2019 ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Build-A-Bear Workshop, Inc., a Delaware corporation (the “Company” or “Build-A-Bear Workshop”), to be voted at the 2019 Annual Meeting of Stockholders of the Company and any adjournment or postponement of the meeting. The meeting will be held at our World Bearquarters, 1954 Innerbelt Business Center Drive, St. Louis, Missouri 63114, on Thursday, June 6, 2019, at 10:00 a.m. Central Time, for the purposes contained in the accompanying Notice of Annual Meeting of Stockholders and in this proxy statement. For your reference, directions to our annual meeting site are provided at Appendix A to this proxy statement.

ABOUT THE MEETING

Why Did I Receive This Proxy Statement?

Because you were a stockholder of the Company as of April 17, 2019 (the “Record Date”) and are entitled to vote at the annual meeting, the Board of Directors is soliciting your proxy to vote at the meeting.

This proxy statement summarizes the information you need to know to vote at the meeting. This proxy statement and form of proxy were first mailed to stockholders on or about April 26, 2019.

What Am I Voting On?

You are voting on three items:

- (a) the election of two Directors;
- (b) the ratification of Ernst & Young LLP as the Company’s independent registered public accounting firm for fiscal 2019; and

(c) the approval, by non-binding vote, of executive compensation.

How Do I Vote?

Stockholders of Record: If you are a stockholder of record, there are four ways to vote:

- (a) by toll-free telephone at 1-800-652-8683;
- (b) by Internet at www.investorvote.com/BBW;
- (c) by completing and returning your proxy card in the postage-paid envelope provided; or
- (d) by written ballot at the meeting.

Street Name Holders: Shares which are held in a brokerage account in the name of the broker are said to be held in “street name.” If your shares are held in street name you should follow the voting instructions provided by your broker. You may complete and return a voting instruction card to your broker, or, in many cases, your broker may also allow you to vote via the telephone or Internet. Check your proxy card for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Please note that brokers may no longer use discretionary authority to vote shares on the election of Directors or on executive compensation matters if they have not received instructions from their clients. Please vote your proxy so your vote can be counted.

Regardless of how your shares are registered, if you complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

What is the Deadline for Voting via Internet or Telephone?

Internet and telephone voting for stockholders of record is available through 11:59 p.m. Eastern Time on Wednesday, June 5, 2019 (the day before the annual meeting).

What Are the Voting Recommendations of the Board of Directors?

The Board recommends the following votes:

- (a) FOR the election of each of the two Director nominees;
- (b) FOR ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm for fiscal 2019; and
- (c) FOR the non-binding approval of executive compensation.

Unless you give contrary instructions on your proxy card, the persons named as proxy holders will vote your shares in accordance with the recommendations of the Board of Directors.

Will Any Other Matters Be Voted On?

We do not know of any other matters that will be brought before the stockholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed proxy card gives authority to Sharon John, Voin Todorovic and Eric Fencl to vote on such matters in their discretion.

Who Is Entitled to Vote at the Meeting?

Only stockholders of record at the close of business on the Record Date are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

How Many Votes Do I Have?

You will have one vote for every share of Build-A-Bear Workshop common stock you owned on the Record Date.

How Many Votes Can Be Cast by All Stockholders?

15,142,983, consisting of one vote for each share of Build-A-Bear Workshop common stock outstanding on the Record Date. There is no cumulative voting.

How Many Votes Must Be Present to Hold the Meeting?

The holders of a majority of the aggregate voting power of Build-A-Bear Workshop common stock outstanding on the Record Date, or 7,571,492 votes, must be present in person, or by proxy, at the meeting in order to constitute a

quorum necessary to conduct the meeting.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What Vote Is Required to Approve Each Proposal?

In the election of Directors (Proposal 1), the affirmative vote of the majority of votes cast in person or by proxy with respect to a Director nominee's election will be required for approval of each Director who is up for election, meaning the number of shares voted "for" a nominee must exceed the number of shares voted "against" such nominee. If any nominee for Director receives a greater number of votes "against" his or her election than votes "for" such election, our Director Resignation Policy requires that such person must promptly tender his or her resignation to the Board following certification of the vote. Abstentions and broker non-votes are not considered votes cast for the foregoing purpose and will have no effect on the election of nominees.

For the proposals to (i) ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2019 (Proposal 2), and (ii) approve, by non-binding vote, executive compensation (Proposal 3) the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the proposal will be required for approval, meaning that of the shares represented at the meeting and entitled to vote, a majority of them must be voted "for" the proposal for it to be approved. Abstentions will have the same effect as a vote "against" these proposals, and broker non-votes will have no effect on the vote for these proposals.

Please vote your proxy so your vote can be counted. This is particularly important since brokers may not use discretionary authority to vote shares in the election of Directors or on executive compensation matters if they have not received instructions from their clients. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to the matter and will therefore have no effect on the outcome of that matter.

Can I Change My Vote?

Yes. To change your vote, send in a new proxy card with a later date, cast a new vote by telephone or Internet, or send a written notice of revocation bearing a date later than the date of the proxy to the Company's Corporate Secretary at the address on the cover of this proxy statement. Also, if you attend the meeting and wish to vote in person, you may request that your previously submitted proxy not be used.

How Can I Access the Company's Proxy Materials and Annual Report Electronically Online?

This proxy statement and the 2018 Annual Report on Form 10-K are available at <https://materials.proxyvote.com/120076>.

Who Can Attend the Annual Meeting?

Any Build-A-Bear Workshop stockholder as of the Record Date may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of our stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

If you return a proxy card without indicating your vote, your shares will be voted as follows: (i) FOR the two nominees for Director named in this proxy statement (Proposal 1); (ii) FOR ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the Company for fiscal 2019 (Proposal 2); (iii) FOR approval, by non-binding resolution, of executive compensation (Proposal 3); and (iv) in accordance with the recommendation of management on any other matter that may properly be brought before the meeting and any adjournment of the meeting.

Proof of ownership of Build-A-Bear Workshop stock, as well as a valid form of personal identification (with picture), must be presented in order to attend the annual meeting.

What is "Householding" of Proxy Materials?

The Securities and Exchange Commission ("SEC") has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. The Company will deliver, promptly upon request, a separate copy of the proxy statement to any stockholder who is subject to householding. You can request a separate proxy statement by writing to the Company at Build-A-Bear Workshop, Inc., Attention: Corporate Secretary, 1954 Innerbelt Business Center Drive, St. Louis, Missouri 63114 or by calling the Company at (314) 423-8000. Once you have received notice from your broker or the Company that they are or we will be householding materials to your address, householding will continue until

you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement in the future, or if you currently receive multiple proxy statements and would prefer to participate in householding, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company as noted above.

Who Pays for the Solicitation of Proxies?

The Company will bear the cost of the solicitation of proxies for the meeting. Brokerage houses, banks, custodians, nominees and fiduciaries are being requested to forward the proxy material to beneficial owners and their reasonable expenses therefor will be reimbursed by the Company. Solicitation will be made by mail and also may be made personally or by telephone, facsimile or other means by the Company's officers, Directors and employees, without special compensation for such activities.

PROPOSAL NO. 1. ELECTION OF DIRECTORS

The Company's Board of Directors presently has seven members, divided into three classes which as nearly as possible are equal in number. The classes have staggered three-year terms. As a result, only one class of Directors is elected at each annual meeting of our stockholders. Craig Leavitt and Anne Parducci are Class III Directors, and their terms will expire at the 2019 annual meeting. Maxine Clark, Sharon John, and Sarah Personette are Class I Directors, and their terms will expire at the 2020 annual meeting. Robert L. Dixon, Jr. and Michael Shaffer are Class II Directors, and their terms will expire at the 2021 annual meeting. Currently, all of our Directors hold office until the annual meeting of stockholders at which their terms expire or until their successors are duly elected and qualified.

Under our Corporate Governance Guidelines, a Director may not stand for election or re-election after reaching the age of 73.

The Nominating and Corporate Governance Committee nominated the Class III Directors, Mr. Leavitt and Ms. Parducci, to be re-elected to serve until the 2022 annual meeting of stockholders or until their successors are duly

elected and qualified. Ms. Parducci was referred to us by a former member of our Board of Directors and was appointed to the Board of Directors in September 2017. Mr. Leavitt was recommended to us by an executive search consulting firm and was appointed to the Board of Directors in January 2018.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE NAMED NOMINEES

Proxies cannot be voted for a greater number of persons than the number of nominees named herein. Unless otherwise specified, all proxies will be voted in favor of the two nominees listed herein for election as Directors.

The Board has no reason to expect that any of the nominees will be unable to stand for election on the date of the meeting or for good cause will not serve. If a vacancy occurs among the original nominees prior to the meeting, the proxies will be voted for a substitute nominee named by the Board of Directors and for the remaining nominees. Directors are elected by the affirmative vote of the majority of votes cast in person or by proxy with respect to a Director nominee’s election, provided, however, that, in accordance with the Company’s amended and restated bylaws, if the number of nominees exceeds the number of Directors to be elected at the meeting, then Directors shall be elected by the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting.

DIRECTORS

Set forth below are the names, ages, positions and brief accounts of the business experience for each of our Directors as of April 17, 2019. The biographies of each of the nominees and continuing Directors below contains information each Director has given us about his or her age, all positions he or she holds, his or her principal occupation and business experience for the past five years, and the names of other publicly held companies of which he or she currently serves as a Director or has served as a Director during the past five years. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led our Board to the conclusion that he or she should serve as a Director, we also believe that all of our Director nominees and continuing Directors have a reputation for integrity, honesty and adherence to high ethical standards. They each have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to the Company and our Board.

Class III Directors — Terms Expiring in 2019 and Standing for Re-Election

Craig Leavitt, 58, was appointed to the Board of Directors on January 4, 2018 and serves as our Non-Executive Chairman. He served as Chief Executive Officer and Director of Kate Spade & Company, a formerly publicly traded operator of global, multichannel lifestyle brands, from February 2014 until August 2017 when the company was acquired by Coach, Inc. From October 2010 until February 2014, he was Chief Executive Officer of Kate Spade New York, a division of Fifth & Pacific Companies, Inc. Mr. Leavitt also served as Co-President and Chief Operating Officer of Kate Spade, LLC from April 2008 through October 2010. Prior to joining Kate Spade, LLC, Mr. Leavitt was President of Global Retail at Link Theory Holdings, where he had total responsibility for merchandising, operations, planning, allocation and real estate for the Theory and Helmut Lang retail businesses. Previously, Mr. Leavitt spent several years at Diesel, S.p.A., an Italian retail clothing company, having most recently served as Executive Vice President of Sales and Retail. Mr. Leavitt also spent 16 years at Polo Ralph Lauren, where he held positions of increasing responsibility, the last being Executive Vice President of Retail Concepts. Mr. Leavitt serves on the Board of Directors of Gildan Activewear, Inc., a publicly traded manufacturer of apparel. THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Company’s Board of Directors is responsible for establishing broad corporate policies and for overseeing the overall management of the Company. In addition to considering various matters which require Board approval, the Board provides advice and counsel to, and ultimately monitors the performance of, the Company’s senior management. There are three standing committees of the Board of Directors: the Audit Committee, the Compensation and Development Committee, and the Nominating and Corporate Governance Committee.

COMMITTEE CHARTERS, CORPORATE GOVERNANCE GUIDELINES, BUSINESS CONDUCT POLICY AND CODE OF ETHICS

The Board of Directors has adopted charters for all three of its standing Committees. The Board has also adopted Corporate Governance Guidelines, which set forth the obligations and responsibilities of the Directors with respect to independence, meeting attendance, compensation, re-election, orientation, self-evaluation, and stock ownership. The Board of Directors has also adopted a Business Conduct Policy which applies to all of the Company’s Directors and employees, and a Code of Ethics Applicable to Senior Executives, which applies to the Company’s senior executives, including the principal executive and financial officers, and the controller. Copies of the Committee charters, Corporate Governance Guidelines, Business Conduct Policy and Code of Ethics Applicable to Senior Executives can be found in the Corporate Governance section on the Company’s Investor Relations website at <http://ir.buildabear.com> (information on our website does not constitute part of this proxy statement). The Company intends to comply with the amendment and waiver disclosure requirements of applicable Form 8-K rules by posting such information on its website. The Company will post any amendments to the Committee charters, Corporate Governance Guidelines, Business Conduct Policy and Code of Ethics Applicable to Senior Executives in the same section of the Company’s website and these documents are also available in print to stockholders and interested parties upon written request

delivered to Build-A-Bear Workshop, Inc., 1954 Innerbelt Business Center Drive, St. Louis, Missouri 63114. Each of our Directors, executive officers, Bearquarters associates, and store management signs our Business Conduct Policy on an annual basis to ensure compliance. In addition, each of our executives signs our Code of Ethics Applicable to Senior Executives each year to ensure compliance.

Board Leadership Structure

The Board has separated the role of Chairman from the role of Chief Executive Officer in recognition of the current demands of the two roles. While the Non-Executive Chairman organizes Board activities to enable the Board to effectively provide guidance to and oversight and accountability of management, the Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company. The Non-Executive Chairman creates and maintains an effective working relationship with the Chief Executive Officer and other members of management and with the other members of the Board; provides the Chief Executive Officer ongoing direction as to Board needs, interests and opinions; and assures that the Board agenda is appropriately directed to the matters of greatest importance to the Company. In carrying out his responsibilities, the Non-Executive Chairman preserves the distinction between management and Board oversight by (i) ensuring that management develop corporate strategy and risk management practices, and (ii) focusing the Board to review and express its judgments on such developments.

The Board believes this structure provides an efficient and effective leadership model for the Company. To assure effective independent oversight, the Board has adopted a number of governance practices, including:

- A strong, independent, clearly-defined Non-Executive Chairman role;
- Executive sessions of the independent Directors before or after every regular Board meeting; and
- Annual performance evaluations of the Chief Executive Officer by the independent Directors.

The responsibilities of the Non-Executive Chairman include: (i) collaborating with the Board and the Chief Executive Officer to determine Board meeting agendas; (ii) presiding at all meetings of the Board, including executive sessions of the independent Directors; (iii) facilitating communication with independent Directors, including strategy updates; (iv) serving as principal liaison between the independent Directors, the Chief Executive Officer, and the Company's management; (v) collaborating with the Board on Chief Executive Officer succession planning; (vi) collaborating with the Board regarding the retention of outside advisors and consultants who report directly to the Board when necessary; and (vii) if requested by stockholders, ensuring that he or she is available, when appropriate, for consultation and direct communication. The Non-Executive Chairman collaborates with the Board and the Chief Executive Officer to set strategic goals for the Company and develop plans to implement those goals.

Stockholders or interested parties can contact the Non-Executive Chairman, Craig Leavitt, in writing c/o Build-A-Bear Workshop, Inc., 1954 Innerbelt Business Center Drive, St. Louis, Missouri 63114.

Meeting Attendance

The Board of Directors met eight times in 2018 for regular and special meetings. All Directors attended at least 75% of the aggregate number of meetings of the Board and committees on which they served. Overall attendance at meetings of the Board and Board committees in 2018 by current Directors was approximately 98%. While the Company does not have a formal policy requiring members of the Board to attend the annual meeting, the Company encourages all Directors to attend. All of our current Directors attended our 2018 annual meeting and all Directors plan to attend the 2019 annual meeting.

The members, primary functions and number of meetings held for each of the Committees are described below.

Audit Committee

The members of the Audit Committee are Michael Shaffer (Chair), Maxine Clark, Robert Dixon and Craig Leavitt.

The Audit Committee reviews the independence, qualifications and performance of our independent auditors, and is responsible for recommending the initial or continued retention of, or a change in, our independent auditors. The Committee reviews and discusses with our management and independent auditors our financial statements and our annual and quarterly reports, as well as the quality and effectiveness of our internal control procedures, critical accounting policies and significant regulatory or accounting initiatives.

The Committee discusses with management earnings press releases and our major financial risk exposures. Furthermore, the Committee is responsible for establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal control or auditing matters. The Committee approves the audit plan and staffing, duties and performance of the internal audit function. Periodically throughout each year, the Committee meets separately in executive session with management, the independent accountants, and the Company's internal auditors to discuss any matters that the Committee or any of these groups believe should be discussed privately.

In fulfilling its responsibilities, the Committee reports regularly to the Board regarding its activities, reviews and reassesses the adequacy of its charter on an annual basis, and performs an annual self-evaluation of Committee performance. The Audit Committee held nine meetings in 2018.

Compensation and Development Committee

The members of the Compensation and Development Committee are Craig Leavitt (Chair), Anne Parducci, Sarah Personette and Michael Shaffer.

The Compensation and Development Committee is responsible for evaluating and approving the Company's overall compensation philosophy and policies and consults with management regarding the Company's executive compensation program. The Committee makes recommendations to the Board of Directors regarding compensation arrangements for our executive officers, including annual salary, bonus and long-term incentive awards, and is responsible for reviewing and making recommendations to the Board regarding the compensation of the Company's Directors. As part of its duties, the Committee oversees and administers the Company's employee benefit and incentive compensation plans and programs, including the establishment of certain applicable performance criteria and assessment of risks associated with those plans and programs. The Committee also reviews and assesses the adequacy of the Company's stock ownership and retention guidelines for senior executives. For additional information on the Committee's processes, please see the "Executive Compensation" section of this proxy statement.

The Committee reports regularly to the Board regarding its activities, reviews and reassesses the adequacy of its charter on an annual basis and conducts an annual self-evaluation of Committee performance. The Compensation and Development Committee held seven meetings in 2018.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Maxine Clark, Robert Dixon (Chair), Anne Parducci and Sarah Personette.

The Nominating and Corporate Governance Committee establishes criteria for membership of the Company's Board of Directors and its committees and selects and nominates candidates for election or re-election as Directors at the Company's annual meeting. Additionally, the Committee determines the composition, nature and duties of the Board committees and oversees the Board and committee self-evaluation processes.

The Committee is also responsible for reviewing and making recommendations to the Board regarding the Company's Corporate Governance Guidelines, whistleblower policy and ethics codes.

The Committee reports regularly to the Board regarding its activities, reviews and reassesses the adequacy of its charter on an annual basis and conducts an annual self-evaluation of Committee performance. The Nominating and Corporate Governance Committee held six meetings in 2018.

Risk Oversight by the Board

It is management's responsibility to assess and manage the various risks the Company faces. It is the Board's responsibility to oversee management in this effort. In exercising its oversight, the Board has allocated some areas of focus to its committees and has retained areas of focus for itself, as more fully described below.

Management generally views the risks the Company faces as falling into the following categories: strategic, operational, financial, and compliance. The Board as a whole has oversight responsibility for the Company's strategic and operational risks. Throughout the year, the Chief Executive Officer and other members of senior management discuss these risks with the Board during reviews that focus on a particular function.

The Audit Committee has oversight responsibility for financial risk (such as accounting, finance, internal controls and tax strategy). Oversight responsibility for compliance risk is shared among the Board committees. For example, the Audit Committee oversees compliance with finance and accounting laws and policies; the Compensation and Development Committee oversees compliance with the Company's executive compensation plans and related laws and policies; and the Nominating and Corporate Governance Committee oversees compliance with governance-related laws and policies, including the Company's Corporate Governance Guidelines.

BOARD MEMBER INDEPENDENCE AND COMMITTEE MEMBER QUALIFICATIONS

The Board of Directors annually determines the independence of Directors based upon a review conducted by the Nominating and Corporate Governance Committee and the Board of Directors. No Director is considered independent unless he or she has no material relationship with the Company, either directly or as a partner, stockholder, family member, or officer of an organization that has a material relationship with the Company. All Directors identified as independent in this proxy statement meet the categorical standards adopted by the Board of Directors to assist it in making determinations of Director independence. On an annual basis, each Director and Named Executive Officer is obligated to complete a Director and Officer Questionnaire. Additionally, our Directors are expected to disclose any matters that may arise during the course of the year which have the potential to impair independence.

The Board has determined that, in its judgment as of the date of this proxy statement, each of the non-management Board members (including all members of the Audit, Nominating and Corporate Governance, and Compensation and Development Committees) are independent Directors, as defined by our Corporate Governance Guidelines and Section 303A of the New York Stock Exchange (“NYSE”) Listed Company Manual. Accordingly, Maxine Clark, Robert Dixon, Craig Leavitt, Anne Parducci, Sarah Personette and Michael Shaffer are all independent Directors, as defined by our Corporate Governance Guidelines and Section 303A of the NYSE Listed Company Manual.

In addition, the Board also determined that each member of the Audit Committee (Maxine Clark, Robert Dixon, Craig Leavitt and Michael Shaffer) is independent under the heightened Audit Committee independence requirements included in Section 303A of the NYSE Listed Company Manual and the SEC rules. Moreover, each member of the Audit Committee is financially literate, and at least one such member (Michael Shaffer) has accounting or related financial management expertise as required in Section 303A of the NYSE Listed Company Manual. Furthermore, the Board determined that Michael Shaffer qualifies as an “audit committee financial expert” as such term is defined under applicable SEC rules. Finally, each member of the Compensation and Development Committee (Craig Leavitt, Anne Parducci, Sarah Personette and Michael Shaffer) is independent under the heightened Compensation Committee independence requirements included in Section 303A of the NYSE Listed Company Manual, is a “non-employee director” pursuant to SEC Rule 16b-3 and is an “outside director” for purposes of Section 162(m) (“Code Section 162(m)”) of the Internal Revenue Code of 1986, as amended (the “Code”).

RELATED PARTY TRANSACTIONS

In addition to annually reviewing the independence of our Directors, the Company also maintains strict policies and procedures for ensuring that our Directors, executive officers and employees maintain high ethical standards and avoid conflicts of interest. Our Business Conduct Policy prohibits any direct or indirect conflicts of interest and requires any transactions which may constitute a potential conflict of interest to be reported to the Nominating and Corporate Governance Committee. Our Code of Ethics applicable to Senior Executives requires our leadership to act with honesty and integrity, and to disclose to the Nominating and Corporate Governance Committee any material transaction that reasonably could be expected to give rise to actual or apparent conflicts of interest.

Our Nominating and Corporate Governance Committee has established written procedures for the review and pre-approval of all transactions between us and any related parties, including our Directors, executive officers, nominees for Director or executive officer, 25% stockholders and immediate family members of any of the foregoing. Specifically, pursuant to our Business Conduct Policy and Code of Ethics, any Director or executive officer intending to enter into a transaction with the Company must provide the Nominating and Corporate Governance Committee with all relevant details of the transaction. The transaction will then be evaluated by the Nominating and Corporate Governance Committee to determine if the transaction is in our best interests and whether, in the Committee’s judgment, the terms of such transaction are at least as beneficial to us as the terms we could obtain in a similar transaction with an independent third party. In order to meet these standards, the Nominating and Corporate Governance Committee may conduct a competitive bidding process, secure independent consulting advice, engage in its own fact-finding, or pursue such other investigation and fact-finding initiatives as may be necessary and appropriate in the Committee’s judgment.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors and executive officers, persons who beneficially own more than 10% of a registered class of the Company's equity securities, and certain other persons to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC, and to furnish the Company with copies of the forms. Based solely on its review of the forms it received, or written representations from reporting persons, the Company believes that all of its Directors, executive officers and greater than 10% beneficial owners complied with all such filing requirements during 2018.

Director Compensation Policies

The Compensation and Development Committee reviews Board compensation annually based on information provided by the Committee's independent compensation consultant Meridian Compensation Partners, LLC ("Meridian"). Currently, the Board compensation program provides for an annual cash retainer for Board membership, an annual restricted stock award and additional annual cash retainers for committee Chairs. The Non-Executive Chairman receives an additional annual cash retainer and restricted stock award for his service. Board members do not receive additional fees or compensation for attending meetings or for serving on Board committees. Meridian reviewed the Company's independent director compensation program compared to the programs of the peer group discussed in the "Executive Compensation Summary" section of this proxy statement. Based on Meridian's conclusion that the Company's independent director compensation was at approximately the 50th percentile relative to the peer group, the annual Board and committee cash retainers and the value of the annual Board restricted stock award, as well as the Non-Executive Chairman's annual cash retainer and restricted stock award, were left unchanged for 2018. These amounts are reflected in the table below.

Compensation Element	Amount (\$)
Board Cash Retainer	\$50,000
Restricted Stock Award Value ⁽¹⁾	80,000
Audit Committee Chair Cash Retainer	18,500
Compensation and Development Committee Chair Cash Retainer	11,250
Nominating and Corporate Governance Committee Chair Cash Retainer	10,000
Additional Non-Executive Chairman Cash Retainer	25,000
Additional Non-Executive Chairman Restricted Stock Award Value ⁽¹⁾	15,000

The number of shares of restricted stock awarded is determined on the grant date and is prorated in the case of a (1) Director who joins the Board during the year. Grants are made on the date of each annual meeting of stockholders and vest one year later, subject to continued service on the Board.

Our Corporate Governance Guidelines provide that non-management Directors are required to own shares of the Company's common stock having a value equal to three times the annual cash retainer for Board membership. Under our Corporate Governance Guidelines, no Director may stand for election or re-election after reaching the age of 73.

We reimburse our Directors for reasonable out-of-pocket expenses incurred in connection with attendance and participation in Board and committee meetings. We also reimburse our Directors for expenses incurred in the attendance of director continuing education conferences.

EXECUTIVE COMPENSATION

EXECUTIVE COMPENSATION SUMMARY

The following provides compensation information pursuant to the scaled disclosure rules applicable to "smaller reporting companies" under SEC rules and may contain statements regarding future individual and Company performance targets and goals. These targets and goals are disclosed in the limited context of the Company's compensation programs and should not be understood to be statements of management's expectations or estimates of results or other guidance. We specifically caution investors not to apply these statements to other contexts.

Overview of Compensation Program

The following section describes our overall compensation philosophy and the primary components of our executive compensation program for the following Named Executive Officers ("NEOs") for fiscal 2018:

- ◆ Sharon John – President and Chief Executive Officer
- ◆ Jennifer Kretchmar – Chief Merchandising Officer
- ◆ Christopher Hurt – Chief Operations Officer

The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, to motivate these executive officers to materially contribute to our long-term business success, and to align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Committee.

We believe that achievement of these compensation program objectives enhances long-term stockholder value. When designing compensation packages to reflect these objectives, the Committee is guided by the following four principles:

Alignment with stockholder interests: Compensation should be tied, in part, to our stock performance through the granting of equity awards to align the interests of executive officers with those of our stockholders.

Recognition for business performance: Compensation should correlate in large part with our overall financial results so that the Company pays for performance.

Accountability for individual performance: Compensation should partially depend on the individual executive's performance, in order to motivate and acknowledge the key contributors to our success.

Competition: Compensation should generally reflect the competitive marketplace and be consistent with that of other well-managed companies in our peer group and the broader retail industry sector.

In implementing this compensation philosophy, the Committee takes into account the compensation amounts from the previous years for each of the NEOs, and internal compensation equity among the NEOs. Historically, the Committee has strived to structure compensation packages so that total payout, taking into consideration performance-based compensation, will be near the median of the Company's peer group if the Company meets its financial targets and above the median if the Company exceeds its financial targets and the individual NEOs perform well in their roles throughout the fiscal year.

2018 Compensation Determination Process

Each year the Committee engages in a review of our executive compensation with the goal of ensuring the appropriate combination of fixed and variable compensation linked to individual and corporate performance.

Role of the Committee and Board of Directors

The Committee charter provides the Committee with the option of either determining the Chief Executive Officer's compensation or recommending such compensation to the Board for determination. The Committee has historically chosen to consult with the full Board of Directors, other than the Chief Executive Officer, on the Chief Executive Officer's compensation, because the Committee believes that the Chief Executive's performance and compensation are so critical to the success of the Company that Board involvement in such matters is appropriate. The Committee also determines the compensation and review process for all executive officers other than the Chief Executive. Because the Committee charter specifically delegates this responsibility to the Committee, it only involves the full Board in an advisory capacity with respect to the compensation decision-making process for the other NEOs.

Role of Management

Also, in the course of its review, the Committee considered the advice and input of the Company's management. Specifically, the Committee leverages the Company's management, human resources department and legal department to assist the Committee in the timely and cost-effective fulfillment of its duties. The Committee solicits input from the Chief Executive and human resources department regarding compensation policies and levels. The legal department assists the Committee in the documentation of compensation decisions. In addition, the Build-A-Bear Workshop, Inc. 2017 Omnibus Incentive Plan provides that the Chief Executive Officer and Chief Human Resources Officer have the limited authority to grant equity awards to Company employees other than executive officers. The Committee does not permit members of the Company's management to materially participate in the determination of their particular compensation; nor does the Committee permit members of management, including the Chief Executive Officer, to be physically present for those portions of Committee meetings during which the particular member of the management team's performance and compensation are reviewed and determined.

Role of Committee Consultants

For 2018, the Committee retained Meridian as its independent consultant on executive and Director compensation. Meridian's engagement is to act as the Committee's independent advisor on executive and Director compensation and in this role, Meridian assisted the Committee in the determination of the peer group, the compensation benchmarking process, and the review and establishment of compensation policies and programs for NEOs.

The Committee did not direct Meridian to perform its services in any particular manner or under any particular method, and all decisions with respect to the NEOs' compensation are made by the Committee. The Committee has the final authority to retain and terminate the compensation consultant and evaluates the consultant annually. The Company has no relationship with Meridian (other than the relationship undertaken by the Committee) and, after consideration of NYSE listing standards pertaining to the independence of compensation consultants, the Committee determined that Meridian is independent. Meridian does not provide any additional services to the Company.

Key 2018 Compensation Decisions

For 2018, our NEOs' annual total direct compensation consisted of a mix of base salary, annual cash bonuses based on the achievement of pre-established financial goals, and long-term incentive awards consisting of performance-based restricted stock, time-based restricted stock, and performance-based cash.

In March 2018, the Committee approved adjustments to our NEOs' compensation programs as highlighted below:

• The Committee approved base salary increases for NEOs for 2018 averaging 3.2%.

The Committee approved the Company's 2018 Bonus Plan, including consolidated pre-tax income goals and target bonus levels for NEOs. The Company did not achieve threshold level performance in pre-tax income, and consequently, no bonuses were earned by NEOs under the plan.

For 2018, the Committee approved a grant of annual long-term incentive awards consisting of three-year performance-based awards (50% of grant value) and time-based restricted stock (50% of grant value) for NEOs. The performance awards for our Chief Executive Officer were granted in performance-based restricted stock and the performance awards for other NEOs were granted in performance-based cash.

- In March 2018, our NEOs were awarded a special grant of long-term incentives to further align the Company's compensation program with its initiatives to return to long-term profitable growth ("business transformation incentive grants"). The target value of the business transformation incentive grants were equal to 50% of each NEO's 2018 annual base salary. For the Chief Executive Officer, the resulting award was made 50% in three-year performance-based restricted stock and 50% in non-qualified stock options. For other NEOs, the resulting awards were made 50% in three-year performance-based cash and 50% in non-qualified stock options.

In addition to the key decisions approved by the Committee for 2018, the Company's executive compensation program continues to feature the following best practices:

- Stock ownership guidelines for executives and Directors (5x salary for CEO, 1x salary for other NEOs and 3x annual cash retainer for Directors; shares must be held until the guidelines are attained);
- Incentive compensation recoupment, or "clawback", provisions applicable to incentive awards (in the case of a restatement impacting pre-tax income, amounts paid under the 2018 Annual Bonus Plan and long-term performance-based awards could be recoverable);
- Payout caps on short- and long-term incentives;
- Insider trading policy, including anti-pledging and anti-hedging provisions for executives and Directors (policy expressly prohibits Directors, NEOs and employees from hedging or pledging transactions);
- No tax gross-up provisions on any compensation or severance events;
- No cash severance above 2x base salary plus target bonus;
- No executive perquisite benefits, beyond Company-paid long-term disability insurance; and
- Use of an independent compensation consultant by the Committee.

Compensation Risk Assessment

During fiscal 2018, the Company undertook a comprehensive review of its material compensation plans and programs for all employees. In conducting this assessment, the Company inventoried its material plans and programs and presented a summary of its findings to the Compensation and Development Committee, which determined that none of its compensation plans and programs is reasonably likely to have a material adverse effect on the Company or promote undue risk taking.

Compensation Market Data and Benchmarking

In September 2017, the Committee's compensation consultant reviewed the Company's compensation peer group and developed recommendations for changes for the January 2018 market study. The peer group review considered the following characteristics:

- industry;
- revenues;
- net income;
- market value;
- number of employees; and
- number of stores.

As a result of the review, the Committee approved the use of the following 17 peer companies for the January 2018 market study:

bebe stores, inc.	Duluth Holdings Inc.	Trans World Entertainment Corporation
Christopher & Banks Corporation	Five Below, Inc.	Vera Bradley Inc.
Citi Trends Inc.	Francesca's Holdings Corp.	Vince Holding Corp.
Dave & Buster's Entertainment, Inc.	Kirkland's, Inc.	Weyco Group, Inc.
Destination Maternity Corporation	Shoe Carnival Inc.	Zumiez Inc.
Destination XL Group, Inc.	Tilly's, Inc.	

The Company still competes with much larger companies for executive talent, but the Committee believes that the 2018 peer group is more appropriate in most instances for compensation benchmarking purposes. In addition to the peer group information, Meridian also provided size-adjusted, retail industry survey market data provided by Equilar, Inc.

In January 2018, the Committee reviewed a report from Meridian comparing each element of total direct compensation for the Company's NEOs against market data. The Committee observed that total target direct compensation levels for 2017 were within a reasonable range of the market 50th percentile for our executive team. While market data is an important measuring tool, it is only one of four principal considerations under the Company's compensation philosophy.

2018 Bonus Plan

The Committee approved a cash bonus plan in 2018 (the "2018 Bonus Plan") for the NEOs, granting potential cash bonuses only if the Company achieved certain financial performance levels. Thus, consistent with all four elements of its compensation philosophy, the Committee aligned the NEOs' 2018 cash bonuses completely with the interests of our stockholders.

On March 15, 2018, the Committee established the 2018 performance objectives for the range of bonuses to be paid to the Company’s NEOs and the target bonus awards expressed as a percentage of eligible base salary (“Base Bonus Payout”). The 2018 base bonus calculation for each NEO was determined by multiplying the Base Bonus Payout by the officer’s eligible base salary according to the following schedule (“Base Bonus Calculation”), which was unchanged from 2017:

Name	Base Bonus Payout	
Sharon John	100	%
Jennifer Kretchmar	50	%
J. Christopher Hurt	50	%

For the 2018 Bonus Plan, the Committee focused the performance goals on a single performance metric—consolidated pre-tax income. The cash bonus, if any, to be paid to each respective NEO was to be calculated based on the pre-tax income goals described in the table below.

Achievement Level	Consolidated Pre-Tax Income	Percentage of Base Bonus Calculation	
Threshold	\$ 10,000,000	25	%
Target	11,200,000	100	%
Maximum	12,900,000	200	%

The 2018 Bonus Plan provided for bonus payouts only if the Company’s 2018 consolidated pre-tax income (after providing for any bonus expense) exceeded the threshold amount.

In April 2019, the Committee determined that the Company did not meet the threshold 2018 pre-tax income level for a bonus payout under the 2018 Bonus Plan, and therefore, the NEOs did not receive a payout under the plan.

2018 Long-Term Incentive Program

The objective of the Company’s long-term incentive program is to provide a long-term retention incentive for the NEOs and to align their interests directly with those of our stockholders by way of stock ownership and payouts based on the Company’s financial performance.

In January, February and March 2018, the Committee reviewed a report of updated market data and industry compensation trends developed by its compensation consultant. The Committee also reviewed the Company's recent financial and share price performance and the availability of shares to grant under our 2017 Omnibus Incentive Plan.

In March 2018, the Committee approved a grant of annual long-term incentive awards consisting of three-year performance-based awards (50% of grant value) and time-based restricted stock (50% of grant value) for NEOs. The performance awards for our Chief Executive Officer were granted in performance-based restricted stock and the performance awards for other NEOs were granted in performance-based cash. The performance-based awards will be earned if pre-established three-year pre-tax income growth goals are attained. The design and mix were structured to maintain a strong emphasis on performance and to align with peer practices.

On March 15, 2018, the Committee approved the following 2018 long-term incentive awards to the NEOs:

Name	Number of Shares of Time-Based Restricted Stock	Target Number of Shares of Three-Year Performance-Based Restricted Stock	Target Payout Amount of Three-Year Performance-Based Cash
Sharon John	62,499	62,500	
Jennifer Kretchmar	17,442		\$ 150,000
J. Christopher Hurt	17,442		\$ 150,000

The number of 2018 three-year performance-based restricted stock shares that will be earned by the CEO, if any, will be calculated by multiplying the target shares awarded set forth above by the average of the applicable Percentage of Target Number of Three-Year Performance-Based Restricted Stock Earned Calculation based on the Company's achievement of consolidated pre-tax income performance goals for fiscal 2018, fiscal 2019 and fiscal 2020. The pre-tax income achievement level amounts were set for fiscal 2018. When adopted in fiscal 2018, fiscal 2019 and fiscal 2020 pre-tax income achievement level amounts were based upon a pre-established percentage of growth over actual pre-tax income results for the prior fiscal year. The Company experienced an unanticipated pre-tax loss in fiscal 2018, and as such, the Company and the NEOs mutually agreed to reset fiscal 2019 and 2020 pre-tax income amounts to be higher than originally required. As adjusted, fiscal 2019 achievement levels were reset as fixed pre-tax income amounts. Fiscal 2020 achievement levels are based on a pre-established percentage of growth over fiscal 2019 results, except that if fiscal 2019 results in pre-tax loss, fiscal 2020 achievement level amounts will be based on fixed pre-tax income targets. Any shares that are earned will vest on April 30, 2021.

The time-based restricted stock vests pro-ratably over three years, beginning on April 30, 2019.

The potential payouts for the Three-Year Performance-Based Cash awards to other NEOs follow a similar structure as described in the narrative and table above for the CEO's Performance-Based Restricted Stock with similar adjustments in consideration of the unanticipated pre-tax loss experienced in fiscal 2018. Unlike awards of performance-based restricted stock which are disclosed in the Summary Compensation Table in the year granted, SEC rules require

performance-based cash awards to be disclosed in the Summary Compensation Table in the year they are earned. As a result, any amounts earned for these awards will be disclosed in the 2020 Summary Compensation Table.

2018 Business Transformation Incentive Grants

To further align the Company's compensation program with its initiatives to return to long-term profitable growth and to increase management focus on total revenue growth in the face of continuing traditional mall traffic challenges and encourage share price appreciation and retention, on March 15, 2018, the Committee granted the NEOs business transformation incentive grants under the Plan. The target value of the business transformation incentive grants was set at 50% of each NEO's 2018 annual base salary. For the Chief Executive Officer, the resulting award was made 50% in three-year performance-based restricted stock and 50% in non-qualified stock options. For other NEOs, the resulting awards were made 50% in three-year performance-based cash and 50% in non-qualified stock options. These awards were as follows:

Name	Number of Shares of Time- Based Non-Qualified Stock Options	Target Number of Shares of Three-Year Performance- Based Restricted Stock	Target Payout Amount of Three-Year Performance- Based Cash
		20,756	
Sharon John	54,534	20,756	
Jennifer Kretchmar	32,278		\$ 105,650
J. Christopher Hurt	31,926		\$ 104,500

The performance awards use the same payout structure as described above for our 2018 annual long-term incentive awards, except the performance measure used is pre-established consolidated revenue achievement amounts for fiscal 2018, and pre-established percentages of growth in consolidated revenue over the previous year for fiscal 2019 and fiscal 2020. The options cliff vest two years from the date of grant and expire five years from the date of grant.

Retirement and Other Post-Termination Benefits

We have entered into Employment Agreements with our NEOs that provide for a continuation of certain post-employment benefits, to the extent permitted under the applicable employment benefit plan(s). Such benefits plans are the same for all employees (except for the long-term disability insurance for which the Company pays 100% of the premiums for senior level employees, including the NEOs). The Employment Agreements for the NEOs also provide for certain payments to be made to the NEOs if their employment is terminated under certain circumstances, including a change in control of the Company.

EXECUTIVE EMPLOYMENT AND SEVERANCE AGREEMENTS

The Company currently has employment agreements with each of our Named Executive Officers and certain other executives. The material terms of the agreements are described below.

Ms. John’s agreement has an initial term of three years from March 7, 2016 and renews from year-to-year thereafter. The agreement may be terminated by the Company prior to the end of the term upon death, disability, for cause (as defined in the agreement) or without cause. Ms. John may terminate the agreement with or without good reason (as defined in the agreement). If we terminate Ms. John’s employment without cause or if Ms. John terminates her employment for good reason, we are obligated to (i) in the case of termination prior to a change in control or following a date which is 24 months after a change in control, continue her base salary for a period of 12 months after her termination; or (ii) in the case of termination during the 24-month period following a change in control, continue her base salary for a period of 24 months and pay her target bonus amount for the fiscal year in which the termination occurs. In any case, we are obligated to pay a lump sum equivalent to 18 months of the Company-paid portion of health, dental and vision coverage. As compensation for her services, Ms. John will receive an annual base salary at a rate not less than \$700,000 which rate will be reviewed annually and be commensurate with similarly situated executives in similarly situated firms but will not be decreased at any time during the employment term. If the Company meets or exceeds certain performance objectives determined annually by the Compensation and Development Committee, Ms. John will receive an annual bonus of not less than 100% of her annual base salary, payable in either cash, stock, stock options or a combination thereof. The employment agreement also provides that for the term of the employment agreement and for one year thereafter, subject to specified limited exceptions, Ms. John may not become employed by or interested directly or indirectly in or associated with the Company’s competitors who are located within the United States or within any country where the Company has established a retail presence. In the event of her termination due to death, disability, or by the Company without cause, or if Ms. John terminates her employment for good reason, Ms. John or her beneficiaries or estate, will still be entitled to a bonus for such year prorated based on the number of full weeks she was employed during the year, subject to achievement of the bonus criteria (if such termination occurs within 24 months after a change of control, Ms. John will be entitled to receive her target bonus for the fiscal year in which the termination occurs prorated based on the number of full weeks she was employed during the year and paid within 30 days of such termination). If any payments under the employment agreement or another arrangement would become subject to the excise tax imposed by Section 4999 of the Code, the payments will be (i) paid in full, or (ii) paid to a lesser extent such that the excise tax would no longer be applicable, whichever amount would result in the greatest amount of payments to Ms. John on an after-tax basis.

The employment agreements with Ms. Kretchmar and Mr. Hurt (the “non-CEO NEOs”) have an initial term of three years from March 7, 2016 and renew from year-to-year thereafter. The agreements may be terminated by the Company prior to the end of the term upon death, disability, for cause (as defined in the agreements) or without cause. Each of the non-CEO NEOs may terminate his or her agreement with or without good reason (as defined in the agreements). If we terminate a non-CEO NEO’s employment without cause, or if the non-CEO NEO terminates his or her employment for good reason, we are obligated to (i) in the case of termination prior to a change in control or following a date which is 24 months after a change in control, continue his or her base salary for a period of 12 months after his or her termination, or (ii) in the case of termination during the 24-month period following a change in control, continue his or her base salary for a period of 18 months and pay such NEO an amount equal to the NEO’s target bonus prorated for the year of termination. In any case, we are obligated to pay a lump sum equivalent to 18 months of the Company-paid portion of health, dental and vision coverage. As compensation for their services, the non-CEO NEOs will receive an annual base salary at a rate not less than \$409,500 in the case of Ms. Kretchmar and \$400,000 in the case of Mr. Hurt, in each case which rate will be reviewed annually and be commensurate with similarly situated executives in similarly situated firms but will not be decreased at any time during the employment term. If the Company meets or exceeds certain performance objectives determined annually by the Compensation and Development Committee, each of the non-CEO NEOs will receive an annual bonus of not less than 50% of his or her annual base salary, payable in either cash, stock, stock options or a combination thereof. The employment agreements also provide that for the terms of the employment agreements and for one year thereafter, subject to specified limited exceptions, the non-CEO NEOs may not become employed by or interested directly or indirectly in or associated with the Company’s competitors who are located within the United States or within any country where the Company has established a retail presence. In the event of his or her termination due to death, disability, or by the Company without cause, or if a non-CEO NEO terminates his or her employment for good reason, the non-CEO NEO or his or her beneficiaries or estate, will still be entitled to a bonus for such year prorated based on the number of full weeks he or she was employed during the year, subject to achievement of the bonus criteria (if such termination occurs within 24 months after a change of control, the non-CEO NEO will be entitled to receive his or her target bonus for the fiscal year in which the termination occurs prorated based on the number of full weeks he or she was employed during the year and paid within 30 days of such termination). If any payments under the employment agreement or another arrangement would become subject to the excise tax imposed by Section 4999 of the Code, the payments will be (i) paid in full, or (ii) paid to a lesser extent such that the excise tax would no longer be applicable, whichever amount would result in the greatest amount of payments to the non-CEO NEO on an after-tax basis.

Potential Payments Upon Termination or Change-In-Control

Our Named Executive Officers are eligible to receive certain benefits in the event of termination of such officer's employment, including following a change-in-control. The following table presents potential payments to Mses. John and Kretchmar and Mr. Hurt as if his or her employment had been terminated as of February 2, 2019, the last day of fiscal 2018.

The termination benefits provided to our Named Executive Officers upon their voluntary termination of employment or retirement do not discriminate in scope, terms or operation in favor of our executive officers compared to the benefits offered to all salaried employees, so those benefits are not included in the table below. The amounts presented in the table are in addition to amounts each Named Executive Officer earned or accrued prior to termination, such as the officer's balances, if any, in our Non-Qualified Deferred Compensation Plan, previously vested options and restricted stock, and accrued vacation.

Where indicated, the Named Executive Officer is entitled to a prorated bonus based on the number of full calendar weeks during the applicable fiscal year during which the executive was employed. Amount shown is the actual bonus approved in April 2019 based on the Company's 2018 performance. See footnote 5 for an explanation of the bonus amount reported for Involuntary Termination if Change-in-Control.

The amounts appearing in this column represent the aggregate market value of time-based restricted shares and performance-based restricted shares and the value of stock options, the vesting of which would have been accelerated, each based on the closing price of \$4.63 for the shares of common stock on February 1, 2019.

The Company will pay each Named Executive Officer a lump sum payment equivalent to 18 months of the Company-paid portion of health, dental and vision coverage.

Severance Termination would occur if the Company terminated the executive without cause or if the executive terminated his or her employment for good reason prior to a change in control or following a date which is 24 months after a change in control, as each term is defined in the applicable employment agreement. Upon a termination in this case, each Named Executive Officer is entitled to salary continuation for 12 months.

If a Named Executive Officer's employment is terminated during the 24-month period following a change in control, we are obligated to (i) in the case of Ms. John, continue her base salary for 24 months and pay her target bonus amount for the fiscal year in which the termination occurs, and (ii) in the case of the non-CEO Named Executive Officers, continue his or her base salary for 18 months and pay an amount equal to the Named Executive Officer's target bonus prorated for the year of termination.

PROPOSAL NO. 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Ernst & Young LLP served as the Company's independent registered public accounting firm for the year ended February 2, 2019. The Audit Committee of the Board of Directors has appointed Ernst & Young LLP to act in that capacity for fiscal 2019, which ends on February 1, 2020. A representative of Ernst & Young LLP is expected to be present at the annual meeting with the opportunity to make a statement if he or she desires to do so and to be available to respond to appropriate questions from stockholders.

Although the Company is not required to submit this appointment to a vote of the stockholders, the Audit Committee of the Board of Directors continues to believe it appropriate as a matter of policy to request that the stockholders ratify the appointment of Ernst & Young LLP as principal independent registered public accounting firm. If the stockholders do not ratify the appointment, the Audit Committee will investigate the reasons for stockholder rejection and consider whether to retain Ernst & Young LLP or appoint another independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING FEBRUARY 1, 2020.

Principal Accountant Fees

The following table presents fees for professional services rendered by Ernst & Young LLP for the audit of the Company's annual financial statements for the fiscal years ended February 2, 2019 and December 30, 2017, as well as fees billed for other services rendered by Ernst & Young LLP during those periods:

	Fiscal 2018	Fiscal 2017
Audit Fees ⁽¹⁾	\$1,026,200	\$828,000
Audit-Related Fees	2,000	7,000
Tax Fees ⁽²⁾	484,300	218,600
All Other Fees	—	—
Total Fees	\$1,512,500	\$1,053,600

Audit Fees are fees paid for professional services rendered for the audit of the Company's annual consolidated financial statements, reviews of the Company's interim consolidated financial statements and statutory audit requirements at certain non-U.S. locations. Audit Fees for Fiscal 2018 include services performed related to the Company's fiscal year end change and enterprise resource planning system implementation.

- (2) Tax Fees are fees paid for an international expansion review, transfer pricing studies, compliance services and tax consultation.

Policy Regarding Pre-Approval of Services Provided by the Independent Registered Public Accounting Firm

The Audit Committee Charter requires the Audit Committee's pre-approval of all audit and permitted non-audit services to be performed for the Company by the independent registered public accounting firm. In determining whether proposed services are permissible, the Audit Committee considers whether the provision of such services is compatible with maintaining auditor independence. As part of its consideration of proposed services, the Audit Committee may consult with management, but may not delegate this authority to management. Pursuant to a delegation of authority from the Audit Committee, the Chair of the Audit Committee may pre-approve such audit or permitted non-audit services. If the Chair approves any such services, any such approvals are presented to the full Audit Committee at the next scheduled Audit Committee meeting. All of the services performed by Ernst & Young LLP during the 2018 and 2017 fiscal years were pre-approved by the Audit Committee.

PROPOSAL NO. 3. ADVISORY (NON-BINDING) VOTE APPROVING EXECUTIVE COMPENSATION

We are asking our stockholders to provide advisory approval of the compensation of our Named Executive Officers. As described in the "Executive Compensation Summary" section of this proxy statement, the Compensation and Development Committee has designed and implemented executive compensation programs that are intended to align with our stockholders' interests. The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, to motivate these executive officers to materially contribute to our long-term business success, and to align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Compensation and Development Committee. We believe that the information provided in the "Executive Compensation Summary" section of this proxy statement demonstrates that our executive compensation program was designed appropriately to meet these objectives. Accordingly, we ask our stockholders to vote "FOR" the following resolution at the annual meeting:

“RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to the Named Executive Officers, as disclosed in the proxy statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Executive Compensation Summary section, compensation tables and narrative discussion, and other related disclosure.”

While this vote is advisory, and not binding on our Company, it will provide information to our Compensation and Development Committee regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Committee will be able to consider when determining executive compensation for the remainder of fiscal 2019 and beyond.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL, ON A NON-BINDING BASIS, OF OUR NAMED EXECUTIVE OFFICER COMPENSATION.

REPORT OF THE AUDIT COMMITTEE

The primary function of the Audit Committee is to assist the Board of Directors in its oversight of the Company’s financial reporting processes. Management is responsible for the Company’s financial statements and overall reporting process, including the system of internal controls. The independent auditors are responsible for conducting annual audits and quarterly reviews of the Company’s financial statements and expressing an opinion as to the conformity of the annual financial statements with generally accepted accounting principles.

The Audit Committee submits the following report pursuant to the SEC rules:

The Audit Committee has reviewed and discussed with management and with Ernst & Young LLP, the Company’s independent registered public accounting firm, the audited consolidated financial statements of the Company for the year ended February 2, 2019 (the “2018 Financial Statements”).

Ernst & Young LLP has advised the management of the Company and the Audit Committee that it has discussed with them all the matters required to be discussed by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 1301, “Communications with Audit Committees.”

The Audit Committee has received from Ernst & Young LLP the written disclosures and the letter required by applicable requirements of the PCAOB regarding Ernst & Young LLP’s communications with the Audit Committee concerning independence and has discussed Ernst & Young LLP’s independence with them.

Based upon the aforementioned review, discussions and representations of Ernst & Young LLP, and the unqualified audit opinion presented by Ernst & Young LLP on the 2018 Financial Statements, the Audit Committee recommended to the Board of Directors that the 2018 Financial Statements be included in the Company’s Annual Report on Form 10-K for the 2018 fiscal year and that Ernst & Young LLP be selected as the independent registered

public accounting firm for the Company for fiscal 2019.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD

Our Board of Directors has adopted a policy to provide a process for holders of our securities to send written communications to our Board. Any stockholder wishing to send communications to our Board should send the written communication and the following information to our Corporate Secretary, Build-A-Bear Workshop, Inc., 1954 Innerbelt Business Center Drive, St. Louis, Missouri 63114:

- stockholder's name, number and type of securities owned, length of period held, and proof of ownership;
- name, age, business and residential address of stockholder; and
- any individual Director or committee to which the stockholder would like to have the written statement and other information sent.

The Corporate Secretary, or his or her designee, will collect and organize all of such stockholder communications as he or she deems appropriate and, at least once each fiscal quarter, forward these materials to the Non-Executive Chairman, any committee Chair or individual Director. The Corporate Secretary may refuse to forward material which he or she determines in good faith to be scandalous, threatening or otherwise inappropriate for delivery. The Corporate Secretary will also maintain copies of such materials.

SELECTION OF NOMINEES FOR THE BOARD OF DIRECTORS

The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board candidates to serve as members of the Board. The Nominating and Corporate Governance Committee has not adopted specific, minimum qualifications that nominees must meet in order for the Nominating and Corporate Governance Committee to recommend them to the Board, but rather, each nominee is individually evaluated based on his or her individual merits, taking into account our needs and the composition of the Board. The Nominating and Corporate Governance Committee seeks independent Directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. Candidates should have substantial experience with one or more publicly traded national or multinational companies or shall have achieved a high level of distinction in their chosen fields. The Nominating and Corporate Governance Committee has not adopted a formal policy with respect to diversity; however, the Board and the Nominating and Corporate Governance Committee believe that Board membership should reflect diversity in its broadest sense, including persons diverse in geography, gender, and ethnicity. The Nominating and Corporate Governance Committee will consider candidates submitted by a variety of sources including, without limitation, incumbent Directors, stockholders and our management. Periodically, the Company has engaged independent third party search firms to assist the Company in identifying and evaluating qualified Board candidates.

In all cases, members of the Nominating and Corporate Governance Committee discuss and evaluate each potential candidate's educational background, employment history, outside commitments and other relevant factors in detail, and suggest individuals qualified to serve on the Board to explore in more depth. Once a candidate is identified whom the Nominating and Corporate Governance Committee wants to seriously consider and move toward nomination, the

Chairman of the Nominating and Corporate Governance Committee, or his or her designee, meets with that nominee to evaluate his or her potential interest in serving on the Board and sets up interviews with the full Nominating and Corporate Governance Committee.

Any stockholder or interested party wishing to submit a candidate for consideration should send the following information to the Corporate Secretary, Build-A-Bear Workshop, Inc., 1954 Innerbelt Business Center Drive, St. Louis, Missouri 63114:

- stockholder's name, number of shares owned, length of period held, and proof of ownership;
- name, age and address of candidate;
- a detailed resume describing, among other things, the candidate's educational background, occupation, employment history, and material outside commitments (for example, memberships on other boards and committees, charitable foundations and the like);
- a supporting statement which describes the candidate's reasons for seeking election to the Board and documents his or her ability to serve on the Board;
- any information relating to the candidate that is required to be disclosed in the solicitation of proxies for election of Directors;

- a description of any arrangements or understandings between the stockholder and the candidate;
- any other information that would be useful to the Committee in considering the candidate; and
- a signed statement from the candidate, confirming his or her willingness to serve on the Board.

The Corporate Secretary will promptly forward such materials to the Nominating and Corporate Governance Committee Chair and the Non-Executive Chairman. The Corporate Secretary will also maintain copies of such materials for future reference by the Nominating and Corporate Governance Committee when filling Board positions. The same criteria apply with respect to the Nominating and Corporate Governance Committee's evaluation of all candidates for membership to the Board. However, separate procedures will apply, as provided in the bylaws, if a stockholder wishes to submit at an annual meeting a Director candidate who is not approved by the Nominating and Corporate Governance Committee or the full Board.

STOCKHOLDER PROPOSALS

Our amended and restated bylaws provide that stockholders seeking to bring business before an annual meeting of stockholders, or to nominate candidates for election as Directors at an annual meeting of stockholders, must provide timely notice in writing. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not more than 120 days or less than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, or between February 7, 2020 and March 8, 2020, in the case of the 2020 annual meeting. However, in the event that no annual meeting was held in the previous year or the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the stockholder, in order to be timely, must be received no later than the close of business on the 10th day following the date on which notice of the date of the annual meeting was mailed to stockholders or made public, whichever first occurs. Our amended and restated bylaws also specify requirements as to the form and content of a stockholder's notice. These provisions may preclude stockholders from bringing matters before an annual meeting of stockholders or from making nominations for Directors at an annual meeting of stockholders.

Stockholder proposals intended to be presented at the 2020 annual meeting must be received by the Company at its principal executive office no later than December 28, 2019 in order to be eligible for inclusion in the Company's proxy statement and proxy relating to that meeting. Upon receipt of any proposal, the Company will determine whether to include such proposal in accordance with regulations governing the solicitation of proxies.

OTHER MATTERS

Management does not intend to bring before the meeting any matters other than those specifically described above and knows of no matters other than the foregoing to come before the meeting. If any other matters or motions properly come before the meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with the recommendation of management on such matters or motions, including any matters dealing with the conduct of the meeting.
