## ADDITIONAL PROXY MATERIAL

This definitive additional proxy material (this “Supplement”) accompanies the Management Proxy Circular filed by Altair Nanotechnologies Inc. (the “Corporation”) with the Securities and Exchange Commission on May 2, 2011 (the “Proxy Statement”) with respect to the annual and special meeting of shareholders to be held on June 23, 2011 (the “Meeting”). The purpose of this Supplement is to substitute a new proxy card for that filed with the Proxy Statement and to provide clarifying instructions. The need for this Supplement arises because proposal no. 4 (Election of Directors) in the notice of meeting, Proxy Statement and original proxy card related to a proposal to elect nine directors under certain circumstances and a proposal to elect seven directors under other circumstances (only one of which will actually be considered at the Meeting). Voting systems used to collect the votes of beneficial holders cannot accommodate alternatives with respect to a single proposal. As a result, the Corporation is issuing a substitute proxy card which will replace the two-part proposal no. 4 with a proposal no. 4, related to the election of nine directors if the common share issuance with Canon Investment Holdings Limited (“Canon”) has closed, and a proposal no. 5, related on the proxy card to the election of seven directors if the common share issuance with Canon has not closed. Prior proposal no. 5, related to the ratification of the appointment of the Corporation’s independent public accounting firm, is now proposal no. 6 on the proxy card.

This Supplement should be read in connection with the Proxy Statement.

### SUBSTITUTION OF PROXY CARD AND CLARIFYING INSTRUCTIONS

Proposal no. 4 in the notice of meeting and Proxy Statement is to elect nine directors if the common share issuance with Canon is completed prior to the Meeting or, in the alternative, to elect seven directors if the common share issuance is not completed prior to the Meeting. At the Meeting, there will only be a single vote with respect to the election of directors; however, the number of directors to be elected and the identity of the nominees put forward by the Corporation differs depending upon whether the common share issuance with Canon has closed as of the date of the Meeting. The proxy card initially filed by the Corporation requests the shareholders’ proxy with respect to two possible slates (a slate of nine and a slate of seven) under proposal no. 4.

A majority of the outstanding shares of the Corporation are held in “street name”. With respect to such shares, the record holders and their service providers use automated voting systems, such as online or telephone voting, in order to solicit instructions from the beneficial owners of the shares. These automated systems cannot accommodate the Corporation’s request for voting instructions for two alternatives on proposal no. 4. As a result, the Corporation is issuing a substitute proxy card, which will replace the two-alternative proposal no. 4 on the proxy card with two separate proposals: a proposal no. 4, related to the election of nine directors if the common share issuance Canon has closed, and a proposal no. 5, related to the election of seven directors if the common share issuance with Canon has not closed. Information with respect to proposals nos. 4 and 5 on the proxy card is contained in the section of the Proxy Statement entitled PROPOSAL NO. 4. ELECTION OF DIRECTORS. In addition, all references to proposal No. 4 in the notice of meeting and the Proxy Statement shall relate to proposals nos. 4 and 5 on the proxy card.

Prior proposal no. 5 on the proxy card, related to the ratification of the appointment of the Corporation’s independent public accounting firm, is now proposal no. 6 on the proxy card. Information with respect to proposal no. 6 on the proxy card is contained in the section of the Proxy Statement entitled PROPOSAL NO. 5. APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTING FIRM. In addition, all references to proposal no. 5 in the notice of meeting and Proxy Statement shall relate to proposals no. 6 on the proxy card.
