**NOTES TO CONDENSED FINANCIAL STATEMENTS
(UNAUDITED)**

Financial Statements

The accompanying unaudited financial statements have been prepared in accordance with the instructions to Form 10-QSB and do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements.

In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. These statements should be read in conjunction with the audited financial statements and notes thereto included in the Registrant's annual Form 10-KSB for the year ended March 31, 2007.

On November 8, 2007 Ying Wang purchased 3,576,400 shares of Wincroft's Common Stock, or approximately 80.55% of the issued and outstanding Common Stock, and attained voting control of the company. The source of funds used by Ying Wang was his personal funds.

Item 2. Management Discussion and Analysis of Financial Condition and Results of Operations

There was no revenue for the period. The loss for the period was \$12,534 compared with a loss of \$1954 for the previous year. This was due to administrative expenses. The Company is now seeking merger opportunities.

Subsequent transaction:

On November 8, 2007 Ying Wang purchased 3,576,400 shares of Wincroft's Common Stock, or approximately 80.55% of the issued and outstanding Common Stock, and attained voting control of the company. The source of funds used by Ying Wang was his personal funds.

Liquidity and Capital Resources

The Registrant has met its shortfall of funds from operations during prior periods by the sale of its majority owned subsidiaries assets, and by borrowing from its Directors and companies affiliated with its Directors. Net cash used by operating activities for the period was \$0, net cash used by investing activities was \$0, and by financing activities was \$0 .

The Registrant's present needs for liquidity principally relates to its obligations for its SEC reporting requirements and the minimal requirements for record keeping. The Registrant has limited liquid assets available for its continuing needs. In the absence of any additional liquid resources, the Registrant will be faced with cash flow problems.

Item 3. Controls and Procedures

As of the end of the period covered by this quarterly report, our Chief Executive Officer and Chief Financial Officer (the "Certifying Officer") conducted evaluations of our disclosure controls and procedures. As defined under Sections 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934 Act, as amended (the "Exchange Act") the term "disclosure controls and procedures" means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including the Certifying Officer, to allow timely decisions regarding required disclosure. Based on this evaluation, the Certifying Officer has concluded that our disclosure controls and procedures were effective to ensure that material information is recorded, processed, summarized and reported by our management on a timely basis in order to comply with our disclosure obligations under the Exchange Act, and the rules and regulations promulgated thereunder.
