## Item 1.01 Entry into a Material Definitive Agreement.

The information contained in Item 3.02 below is incorporated by reference herein.

## Item 3.02 Unregistered Sales of Equity Securities.

On March 28, 2018, OncoCyte Corporation (“**OncoCyte**”) entered into a Securities Purchase Agreement with two accredited investors (the “**Agreement**”). The Agreement provides for the private placement of 7,936,508 shares of OncoCyte’s common stock (the “**Common Stock**”) for \$1.26 per share, for total gross proceeds of \$10.0 million before deducting offering expenses (collectively, the “**Private Placement**”). Of this amount, OncoCyte has received \$8.0 million in gross proceeds from the sale of 6,349,206 shares of Common Stock, and one of the investors irrevocably committed in the Agreement to pay an additional \$2.0 million on or prior to April 30, 2018 for the purchase of an additional 1,587,302 shares of Common Stock. OncoCyte intends to use the net proceeds from the Private Placement for the continued development of its liquid biopsy diagnostic tests for the early detection of cancer, complementary acquisitions, working capital and other general corporate purposes.

The investors are existing security holders of OncoCyte, including Broadwood Partners, L.P., which beneficially owns more than 5% of our outstanding Common Stock.

In the Agreement, OncoCyte agreed to file with the SEC by May 29, 2018 a resale registration statement covering all shares of Common Stock sold to investors and to cause the resale registration statement to become effective by July 26, 2018.

OncoCyte sold the shares to investors without registration under the Securities Act of 1933, as amended (the “*Securities Act*”), or applicable state securities laws, in reliance on the exemptions provided by Section 4(a)(2) of the Securities Act and Rule 506(b) of Regulation D promulgated thereunder, and in reliance on similar exemptions under applicable state securities laws for transactions by an issuer not involving any public offering. All investors were accredited and no form of general solicitation or general advertising was used in connection with the Private Placement.

The foregoing description of the Agreement does not purport to be complete and are qualified in its entirety by the full text thereof, which is filed as Exhibit 10.1 to this Current Report and incorporated by reference into this Item 3.02.
