**Item 1.01. Entry into a Material Definitive Agreement**

Pervasip Corp. (the “Company”) entered into a subscription agreement, as amended (the “Subscription Agreement”) with one accredited investor (the “Subscriber”) for the issuance and sale of an aggregate of 29,687,250 shares in the Company’s common stock, par value \$.001 per share (the “Common Stock”) for an aggregate purchase price of \$0.02 per share (the “Private Placement”).

The description of the Subscription Agreement does not purport to be complete and is qualified in its entirety by reference to exhibit 10.1 filed herein.

**Item 3.02 Unregistered Sales of Equity Securities.**

On October 4, 2012 (the “Closing Date”), the Company completed the Private Placement. As of the Closing Date, the Company issued and sold an aggregate of 29,687,250 shares to one accredited investor at a purchase price of \$0.02 per share receiving proceeds of \$593,745.

The Company used the proceeds of the Private Placement for general corporate purposes, including general and administrative expenses. The closing occurred following the satisfaction of customary closing conditions.

In addition, the Company engaged in the following transactions;

On September 19, 2012 the Company issued 4,779,922 shares of its Common Stock to retire debt in the aggregate amount of \$17,000.

On September 24, 2012 the Company issued 3,076,923 shares of its Common Stock to retire debt in the aggregate amount of \$10,000.

On October 2, 2012 the Company issued 4,800,000 shares of its Common Stock to retire debt in the aggregate amount of \$12,000.

As of the date hereof, the total outstanding amount of common shares is 230,895,360.

These securities were not registered under the Securities Act of 1933, as amended (the “Securities Act”), but qualified for exemption under Section 3(a)(9) and/or Section 4(2) of the Securities Act. The securities were exempt from registration under Section 4(2) of the Securities Act because the issuance of such securities by the Company did not involve a “public offering,” as defined in Section 4(2) of the Securities Act, due to the insubstantial number of persons involved in the transaction, size of the offering, manner of the offering and number of securities offered. The Company did not undertake an offering in which it sold a high number of securities to a high number of investors. In addition, these shareholders had the necessary investment intent as required by Section 4(2) of the Securities Act since they agreed to, and received, share certificates bearing a legend stating that such securities are restricted pursuant to Rule 144 of the Securities Act. This restriction ensures that these securities would not be immediately redistributed into the market and therefore not be part of a “public offering.” Based on an analysis of the above factors, the Company has met the requirements to qualify for exemption under Section 4(2) of the Securities Act.
