Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On January 14, 2016, Thompson Creek Metals Company Inc. (the "Company") received notice from the New York Stock Exchange ("NYSE") that it has commenced proceedings to delist the Company's common stock from the NYSE pursuant to Section 802.01D of the NYSE Listed Company Manual due to the current price levels of the Company's common stock. Trading in the Company's common stock on the NYSE was suspended on January 14, 2016. The Company notified the NYSE that it will not appeal the determination, and, therefore, it is expected that the Company's common stock will be delisted from the NYSE.

The Company has been approved to have its common stock traded on the OTCQX[®] Best Market operated by OTC Markets Group, with trading expected to commence on the OTCQX on January 15, 2016 under the stock symbol "TCPTF". The delisting of the common stock from the NYSE does not affect the listing of the Company's common stock on the Toronto Stock Exchange.

On January 14, 2016, the Company issued a press release announcing the delisting notice from the NYSE, a copy of which is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

Forward-looking statements may include, without limitation, statements with respect to the timing of delisting on the NYSE; continued listing on the Toronto Stock Exchange; and the timing and availability of trading on the OTCQX[®] Best Market. Where the Company expresses an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, forward-looking statements are based on current expectations and assumptions that are subject to risks and uncertainties which may cause actual results to differ materially from future results expressed, projected or implied by those forward-looking statements.
