### **Item 8.01 Other Events**

On December 17, 2014, all existing litigation and administrative proceedings between the Company and U.S. Nutraceuticals LLC d/b/a Valensa International and The Board of Trustees of the University of Illinois were amicably resolved. The tentative resolution was reported on a Form 10-Q/A filed November 13, 2014. In Reports covering periods beginning in Fiscal 2013 the Company had disclosed significant increases in legal expenditures as a component of general and administrative expenses due to pending litigation<sup>1</sup> and administrative proceedings<sup>2</sup>. The Company also stated in those prior Reports that it did not believe that the ultimate resolution of pending legal proceedings was likely to have a material adverse effect on the Company's business, results of operations, cash flows or financial condition. All litigation and related administrative proceedings involving the Company are being, or have already been, dismissed with prejudice or otherwise effectively terminated.
