Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must bring to the meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares. Additionally, in order to vote at the meeting, you must obtain from the record holder a proxy issued in your name.

INFORMATION CONCERNING SOLICITATION AND VOTING

Our Board of Directors is furnishing you with this Proxy Statement to solicit proxies on its behalf to be voted at the Annual Meeting or any adjournment thereof. The Annual Meeting will be held in the Express-1, Inc. Training Center located at 441 Post Road, Buchanan, Michigan 49107, on June 9, 2011, at 2:00 PM EDT.

The Notice of Annual Meeting, Proxy Statement, the 2010 Annual Report on Form 10-K and the proxy card are being mailed to stockholders on or about May 11, 2011. These same materials are available on the Internet at www.envisionreports.com/XPO. All properly executed written proxies that are received by the Board of Directors will be voted as directed by the stockholders at the Annual Meeting. Each person who is an Express-1 Expedited Solutions, Inc. stockholder of record at the close of business on April 29, 2011, the record date, is entitled to vote at the Annual Meeting or any adjournments thereof. Each stockholder is entitled to one vote for each share of common stock held on the record date.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

1. Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the Annual Meeting and at any adjournment or postponement thereof.

2. What items of business will be voted on at the Annual Meeting?

The items of business expected to be voted on at the Annual Meeting are as follows:

- Election of three directors by the holders of our common stock (Proposal 1); and
- Ratification of the appointment of Pender Newkirk & Company LLP as our independent registered certified public accounting firm for the year ending December 31, 2011 (Proposal 2).

3. What are my voting choices?

You may vote FOR or WITHHOLD authority from voting, on any or all nominees for election as directors. You may vote FOR or AGAINST or you may ABSTAIN from voting on any other matter to be voted on at the Annual Meeting. Your shares will be voted as you specifically instruct. If you sign your proxy or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of our Board of Directors and in the discretion of the proxy holders on any other matters that properly come before the meeting.

4. How does the Board of Directors recommend that I vote?

Our Board of Directors recommends that you vote your shares FOR each of its three nominees for election to the board, and FOR ratification of Pender Newkirk & Company LLP as our independent registered certified public accounting firm.

5. What are the voting requirements to elect the directors and to approve each of the proposals discussed in this Proxy Statement?

To conduct business at the Annual Meeting, a quorum consisting of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, must be

represented. Abstentions and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

The following are the voting requirements applicable to the matters to be presented for stockholder action at the Annual Meeting:

Proposal 1—Election of three directors. The election of directors requires the plurality vote of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote, therefore abstentions, broker non-votes or the failure to either return a proxy or to attend the Meeting will have no effect on the election of directors. Brokers or other holders of record do not have discretionary voting power to vote on this proposal.

Proposal 2—Ratification of Auditor Selection. The ratification of Pender Newkirk & Company LLP as our independent registered certified public accounting firm for the year ending December 31, 2011 requires the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote, therefore abstentions count against the proposal, whereas broker non-votes or the failure to either return a proxy or to attend the Meeting will have no effect on the ratification of Pender Newkirk & Company LLP. Brokers or other holders of record have discretionary voting power to vote on this proposal.

6. Could other matters be decided at the Annual Meeting?

At the date this Proxy Statement went to press, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement.

If you have returned a signed and completed proxy card and other matters are properly presented at the Annual Meeting for consideration, the Board of Directors has granted discretionary authority to Michael R. Welch as an officer of the Company, to vote on those matters for you.

7. Is my vote confidential?

Yes. All proxy cards, ballots or voting instructions delivered to our transfer agent, Computershare will be kept confidential.

8. Where can I find the results of the voting?

We intend to announce preliminary voting results at the Annual Meeting and will publish final results through an 8-K report filed with the Securities and Exchange Commission (the “SEC”) within two days of the election. The report will be available on the Internet at: www.express-1.com.

9. Who is entitled to attend and vote at the Annual Meeting?

You are entitled to attend the Annual Meeting if you were a stockholder at the close of business on April 29, 2011, or you hold a valid proxy to vote at the Annual Meeting. As of that date, 33,011,561 shares of common stock were issued and outstanding. You may vote all shares owned by you on the record date, including (a) shares held directly in your name as the stockholder of record, and (b) shares held for you as the beneficial owner through a broker, trustee or other nominee.

10. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, for those shares, to be the “stockholder of record.” The Notice of Annual Meeting, Proxy Statement, 2010 Annual Report on Form 10-K and proxy card documents have been sent directly to you. If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in street name. The Notice of Annual Meeting, Proxy Statement, 2010 Annual Report on Form 10-K and proxy card have been forwarded to you by your broker, bank or other holder of record who is considered, for those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote

your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or on the Internet.

11. How do I vote?

You may vote using any of the following methods:

- By Mail. Vote by marking, signing, dating and returning a proxy card. To vote for the Company's nominees, mark, sign, date and return the enclosed proxy card in the accompanying envelope.
 - Via the Internet or Telephone. Vote via the Internet or telephone in accordance with the instructions on your proxy card.
 - In Person. All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.
-

12. May I change my vote?

If you are a stockholder of record, you can revoke your proxy before it is exercised by:

- Written notice to the Company (Attention: Chief Executive Officer, 3399 South Lakeshore Drive, Suite 225, Saint Joseph, Michigan 49085);
- Timely delivery of a valid, later-dated proxy or a later-dated vote by telephone or on the Internet;
or
- Vote by ballot at the Annual Meeting.

Attendance at the Meeting, however, will not itself constitute the revocation of a proxy. You may obtain a legal proxy as described in the answer to the previous question. All shares that have been properly voted and not revoked will be counted at the Annual Meeting.

13. What is the deadline to vote?

If you hold shares as the stockholder of record, your vote by proxy must be received before the polls close at the Annual Meeting. If you hold shares as the beneficial owner, please follow the voting instructions provided by your broker, trustee or other nominee.

14. Who will count the vote?

Representatives of our transfer agent, Computershare, will tabulate the votes. John Welch, who serves as the Secretary of the Board of Directors and Chief Financial Officer, will act as the Inspector of Election.

15. When and where is the Annual Meeting?

The Annual Meeting will be held in the Express-1, Inc. Training Center located at 441 Post Road, Buchanan, Michigan 49107, on Thursday, June 9, 2011, at 2:00 p.m. EDT. Check-in will begin at 1:30 p.m. and you should allow ample time for check-in procedures.

16. What is the deadline to submit stockholder proposals to be included in the proxy materials for next year's Annual Meeting of Stockholders?

Under the rules of the SEC and our bylaws, in order to be considered for inclusion in next year's proxy statement, all stockholder proposals must be submitted in writing by December 21, 2011 to Express-1 Expedited Solutions, Inc. 3399 South Lakeshore Drive, Suite 225, Saint Joseph, Michigan 49085, Attention: Chief Executive Officer. The notice should contain the text of any proposal, the name and address of the stockholder as they appear in the books of the Company, the number of common shares of the Company that are beneficially owned by the stockholder, and any material interest of the stockholder in such business.

17. How does a stockholder recommend or nominate someone to be considered for election as a director of the Company?

Any member of the Board of Directors or any stockholder or group of stockholders entitled to vote in an election meeting and who is a stockholder of record at the time of making any such notice may nominate or recommend any person as a nominee for director by submitting such recommendation or notice of nomination in writing to the

Chairman of the Nominating Committee. Candidates recommended by stockholders will be considered for appointment to the board. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

1. The name of the stockholder and evidence of the person's ownership of our common stock, including the number of shares owned and the length of time of ownership; and
-

2. The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be addressed to our Chief Executive Officer at 3399 South Lakeshore Drive, Suite 225, Saint Joseph, Michigan 49085, and must be received by our Chief Executive Officer not less than 120 calendar days before the date of the proxy statement we released to our shareholders in connection with our previous year's annual meeting. If, however, we did not hold an annual meeting the previous year, or if the date of the annual meeting to which the recommendation applies has been changed by more than 30 days from the anniversary date of our most recent annual meeting of stockholders, then the recommendation and information must be received not later than the close of business on the 10th day following the day on which notice of the date of the meeting is mailed or public disclosure of the date of the meeting is made, whichever occurs first.

18. Who pays the solicitation expenses for this Proxy Statement and related Company materials?

The Company pays the cost of this solicitation. Executive officers and other employees of the Company may solicit proxies, without additional compensation, personally and by telephone and other means of communication. The Company will reimburse brokers and other persons holding Common Stock in their names or in the names of their nominees for their reasonable expenses in forwarding proxies and proxy materials to beneficial owners.

19. What is "householding" and how does it affect me?

We have adopted a procedure approved by the SEC called "householding." Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our Notice of Annual Meeting, Proxy Statement, and 2010 Annual Report on Form 10-K, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce our printing costs and postage fees. Stockholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of our Notice of Annual Meeting, Proxy Statement and 2010 Annual Report on Form 10-K, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, Computershare in writing at:

Computershare Investor Services
250 Royall Street
Canton, MA 02021

If you participate in householding and wish to receive a separate copy of this Notice of Annual Meeting, Proxy Statement and 2010 Annual Report on Form 10-K, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact Computershare as indicated above.

Beneficial owners can request information about householding from their banks, brokers or other holders of record.

We will furnish, without charge, a copy of the Annual Report on Form 10-K, including financial statements and schedules thereto (but not including exhibits) to each of our stockholders of record on April 29, 2011, and to each beneficial stockholder on that date upon written request made to the Chief Executive Officer, Express-1 Expedited Solutions, Inc., 3399 South Lakeshore Drive, Suite 225, Saint Joseph, Michigan 49085. The phone number is (269)

429-9761.

20. What should I do if I receive more than one set of proxy materials?

You may receive more than one set of proxy materials, including multiple proxies or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy and voting instruction card that you receive.

21. Can I receive an electronic delivery of proxy material and annual reports?

Yes, this Proxy Statement, the accompanying Notice of Annual Meeting, the Company's 2010 Annual Report on Form 10K and the Proxy Card are available on the Internet at: www.envisionreports.com/XPO

FAMILY RELATIONSHIPS

The CEO's brother, John Welch, was appointed as the Chief Financial Officer of the Company on January 1, 2011. Prior to the appointment he held the position of Interim Chief Financial Officer for the Company from April 2010 to December 31, 2010. John Welch served as the Corporate Controller prior to these appointments. No arrangement or understanding exists between any executive officer or director and any other person pursuant to which any executive officer was selected as an executive officer of the Company or any director was appointed to the Company's board. Executive officers of the Company are elected or appointed by the Board and hold office until their successors are elected or until their death, resignation or removal.

BOARD OF DIRECTOR POLICIES

Director Attendance at Annual Meetings and Board Meetings

It is our policy that directors are invited and encouraged to attend our Annual Meetings. All directors attended our last Annual Meeting, and are expected to attend the Meeting this year.

During the year ended December 31, 2010, the Board met five times. The Board is currently comprised of Jim Martell, Jay Taylor, Pete Whitehead, Jennifer Dorris, John Affleck-Graves, Dan Para and Mike Welch.

Director Independence

The Board has determined that all of the members of the Board, other than Mr. Welch and Mr. Para are "independent" as that term is defined in the NYSE AMEX Equities Rules. Mr. Welch is not considered independent because he serves as the CEO of the Company. Mr. Para is not considered independent because he serves as the CEO of Concert Group Logistics. As required under applicable NYSE AMEX Equities Rules, the Company's independent directors meet regularly in executive sessions at which only they are present.

Board role in risk management

The Board of Directors has an active role, as a whole and also at the committee level, in overseeing the management of Company risks. The Board regularly reviews information regarding the Company's financial position, profitability, capital, liquidity and operations, as well as the risks associated with each. The Audit Committee oversees the management of financial risks. The Nominating Committee manages risks associated with management including the independence of the Board. The Company's Compensation Committee is responsible for the oversight of risks related

to the Company's executive and director compensation plans. While each committee is responsible for the evaluation of certain risks and the oversight of the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Leadership Structure

The Board of Directors has chosen to separate the roles of Chief Executive Officer and Chairman of the Board of Directors. Michael Welch is our Chief Executive Officer and James Martell is Chairman of the Board of Directors. We believe this structure is optimal for the Company because it allows Mr. Welch to focus on the day-to-day operation of the business, while allowing Mr. Martell to focus on leadership of the Board of Directors in addition to providing the Company with direction on Company-wide issues. Mr. Martell, who is independent under applicable NYSE AMEX Equities Exchange rules, chairs the full sessions of our Board of Directors as well as the executive sessions of our independent directors and works with Mr. Welch to ensure management is adequately addressing the matters identified by the Board. This structure optimizes the roles of Chief Executive Officer and Chairman and provides the Company with sound corporate governance practices in the management of its business.

Stockholder Communication with the Board

The Board of Directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the Board of Directors (or the non-management directors as a group) or any committee of the Board of Directors by mail. Correspondence to the entire Board of Directors, any individual director or any group or committee of directors should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent “c/o Chief Executive Officer, 3399 South Lakeshore Drive, Suite 225, Saint Joseph, Michigan 49085.

All communications received as set forth in the preceding paragraph will be opened by the office of our Chief Executive Officer for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board of Directors or any group or committee of directors, the Chief Executive Officer’s office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence or e-mail is addressed.

AUDIT COMMITTEE

The Board has established an audit committee. The Audit Committee is comprised of Jennifer Dorris, Jay Taylor and John Affleck-Graves, with Mrs. Dorris serving as its Chairperson and “Financial Expert,” as defined in item 407(d)(5) of regulation S-K. The members of the Audit Committee are independent as defined by the NYSE AMEX Equities Rules.

During 2010, the Audit Committee met in-person two times. In addition to these meetings, the Audit Committee conducted five conference calls in conjunction with the Company’s earnings releases and the review of its financial statements by the independent auditors. The Audit Committee convenes when deemed appropriate or necessary by its members.

The Company’s Board of Directors has adopted a written charter for the Audit Committee, which is available on the Company’s website www.xpocorporate.com under the heading “About XPO”.

The primary functions of the Audit Committee are set forth in its charter and include: (i) selecting the independent registered certified public accounting firm; (ii) reviewing the results and scope of the audit and other services provided by the Company’s independent auditors, and (iii) reviewing and evaluating the Company’s internal control functions, in support of the integrity of the Company’s financial statements.

As an advisory function of the Audit Committee, members also participate in financings, review budgets and review budgeted performance versus actual performance reports.

The Audit Committee reports as follows:

(i) The Audit Committee reviewed and discussed the Company's audited financial statements for the year ended December 31, 2010 with the Company's management;

(ii) The Audit Committee discussed with Pender Newkirk & Company LLP, the Company's independent public accountant for the year ending December 31, 2010, the matters required in Statement of Accounting Standards 114;

(iii) The Audit Committee received the written disclosures and the letter from Pender Newkirk & Company LLP (required by PCAOB Rule 3526), (communication with audit committees concerning independence) and has discussed Pender Newkirk's independence with representatives of Pender Newkirk; and

(iv) Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the Securities and Exchange Commission.

Anonymous and direct communication with the Chairperson of the Audit Committee is available on the Company's website, www.xpocorporate.com, under the caption, "Investor Relations-Corporate Compliance."

NOMINATING COMMITTEE

In 2005, the Board established a nominating committee, which is currently comprised of only one Board Member, Pete Whitehead, who serves as the Chairperson. As deemed necessary by the Board of Directors, other Board members assist Mr. Whitehead on Nominating Committee matters. Mr. Whitehead qualifies as independent as defined by NYSE AMEX Equities Rules. During 2010, the Nominating Committee met five times, in conjunction with regularly scheduled Board meetings. The Nominating Committee convenes when deemed appropriate or necessary by its chairperson and the board of directors.

The Nominating Committee performs the following functions:

(i) Recommends individuals qualified to serve as directors of the Company to the Board of Directors for the approval by a majority of the independent directors;

(ii) Recommends to the Board of Directors, directors to serve on committees of the Board of Directors;

(iii) Advises the Board of Directors with respect to matters relating to the composition, procedures and committees of the Board of Directors;

(iv) Develops and recommends to the Board of Directors a set of corporate governance principles applicable to the Company and oversees corporate governance matters generally; and

(v) Oversees the evaluation of individual directors and the Board of Directors as a whole.

All director candidates recommended by the Nominating Committee must be consistent with the Board of Directors' criteria for selecting directors. These criteria include the possession of such knowledge, experience, skills, expertise and diversity so as to enhance the Board of Directors' ability to manage and direct the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board of Directors to fulfill their

duties and/or to satisfy any independence requirements imposed by law, regulation or NYSE AMEX Equities listing requirements. In addition, the Nominating Committee examines, among other things, a candidate's ability to make independent analytical inquiries, understanding of our business environment, potential conflicts of interest, independence from management and the Company, integrity and willingness to devote adequate time and effort to responsibilities associated with serving on the Board of Directors.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons meeting the criteria described above who have had a change in circumstances that might make them available to serve on the Board of Directors — for example, retirement as a senior executive of a public company. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. The Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairperson or a member of the Board appointed to serve on the Nominating Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conducts one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

COMPENSATION COMMITTEE

The purpose of the Compensation Committee is to review, analyze, recommend, and approve all aspects of executive compensation. As more fully outlined in the Compensation Committee's charter, which is available on the Company's website at www.xpocorporate.com under the caption "About XPO". The primary functions of the Compensation Committee include:

- (i) The review and approval of corporate goals and objectives relating to the compensation of the Chief Executive Officer, evaluating the Chief Executive Officer's performance in light of those objectives, and determining and approving the Chief Executive Officer's compensation based upon this evaluation;
- (ii) The review and recommendation to the Board regarding the compensation of our other executive officers;
- (iii) The review and approval of all forms of incentive compensation, including stock options and other stock-based awards to our executive officers; and
- (iv) The administration of the Company's stock option plan as in effect from time-to-time.

The Compensation Committee may not delegate its authority under its charter to any other parties. The Company's Chief Executive Officer regularly advises the Compensation Committee and the full Board of Directors regarding the compensation to be paid to the Company's employees other than the Chief Executive Officer and Chief Financial Officer, though the final determination of compensation to be paid to said parties is made by the Compensation Committee and/or the full Board of Directors. Compensation consultants played no role in determining or recommending the amount or form of executive and director compensation during 2010.

As of December 31, 2010, the Compensation Committee was comprised of Calvin (Pete) R. Whitehead, James J. Martell, and John Affleck-Graves with Mr. Whitehead serving as Chairperson. The Compensation Committee met four times in 2010. At those meetings, the Compensation Committee approved the compensation of our directors who are not 10% shareholders, officers, or employees of the Company. See the Executive Named Officer Compensation Summary Table and Compensation of Directors Summary Table for details.

ACQUISITION COMMITTEE

The Acquisition Committee is composed of Michael R. Welch, Daniel Para, and Jay N. Taylor. The Committee met in-person three times in 2010, and various times as necessary via the telephone. At the present time, the Committee is in process of developing a formal charter, which when adopted, will be available on the Company's website www.xpocorporate.com under the caption "About XPO".

RELATED PARTY TRANSACTIONS

From April 2009 until May 2010, the Company contracted the services of Daniel Para to serve as the Director of Business Development. In this capacity, Mr. Para oversaw all Company activity related to merger and acquisition activity, new station recruitment, and sales development. Mr. Para is presently the CEO of Concert Group Logistics, Inc. and a Director of the Company.

In January 2008, in conjunction with the Concert Group Logistics acquisition, the Company entered into a lease on approximately 6,000 square feet of office space located within an office complex at 1430 Branding Avenue, Downers Grove, Illinois 60515. The lease calls for rent payments in the amount of \$104,000 and \$107,000 to be paid in 2011 and 2012. The building is owned by an Illinois Limited Liability Company, which has within its ownership group, Daniel Para, the CEO of Concert Group Logistics, Inc. and Director of the Company.

Review, Approval, or Ratification of Transactions with Related Parties

The Company has adopted a policy restricting significant transactions between itself and related parties and has informally outlined an approval and review process to take place in the event related party transactions are later deemed in the interest of the Company. The Board of Directors acts on these matters and potential related parties abstain from this discussion and any votes on the issue.

During the first quarter of 2009, the Board evaluated i) the financial position of its Concert Group Logistics business unit, ii) the performance of Concert Group Logistics within the Company's portfolio during the full year of 2008, iii) the potential disruption to the productivity Concert Group Logistics' business operations during 2009, and iv) complications within certain business integration processes due to the existence of a performance based earnout. Based upon this evaluation, the Board concluded that it was in the best interest of the Company to settle all current and future earnout claims with the sellers of Concert Group Logistics, LLC. The Board reached this conclusion, after considering the Company's ability to generate cash from operations; the then current Company cash position; the availability of funds and borrowing rate upon the Company's line of credit and, the opinions of the Company's executive management team. The Company concluded the settlement during the first quarter of 2009.

Narrative to Director Compensation

The Company's Board appoints the executive officers to serve at the discretion of the Board. For individual directors who are employees or those not classified as independent, no additional cash compensation is provided for service on the Board. The Company's non-employee director compensation plan was last modified during 2006. In the first quarter of each year, the Board reviews the Company's results and market comparisons for board compensation. Based upon this review, a determination is made whether modifications to the existing board compensation plan should be considered. Under the current plan, new independent board members are awarded a one-time grant of up to 100,000 options at the then current market price at the time they join. Additionally, at each independent board member's anniversary, the board member receives 25,000 options to purchase the Company's common stock at a strike price equivalent to the price of the Company's common stock at the time of grant. All grants of options to board members vest over a three-year term and have a maturity date determined at the time of grant, not to exceed ten years. In addition to stock option awards, each independent director also receives:

- (i) \$2,000 per day for each board meeting attended in person;
- (ii) \$500 for participation in board or audit committee conference calls; and
- (iii) Reasonable reimbursement of expenses associated with attendance and participation at board meetings.

The following remuneration is also paid to the Chairpersons of the various committees. The Chairperson of the Board of Directors receives an annual fee of \$25,000.
