(with an unconditional and irrevocable guarantee as to payment of principal and interest from the Company) and (ii) any other provision applicable to the notes granting rights to third parties which could affect the Company's assets or could impose an obligation on the Company where in each case the exercise of those rights is dependent on the launch of a public take-over bid over the shares of the Company or on a "Change of Control" (as defined in the Offering Memorandum dated 8 December 2010). AB_INBEV_form_vote_110426_EN.doc</p> <p>(a) "Change of Control" means "any person or group of persons acting in concert (in each case other than Stichting Anheuser-Busch InBev or any existing direct or indirect certificate holder or certificate holders of Stichting Anheuser-Busch InBev) gaining Control of the Company provided that a Change of Control shall not be deemed to have occurred if all or substantially all of the shareholders of the relevant person or group of persons are, or immediately prior to the event which would otherwise have constituted a Change of Control were, the shareholders of the Company with the same (or substantially the same) pro rata interests in the share capital of the relevant person or group of persons as such shareholders have, or as the case may be, had, in the share capital of the Company",</p> <p>(b) "Acting in concert" means "a group of persons who, pursuant to an agreement or understanding (whether formal or informal), actively cooperate, through the acquisition directly or indirectly of shares in the Company by any of them, either directly or indirectly, to obtain Control of the Company", and (c) "Control" means the "direct or indirect ownership of more than 50 per cent of the share capital or similar rights of ownership of the Company or the power to direct the management and the policies of the Company whether through the ownership of share capital, contract or otherwise". The Change of Control clause grants to any noteholder, in essence, the right to request the redemption of his notes at a repurchase price in cash of 101% of their principal amount (plus interest accrued) upon the occurrence of a Change of Control and a related downgrade in the notes to sub-investment grade</p> | Mgmt | No vote |

Fees in the form of synthetic shares: The Nomination Committee proposes the Directors should be offered, on unchanged terms, the possibility to receive part of the fees in respect of their Board assignment (however, not in respect of committee work) in the form of synthetic shares. A synthetic share signifies a right to receive future payment of an amount corresponding to the market price of a share of series B in the Company on NASDAQ OMX Stockholm at the time of payment. The following principal terms and conditions shall apply. A nominated Director shall have the possibility of choosing to receive | Mgmt | For |

the fee in respect of his or her Board assignment, according to the following four alternatives: 25 percent in cash 75 percent in synthetic shares; 50 percent in cash 50 percent in synthetic shares; 75 percent in cash 25 percent in synthetic shares; and 100 percent in cash. The number of synthetic shares allocated to the Director shall be based on a volume weighted average of the market price of shares of series B on NASDAQ OMX Stockholm during the five trading days immediately following the publication of the Company's interim report for the first quarter of 2011. The synthetic shares are vested during the term of office, with 25 percent per quarter of the year. The synthetic shares entail a right to receive payment, following the publication of Ericsson's year-end financial statement in 2016, of a cash amount per synthetic share corresponding to the market price of shares of series B in the Company at the time of payment. Dividend in respect of shares of series B in the Company, which the General Meeting of Shareholders has resolved on during the holding period, shall be disbursed at the same time as the cash amount. Should the Director's assignment to the Board of Directors come to an end not later than during the third calendar year after the year in which the General Meeting of Shareholders resolved on allocation of the synthetic shares, payment may take place the year after the assignment came to an end. The number of synthetic shares may be subject to recalculation in the event of bonus issues, split, rights issues and similar measures, under the terms and conditions of the synthetic shares. The intention is that the Company's future commitment to pay with regard to the synthetic shares, as set out above, should be hedged by the Company, either through repurchased own shares which are sold on the market in connection with payments to the Directors or through a hedging agreement with a bank. Due to the hedging measures, the financial difference for the Company, should all Directors receive part of their fees in the form of synthetic shares compared with the fees being paid in cash only, is assessed to be very limited

- 9.4 Procedure on appointment of the Nomination Committee and determination of the assignment of the Committee: The Nomination Committee proposes a procedure on appointment of the Nomination Committee, in substance as follows: The Company shall have a Nomination Committee of no less than five members. One member shall be the chairman of the Board of Directors. Based on the shareholding statistics the Company receives from Euroclear Sweden AB as per the last bank day of the month in which the Annual General Meeting is held, the Nomination Committee shall, without unnecessary delay, identify the four largest shareholders by voting power of the Company. As soon as reasonably feasible, the Nomination Committee shall, in a suitable manner, contact the identified four largest shareholders and request them, within reasonable time considering the circumstances, however not exceeding 30 days, to provide in writing to the Nomination Committee the name of the person the shareholder wish to appoint member of the Nomination Committee. The chairman of the Nomination Committee shall be the member that represents the largest shareholder(s) by voting power, provided the Nomination Committee does not unanimously resolve to appoint another member, appointed by a shareholder, chairman of the Nomination Committee. In case a shareholder considers its shareholding in the Company is of such significance that it justifies a participation in the Nomination Committee, the shareholder may inform in writing the Nomination Committee thereof and in connection hereto adequately verify its shareholding. Upon receipt of such a request no later than December 31, and provided the Nomination Committee considers the reported shareholding be adequately verified, the Nomination Committee shall confirm this to the shareholder, who will then be entitled to appoint a supplemental member of the Nomination Committee. In case the Nomination Committee receives a notification from a shareholder past the date of December 31, no action is required to be taken. The assignment covers to provide proposals for chairman at the Annual General Meeting; chairman of the Board of Directors and other members of the Board of Directors appointed by the Annual General Meeting; fees payable to non-employed members of the Board of Directors; and fees payable to the auditors as well as, when applicable, election of auditors. The guidelines proposed do not comprise any material changes compared to the principles resolved by the 2010 Annual General Meeting. 2011 Remuneration Policy: Remuneration at Ericsson is based on the principles of performance, competitiveness and fairness. These principles and good practice in Sweden guide our policy to: Attract and retain highly competent, performing and motivated people that have the ability, experience and skill to deliver on the Ericsson strategy; Encourage behavior consistent with Ericsson's culture and core values of professionalism, respect and perseverance; Ensure fairness in reward by delivering total remuneration that is appropriate but not excessive; Ensure a total compensation mix of fixed and variable remuneration and benefits that reflects the Company's principles and is competitive where Ericsson competes for talent; Encourage variable remuneration which, first, aligns employees with clear and relevant targets, second, reinforces performance and, third, enables flexible remuneration costs; Ensure that all variable remuneration plans have maximum award and vesting limits; Encourage employees to deliver sustained performance and build up a personal shareholding in Ericsson, aligning the interests of shareholders and employees; Communicate clearly to both employees and shareholders how Ericsson translates remuneration principles and policy into practice. an employee for three years from the investment date and the employment with the Ericsson Group continues during that time, the employee will be entitled to the following matching of shares, free of consideration, in addition to the regular matching of one share: The President may be entitled to an additional performance match of up to nine shares for each one purchased; Other senior managers may be entitled to an additional performance match of up to either four or six shares for each one purchased; The nomination of senior managers will be on the basis of position, seniority and performance at the discretion of the Remuneration Committee, which will approve participation and matching share opportunity. The terms and conditions of the additional performance match under the Executive Performance Stock Plan will be based on the outcome of three targets, which are independent of each other and have equal weighting: Up to one third of the award shall vest provided the compound annual growth rate (CAGR) of consolidated net sales between year 0 (2010 financial year) and year 3 (2013 financial year) is between 4 and 10 percent. Matching will begin at a threshold level of 4 percent CAGR and increase on a linear scale to full vesting of this third of the award at 10 percent CAGR; Up to one third of the award shall vest provided the compound annual growth rate (CAGR) of consolidated operating income between year 0 (2010 financial year) and year 3 (2013 financial year) is between 5 and 15 percent. Income from joint ventures and restructuring charges will be included though restructuring charges for 2010 will be excluded. Matching will begin at a threshold level of 5 percent CAGR and increase on a linear scale to full vesting of this third of the award at 15 percent CAGR; Up to one third of the award will be based on the cash conversion during each of the years during the performance period, calculated as cash flow from operating activities divided by net income reconciled to cash. One ninth of the total award will vest for any year, i.e. financial years 2011, 2012 and 2013, if cash conversion is at or above 70 percent. The Board of Directors considers that long-term value creation will be reflected in the success of these targets, aligning executives with long-term shareholder interests. There will be no allocation of shares if none of the threshold levels have been achieved, i.e. CAGR is less than 4 percent for net sales and less than 5 percent for operating income, and a 70 percent cash conversion has not been achieved during the performance period. The minimum matching at the threshold levels is 0. The maximum number of performance matching shares - 4 shares, 6 shares and 9 shares respectively - will be allocated if the maximum performance levels of CAGR of 10 percent for net sales and 15 percent for operating income have been

achieved, or exceeded, and a cash conversion of 70 percent or more has been achieved each year during the period. Before the number of performance shares to be matched are finally determined, the Board of Directors shall examine whether the performance matching is reasonable considering the Company's financial results and position, conditions on the stock market and other circumstances, and if not, as determined by the Board of Directors, reduce the number of performance shares to be matched to the lower number of shares deemed appropriate by the Board of Directors. When undertaking its evaluation of performance outcomes the Board of Directors will consider, in particular, the impact of larger acquisitions, divestitures, the creation of joint ventures and any other significant capital event on the three targets on a case by case basis
