- (1) Each phantom unit represents the right to receive between one and three common units of the Issuer upon vesting. Represents the target number of common units that may be issued. The actual number of common units issuable upon vesting can range from 100% to 300% of this target and will be determined by multiplying the target award by the quotient of the fair market value of a common unit on the vesting date divided by \$16.50 and rounded to two significant figures. Upon vesting, the phantom units may be settled in common units of the Issuer or cash at the discretion of the Issuer.
- (2) The phantom units will generally vest, subject to the Reporting Person's continued service through such date, on the earlier of a change in control transactions or November 20, 2022.
