Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 3, 2010, the Board of Directors of Nelnet, Inc. (the "Company"), accepted the recommendations of the Company's Compensation Committee to change the performance-based incentive opportunity for certain executive officers of the Company.

Effective January 1, 2010, the Board of Directors terminated the Executive Officers Bonus Plan (the "Plan") for Michael Dunlap, Chief Executive Officer. Under the previous Plan, Mr. Dunlap was eligible for an annual bonus equal to \$500,000 for every \$1.00, or the pro-rata share thereof, in base net income per share earned by the Company during the year. Base net income per share was defined under the Plan as the Company's annual base net income for the Plan year, as calculated and reported in the Company's earnings releases and filings, divided by the weighted average basic number of common shares outstanding as of the end of the Plan year.

In addition, the Plan included a requirement that in order for Mr. Dunlap to be entitled to any award under the Plan, the Company must have maintained a credit rating by Standard & Poor's of "BBB" or higher and Moody's Investor Services of "Baa3" or higher for that Plan year.

In October 2008, the Company's long term debt rating was downgraded to Ba1 by Moody's Investor Services. Accordingly, Mr. Dunlap was not entitled to any bonus compensation for 2008 and 2009.

Effective January 1, 2010, Mr. Dunlap's bonus will be determined by the Board of Directors based on individual performance and company results, however, such amount shall not in any case exceed 100 percent of Mr. Dunlap's annual base salary nor is it subject to the Company's credit rating. Mr. Dunlap's annual base salary for 2010 is \$500,000.

Similar to Mr. Dunlap's performance-based bonus plan, the Board of Directors changed the bonus opportunity for all named executive officers such that individual bonuses shall not in any case exceed 100 percent of their annual base salary. Based on exceptional individual and company performance, the Board of Directors determined the President and Chief Financial Officer will each receive performance-based bonuses for 2009 equal to 100% of their 2009 annual base salaries.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 3, 2010, the Board of Directors of the Company approved an amendment, effective immediately, to Articles I and II of the Bylaws of the Company to specifically allow for electronic delivery of shareholder meeting notices and to allow for shareholders to appoint a proxy by electronic transmission. The amendment was adopted to conform to recent changes to the Nebraska Business Corporation Act allowing for utilization of the SEC's "E-Proxy" rules. Articles I and II of the Company's Bylaws previously provided that shareholder meeting notices could be delivered only by personal delivery or physical mailing, and that shareholders could appoint a proxy only in writing.
