Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On January 6, 2017, the Company received a letter (the “Notice”) from the Listing Qualifications Staff of The NASDAQ Stock Market (“Nasdaq”) indicating that, based upon the closing bid price of our common stock for the last 30 consecutive business days, we are not currently in compliance with the requirement to maintain a minimum bid price of \$1 per share, as set forth in Nasdaq Listing Rule 5450(a)(1). The Notice does not result in the immediate delisting of our common stock from the Nasdaq Global Market.

In order to regain compliance, the closing bid price of our common stock must be at least \$1 per share for ten consecutive business days during the period of 180 calendar days from the date of the notice, or until July 5, 2017. We intend to monitor the closing bid price of our common stock and consider our available options in the event that the closing bid price of our common stock remains below \$1 per share closing bid price. However, there can be no assurance that we will be able to regain compliance with the minimum bid price requirement or maintain compliance with the other listing requirements.
