in control of the Company.

The Company has no formal employment agreement with the CFO. In cases where no formal agreements exist with the Company's principal officers, our Compensation Committee meets annually to recommend a salary commensurate to their experience, service and contributions to the Company. The Compensation Committee and the entire Board of Directors has not established any quantifiable criteria with respect to the level of either the stock grants or options. Rather, the Compensation Committee evaluates both cash, stock grants and stock options paid to similarly situated mining companies.

With respect to stock grants and options issued to the Company's officers the Nominating Committee or Compensation Committee, as the case may be, considered an overall compensation package that included both cash and stock based compensation which would be in line with the Company's overall operations and compensation levels paid to similarly situated mining companies.

All stock options were granted at the market on the date of grant. Under Generally Accepted Accounting Principles ("GAAP") we were required to value these grants based on the date of grant. The dollar value of both the stock options and the stock awards are accounting entries and do not necessarily reflect actual compensation received by any of our officers.

The following table discloses compensation paid during the fiscal years ended June 30, 2010, 2009 and 2008 to (i) the Company's Chief Executive Officer, (ii) Chief Financial Officer and (ii) individual(s) who were the only executive officers, other than the Chief Executive Officer or Chief Financial Officer, serving as executive officers at the end of fiscal year whose total salary and bonus exceeded \$100,000 (the "Named Executive Officers"). The following table sets forth information with respect to the beneficial ownership of shares of our common stock as of October 15, 2010, on which date there were 132,077,034 shares outstanding, inclusive of any shares which could be exercised pursuant to any options or warrants owned by the named individual, by (i) each person known by us to beneficially own 5% or more of the outstanding shares of such class of stock, based on filings with the SEC and certain other information, (ii) each of our “named executive officers” and directors, and (iii) all of our executive officers and directors as a group.

Certain Relationships and Related Transactions

It is our practice and policy to comply with all applicable laws, rules and regulations regarding related party transactions, including the Sarbanes-Oxley Act of 2002. A related person is any executive officer, director, or more than 5% stockholder of the Company, including any of their immediate family members, and any entity owned or controlled by such persons. Our Audit Committee has been charged with responsibility for approving all related party transactions as part of the Audit Committee's overall responsibilities as set forth in its charter. In considering related party transactions, the Audit Committee takes into account the relevant available facts and circumstances. In the event a director has an interest in the proposed transaction, the director must recuse himself from the deliberations and approval.

During the year ended June 30, 2010, directors received payments on account of professional fees and reimbursement of expenses in the amount of \$484,758 (2009: \$478,939, 2008: \$437,178). During the year ended June 30, 2010, the Company did not issue any common shares to directors (2009 – 458,095, 2008- 245,000 common shares) for services rendered.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than ten percent of our common stock ("Section 16 Insiders") to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock.

To our knowledge based solely on a review of the copies of such reports furnished to us and the Section 16 Insiders' representations to us that no other reports were required during the year ended June 30, 2010, our Section 16 Insiders complied with their respective filing requirements under Section 16(a) on a timely basis.

Matters Relating to Corporate Governance

The Board and its Committees

Our Board currently consists of eight directors. They are: Christopher Crupi, Dr. John Carden, Michel Yvan Stinglhamber, Robert Dinning, Rudi P. Fronk, Eliseo Gonzalez-Urien Christopher Reynolds and Shawn Kennedy. The rules of the NYSE Amex require that a majority of our directors be independent directors. The Board has determined that Dr. Carden and Messrs. Stinglhamber, Fronk, Eliseo Gonzalez-Urien, Reynolds and Kennedy are independent directors having satisfied the independence requirements pursuant to the “non-employee director” definition of Rule 16b-3 promulgated under Section 16 of the Exchange Act and National Instrument 58-101 of the Canadian Securities Administrators (“CSA”) and pursuant to the “independent director” definition in Section 803A of the NYSE Amex rules. Mr. Reynolds and Mr. Dinning are considered an “financial experts”.

During our last fiscal year, our Board met a total of 22 times. Each of our directors attended no less than 75% of our director meetings and no less than 75% of any committee meetings on which they serve. Although we do not have a formal policy regarding attendance by members of the Board at our annual meeting of stockholders, we encourage directors to attend and historically more than a majority have done so either in person or made themselves available telephonically. At our last annual meeting held on February 24, 2010, Mr. Crupi was present in person and all other directors were available telephonically.

The Board has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating Committee. A minimum of three directors serve on each committee. Current membership on the various committees is as follows:

- Audit Committee: Christopher Reynolds (chairman), Robert Dinning and John Carden
- Compensation Committee: Robert Dinning (chairman), John Carden and Rudi Fronk
- Nominating Committee: Rudi Fronk (chairman), Michel Yvan Stinglhamber and Eliseo Gonzalez-Urien

The committees generally meet throughout the year to review matters within each committee’s jurisdiction as more fully set forth below. Our Audit Committee met a total of four times during the last fiscal year. Our Nominating Committee met once during the last fiscal year and once subsequent to year end. Our Compensation Committee met once during the last fiscal year and once subsequent to year end.

Copies of the charters of each of these committees are available on Paramount’s website located at www.paramountgold.com.

The Audit Committee oversees the accounting and financial reporting processes of Paramount and audits of the financial statements of Paramount. The Audit Committee has the sole authority to retain and terminate the independent registered public accounting firm that examines our financial statements.

The primary purpose of the Compensation Committee is to review, on an annual basis or more frequently as it deems appropriate, the performance of our executive officers, to review the amount and form of compensation payable to our executive officers and to report to the Board on an annual basis, making recommendations regarding compensation of our executive officers. In addition, the Compensation Committee administers our equity compensation plans.

The primary purpose of the Nominating Committee is to identify and recommend individuals qualified for nomination to serve on our Board. Some of the criteria which we deem important to the nomination process include: work experience, reputation, ability to interact with current directors, and availability for meetings and for general corporate input.

We have also established a corporate governance committee comprised of all the independent board members to review the Company's operational procedures and corporate compliance matters.

Code of Ethics

The Board has adopted a Code of Ethics that applies to all our directors and employees, including our principal executive officer and principal financial officer. A copy of the Code is currently available on our website at www.paramountgold.com.

Board of Directors and Compensation of Directors

Director Compensation

The general policy of our Board is that compensation for independent directors should be a mix of cash and equity-based compensation. For the fiscal year ended June 30, 2010, the Compensation Committee evaluated the appropriate level and form of compensation for independent directors. The Compensation Committee will make such compensations evaluations and recommendations annually. The Board reviews the Committee's recommendations and then determines the amount of director compensation.

During the second half of the fiscal year ended June 30, 2010, independent directors were entitled to receive cash compensation of \$6,000 per quarter. An additional fee of \$10,000 and \$5,000 were paid to the Chairman of the Board and Chairman of the Audit Committee respectively.

Future Stockholder Proposals

Stockholder Recommendations

While there are no formal procedures for stockholders to submit director recommendations, the Nominating Committee will consider candidates recommended by stockholders in writing. Such written submissions should include the name, address and telephone number of the recommended candidate, along with a brief statement of the candidate's qualifications to serve as a director. All such stockholder recommendations must signed by the stockholder recommending the director candidate for consideration, must be submitted to the attention of Mr. Fronk, chairman of the Nominating Committee, 665 Anderson Street, Winnemucca, Nevada, 89445.

Stockholders may recommend candidates at any time, but to be considered by the Nominating Committee for the annual election of directors, the recommendation must be received no later than 120 days before the first anniversary of the date of mailing this proxy statement for the 2010 Meeting. Any candidates recommended by a stockholder will be reviewed and considered in the same manner as all other director candidates considered by the Nominating Committee. In considering director candidates recommended by stockholders, the Nominating Committee will also take into account such factors as it considers relevant, including the length of time that the submitting stockholder has been a stockholder of Paramount and the aggregate amount of the submitting stockholder's investment in Paramount. Paramount has never received any recommendations for director candidates from stockholders.

Stockholder Nominations

A stockholder desiring to submit a proposal to nominate a director at the 2010 annual meeting should submit such proposal to the attention of Paramount's Secretary, 665 Anderson Street, Winnemucca, Nevada, 89445, by November 15, 2010. However, under the regulations of the SEC, if the date of the 2010 annual meeting were to change by more than 30 days from the date of the 2010 Meeting, any such proposal must be received by Paramount a reasonable time before printing and mailing its proxy materials in order for the proposals to be considered for inclusion in the 2010 Proxy Statement. In either event, the proxy solicited by Paramount's Board for the 2010 annual meeting will confer discretionary authority to vote on any stockholder proposal presented at the meeting if Paramount has not received written notice of such proposal by the deadline.

Delivery of Documents to Stockholders Sharing an Address

Stockholders who share a single address will receive only one proxy statement at that address unless we have received instructions to the contrary from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, if a stockholder of record residing at such an address wishes to receive a separate copy of this proxy statement or of future proxy statements (if applicable), he or she may contact Paramount at 665 Anderson Street, Winnemucca, Nevada, 89445, Attention: Secretary. We will deliver separate copies of this proxy statement promptly upon written or oral request. If you are a stockholder of record receiving multiple copies of this proxy statement, you can request householding by contacting us in the same manner. If you own your shares of our common stock through a bank, broker or other stockholder of record, you can request additional copies of this proxy statement or request householding by contacting the stockholder of record.

Paramount will pay the proxy solicitor reasonable and customary compensation for these services in addition to reimbursing the proxy solicitor for its reasonable out-of-pocket expenses. Paramount has agreed to indemnify the proxy solicitor against various liabilities and expenses in connection with the Paramount proposals, including various liabilities under the U.S. federal securities laws.

Other than as set forth above, Paramount will not pay any fees or commissions to any broker, dealer or other person for soliciting proxies pursuant to the Transaction. Paramount will reimburse brokers, dealers, commercial banks and trust companies and other nominees, upon request, for customary clerical and mailing expenses incurred by them in forwarding proxy materials to their customers.
